

ADAM C. ERETH

Planning Commissioner/Businessman

My family, the Perry's, moved to the Westside in the mid-1950's and served as district teachers, engineers, coaches, volunteers, and strong community supporters. I grew up in the Wimbledon neighborhood, attended Calvary Chapel and NHHS, and bought my home in Mesa Verde in 2005.

As a homegrown Costa Mesan for 40 years, I've had the privilege to serve our community in various capacities:

- Chair, Costa Mesa Planning Commission
- Costa Mesa Finance and Pension Advisory Committee
- Chair, NMUSD Surplus Land Committee
- Costa Mesa Sanitary District Citizens' Advisory Committee
- Orange County, Sustainability and Transportation Policy Advisor
- Costa Mesa Non-Profit Programs Director

I have a PhD, I'm a proud, local business owner, and I have extensive experience in local, county and state government. As Chair of our Planning Commission, I have a deep understanding of our City's government, and I've made a career cutting red tape.

I would be honored to represent you by:

- Rezoning commercial corridors and alleviating traffic congestion
- Supporting ownership housing opportunities
- Supporting small businesses
- Restricting cannabis shops and sober living homes
- Supporting homeless prevention programs and police/fire services

It is my honor to continue serving you. I respectfully ask for your vote to achieve these goals.
