Appendix B.2 – Housing Successor Annual Report FY 21- 22

BACKGROUND

On June 29, 1953, the City of Costa Mesa was incorporated as a general law city led by a City Council-Manager form of government. The City of Costa Mesa originally consisted of an area of 3.5 square miles and general population of 16,840. The City's current estimated population is 108,829 persons, and it consists of an overall land area of 16.8 square miles (US Census 2020).

The City adopted its first General Plan in 1957 and its second General Plan in 1970. The General Plan was comprehensively amended in 1981 and again in 1992. On January 22, 2002, the City Council adopted the Costa Mesa 2000 General Plan. The 2000 General Plan recognized the community's diverse evolution of residential neighborhoods, its regional commercial influence, and its recreational amenities.

The City completed its most recent comprehensive General Plan update (2015-2035 General Plan) that was approved on June 21, 2016. Many of the policies were carried over from the 2000 General Plan and new policies were added in compliance with the latest State mandates and in accordance with the economic growth of the City. This report includes the 2021 and 2022 annual review of the General Plan and Housing Element for Planning Commission and City Council review and approval as required by state law regarding the implementation of the programs and policies of the General Plan.

The purpose of this review is to provide the status of the City's General Plan and progress in its implementation. Table 1 provides a summary of the current status of various General Plan Elements, including the 5th Cycle Housing Element, adopted in 2014, and the 6th Cycle Housing Element, adopted in November 2022.

ANALYSIS

Government Code Section 65400

State Government Code Section 65400 requires that an annual progress report (APR) be made to the City's legislative body on the status of the General Plan and progress in its implementation, including progress toward meeting its Housing Element goals and its regional housing needs allocation. The Department of Housing and Community Development updated their forms and instructions to incorporate new APR requirements, pursuant to Assembly Bill 879, Senate Bill 35, Assembly Bill 1486, Assembly Bill 101, Assembly Bill 1255 and Assembly Bill 83. This 6th Edition of the Annual Progress Report includes the annual review for 2021 and 2022.

State Law requires the following:

- Provide by April of each year an annual report to the City Council, the Office of Planning and Research, and the Department of Housing and Community Development that includes all of the following:
 - (A) The status of the plan and progress in its implementation.
 - (B) The progress in meeting its share of regional housing needs determined pursuant to Section 65584 and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing. The housing element portion of the annual report shall include a section that describes the actions taken by the City of Costa Mesa towards completion of the programs and status of the local government's compliance with the deadlines in its housing element.

Annual Review and Housing Program Summary Report

Pursuant to State law, the Annual Progress Report of the Costa Mesa General Plan reports to the City Council the progress in implementing the General Plan. The report includes the following elements:

1. Table 1 (Annual Review Summary) describes the status of the 2015-2035 General Plan goals, objectives, and policies and progress in 2021 and 2022 toward implementing the City's long-range plan for land use

and development. Table 1 includes a general statement on implementation and, where applicable, highlights specific implementation actions for 2021 and 2022.

2. *Attachment 1* (Housing Program Status Report) provides the City's progress in meeting its share of the regional housing needs assessment, pursuant to State Government Code Section 65584 and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing.
3. The conclusion describes the effectiveness of the 2015-2035 General Plan.

2015-2035 General Plan – Goals, Objectives, and Policies

The 2015-2035 General Plan goals, objectives, and policies are described in a comprehensive document (attached as Appendix A).

- A goal is defined as a broad vision of what the community wants to achieve or provide to residents, landowners, business owners and tourists. It is a statement of a desired condition based on community values. Goals are general in nature and usually timeless.
- A policy is a specific statement that guides decision-making and indicates a particular course of action. A policy is based on and helps implement a goal.

General Plan Update

The State Office of Planning and Research recommends that Cities update their General Plan every 10 years. City Council approved the City's 2015-2035 General Plan on June 21, 2016. The General Plan update is an extensive process that involves various public meetings with City commissions and Council and extensive community outreach.

As part of this update, the City was also complying with the requirements of Assembly Bill 1358 (enacted in 2008), The California Complete Streets Act that required integrating multimodal transportation network policies into the circulation elements of the general plans. The 5th Cycle Housing Element was adopted in January 2014 and compliance was received from the State Department of Housing and Community Development for an eight-year Regional Housing Needs Assessment (RHNA) cycle that began in 2014 and ends in 2021. The 6th Cycle Housing Element was adopted in November 2022 and, in May 2023, HCD has determined that the City Housing Element meets the statutory requirements of State Housing Law.

CONCLUSION

The Costa Mesa 2015-2035 General Plan serves as an effective guide for orderly growth and development, preservation and conservation of open space land and natural resources, and efficient expenditure of public funds.

As illustrated in Attachment 1, completed City projects such as such as, but not limited to, adopted ordinances, zoning code updates, completed street improvements, funding sources for park improvement, awarding contracts are in conformance with the General Plan's goals, objectives, and policies for each respective element. Furthermore, significant progress on various public works projects or private developments are also in accordance with the 2015-2035 General Plan. The City's legislative bodies have used the 2015-2035 General Plan as the primary source of long-range planning and policy direction. All future development and activities will be consistent with these goals and policies that will continue to guide growth and preserve the quality of life within the community.

Note that to implement the 6th Cycle Housing Element; specifically, to accommodate the City's RHNA allocation, future General Plan updates will be necessary to ensure that the City's General Plan will remain internally consistent and remain an effective guiding document for orderly growth. The future updates will also address other topics that

[Updated: 6/29/23]

are prompted by various State statute, including “Environmental Justice”, in accordance to State’s OPR General Plan Guidelines.

Table 1 – Annual Review

LAND USE ELEMENT

General Plan Goal, Objective, Policy	Description of City Action
Land Use Element Goal LU-1: A Balanced Community with a Mix of Land Uses to Meet Resident and Business Needs	
Objective LU-1A: Establish and maintain a balance of land uses throughout the community to preserve the residential character of the City at a level no greater than can be supported by the infrastructure.	
LU-1.1 Provide for the development of a mix and balance of housing opportunities, commercial goods and services, and employment opportunities in consideration of the needs of the business and residential segments of the community.	<p>The Costa Mesa Municipal Code (CMMC) is updated on a regular bases to ensure that it is consistent and implements the policies of the General Plan and various State land use mandates. The General Plan Land Use Policy Map Figure LU-3 correlates with CMMC Zoning Map to ensure a variety of commercial, residential, and industrial uses throughout the City. All commercial development within the City which occurs near residential development requires additional scrutiny and, in many cases, requires a higher level of discretionary approval per the City’s Zoning Code to ensure that the use does not negatively impact the residential neighborhood. The Urban Plan Overlays and the Planned Development zoning allow mixed-use development. The City is a major center for employment in Orange County and is striving to add more units to the housing stock to allow employees to live and work in the City.</p> <p>2021:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-10 - Approved Master Plan for 8 new single family detached homes (Planning Application 20-10 and Tentative Tract Map No. 19120) Adopted Ordinance No. 2021-03 <p>Update various sections of Title 13 of CMMC pertaining to accessory dwelling units (ADU) and junior ADU consistent with state law requirements and authorized related fees. Resolution No. 2021-03, establishes park impact fees for ADU and junior ADU.</p> <ul style="list-style-type: none"> Adopted Ordinance No. 2021-20 <p>Ordinance No. 2021-20 is an amendment to Costa Mesa Municipal Code (CMMC) to update various sections of the zoning code to resolve internal inconsistencies, clarify intent and to conform to requirements of State Law. The update was necessary to ensure that the City’s Zoning code effectively implements the City’s General Plan policies. The ordinance updates definitions for Accessory Dwelling units, Convenience Store, Mini-market, Specialty store, finished grade, natural grade, boardinghouse (small and large). Ordinance No. 2021-20 also updated cross references and definitions for special use permit, reasonable accommodation as set forth in city ordinances and federal law.</p>
LU-1.2 Balance economic gains from new development while preserving the character and densities of residential neighborhoods.	
LU-1.3 Strongly encourage the development of residential uses and owner-occupied housing (single-family detached residences, condominiums, townhouses) where feasible to improve the balance between rental and ownership housing opportunities.	
LU-1.4 Promote housing and employment opportunities within planned development areas to the extent feasible.	
LU-1.5 Maintain a land use structure that strives to balance jobs and housing with available infrastructure and public and human services.	

	<ul style="list-style-type: none"> • Adopted Ordinance No. 2021-21 <p>Completed an amendment to portions of Title 13 of the CMMC relating to implementation of Senate Bill (SB) 9 for the creation of two (2) residential units per lot and urban lot splits in single family residential zones.</p> <ul style="list-style-type: none"> • Issued 43 ADU building permits and completed 9 ADUs; • City Council provided direction to Economic and Development Services Department/Planning Division regarding potentially entering into a public benefits agreement with the California Statewide Communities Development Authority Community Improvement Authority (CDCDA CIA) to convert the 580 Anton Boulevard property into workforce housing. • Community outreach for a City-wide Parking Study. The study will recommend an implementation plan focused on improving the overall parking experience for residents and guests. <p>2022:</p> <ul style="list-style-type: none"> • Develop process and updated application for SB 9 proposals • Adopted Ordinance No. 2022-09, Resolution No. 2022-53, Resolution No. 2022-54, Resolution No. 2022-55, and Resolution No. 2022-56 <p>Voters approved an ordinance to revitalize commercial and industrial areas and protect residential neighborhoods.</p> <ul style="list-style-type: none"> • 69 ADUs Building permits issued and 17 completed ADUs. • Adopted Resolution No. 2022-63 <p>Resolution of the City setting forth findings for amendments to the 2022 California Building code, the 2022 California Residential Code, and the 2022 California Fire Code relative to local climatic and geographic conditions.</p> <ul style="list-style-type: none"> • Adopted Ordinance No. 2022-04 and Resolution No. 2022-51 <p>Resolution of the City establishing Residential Parking (RPP) Permit Program Annual Fees for fiscal year 2022-2023. Revised RPP guidelines and policies were approved by the City in May/June 2022. RPP program</p>
--	---

