COMPLIANCE REPORTING

The City held two Lehman Brothers Medium-Term Corporate Notes in its investment portfolio. The total amount invested in these two securities stated at cost was \$5,049,700. Lehman Brothers filed for bankruptcy protection status on September 15, 2008 and the debt rating fell to B3- on that date. These securities had been rated A2 up until the bankruptcy filing. The market value loss of \$4,107,075 for the securities was recorded on the City's general ledger in September 2008, and is updated annually. The current estimates for recoveries through the bankruptcy proceedings are unknown.

In April 2011, the City joined the Ad Hoc Group of Lehman Brothers Creditors to help maximize the recovery through bankruptcy proceedings, and to protect the City's interest in the Lehman Brother's bankruptcy. The Ad Hoc Group filed a "Creditor's Plan" with the U.S. Bankruptcy Court in Manhattan which would provide a better recovery to creditors of the original Lehman parent company while offering a smaller payout to some creditors of Lehman subsidiaries. On December 6, 2011, the Bankruptcy Court entered an order confirming the Debtors' Chapter 11 Plan. The initial distribution date was April 17, 2012, and the City received \$301,889.87. After the initial plan distribution, the Debtors will make distributions of cash available in accordance with the plan semi-annually on March 30 and September 30 of each year. The City received \$250,360.80 on April 4, 2013.

As of July 31, 2013, the City has received \$744,275.07 from all Plan Distributions. The amount of Lehman Brothers investment claim held in escrow with Lehman Brothers Holdings, Inc. is currently estimated to be \$571,349.93.

The investment portfolio is in compliance with the City's adopted investment policy and applicable state laws in all other respects during, and as of, the end of the reporting period.
