Occupation: Costa Mesa Mayor/Businessman

Four years ago, I ran for City Council because I wanted to improve Costa Mesa's quality of life for my family and yours. Four years ago, the city faced massive budget deficits and years of neglected infrastructure.

As your Mayor, I implemented some very significant improvements.

In four short years, we've invested \$40 million in our streets, alley's and parks; improved the Westside; started plans for a new library; and we've introduced new paramedic ambulances, improving response times and lowering costs.

The most notorious crime-creating motel will shutdown soon and will be replaced with luxury apartments overlooking our public golf course. I launched the Preserve Our Neighborhoods Task Force to address our growing group home problem. On top of all that, crime is down 13 percent.

Most importantly, we've done this while turning a \$23 million budget deficit into a \$13 million surplus and are increasing Costa Mesa's reserves without raising taxes.

I'm running for reelection and ask for your vote to continue this work.

By continuing to improve Costa Mesa, we can attract more high quality jobs and young families, building a solid foundation to keep Costa Mesa great for the next generation.

I ask for your vote.