	<p>will be limited to areas experiencing external parking impacts from commercial areas, neighboring cities, fairgrounds and recreational uses. All housing types within impacted areas are eligible for permits, with one permit per driver based on verification of residence and vehicle registration.</p> <ul style="list-style-type: none"> • City-wide Parking Study Completed
<p>Land Use Element Goal LU-2: Preserve and Protect Residential Neighborhoods</p>	
<p>Objective LU-2A: Promote land use patterns and development that contribute to community and neighborhood identity.</p>	
<p>LU-2.1 In the event of damage or destruction, allow any legal conforming use in existence at the time of adoption of the General Plan that is located in a nonconforming development to be rebuilt to its original building intensity, as long as any such rebuilding would not increase the development's nonconformity, and the damage or destruction was in no way brought about by intentional acts of any owner of such use or property.</p>	<p>Costa Mesa Municipal Code Title 13 Chapter X establishes requirements for nonconforming uses, developments and lots. City policy requires all projects proposing five dwelling units or more on a project site be conditioned to underground all utility poles within the frontage. Densities in excess of maximum density allowed for by the General Plan are subject to approval of a General Plan Amendment unless the proposal includes a density bonus and provides affordable housing. All common roadways and access in common interest developments are subject to recordation of an easement. Several projects under construction in Westside Costa Mesa have replaced underutilized industrial and commercial properties with new housing and live/work developments that also resulted in major environmental clean-up of a few sites. Commercial buildings over 30 feet are subject to Planning Commission approval and considered on a case-by-case basis. Structures in urban overlay plans are typically over 30 feet and are evaluated with respect to privacy and shade and shadow impacts. All projects with three stories or more are required to submit a shade and shadow study during evaluation of the project. Any new development is subject to compliance with the noise standards and installation of sound walls and upgraded windows and wall assemblies to protect residents.</p> <p>2021:</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2021-32 <p>Resolution of the City establishing Underground Utility District No. 22, on Adam Avenue from Albatross Drive to approximately 500 feet west of Mesa Verde Drive East. Removal and underground installation work in the District are anticipated to commence by Fall 2024.</p>
<p>LU-2.2 Pursue maximum use of utility company funds and resources in undergrounding existing overhead lines, and encourage undergrounding of utilities in the public right-of-way for residential development consisting of five units or more, to the extent feasible and practical.</p>	
<p>LU-2.3 Develop standards, policies, and other methods to encourage the grouping of individual parcels to eliminate obsolete subdivision patterns and to provide improved living environments while being consistent with the neighborhood character of the surrounding community.</p>	
<p>LU-2.4 Do not allow "rounding up" when calculating the number of permitted residential units, except for lots existing as of March 16, 1992, zoned R2-MD that have less than 7,260 square feet in area, and no less than 6,000 square feet, where density calculation fractions of 1.65 or greater may be rounded up to two units.</p>	
<p>LU-2.5 Allow creation of parcels without street frontage if sufficient easements are provided for planned developments or common-interest developments consistent with the neighborhood character. This policy does not apply to small lot subdivisions.</p>	
<p>LU-2.6 Encourage increased private market investment in declining or deteriorating neighborhoods.</p>	
<p>LU-2.7 Permit the construction of buildings over two stories or 30 feet only when it can be shown that the construction of such structures will not adversely impact surrounding developments and deprive existing land uses of adequate light, air, privacy, and solar access.</p>	

<p>LU-2.8 Limit building height to four stories above grade south of the I-405 Freeway, except for special purpose housing such as elderly, affordable, or student housing, unless otherwise approved by a General Plan amendment. (A four-story/five-level parking structure with roof deck parking on the fifth level is considered a four-story structure.)</p>	
<p>LU-2.9 Require appropriate building setbacks, structure orientation, and placement windows to consider the privacy of adjacent residential structures within the same project and on adjacent properties.</p>	
<p>LU-2.10 Promote lot consolidation of residential properties to the extent feasible and practical, including the creation of larger single-family residential lots that exceed the minimum 6,000-square-foot requirement in neighborhoods where the prevailing residential subdivision pattern features larger-sized residential lots.</p>	
<p>LU-2.11 Ensure adequate noise attenuation in urban design, such as walls for sound attenuation, development of landscaped greenbelts, provision of landscape berms, etc.</p>	
<p>Land Use Element Goal LU-3: Development that Maintains Neighborhood Integrity and Character</p>	
<p>Objective LU-3A: Establish policies, standards, and procedures to minimize blighting influences, and maintain the integrity of stable neighborhoods.</p>	
<p>LU-3.1 Protect existing stabilized residential neighborhoods, including mobile home parks (and manufactured housing parks), from the encroachment of incompatible or potentially disruptive land uses and/or activities.</p>	<p>Ongoing through the implementation and enforcement of Title 20 – Property Maintenance, of the Municipal Code. Title 20 establishes standards to ensure proper maintenance, removal of hazardous and improper storage, and removal of weeds and other public nuisances. All development applications are reviewed to ensure that they are compatible with surrounding neighborhoods. When needed, projects are conditioned to operate in a manner that is not detrimental to the surrounding area (e.g. limited hours of operation, project design, parking management, on-site/off-site improvements). All new development proposed beyond the allowable densities is subject to submittal of a water/sewer assessment study (applicable to larger projects) and will serve letter from the utility companies or other infrastructure planning analysis. Development of mixed-use projects are encouraged through planned development and overlay zones. Staff works with property owners, brokers, and agents to help find the right type of uses to be catalyst for revitalization. This includes conducting interviews with existing businesses, organizing meetings to facilitate an exchange of information and guidance, and taking potential sites to an annual retail conference to assist in sites being redeveloped or tenant vacancies filled. Traffic impacts are evaluated with each development project with consideration to the City’s circulation element and any potential impacts to residential neighborhoods. All two-story projects are required to submit privacy and view analysis with exhibits that show location of proposed and existing buildings. In addition, per the Residential Design Guidelines, second story additions are subject to notification of neighboring properties prior to approval. Most projects in Urban Plan areas are proposed with lot consolidation. Lot consolidation is challenging for developers, but encouraged for</p>
<p>LU-3.2 Actively enforce existing regulations regarding derelict or abandoned vehicles, outdoor storage, and substandard or illegal buildings, and establish regulations to abate weed-filled yards when any of the above are deemed to constitute a health, safety, or fire hazard.</p>	
<p>LU-3.3 Continue code enforcement as a high priority with regard to the regulation of property maintenance standards citywide.</p>	
<p>LU-3.4 Ensure that residential densities can be supported by the infrastructure and are compatible with existing residential neighborhoods in the surrounding area.</p>	
<p>LU-3.5 Provide opportunities for the development of well-planned and designed projects which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project or neighborhood.</p>	
<p>LU-3.6 Facilitate revitalization of aging commercial centers by working with property owners, developers, local businesses, and other community organizations to coordinate efforts.</p>	
<p>LU-3.7 Promote development/design flexibility that encourages older or poorly maintained high-density residential uses to be rehabilitated.</p>	

<p>LU-3.8 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development and surrounding residential neighborhoods.</p>	<p>all new developments. Small lot residential developments are currently allowed by Small Lot Ordinance and Common Interest Development. All two- and three-story residential development is required to meet the intent of the Residential Design Guidelines. FAA is notified and reviews all mid-rise and high-rise development. The General Plan is consistent with the John Wayne Airport Environmental Land Use Plan by the Airport Land Use Commission (ALUC). Filing with FAA and ALUC approval is required for all projects exceeding the established FAA thresholds.</p> <p>Highlighted Implementation Action:</p> <p>2021:</p> <ul style="list-style-type: none"> Adopted Ordinance No. 2021-02 <p>An ordinance that amends various sections of CMMC to clarify existing law in the City of Costa Mesa regarding the powers of code enforcement officers and civil responsibility for code violations and consideration of history of the civil citations in connection with any entitlement, permit, monetary grant, or other discretionary decision of the City;</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-29 <p>Resolution of the City certifying special assessments for collecting delinquent civil fines for violations of the CMMC</p> <p>2022:</p> <ul style="list-style-type: none"> Approved one small lot subdivision resulting in four residential units (PA 22-20, PM-2020-05) Adopted Resolution No. 2022-52 <p>Resolution of the City certifying special assessments for collecting delinquent civil fines for violations of the CMMC</p> <ul style="list-style-type: none"> Adopted Ordinance No. 2022-09, Resolution No. 2022-53, Resolution No. 2022-54, Resolution No. 2022-55, and Resolution No. 2022-56 <p>Voters approved an ordinance to revitalize commercial and industrial areas and protect residential neighborhoods.</p> <ul style="list-style-type: none"> Utilize CBDG funding to fund capital improvement projects, public services programs that benefit low- and moderate-income residents (including programs that
<p>LU-3.9 Locate high-intensity developments or high-traffic-generating uses away from low-density residential in order to buffer the more sensitive land uses from the potentially adverse impacts of the more intense development or uses.</p>	
<p>LU-3.10 Minimize effects of new development on the privacy and character of surrounding neighborhoods.</p>	
<p>LU-3.11 Promote small-lot residential development on long, narrow, single parcels or combined residential lots.</p>	
<p>LU-3.12 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development.</p>	
<p>LU-3.13 Prohibit construction of buildings which would present a hazard to air navigation, as determined by the Federal Aviation Administration (FAA).</p>	
<p>LU-3.14 Certain development proposals which may include the construction or alteration of structures more than 200 feet above ground level may require filing with the Federal Aviation Administration (FAA) and Airport Land Use Commission (ALUC) pursuant to federal and State law. If a filing requirement is determined to be necessary in accordance with the procedures provided by State/federal agencies, the filing of a Notice of Proposed Construction or Alteration (FAA Form 7460-1) shall be required prior to review and consideration of the proposed development.” Land Use Element (page LU-18) refers to the threshold stated above. It shall be amended to refer to Filing FAA Form 7460-1 Notice of Construction and Alteration, and not to Form 7480-1.</p>	
<p>LU-3.15 The City will ensure that development proposals, including the construction or operation of a heliport or helistop comply fully with permit procedures under State law, including referral of the project to the ALUC by the applicant, and with all conditions of approval imposed or recommended by the Federal Aviation Administration, ALUC, and Caltrans, including the filing of Form 7480-1 (Notice of Landing Area Proposed) with the FAA. This requirement shall be in addition to all other City development requirements.</p>	
<p>LU-3.16 The City shall refer certain projects to the Airport Land Use Commission for Orange County, as required by Section 21676 of the California Public Utilities Code to determine consistency of the project(s) with the Airport Environs Land Use Plan for John Wayne Airport.</p>	

