RE: Contract Extension – Blood Alcohol Testing

Sirs:

We wish to take this opportunity to thank the City of Costa Mesa Police Department for its continued utilization and support of our services over the past contract period. We are now in our 33rd year of operation of providing Blood Alcohol Testing services exclusively to Orange County law enforcement agencies. We continue to be the sole source provider of Blood Alcohol Testing services for ALL Orange County law enforcement agencies. We very much wish in continuing to provide you with our services during this next contract period and for many years to come.

In order for us to continue to provide you with the quality of service required by the City of Costa Mesa Police Department we must slightly increase our rates for the upcoming contract period. We have not increased our rates in over 3 years. Our new rates for the upcoming contract period will be \$92.00 per blood test. This rate increase of less than 2.9% is considerably less than the CPI for medical services for the same period. We do not anticipate any additional rate increases over the next 3 years.

Once again we wish to thank you for your continued support and we look forward to continuing our long term relationship with the City of Costa Mesa Police Department. Please contact us at your convenience if you should have any questions or if we can be of any additional service.

Sincerely,
