<b>ALUC</b>	<u>Airport Land Use Commission</u> : The County commission which coordinates compatible zoning and land uses adjacent to John Wayne airport.
<b>AQMD</b>	<u>Air Quality Management District</u> : A regional agency which has the responsibility of monitoring air quality and the authority to adopt and enforce all rules and regulations necessary to control nonvehicular sources of air contaminants.
<b>CEQA*</b>	<u>California Environmental Quality Act</u> : This act requires all state and local agencies to consider the environmental impact of any discretionary project proposed.
<b>CNEL</b>	<u>Community Noise Equivalent Level</u> : An acoustical scale used as a measure of noise annoyance. In Costa Mesa, the maximum outdoor residential standard is 65 CNEL, and 45 CNEL is the indoor residential standard.
<b>CUP</b>	<u>Conditional Use Permit</u> : The Planning Commission may grant a conditional use permit to a landowner allowing a use or activity not allowed as a matter of right within a zoning district.
<b>dBA</b>	<u>Decibel, A-weighted</u> : The loudness of sound is measured in units of noise called decibels (dB). When this measure is modified by what is called an "A-weighting," abbreviated dBA, it corresponds more closely to what the human ear can hear.
<b>DR</b>	<u>Development Review</u> : The Planning Division reviews plans for certain types of development in multiple-family residential, industrial, and commercial zones. Approval under this process must be granted before building permits may be issued.
<b>EIR</b>	<u>Environmental Impact Report</u> : An informational document required by CEQA, which provides a detailed statement of the environmental effects of a proposed project. Its purpose is to provide information to the decision-makers and the general public so that a project's significant effects on the environment can be evaluated; the methods of reducing adverse impacts identified; and the alternatives to proposed project considered.

These exceptions are classified as variances or conditional use permits. On approving such an exception, the Commission may impose reasonable conditions to the use of the property. In Costa Mesa, planning application is identified by an application number such as PA-99-01.