<p>LU 3.17 New residential developments within the 60 dB CNEL noise contour of the airport shall provide designated outdoor signage informing the public of the presence of operating aircraft.</p>	<p>improves the quality of life of seniors), housing rehabilitation programs, and community improvement/code enforcement programs.</p> <ul style="list-style-type: none"> Utilize HOME Funds from HUD for Housing Rehabilitation Program, Affordable Rental Housing and for Community Housing Development Organization project
<p>Land Use Element Goal LU-4: New Development that Is Sensitive to Costa Mesa’s Environmental Resources</p>	
<p>Objective LU-4A: Encourage new development and redevelopment that protects and improves the quality of Costa Mesa’s natural environment and resources.</p>	
<p>LU-4.1 Ensure that appropriate watershed protection activities are applied to all new development and significant redevelopment projects that are subject to the National Pollutant Discharge Elimination System Stormwater Permit during the planning, project review, and permitting processes.</p>	<p>All development plans are required to submit the appropriate State required permits and water quality management plans per local ordinance. Erosion control plans are consistently required and reviewed prior to grading permits. Zoning Code also doesn’t allow a building or structure to be constructed closer than ten (10) feet from a bluff crest, unless permitted by a minor conditional use permit.</p> <p>2021:</p> <ul style="list-style-type: none"> Within Fairview Park, the City maintains 40 acres of wetland and riparian habitat; monitors and maintains approximately 15 acres of vernal pool and marshland/watershed area; and actively restored 6 acres of canyon riparian habitat. Within Canyon Park, the City maintains three separate run-off channels that contain important riparian and aquatic biota.
<p>LU-4.2 Avoid conversion of areas particularly susceptible to erosion and sediment loss (e.g., steep slopes) and/or establish development guidelines that identifies these areas and protects them from erosion and sediment loss.</p>	
<p>LU-4.3 Preserve or restore areas that provide water quality benefits and/or are necessary to maintain riparian and aquatic biota.</p>	
<p>LU-4.4 Promote site development that limits impact on and protects the natural integrity of topography, drainage systems, and water bodies, and protect the integrity of the bluff crest.</p>	
<p>LU-4.5 Promote integration of stormwater quality protection into construction and post-construction activities, as required by the NPDES Stormwater Permit and the City’s Local Implementation Plan.</p>	

<p>LU-4.6 Incorporate the principles of sustainability into land use planning, infrastructure, and development processes to reduce greenhouse gas emissions consistent with State goals.</p>	<ul style="list-style-type: none"> Adopted Ordinance No. 2021-16 <p>An Ordinance of the City amending sections of CMMC to implement the requirements of SB 1383 (Mandatory Organic Waste Disposal Reduction) – including negotiating and executing franchise agreements with seven haulers; program rollout, food recovery programs and educational materials: https://www.costamesaca.gov/government/departments-and-divisions/public-works/sb-1383</p> <ul style="list-style-type: none"> To support the State’s GHG reduction goals from the energy and transportation sector the City CIP project includes installation of 9 EV charging stations at City Hall, that is publicly available, 2 solar powered EV charging stations at the Senior Center and Corp Yard. The City also partnered with SCE to retrofit 6300 streetlights to LEDs Secured grant funding from several State and local agencies to support sustainability projects. i.e. for solid waste program from CalRecycle; for EV infrastructure, City EV carpool fleet and City’s e-shuttle bus from CEC and AQMD <p>2022:</p> <ul style="list-style-type: none"> City awarded a Professional Services Agreement to Endemic Environmental Services, Inc., for biological management and habitat rehabilitation services at Fairview Park
<p>Land Use Element Goal LU-5: Adequate Community Services, Transportation System, and Infrastructure to Meet Growth</p>	
<p>Objective LU-5A: Ensure availability of adequate community facilities and provision of the highest level of public services possible, taking into consideration budgetary constraints and effects on the surrounding area.</p>	
<p>LU-5.1 Pursue annexation of certain areas within the City’s Sphere of Influence to provide land use regulation and city services within its jurisdiction.</p>	<p>The City of Costa Mesa has approximately 0.3 square miles of land left within its sphere of influence. The City will continue to participate in the JUA between the City and NMUSD. Continue to lease the Balearic Community Center from the NMUSD for recreational and community service use. Currently there are six fire stations operating in the City. The City continues to monitor fire service needs as the population grows with new residential development projects. The Economic Development staff attends industry functions and professional organizations to update businesses about projects and opportunities in Costa Mesa. No project specific General Plan Amendment exceeding the allowable Floor Area Ratio (FAR) was approved in 2021 and 2022. Any intensification of use or additions of floor area for non-conforming structures is subject to the zoning development standards and traffic generation rates. No applications to increase the FAR of a non-conforming structure has been approved in 2021 and 2022. Each project application is</p>
<p>LU-5.2 Strongly encourage protection and preservation of existing but underutilized school sites for future recreational, social, or educational uses.</p>	
<p>LU-5.3 As appropriate and timely, consider the establishment of development impact fee program(s) to fund additional fire and police personnel, library facilities, and related equipment to meet the demands of additional growth in the City.</p>	
<p>LU-5.4 Require appropriate site and environmental analysis for future fire and police station site locations or for the relocation or closure of existing fire and police facilities.</p>	

<p>LU-5.5 Ensure that new development pays its fair share of impact fees such as park fees and traffic impact fees. This can also include impact fees related to community services (police protection services and fire emergency response services) or library facilities, once adopted and applicable.</p>	<p>reviewed for any potential impacts on the circulation system. Projects with impacts are subject to either traffic improvement requirements and or traffic mitigation/impact fees. Will serve letters from utility companies are required for all projects that could potentially impact the service. Projects with more than 500 units are subject to the preparation of a Water Supply Assessment Study. The Development Phasing and Performance Monitoring Program (DPPMP) Report is no longer a requirement for the Measure M Program. Staff continues to monitor major intersections for any significant issues and program improvements accordingly and reviews each project in terms of traffic impacts, in compliance with Growth Management Element Policy GM-2.3.</p> <p>2021:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2021-11 <p>City adopted a list of projects for Fiscal Year 2021-22 funded by SB 1, the Road Repair and Accountability Act of 2017. This is the 5th year the City is receiving SB 1</p>
<p>LU-5.6 Promote development of revenue-generating land uses to help defray the costs of high-quality public services.</p>	
<p>LU-5.7 Encourage new development that is organized around compact, walkable, mixed-use neighborhoods and districts to conserve open space resources, minimize infrastructure costs, and reduce reliance on the automobile.</p>	
<p>LU-5.8 Include an evaluation of impacts on utility systems and infrastructure in EIRs for all major general plan amendment, rezone, and development applications.</p>	
<p>LU-5.9 Phase or restrict future development in the City to that which can be accommodated by infrastructure at the time of completion of each phase of a multi-phased project.</p>	

<p>LU-5.10 Building densities/intensities for proposed new development projects shall not exceed the trip budget for applicable land use classifications, as identified in the Land Use Element. Building intensities for proposed new development projects shall not exceed the applicable floor area standards, except for the following conditions:</p> <p>(a) Limited deviations from the graduated floor-area ratio standards for the commercial and industrial land use designations may be approved through a discretionary review process. No deviation shall exceed a 0.05 increase in the FAR in the moderate traffic category, and no deviation shall be allowed in the very low, low, and high traffic categories. Deviations from the FAR standards shall not cause the daily trip generation for the property to be exceeded when compared to the existing daily trip generation for the site without the proposed project or maximum allowable traffic generation for the Moderate Traffic FAR category, whichever is greater.</p> <p>(b) Additions to existing nonconforming nonresidential developments may be allowed if the additions do not affect the overall traffic generation characteristics of the development and if the additions do not substantially affect the existing height and bulk of the development. Additions to nonresidential developments shall be limited to those land uses with traffic generation rates based on variables other than building area square footage. Examples of such additions include, but are not limited to: 1) Hotels/motels: Increases in the size of hotel rooms or lobbies where no increase in the total number of rooms is proposed, and 2) theaters: Increases to “back-stage” support areas or lobbies where no increase in the total number of seats is proposed.</p> <p>(c) In the above conditions, the new development shall be compatible with surrounding land uses.</p> <p>(d) Additional criteria for approving deviations from the FAR standards may be established by policy of the City Council.</p>	<p>funding. City received an estimated \$2,263,862 million for the Road Maintenance and Rehabilitation Account. List of project includes: Adams Avenue Improvements from Royal Palm Drive to the Santa Ana River.</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2021-21 <p>Resolution of the City adopting the Operating and Capital Improvement Budget for fiscal year 2021-2022</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2021-25 <p>City adopted a resolution concerning the status of the Circulation Element and Mitigation Fee Program for the Measure M (M2) Program.</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2021-48 <p>City adopted a resolution to continue the citywide Traffic Impact Fee for new development in the City of Costa Mesa and conducting the related annual review of the citywide traffic impact fee program and capital improvement plan for transportation improvement. The Public Service Department conducted an audit of the accounts for the traffic impact fee program for the fiscal year ending June 30, 2021 and made it available for public review on December 2021. Resolution No. 2021-48 renews the traffic impact fee and establishes traffic impact fee regulations.</p> <p>2022:</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2022-24 <p>Resolution of the City adopting a list of projects for fiscal year 2022-23 funded by SB 1, the Road Repair and Accountability Act of 2017. This is the 6th year the City is receiving SB 1 funding and it will receive an estimated \$2,570,782 in RMRA funds for this fiscal year. The list of project includes the Sunflower Avenue Improvement Project (from Harbor Boulevard to Bear Street). Estimated start date is March 2023.</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2022-32 <p>Resolution of the City adopting operating and capital improvement budget for fiscal year 2022-2023</p>

<p>Objective LU-6B: Encourage and facilitate activities that expand the City’s revenue base.</p>	
<p>LU-6.10 Encourage a broad range of business uses that provide employment at all income levels and that make a positive contribution to the City’s tax base.</p>	<p>Staff has been attending quarterly meetings which provide trends and forecasts for the industrial, retail, and office markets. This information is used to provide insight as staff continues to evaluate new business or potential redevelopment projects within the City. Working closely with the Chamber of Commerce, Travel Costa Mesa, South Coast Metro Alliance, and/or local businesses to support each other’s activities and develop additional ones when needed. Staff attends local and regional economic development summits, workshops, and meetings; including the annual International Council of Shopping Centers annual events.</p> <p>2022</p> <ul style="list-style-type: none"> Staff began meeting quarterly with the South Coast Metro Alliance.
<p>LU-6.11 Provide opportunities for mixed-use, office, manufacturing, and retail development that respond to market and community needs in terms of size, location, and cost.</p>	
<p>LU-6.12 Track retail trends and tailor regulations to respond to market changes, maximize revenue, and maintain the appropriate the business mix.</p>	
<p>LU-6.13 Encourage new development along major corridors that are pedestrian oriented and includes a mixture of retail/service, residential, and office uses.</p>	
<p>LU-6.14 Improve ease and accessibility to information to capture opportunities for businesses to establish in Costa Mesa and bring high-skill and professional jobs and new revenue sources into the community.</p>	

