DOG LICENSE INFORMATION AND INSTRUCTIONS

Licensing questions? Please call (714) 754-5300 or email at Animal.License@costamesaca.gov.

- All dogs over four months of age kept in Costa Mesa must have a current license, renewed annually. Failure to have and keep a current dog license can result in a citation. For service dog applications, please connect with Animal Control at 714-754-5311.
- **Required Documents:** A current rabies vaccination certificate from a U.S. license veterinarian. Vaccine summaries and payment receipts cannot be accepted. If the rabies certificate shows incorrect pet information or lists a prior owner, contact the issuing facility to update it before submitting the license. A **certificate of spay/neuter** is required from a licensed veterinarian to receive the discounted altered rate. **DO NOT mail originals.**
- **Replacement Tag:** One permanent license tag is issued at no charge with your dog's first license. If a replacement tag is needed for a lost or damaged tag, please indicate on application for the additional \$5 payment. Limit one tag per replacement request.
- **Penalty Fee:** If this application was provided by an Animal Control Officer, payment is required within 15 business days of notification and will result in a penalty of 50% of licensing fees. Failure to obtain and keep a current dog license can result in a citation. If a renewal is more than 30 days overdue, a late fee of 50% of the applicable license fee will be charged in addition to the yearly fee.
- **Online Applications:** Please visit: www.costamesaca.gov/doglicense (will require an email, upload of "Required Documents", and only accepts Visa or MasterCard payments).
- **Mailed Applications:** Check or Money order payable to: **City of Costa Mesa.**
- Mailed completed application (one application per dog) with all required documents to:

Animal Licensing

P.O. Box 1200

Costa Mesa, CA 92628
