Are you ready for a

A wildland fire can happen anywhere there are plants living outside. That includes a forest, grasslands, or even a swamp.

Draw a picture of what the outdoors looks like where you live.

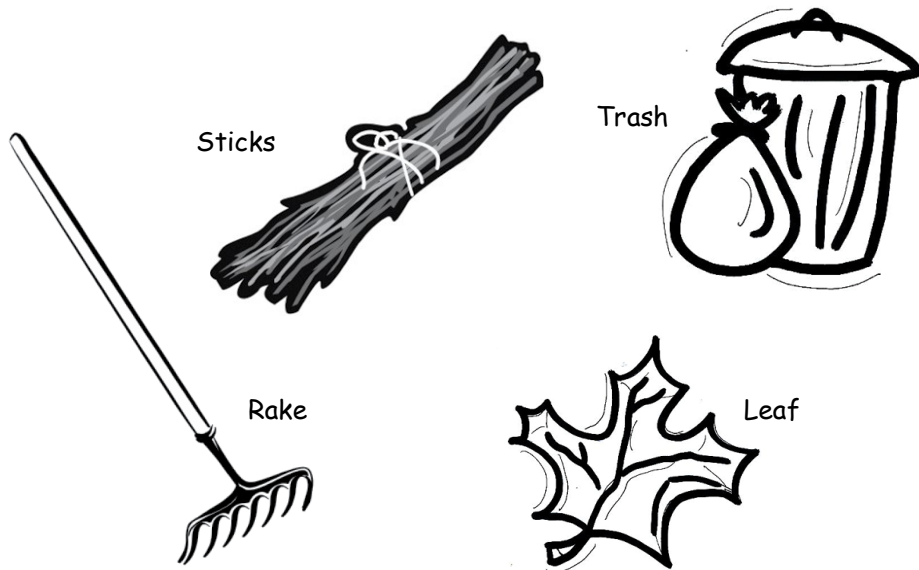

Mission 4: Get *Set*

To get their safety kits **SET** in case of a wildland fire, Sarah and Caroline are packing their safety kits with their mom. Their mom adds water and snacks while Sarah adds her teddy bear and Caroline brings her doll. Help add color to their safety kits.

Mission 3: Be *Ready*

Having a clean yard helps get your home **READY** for a wildland fire. Color the leaves that Garrett is helping his dad rake.