<p>LU-6.15 Promote unique and specialized commercial and industrial districts within the City which allow for incubation of new or growing businesses and industries.</p>	
<p>LU-6.16 Examine options for the development of new infrastructure for new technologies and businesses that use those technologies.</p>	
<p>Objective LU-6C: Retain and expand the City’s diverse employment base, including office, retail/service, restaurants, high-tech, action sports, boutique and prototype manufacturing, and industrial businesses.</p>	
<p>LU-6.17 Engage in activities that promote Costa Mesa as a great place to live, work, and develop a business.</p>	<p>Staff attends local and regional economic development summits, workshops, and meetings; including the annual International Council of Shopping Centers (ICSC) annual events.</p>
<p>LU-6.18 Continue to work with surrounding cities to strengthen regional economic development</p>	
<p>LU-6.19 Provide flexibility and support for development of residential, office, small retail centers, and similar uses that would serve local residents and would also benefit from the high visibility along major corridors outside of significant commercial or industrial nodes.</p>	<p>2021</p> <ul style="list-style-type: none"> • Staff and members of the City Council attended the 2021 Las Vegas ICSC event. <p>2022</p> <ul style="list-style-type: none"> • Staff and members of the City Council attended the 2022 Las Vegas ICSC event.
<p>Land Use Element Goal LU-7: A Sound Local Sustainable Economy that Attracts Investment, Creates Educational Opportunities, and Generates Employment Opportunities</p>	
<p>LU-7.1 Endeavor to create mixture of employment opportunities for all economic levels of residents and businesses.</p>	<p>2021</p> <ul style="list-style-type: none"> • Reorganized the Economic and Development Services website page for more efficiency. Continued assisted new development opportunities and support for existing businesses. The City continues to collaborate in regular meetings with private, non-profit, and other public agencies. Collaborating with multiple property owners and businesses to attract new hotels to the City. Conducting yearly updates to the “Costa Mesa Advantage” brochure and Community Economic Profile handout. Conducted interviews with major industries within these areas and will continue ongoing dialogues with local businesses to support them.
<p>LU-7.2 Support linkages between local educational institutions and local industries and businesses. Foster training, collaboration with employers, and new innovative programs that increase job opportunities for residents and students attending school locally.</p>	
<p>LU-7.3 Foster and provide useful and efficient partnerships to implement economic opportunities with private, non-profit, or other public agencies.</p>	
<p>LU-7.4 Cultivate an entrepreneurial and academic environment that fosters innovation through non-traditional housing developments, flexible office spaces, experiential development, and ensuring the diversity of retail/service throughout the urban districts.</p>	<p>2022</p> <ul style="list-style-type: none"> • On June 21, 2022, the City Council selected a consultant to assist City staff in drafting its Economic Development Strategic Plan.
<p>LU-7.5 Support and provide flexibility for development projects and businesses which produce, care, and maintain material goods or fixed assets meant to support the production of market goods, especially for niche industries within the City of Costa Mesa.</p>	<ul style="list-style-type: none"> • City staff also attends local and regional economic development summits, workshops and meetings, including the annual International Council of Shopping Centers annual events, to promote the City’s development/economic opportunities.
<p>LU-7.6 Seek out opportunities to attract primary businesses within stable industries and support industries that already exist within the City.</p>	
<p>LU-7.7 Explore economic and employment opportunities to retain and strengthen the unique industry niches along Bristol and Paularino, in the Westside, on East 17th Street, and throughout North Costa Mesa.</p>	

<p>LU-7.8 Support the development of pedestrian plazas and gathering places, and institutional spaces, as well as the more efficient use of existing spaces, to support economic growth and branding of existing industries within the City.</p>	
<p>Land Use Element Goal LU-8: Promote a range of multiple uses at the Fairview Developmental Center site</p>	
<p>LU-8.1 In anticipation of the potential closure or repurposing of the Fairview Development Center site, the City will work with appropriate State agencies or private entity (if the property is sold) to plan for a complementary mix of low-scale residential, institutional, public facilities, open spaces, and recreational uses within a campus setting.</p>	<p>2022:</p> <ul style="list-style-type: none"> City approved scope of work for an agreement between the State of California and the City of Costa Mesa, providing for \$3.5 million in state funds to the City for Community outreach and land use planning efforts for the Fairview Development Center. <p>Funds will be used to retain consultants as well as for staff costs associated with the management, oversight, review, tracking, and reporting associated with the land use planning and site disposition process.</p>
<p>Land Use Element Goal LU-9: Ensure that Fairgrounds uses are consistent with the General Plan designation</p>	
<p>LU-9.1 Discourage changes in the allowable uses specified in the Fairgrounds General Plan land use designation for the Orange County Fair & Event Center property. Ensure that amendments to this General Plan designation are approved by the electorate.</p>	<p>All proposed changes will comply with this policy. To date, there have not been any proposed land use changes for the Fairgrounds.</p> <p>2022:</p> <ul style="list-style-type: none"> Staff attended Orange County Fairgrounds Board meeting to provide information regarding the City's cannabis regulations.
<p>Land Use Element Goal LU-10: Promote the growth of tourism</p>	
<p>Objective LU-10A: Promote structural improvements of visitor-oriented land uses.</p>	
<p>LU-10.1 Engage with property owners, developers, and business owners to encourage the revitalization of the hotel/motels.</p>	<p>City Staff meets with hotel/motel owners to discuss site improvement upon request.</p>
<p>LU-10.2 Provide incentives to motel development projects seeking to improve existing motel facilities by increasing the hotel rating. These projects may include:</p> <ul style="list-style-type: none"> Updating building mechanical, electrical, or plumbing to comply with current building standards Updating physical improvements to the site Adding hotel amenities to the site Updating or improving the landscaping on the site Updating or improving the façade of the building(s) 	<p>2022</p> <ul style="list-style-type: none"> Staff has been working with the Avenue of the Arts Hotel to entitle a significant upgrade to local visitor serving amenities including additional rooms, rooftop terrace and conference areas.
<p>Objective LU-10B: Promote growth of visitor-oriented land uses.</p>	
<p>LU-10.3 Motel and hotel land uses should be encouraged to be located near major transportation corridors and close to key tourist/visitor draws, other recreation venues, the airport, regional, and general local shopping centers.</p>	<p>For calendar years 2021 and 2022 there have not been any new development applications to establish a Motel or hotel with the City. Any future request to establish visitor-oriented land uses such as motels and hotels will be encouraged to be located near major transportation corridors.</p>

<p>LU-10.4 Consider the interest of quality of stay for visitors when evaluating projects near visitor-oriented land uses by requiring on-site amenities and upscale guest services.</p>	<p>2022: Staff has been working with the Avenue of the Arts Hotel to entitle a significant upgrade to local visitor serving amenities including additional rooms, rooftop terrace and conference areas.</p>
<p>Objective LU-10C: Promote uses and events that make visitor-oriented business more economically viable.</p>	
<p>LU-10.5 Celebrate and promote the arts, culture, and industries of Costa Mesa through special events, civic gatherings, and City marketing and tourism promotion efforts.</p>	<p>The Arts and Culture division is part of the Parks and Community Services department for the City of Costa Mesa.</p>
<p>LU-10.6 Promote the development of small-scale manufacturing uses or other uses that generate multiple secondary and tertiary markets that support business travel tourism-related uses.</p>	<p>2021:</p> <ul style="list-style-type: none"> • March 2021: Adoption of the City's Arts and Culture Master Plan
<p>LU-10.7 Maintain and enhance the City's status and image as a centrally located destination and cultural center in Orange County.</p>	<ul style="list-style-type: none"> • The City in partnership with the Segerstrom Center for the Performing Arts hosts the annual ARTventure Event. <p>2022:</p> <ul style="list-style-type: none"> • Hired first professional arts staff member to Parks and Community Services department • The City in partnership with the Segerstrom Center for the Performing Arts hosts the annual ARTventure Event.

CIRCULATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Circulation Element Goal C-1: Implement “Complete Streets” Policies on Roadways in Costa Mesa	
Objective C-1A: Create a transportation network that meets the mobility needs of all Costa Mesa residents, businesses, and visitors.	
C-1.1: Update the City’s engineering standards for public and private streets to provide for safe, comfortable, and attractive access and travel for pedestrians, bicyclists, motorists, and transit users of all ages, abilities, and modes of travel.	<p>When streets are resurfaced or reconstructed, the striping is modified to improve travel for all modes and meet the latest standards in the California Manual of Uniform Traffic Control Devices (CA MUTCD). A review of traffic levels of service at key intersections and review of traffic accidents at intersections and segments is conducted annually and with public/private project proposals. Continue to work with adjacent jurisdiction on road improvements, where necessary. The City has been actively modifying street standards over the past few years on several projects. Examples include Bristol Street, Randolph Street, Placentia Avenue, Newport Boulevard Frontage Road, Fairview Road, etc. The City has reduced lane widths, widened bike lanes, created bicycle lane buffers, etc. Streets that have been upgraded with multi-modal improvements include, but are not limited to, Arlington Drive and Red Hill Avenue.</p> <p>2021:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-41 <p>Resolution of the City consenting the County of Orange declaring the Hamilton Avenue/Victoria Street Bridge and approaching roadways as a County Highway for the purposes of maintenance by the County of Orange</p>
C-1.2: Allow for flexible use of public rights-of-way to accommodate all users of the street system while maintaining safety standards.	
C-1.3: Complete and annually maintain a needs assessment for traffic service levels and traffic safety. Develop and annually update a priority list of improvement projects, with priorities based on: 1) correcting identified hazards; 2) accommodating multimodal trips; 3) improving and/or maintaining peak-hour traffic volumes at critical intersections; 4) improving efficiency of existing infrastructure utilization; and 5) intergovernmental coordination.	
C-1.4: Pursue downgrade of arterials that no longer have the demand requiring their buildout to planned capacity.	
C-1.5: Implement road diets on street segments with excess capacity to enhance bicycle and pedestrian facilities.	
C-1.6: Encourage the conversion of excess on-street parking spaces for expanded sidewalk gathering places or landscaping.	
C-1.7: Encourage community participation in City processes and programs focused on improving mobility and transportation facilities.	

