RAFFLE PRIZES NEEDED!!!

The Costa Mesa Chamber of Commerce is having its 8th annual Public Safety Recognition BBQ on October 3, 2013 Orange. This event is designed so that we as chamber members & the community can join together in saying “thank you” to all of the police officers, firefighters & 911 communications personnel who help keep us safe each & every day. At the event, we hold a raffle & give away prizes to as many of the public safety staff as we possibly can. We are honored to announce that Dave Hester will be presenting all raffle donations at our event this year! It is always wonderful to see the smile on the recipient’s face when we call their name to come get their prize! It doesn’t need to be much; the small token of a \$10 gift card is great. Need ideas? Restaurants, dry cleaning, gas cards, car washes, haircuts, etc. Your contribution combined with others like yours really add up, together we can make a difference. *All items will be presented at the event & only Costa Mesa Public Safety Personnel are eligible to win. If a winner is not present when his/her name is called, delivery arrangements are made.* Here is the perfect opportunity to gain a little extra advertising while showing your support at the same time! Positive word of mouth referrals from reputable people can be priceless.

Contributions can be mailed to our Chamber office, or if need be we can make arrangements to have the item(s) picked up from your location. Feel free to contact me with any questions via phone or email. Please view highlights from our 2012 event on our website www.costamesachamber.com, video courtesy of CMTV 24. Thank you in advance for your valuable time & continued support of our public safety personnel, our chamber & the local community!

****** Sponsorships are also available - starting at just \$50.00 ******
Your generosity allows us to continue the tradition of this event!

Sincerely,
