Notes:

- 1. Other classifications are available based upon the needs of the agency.
- 2. All general engineering tasks will be negotiated on a case by case basis using the hourly rates provided for personnel assigned to the contract.

Professional Reimbursement / Hourly and Overtime Rates: The hourly billing rates include the cost of salaries of the HR Green employees, plus sick leave, vacation, holiday and other fringe benefits. The percentage added to salary costs includes indirect overhead costs and fee (profit). All employees classified as "non-exempt" by the U.S. Department of Labor will be compensated at 1.5 times salary, as per state and Federal wage and hour for overtime hours. Billing rates will be calculated accordingly for overtime hours.

Prevailing Wage: Please note that for prevailing wage projects the total project cost can be higher than HR Green would otherwise charge. For prevailing wage projects, the billing rates for straight time will be as shown above. Overtime, weekend, holiday, and other special pay rates defined by the State of California Department of Industrial Relations Group II "Construction Inspector and Field Soils and Materials Tester" will be multiples of the straight hourly rates shown. Overtime and Saturday work will be billed at 1.5 times that shown above. Sunday and State Holidays will be billed at 2.0 times that shown above.

The rates provided are based on the prevailing wage determination at the time of the proposal. In years marked with a double asterisk (**) by the Department of Industrial Relations, the rates will be adjusted on the effective dates established by the State and pursuant to the pre-determined escalation rates.

Direct/Reimbursable Expenses and Subconsultants: Reimbursement for direct expenses, as listed below, incurred in connection with the work, will be at cost plus 15% percent for items such as:

- a. Maps, photographs, reproductions, printing, equipment rental and special supplies related to the work.
- b. Subconsultants and other outside services, if needed.
- c. Specific telecommunications and delivery charges.
- d. Special fees, insurance, permits, and licenses applicable to the work.
- e. Outside computer processing, computation, and proprietary programs purchased for the work.
- f. Mileage and vehicle costs directly related to agency services.
- g. Travel expenses (e.g., hotel, meals, transportation, etc.)

Our hourly fees/rates shall remain effective through December 31, 2020 and may be adjusted annually thereafter as negotiated with and agreed to by the agency.