<p>C-1.8: Pursue downgrade of 17th Street from 6-lane Major Arterial to 4-lane Primary Arterial between Orange Ave and Tustin Avenue, through Master Plan of Arterial Highways (MPAH) Amendment process with the Orange County Transportation Authority.</p>	<ul style="list-style-type: none"> ● Adopted Resolution No. 2021-42 Resolution of the City consenting the County of Orange declaring the Santa Ana Bridge and approaching roadways as a County Highway for purposes of Maintenance by the County of Orange ● Adopted Resolution No. 2021-37 Resolution of the City ratifying the application for a grant award from the California Office of Traffic Safety (OTS) for the Selective Traffic Enforcement Program. OTS allocated the City \$250,000 in grant funds for period of October 2021 – September 2022 ● Merrimac Way Improvements – completed Summer 2021: Class I and IV Bicycle Facility between Fairview Road and Harbor Boulevard, new pedestrian crosswalk and signal, reconstruction medians with drought tolerant landscaping. ● City improved 1.1 million square feet of new pavement constructed in FY 2020-21 – including improvements in several residential streets and major streets (Bear Street, Hamilton Street and Santa Ana Avenue) <p>2022:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2022-60 Resolution of the City ratifying the application for a grant award from the California Office of Traffic Safety (OTS) for the Selective Traffic Enforcement Program. OTS allocated the City \$250,000 in grant funds for period of October 2022 – September 2023
<p>Objective C-1B: Preserve the character of our residential neighborhoods.</p>	
<p>C-1.9: Implement traffic calming measures that discourage speeding and cut-through traffic on residential streets.</p>	<p>General Statement on Implementation: Speed reduction striping installed on residential streets as needed. Speed limit pavement markings and signs were installed along residential streets as needed. Traffic calming measures and warning signs are installed, as necessary, on local streets to reduce cut through traffic. Roundabout along Meyer Place have been removed and Public works will install speed feedback signs in the</p>
<p>C-1.10: Encourage non-motorized transportation in residential areas by providing sidewalks and implementing bicycle friendly design of local streets.</p>	
<p>C-1.11: Reduce or eliminate intrusion of traffic related to non-residential development on local streets in residential neighborhoods.</p>	

C-1.12: Prioritize intersection improvements which improve through traffic flow on Major, Primary, and Secondary Arterials, and reduce impacts on local neighborhood streets with emphasis on pedestrian safety.	northbound direction of Meyer Place, raised crosswalk at West Bay Street near Mayer Place, and bulbouts at Surf Street and Meyer Place.
C-1.13: Promote engineering improvements such as physical measures constructed to lower speeds, improve safety, and otherwise reduce the impacts of motor vehicles.	2021: <ul style="list-style-type: none"> City approved Citywide Street Slurry Seal Project (Maintenance Zones 6 and 7), City Project No. 21-02.
C-1.14: Design and Implement transportation projects to meet local and regional system capacity needs in accordance with the Master Plan of Streets and Highways.	2022: <ul style="list-style-type: none"> Adopted Resolution No. 2022-02
C-1.15: Implement neighborhood approved traffic-calming measures in residential neighborhoods and appropriate commercial areas, such as street narrowing, curb extensions, roundabouts, landscaped medians, and radar speed feedback signs.	Resolution of the City which certifies that the council has authorized the project list submittal for Coronavirus Response and Relief Supplemental Appropriation Act of 2021 (CRRSAA) Funding through the Orange County transportation Authority 2021 Pavement Management Relief Funding Program.
C-1.16: Establish priority-ranking system to evaluate traffic-calming requests for implementation throughout the City.	
C-1.17: Pursue programs that reduce vehicle speeds and cut-through traffic on local streets.	
Circulation Element Goal C-2: Effectively Manage and Improve the Roadway System	
Objective C-2A: Implement policies that encourage and accommodate all users while maintaining the efficiency of the circulation system.	
C-2.1: Establish a citywide crosswalk policy to address installation, maintenance, removal, and enhancements of crosswalks at intersections and mid-block locations. Crosswalk locations and treatment will be based on criteria including, but not limited to safety, traffic volume, and concentration of pedestrian activity. Potential enhancements may include leading pedestrian intervals at signalized intersections, bulb-outs, and median refuges to reduce crossing distances.	2021: <ul style="list-style-type: none"> City approved traffic signal installation for Baker Street and Randolph Avenue, City Project No. 21-01 2022: <ul style="list-style-type: none"> City accepted OCTC Grant and Award for Baker-Placentia-Victoria-19th Street Regional Traffic Signal Synchronization project for the amount of \$2,211,405, includes a local match of \$443,000.
C-2.2: Avoid creation of frequent driveways for new development access in active pedestrian areas that create conflict points between pedestrians and vehicles.	<ul style="list-style-type: none"> New businesses approved by the Planning Commission included conditions of approval for the removal of unnecessary driveway entrances.
C-2.3: Encourage commercial property owners to use shared driveway access and interconnected roads within blocks, where feasible. Require driveway access closures or consolidations, or both when a site is remodeled or redeveloped.	
C-2.4: Collaborate with law enforcement and public safety organizations to coordinate policies and programs that would reduce injuries and deaths on the roadways.	<ul style="list-style-type: none"> Installation of Leading Pedestrian Interval (LPIs) - LPIs make streets safer by giving pedestrian a head-start when they cross the street at signalized intersection. This cross-walk signals provide a 3-7 second head start before turning cars are given the green light.
C-2.5: Designate routes for truck traffic to minimize potential conflicts between trucks and cars, pedestrians, bicycles, transit, and vehicle access and circulation. Establish by ordinance a truck map that depicts allowable truck routes within the City.	
C-2.6: Periodically review and update traffic signal timing at all signalized intersections to maintain traffic signal coordination and to accommodate bicycle and pedestrian needs.	
C-2.7: Develop new traffic level of services criteria in accordance with SB 743 to meet the California Environmental Quality Act (CEQA).	

<p>C-2.8: Continue the use of the Intersection Capacity Utilization (ICU) methodology to address local traffic level of service and impacts, with Level of Service “D” as the threshold for meeting the City’s significance criteria.</p>	
<p>Objective C-2B: Construct street improvements and apply congestion management tools to obtain efficient performance of the transportation system.</p>	
<p>C-2.9: Incorporate the street system improvements identified in the General Plan Environmental Impact Report (EIR) into the Capital Improvement Program.</p>	<p>2021:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2021-21
<p>C-2.10: Continue to deploy intelligent transportation systems (ITS) strategies—such as adaptive signal controls, fiber optic communication equipment, closed circuit television cameras, real-time transit information, and real-time parking availability information—to reduce traffic delays, lower greenhouse gas emissions, improve travel times, and enhance safety for drivers, pedestrians, and cyclists.</p>	<p>Resolution of the City adopting the Operating and Capital Improvement Budget for fiscal year 2021-2022</p> <ul style="list-style-type: none"> ● Merrimac Way Active Transportation Improvement, City Project No. 20-01 – the project constructed improvements between Harbor Boulevard and Fairview Road that include cycle tracks, a multiuse path, and pedestrian crossing with pedestrian hybrid beacon. Construction completed in August 2021 and acceptance of improvement November 2021.
<p>C-2.11: Investigate all operational measures, including the use of one-way streets, to improve traffic circulation and to minimize congestion for all travel modes.</p>	
<p>C-2.12: Investigate and utilize state-of-the-art transportation system management technology and industry practices to address recurring and non-recurring traffic events (i.e., special events, incident/emergency management).</p>	
<p>C-2.13: Continue to evaluate and pursue design and operational improvements (medians, driveway closures, signal synchronization or phasing, parking or turn restrictions, etc.) to improve the efficiency of intersections.</p>	
	<p>2022:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2022-02 <p>Resolution of the City which certifies that the City Council has authorized the project list submittal for Coronavirus Response and Relief Supplemental appropriations Act 2021 funding through OCTA 2021 Pavement Management Relief Funding Program. \$331,116 will be utilized for Fairview Road Improvement Project.</p> <ul style="list-style-type: none"> ● Completed Hamilton Street (from Pomona Avenue to Harbor Boulevard) and Santa Ana Avenue (from 22nd Street to 23rd Street) Improvement Project, City Project No. 20-16 ● Adopted plans, specifications, and working details for the Wilson Street Improvement Project (from Newport Boulevard to Placentia Avenue), City Project No. 22-01

Circulation Element Goal C-3: Enhance Regional Mobility and Coordination	
Objective C-3A: Promote development of transportation projects along regional corridors.	
C-3.1: Maintain compliance with Orange County Congestion Management Plan (CMP) requirements, including consistency with CMP level of service standards, adoption of a seven-year capital improvement program, analysis of impacts of land use decisions on the CMP highway system, and adoption and implementation of deficiency plans when intersections do not meet adopted performance standards.	<p>2021:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-21 <p>Resolution of the City adopting the Operating and Capital Improvement Budget for fiscal year 2021-2022</p> <ul style="list-style-type: none"> The City reviews all projects resulting in an intensification of use on the City corridors in regard to the need for a traffic analysis based on trip generation. <p>2022:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2022-32 <p>Resolution of the City adopting operating and capital improvement budget for fiscal year 2022-2023</p> <ul style="list-style-type: none"> The City reviews all projects resulting in an intensification of use on the City corridors in regard to the need for a traffic analysis based on trip generation.
C-3.2: Support the goals and objectives of the Orange County Long Range Transportation Plan, including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure.	
C-3.3: Support the goals and objectives of the SCAG Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS), including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure.	
C-3.4: Coordinate signal timing on all major arterials with a local signal synchronization program consistent with the Orange County Traffic Signal Synchronization Master Plan (TSSMP).	
C-3.5: Ensure Costa Mesa’s input, participation, and discretionary review of applicable region-wide transportation system policies, programs, and construction.	
C-3.6: Develop short-term and long-term improvements to the SR-55 corridor in coordination with Caltrans and OCTA to address regional mobility needs.	
C-3.7: Promote the City’s preferred alternative of undergrounding the SR-55 freeway south of 19th Street within the City limits.	
Objective C-3B: Coordinate and partner with local and regional agencies to promote projects and policies that improve regional mobility.	
C-3.8: Coordinate with adjacent jurisdictions to maintain or improve mobility within the City to achieve a standard Level of Service no worse than “D” at all intersections under State or joint control. Intersection Level of Service analyses for General Plan conditions for locations under State or joint control will be updated periodically and presented to the City Council.	<p>Ongoing coordination with Cities of Santa Ana, Newport Beach and Huntington Beach on traffic signal issues and development projects and with Caltrans on their improvement projects. The current agreement and designation were extended until 2025.</p> <p>2022:</p> <ul style="list-style-type: none"> Transit Stop Improvements – this project will improve transit stops and construct new transit shade structures at three locations: Fairview north Arlington, Harbor north of Wilson, and Placentia south of 19th. Equipment for improvement was delivered in February 2022 and City received bids for its installation in March 2022. Construction to be completed in May 2023.
C-3.9: Consult with Caltrans and OCTA regarding the I-405 widening project to minimize adverse impacts to Costa Mesa’s neighborhoods, businesses, and streets.	
C-3.10: Coordinate with OCTA and other jurisdictions to remove Gisler Avenue Bridge over the Santa Ana River from the City’s Master Plan of Streets and Highways and County’s Master Plan of Arterial Highways.	
C-3.11: Collaborate with Caltrans and neighboring jurisdiction to improve signal timing and coordination along major arterials across jurisdictional boundaries.	
C-3.12: Work closely with the State of California and other government agencies to control traffic-related impacts of	

<p>uses on State- or other agency-owned land (i.e., Orange County Fairgrounds, Orange Coast College, etc.).</p>	
<p>C-3.13: Coordinate with other responsible agencies the planning, funding, prioritization, and implementation of bicycle, pedestrian, and transit programs and supporting infrastructure.</p>	
<p>Circulation Element Goal C-4: Promote Transportation Demand Management, Transit, and Efficiency</p>	
<p>Objective C-4A: Encourage greater utilization of Transportation Demand Management (TDM) strategies to reduce dependence on single-occupancy vehicles.</p>	
<p>C-4.1: Support South Coast Air Quality Management District (SCAQMD) trip reduction programs, including park and ride lots, transit subsidies, carpool and vanpool programs, flexible working hours, bicycle facilities, and other traffic reduction strategies.</p>	<p>Large projects are required to provide Transportation Demand Management (TDM) programs incorporating various trip reduction strategies.</p>
<p>C-4.2: Support local and multi-jurisdictional car-sharing and bike-sharing programs.</p>	<p>2021:</p> <ul style="list-style-type: none"> • Active Transportation Committee - Complete Streets Safety Assessment, Berkeley Safe TREC, November 2021. • With discretionary and other permit approvals, the City permits and encourages the use of bike racks to account for one vehicle parking space.
<p>C-4.3: Consider implementing park-once approaches for multiuse districts and regional destinations areas.</p>	
<p>C-4.4: Embrace innovative parking solutions that reduce the required spaced needed for parking, such as automated parking lifts and elevators.</p>	
<p>C-4.5: Encourage and provide incentives for commercial, office, and industrial development to provide preferred parking for carpools, vanpools, electric vehicles, and flex cars.</p>	<p>2022:</p> <ul style="list-style-type: none"> • Bicycle Racks Citywide – the City installed 40 bicycle racks throughout the city in commercial areas and community centers. • Active Transportation Committee - Draft Pedestrian Master Plan, June 2022
<p>C-4.6: Encourage and support programs that increase vehicle occupancy, including the provision of traveler information, shuttles, preferential parking for carpools/vanpools, transit pass subsidies, and other methods.</p>	<ul style="list-style-type: none"> • Neighborhood Traffic Improvement – this project includes the implementation of neighborhood traffic improvements including signs, approved speed humps, crosswalk enhancements, and other landscape improvements to enhance the neighborhood character.
<p>C-4.7: Promote the combination of TDM measures as much more effective than any single measure.</p>	
<p>C-4.8: Require discussion of transportation system management (TSM) and TDM measures in all EIRs prepared for major projects.</p>	
<p>C-4.9: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use.</p>	
<p>C-4.10: Allow the application of transportation management rideshare programs, integration of complementary land uses, and other methods to reduce project related average daily and peak hour vehicle trips to achieve consistency with allocated trip budgets.</p>	<ul style="list-style-type: none"> - Public outreach and survey conducted for Meyer Place Traffic Calming Project and pilot projects for Royal Palm drive, Cabrillo Street and East 18th Street. - Randolph Avenue Improvement – install new signing, striping, pedestrian and traffic calming improvements along Randolph Avenue and St. Clair Street between Bristol Street and Baker Street. Construction completed July 2022. • With discretionary and other permit approvals, the City permits and encourages the use of bike racks to account for one vehicle parking space.
<p>Objective C-4B: Promote regional and local transit services as an alternative to automobile travel.</p>	

<p>C-4.11: Ensure that roadways designated as transit routes can accommodate transit vehicle circulation and convenient pedestrian access to and from transit stops.</p>	<p>All improvement projects incorporate ADA facility improvements, bus stop improvements and sidewalk enhancements, including modification of street, curb, and sidewalk configurations.</p> <p>2021:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-21 <p>Resolution of the City adopting the Operating and Capital Improvement Budget for fiscal year 2021-2022.</p> <p>2022:</p> <ul style="list-style-type: none"> Transit Stop Improvements – this project will improve transit stops and construct new transit shade structures at three locations: Fairview north Arlington, Harbor north of Wilson, and Placentia south of 19th. Equipment for improvement was delivered in February 2022 and City received bids for its installation in March 2022. Construction to be completed in May 2023. Adopted Resolution No. 2022-32 <p>Resolution of the City adopting operating and capital improvement budget for fiscal year 2022-2023</p>
<p>C-4.12: Review all capital improvement projects to ensure improvements located on existing and planned transit routes include modification of street, curb, and sidewalk configurations to allow for easier and more efficient transit operations and improved passenger access.</p>	
<p>C-4.13: Provide transit stop amenities that facilitate access to and from transit stops and transfer locations. These may include pedestrian pathways approaching stops, high-quality benches and shelters, traveler information systems (real-time transit arrival information), and bike storage and bicycle connections. Bus stops should accommodate timed transfers between buses and other transit services where necessary.</p>	
<p>C-4.14: Encourage new development along major transit corridors to provide efficient and safe access to transit stops and public sidewalks.</p>	
<p>C-4.15: Support and participate with OCTA ACCESS Service in providing transportation assistance to senior citizens and the disabled.</p>	
<p>C-4.16: Consult with OCTA for transit services, such as changes to bus routes, bus stops, and hours of operation. Additionally, coordinate with OCTA for changes to transit services provided for seniors, the disabled, and transit dependent populations.</p>	
<p>C-4.17: Consult with the Newport-Mesa Unified School District to maintain school bus services provided for local schoolchildren.</p>	
<p>C-4.18: Coordinate with OCTA to improve transit services in the City, including strategies such as bus rapid transit, express services, community circulators, and other strategies.</p>	
<p>C-4.19: Encourage new local transit programs in coordination with OCTA, consisting of shuttle services to local and regional destinations.</p>	
<p>C-4.20: Coordinate with OCTA to construct bus turnouts at appropriate locations, with attractive shelters designed for safe and comfortable use.</p>	
<p>C-4.21: Require discussion of transit service needs and site design amenities for transit ridership in EIR for major projects.</p>	
<p>Circulation Element Goal C-5: Ensure Coordination between the Land Use and Circulation Systems</p>	
<p>Objective C-5A: Coordinate land use policies and development activities that support a sustainable transportation system.</p>	
<p>C-5.1: Ensure that new development projects are consistent with the vehicular trip budgets, where adopted.</p>	<p>A traffic impact study is be required for all development projects estimated by the public services director to generate one hundred (100) or more vehicle trip ends during a peak hour.</p>
<p>C-5.2: Require that large developments and redevelopments provide short-term and long-term vehicular traffic impact studies.</p>	
<p>C-5.3: Encourage permitted General Plan land uses which generate high traffic volumes to be located near major transit and transportation corridors to minimize vehicle use, congestion, and delay.</p>	
<p>C-5.4: Maintain balance between land use and circulation systems by phasing new developments to</p>	

<p>levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project.</p>	
<p>C-5.5: Promote development of mixed-use projects to reduce number of vehicle trips.</p>	
<p>C-5.6: Coordinate the design and improvement of pedestrian and bicycle ways in major residential, shopping and employment centers, parks, schools, other public facilities, public transportation facilities, and bicycle networks with adjacent cities.</p>	
<p>C-5.7: Require dedication of right-of-way, in an equitable manner, for development that increases the intensity of land use.</p>	
<p>C-5.8: Minimize circulation improvements that will necessitate the taking of private property on existing developed properties.</p>	
<p>C-5.9: Require that circulation necessary to provide or attain the minimum traffic level of service standard at an intersection to which a development project contributes measurable traffic be completed within three years of issuance of the first building permit for such development project, unless additional right-of-way or coordination with other government agencies is required to complete the improvement. Improvements may be required sooner if, because of extraordinary traffic generation characteristics of the project or extraordinary impacts to the surrounding circulation system, such improvements are necessary to prevent significant adverse impacts.</p>	
<p>C-5.10: Allow for construction of circulation improvements for a phased development project to be constructed commensurate with the project construction, based upon the findings of a traffic study approved by the City of Costa Mesa.</p>	
<p>C-5.11: Maintain balance between land use and circulation systems by phasing new development to levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project.</p>	
<p>C-5.12: Support consistency with the Orange County Sustainable Communities Strategy (OC SCS) and SCAG RTP/SCS by providing an integrated land use and transportation plan to meet mandated emissions reduction targets consistent with SB 375.</p>	
<p>Objective C-5B: Establish strategies and processes that allow large developments to analyze and mitigate traffic impacts and infrastructure needs.</p>	
<p>C-5.13: Require that new development projects improve access to and accommodations for multimodal transportation.</p>	<ul style="list-style-type: none"> • A traffic impact study shall be required for all development projects estimated by the public services director to generate one hundred (100) or more vehicle trip ends during a peak hour. • The Municipal Code requires that any increase in traffic generation by the change of use shall be subject to review by the appropriate reviewing authority who may impose additional conditions on the development project for the mitigation of the increased traffic generation, including fees that will be used to contribute to implementation
<p>C-5.14: Require developers of new building and redevelopment/reuse projects as part of the project development review process that are located along bus routes to pay a designated fair share of the cost of providing improved bus stop facilities and related street furniture or, where appropriate, dedicate land for improved bus stop facilities.</p>	
<p>C-5.15: Consider the needs of the transportation and infrastructure system early for large developments and</p>	

<p>coordinate with developers to design projects that minimize traffic impacts and infrastructure demands, and implement complete streets wherever feasible. Alternatively, address transportation and infrastructure system impact through the implementation of development agreements.</p>	<p>of the Comprehensive Transportation System Improvement Program and mitigate development project's impacts.</p>
<p>Circulation Element Goal C-6: Fund and Evaluate the City's Transportation Network</p>	
<p>Objective C-6A: Pursue funding sources to maintain and enhance the transportation and infrastructure system.</p>	
<p>C-6.1: Evaluate traffic collision data regularly, and identify top collision locations for automobiles, bicycles, pedestrians, transit in Costa Mesa. Develop appropriate countermeasures and pursue funding from all available sources to implement them.</p>	<p>City submits an annual report to OCTA for Measure M2 eligibility. Ongoing coordination with OCTA continuing. Measure M2 requires that M2 funds do not supplant developer fee requirements.</p>
<p>C-6.2: Continue to develop and maintain long-range capital improvement programs consistent with the General Plan and M2 eligibility requirements.</p>	<p>2021:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2021-47
<p>C-6.3: Coordinate with OCTA to fund, develop, and maintain a Master Plan of Streets and Highways consistent with the Master Plan of Arterial Highways (MPAH).</p>	<p>Resolution of the City adopting Measure M2 Expenditure report for the City of Costa Mesa for the Fiscal year ending June 30, 2021</p>
<p>C-6.4: Require a locally collected and administered traffic mitigation fee program to guarantee that new development pays for its fair share toward improvements resulting in reductions in air pollutant and GHG emissions and traffic impacts generated by the development.</p>	<ul style="list-style-type: none"> ● Adopted Resolution No. 2021-48 <p>Resolution of the City continuing the citywide traffic impact fee for new development in the City and conducting the related annual review of the citywide traffic impact fee program and capital improvement plan for transportation improvement</p>
<p>C-6.5: Actively pursue local, State, and federal funding to implement, maintain, and evaluate the transportation and infrastructure system.</p>	
<p>C-6.6: Supplement funding from annual fees or assessments on existing and new development with grants and other nonlocal sources.</p>	<ul style="list-style-type: none"> ● Active Transportation Committee - Complete Streets Safety Assessment, Berkeley Safe TREC, November 2021.
<p>C-6.7: Develop strategies to implement an infrastructure and transportation system to be consistent with State policies on resiliency and sustainability.</p>	
<p>C-6.8: Amend the General Plan, if necessary, to be responsive to evolving funding requirements and to comply with State and federal regulations affecting the goals and policies of the Circulation Element.</p>	<ul style="list-style-type: none"> ● With discretionary and other permit approvals, the City permits and encourages the use of bike racks to account for one vehicle parking space.
<p>C-6.9: Coordinate with OCTA and Caltrans to seek funding and implementation solutions to improve Newport Boulevard at the terminus of the State Route 55 freeway to relieve congestion from regional traffic.</p>	<p>2022:</p> <ul style="list-style-type: none"> ● Adopted Resolution No. 2022-44
<p>C-6.10: Review the City's transportation impact fee program on a regular basis, and adjust fees as needed to ensure that funding is available for planned transportation improvements that will benefit all travel modes.</p>	<p>Resolution of the City approving the status and update of the pavement management plan for the Measure M2 (M2) program</p>
<p>C-6.11: Prioritize funding and timing for implementing transportation improvements. Consider prioritizing multimodal projects that provide the most benefit to all users.</p>	<ul style="list-style-type: none"> ● Adopted Resolution No. 2022-32 <p>Resolution of the City adopting operating and capital improvement budget for fiscal year 2022-2023</p>
<p>C-6.12: Require that every new development project pay its share of costs associated with the mitigation of project generated impacts.</p>	
<p>C-6.13: Measure M2 sales tax revenues shall not be used to replace private funding which has been committed for any project.</p>	<ul style="list-style-type: none"> ● Adopted Resolution No. 2022-77

<p>C-6.14: The City’s seven-year capital improvement program shall be adopted and maintained in conformance with the provisions of Measure M2 for the purpose of maintaining the established level of service standard.</p>	<p>Resolution of the City adopting the Measure M2 expenditure report for the City for fiscal year ending June 30, 2022</p>
<p>C-6.15: Maintain a traffic impact fee for circulation system improvements to the Master Plan of Streets and Highways; review and update fees on a regular basis.</p>	<ul style="list-style-type: none"> • Bicycle Racks Citywide – the City installed 40 bicycle racks throughout the City in commercial areas and community centers. • Active Transportation Committee - Draft Pedestrian Master Plan, June 2022
<p>Objective C-6B: Evaluate the transportation system to ensure that it meets the City’s circulation goals.</p>	
<p>C-6.16: Provide an annual Capital Improvement Program General Plan consistency report.</p>	<p>The CIP is annually reviewed by the Planning Commission prior to its adoption to ensure consistency with General Plan. The CIP includes transportation system project upgrades.</p>
<p>C-6.17: Provide annual public review of implementation status reports of goals, policies, and objectives stated in the Circulation Element.</p>	<p>2021:</p> <ul style="list-style-type: none"> • City Council Study Session for Proposed Capital Improvement Plan [May 2021]
<p>C-6.18: Adopt and seek out methods and processes that provide appropriate and accurate data for evaluating the performance of the transportation and infrastructure system.</p>	<p>2022:</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2022-32 <p>Resolution of the City adopting operating and capital improvement budget for fiscal year 2022-2023</p>
<p>Circulation Element Goal C-7: Promote a Friendly Active Transportation System in Costa Mesa</p>	
<p>Bikeways and Pedestrian Paths</p>	
<p>Objective C-7A: Expand, enhance, and protect the existing bicycle and pedestrian network to provide a comprehensive, system of Class I, Class II, Class III, and Class IV facilities to increase connectivity between homes, jobs, schools transit, and recreational resources in Costa Mesa.</p>	
<p>Recommendation C-7.1: Develop an extensive bicycle and pedestrian backbone network through the use of standard and appropriate innovative treatments.</p>	<ul style="list-style-type: none"> • Staff regularly investigates and pursues State and federal grant opportunities to assist in funding local bike and pedestrian improvements.
<p>Recommendation C-7.2: Plan and install new bicycle lanes on Major Arterials, where feasible and appropriate.</p>	<ul style="list-style-type: none"> • The Adams Avenue project is under design to provide Class I facilities in the east to west direction with access to the Santa Ana River Trail.
<p>Recommendation C-7.3: Plan and install shared lane markings (“sharrows”) and signage on appropriate existing and planned bicycle routes where bicycle lane implementation is demonstrated to be infeasible.</p>	<ul style="list-style-type: none"> • Safe Route to School routes designated and provided to schools and posted online.
<p>Recommendation C-7.4: Where feasible, Class I shared-use paths should be a priority for future developments.</p>	
<p>Recommendation C-7.5: Plan and install new shared-use paths in utility corridors and/or along flood control channels, and extend existing bicycle and shared-use paths.</p>	
<p>Recommendation C-7.6: Plan and complete north/south multi-purpose and bicycle routes through the City to augment the east/west route.</p>	

Recommendation C-7.7: Consider the identification and feasibility of potential Class IV cycle tracks.	
Recommendation C-7.8: When feasible, implement the completion through regional coordination of the Costa Mesa roadway and trail segments of regional bikeway plans.	
Recommendation C-7.9: Encourage reallocation of roadway rights-of-way where appropriate to accommodate shared-use path and bicycle facilities, while preserving and respecting the character of each adjacent neighborhood.	
Recommendation C-7.10: Support bicycle improvement projects that close gaps in the regional bicycle network either by implementing specific projects recommended in the Plan or through other treatments.	
Recommendation C-7.11: Encourage bicycle projects that connect local facilities and neighborhoods to major bicycle corridors.	
Recommendation C-7.12: Work cooperatively with adjoining jurisdictions and local/regional agencies to coordinate bicycle planning, and implementation activities. Where required, develop consistent active transportation plans and policies with regional and adjacent agencies.	
Recommendation C-7.13: Prioritize safe access to major regional trails such as the OC Loop/Santa Ana River Trail and the Newport Back Bay Trail System. Where feasible, plan and provide a continuous low-stress Class I and/or Class IV facility from east to west across the city between these facilities.	
Recommendation C-7.14: Explore favorable opportunities to remove parking to accommodate bicycle lanes.	
Recommendation C-7.15: Identify favorable opportunities to retain parallel parking adjacent to sidewalks to maintain pedestrian safety.	
Recommendation C-7.16: Consider every street in Costa Mesa as a street that cyclists could use.	
Recommendation C-7.17: Link on-road and off-road bicycle and pedestrian facilities within Costa Mesa to existing and planned facilities in adjacent and regional jurisdictions.	
Recommendation C-7.18: Low-stress design techniques should be considered where necessary to attract a wide variety of users.	
Recommendation C-7.19: Establish designated safe routes to schools for biking and walking.	
Recommendation C-7.20: Designate walkable districts in the City.	
Bike and Pedestrian Facilities	
Objective C-7B: Provide end-of-trip facilities that support the bicycle network.	
Recommendation C-7.21: Provide bike parking and bike-related amenities at public facilities and along public rights-of-way.	Bicycle racks have been installed at public parks, public facilities, and along public rights-of-way. Additional bicycle racks will continue to be installed at public facilities. Encouraged provision of bicycle parking at OC Fair and Concerts in the Park summer series.
Recommendation C-7.22: Pursue public-private partnerships to furnish local businesses with secure bike parking and other related amenities.	
Recommendation C-7.23: Develop and adopt bicycle parking equipment standards for bicycle parking to be	

<p>installed within the public right-of-way and post on the City website.</p>	<p>The City will install complementary bicycle racks in public right-of-way to help promote biking to and from local businesses and services.</p>
<p>Recommendation C-7.24: Work with local schools and colleges to provide ample and secure bike parking and other related amenities for students and employees.</p>	
<p>Recommendation C-7.25: Work with OCTA to maximize bicycle amenities, such as bus stop solar lighting and bicycle lockers, at high-volume transit stops.</p>	<p>2022:</p>
<p>Recommendation C-7.26: Prioritize the installation of bicycle-scale and/or pedestrian-scale lighting.</p>	<ul style="list-style-type: none"> • Bicycle Racks Citywide – the City installed 40 bicycle racks throughout the city in commercial areas and community centers.
<p>Recommendation C-7.27: Encourage and incentivize providing attended bicycle parking services, such as a bicycle valet, at major City events, OC Fair, Farmers’ Markets, holiday festivals, and other community events.</p>	<ul style="list-style-type: none"> • The Planning Commission has required as a condition of approval for new business operations the installation of employee locker and bike racks.
<p>Recommendation C-7.28: Prioritize schools with the highest auto traffic volume during peak hours and insufficient parking for staff and parents. Plan and install bicycle facilities adjacent those schools.</p>	
<p>Recommendation C-7.29: Provide bike parking and bike-related amenities at public facilities and along public right-of-way.</p>	
<p>“First and Last Mile” Programs Objective C-7C: Encourage sustainable modes of transportation to fill gaps between the first and last miles of trips (walking, biking, ride sharing, transit, taxi and car-sharing).</p>	
<p>Recommendation C-7.30: Identify citywide infrastructure needed to create the interconnected multi-trail system.</p>	<p>City is currently working on Bicycle Wayfinding Program and future updates to the General Plan Circulation Element will incorporate policies consistent with the Pedestrian Master Plan to improve pedestrian mobility to fill gaps between the first and last miles of trips.</p>
<p>Recommendation C-7.31: Improve the quality, aesthetics, and safety of high-use pedestrian corridors.</p>	
<p>Recommendation C-7.32: Development and implement a bicycle sharing system.</p>	
<p>Recommendation C-7.33: Proposed new mode split goals:</p> <ul style="list-style-type: none"> • 50 percent motor vehicles • 10 percent transit • 10 percent bicycles • 20 percent walking • 10 percent carpools, taxi, transportation network company services, and car sharing 	<ul style="list-style-type: none"> • Active Transportation Committee - <u>Draft Pedestrian Master Plan, June 2022</u> • Completed the <u>Local Road Safety Plan</u>
<p>Recommendation C-7.34: Establish a goal for all trips of less than three miles to be 30 percent by bicycle, and establish a goal of less than 1 mile to be 30 percent by walking.</p>	
<p>Recommendation C-7.35: Consider implementing a small-scale transportation system to encourage mode shift to popular destinations as defined by users.</p>	
<p>Circulation Element Goal C-8: Create a Safer Place to Walk and Ride a Bicycle</p>	
<p>Design and Way-finding Objective C-8A: Develop bicycle and pedestrian facilities with approved uniform design standards, and implementation of way-finding signage providing information on various destinations.</p>	
<p>Recommendation C-8.1: Require that all facilities be designed in accordance with the latest federal, state, and local standards.</p>	<p>The City’s Public Works Department has installed high visibility crosswalks and various bike lanes through the implementation of the 2021 and 2022 CIP.</p>
<p>Recommendation C-8.2: Provide and maintain bicycle and pedestrian signal detectors, informational signage, and lighting, along City bikeways.</p>	
<p>Recommendation C-8.3: Develop, install and maintain a bicycle and pedestrian way-finding signage program to indicate route turns, the presence of intersecting</p>	

<p>bikeways, streets and distances to nearby local and major destinations.</p>	
<p>Recommendation C-8.4: Develop a list of acceptable plant materials for shared use paths that will not damage, create security problems or hazards for bicyclists. Incorporate canopy trees and native, drought-tolerant landscaping as a standard Class I facility (shared use path) feature. Encourage the use of sustainable drainage designs, such as bio-swales.</p>	
<p>Recommendation C-8.5: Utilize Complete Streets elements as demonstrated in most recent versions of National Association of City Transportation Officials (NACTO) Urban Street Design Guide and Bikeway Design Guide.</p>	
<p>Recommendation C-8.6: Crosswalks will include high visibility crossing treatments.</p>	
<p>Recommendation C-8.7: Paint direction arrows on all bike lanes and bike paths to reduce the risk of collisions.</p>	
<p>Safety Enforcement and Reporting Objective C-8B: Continue and expand enforcement activities that enhance safety of bicyclists on bike paths and roadways.</p>	
<p>Recommendation C-8.8: Enforce laws that reduce bicycle/pedestrian/motor vehicle incidents and conflicts.</p>	<p>Suggested Routes to School maps were provided to all schools. City's Police Department provides information regarding Bicycle Safety and applicable laws on the following website: https://www.costamesaca.gov/government/departments-and-divisions/police/crime-prevention/traffic-safety/bicycle-safety</p>
<p>Recommendation C-8.9: Train police officers on bicyclists' rights and responsibilities and bicycle/pedestrian/vehicle collision evaluation.</p>	
<p>Recommendation C-8.10: Utilize the City's bicycle-mounted patrol officer program to educate and enforce pedestrian and bicycle user violations not necessarily to punish, but to correct.</p>	
<p>Recommendation C-8.11: Promote efficient reporting mechanisms for behaviors that endanger cyclists and pedestrians.</p>	
<p>Recommendation C-8.12: Develop a partnership with the school community to establish and update suggested routes to schools for biking and walking.</p>	
<p>Safe Roadway Conditions Objective C-8C: Maintain bicycle and pedestrian facilities that are clear of debris and provide safe conditions for all users.</p>	
<p>Recommendation C-8.13: Establish routine maintenance schedule/standards for bicycle and pedestrian facilities such as sweeping, litter removal, landscaping, repainting of striping, signage, and signal actuation devices.</p>	<p>Costa Mesa Connect includes provision to notify bicycle-related issues to the City. Weekly Public Works staff meeting to discuss status of citizens requests.</p>
<p>Recommendation C-8.14: Encourage and empower citizens to report maintenance issues that impact bicyclist and pedestrian safety including, but not limited to, potholes, sidewalk lifting, and overgrown vegetation.</p>	
<p>Recommendation C-8.15: Establish procedures for responding to citizen reports in a timely manner.</p>	
<p>Recommendation C-8.16: Where feasible, reduce or eliminate conflict points such as driveways that cross the sidewalk.</p>	
<p>Safety Education Objective C-8D: Increase education of bicycle and pedestrian safety through programs and training of school children and the public.</p>	
<p>Recommendation C-8.17: Create, fund, and implement bicycle-safety curricula and provide to the public, tourists,</p>	

various ethnic groups, diverse ages and disadvantaged communities.	Bicycle-safety maps and brochures provided in adult and children English versions. Bicycle Rodeo events conducted by Costa Mesa Police Department.
Recommendation C-8.18: Provide multilingual bicycle-safety maps and brochures (print and electronic versions) in languages that are widely used in Costa Mesa.	
Recommendation C-8.19: Encourage schools to develop and provide bicycle-safety curricula for use in elementary, middle, and high schools, such as the Bicycle Rodeo events.	
Recommendation C-8.20: Support marketing and public awareness campaigns aimed at improving bicycle and pedestrian safety.	
Recommendation C-8.21: Provide a user education program developed and promoted to encourage proper trail use and etiquette.	
Recommendation C-8.22: Work with local bicycle advocacy organizations to develop, promote and support a series of bicycle education classes. Include information on bicycle safety, maintenance, and security.	
Recommendation C-8.23: Develop and distribute education material regarding bicycle and pedestrian responsibilities and laws.	
Safety Data	
Objective C-8E: Monitor and analyze bicycle and pedestrian safety.	
Recommendation C-8.24: Request bicycle and pedestrian collision reports from local law enforcement periodically and consider improvements to address problem areas.	2021: <ul style="list-style-type: none"> Conducted community outreach for the Local Road Safety Plan Active Transportation Committee - Complete Streets Safety Assessment, Berkeley Safe TREC, November 2021. 2022 <ul style="list-style-type: none"> Completed the Local Road Safety Plan Active Transportation Committee - Draft Pedestrian Master Plan, June 2022
Recommendation C-8.25: Establish an expedited process to report maintenance and safety concerns, e.g. pavement markings (sharrows, missing bike lane lines), ramps, curb cut-outs, broken walk/bike signal buttons, signage, minor maintenance of bike lanes/paths (street/path sweeping, minor surface patching, inoperable traffic signal bicycle detection).	
Recommendation C-8.26: Conduct Roadside Safety Audits (RSAs) on a regular basis to provide periodic snapshots of roadway safety, including bicycle, pedestrian, equestrian, skateboard, and other non-motorized modes of travel.	
Circulation Element Goal C-9: Integrate Active Transportation Elements into Circulation System and Land Use Planning	
Land Use Planning Decisions and Active Transportation	
Objective C-9A: Consider bicycle and pedestrian facilities during land use planning process.	
Recommendation C-9.1: Incorporate the Costa Mesa Bicycle and Pedestrian Master Plan into the City's General Plan.	The City's General Plan was updated with the adopted Active Transportation Plan in June 2018. The Active Transportation Plan includes a Bicycle Master Plan. The Active Transportation Plan with a Bicycle Master Plan is part of overall City's General Plan Circulation Element. Custom Artistic City Bicycle racks have been installed at public parks, public facilities, and along public rights-of-way.
Recommendation C-9.2: Ensure that all current and proposed land use planning is consistent with the Costa Mesa Bicycle and Pedestrian Master Plan.	
Recommendation C-9.3: Require new developments provide adequate bicycle parking and pedestrian access.	
Recommendation C-9.4: Collaborate with property owners to increase bicycle parking over time.	
	2021:

<p>Recommendation C-9.5: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use.</p>	<ul style="list-style-type: none"> With discretionary and other permit approvals, the City permits and encourages the use of bike racks to account for one vehicle parking space.
<p>Recommendation C-9.6: Provide a fully integrated network of modern active transportation facilities to and from major activity centers and residential centers.</p>	<p>2022:</p>
<p>Recommendation C-9.7: Identify areas where an increase in the need for active transportation can reasonably be anticipated due to housing/business growth.</p>	<ul style="list-style-type: none"> Bicycle Racks Citywide – the City installed 40 bicycle racks throughout the city in commercial areas and community centers.
<p>Recommendation C-9.8: Make commercial and recreational areas more enjoyable for pedestrians by implementing measures such as providing shade, planting trees, eliminating visible parking lots and vacant land, and minimizing long stretches of building façade.</p>	<ul style="list-style-type: none"> With discretionary and other permit approvals, the City permits and encourages the use of bike racks to account for one vehicle parking space.
<p>Recommendation C-9.9: Develop creative, artistic, and functional bicycle parking solutions, and install them throughout the City as a standard.</p>	<ul style="list-style-type: none"> Active Transportation Committee - Draft Pedestrian Master Plan, June 2022
<p>Active Transportation in Developments Objective C-9B: Integrate bicycle and pedestrian facility improvements during planning, design and implementation of transportation projects.</p>	
<p>Recommendation C-9.10: Promote the preservation of bicycle access within all roadway rights-of-way, as well as the development of innovative, safety-enhanced on-street facilities, such as bicycle boulevards and cycle tracks.</p>	<p>Bicycle Boulevards have been identified and included in the adopted Active Transportation Plan. Traffic calming improvements are being implemented on neighborhood streets.</p>
<p>Recommendation C-9.11: Establish bike boulevards on streets with low traffic volumes and slow speeds to encourage bicycling.</p>	
<p>Recommendation C-9.12: Proactively seek new opportunities for acquisition of abandoned rights-of-way and other lands for the development of new multi-use pathways that integrate with the planned network.</p>	
<p>Recommendation C-9.13: Improve the safety of all road users through the implementation of neighborhood traffic-calming treatments.</p>	
<p>Recommendation C-9.14: Detours through or around construction zones should be designed for safety and convenience, and with adequate signage for cyclists and pedestrians.</p>	
<p>Recommendation C-9.15: Provide opportunity for public input prior to the removal of an existing bicycle or pedestrian facility or the approval of any development or street improvement that would preclude these planned facilities.</p>	
<p>Circulation Element Goal C-10: Promote an Active Transportation Culture</p>	
<p>An Active Transportation Culture Objective C-10A: Encourage more people to walk and bicycle by supporting programs that foster community support for bicycling and walking, and raise public awareness about active transportation.</p>	
<p>Recommendation C-10.1: Support marketing and public awareness campaigns through a variety of media aimed at promoting bicycling and walking as a safe, healthy, cost-effective, environmentally friendly transportation choice.</p>	<p>For calendar year 2021 and 2022, City hosts community bike rides, such as the 8-mile bike ride for Earth Day and Spooky Ride and is currently working on Bicycle Wayfinding Program. City also installed 40 bicycle racks</p>
<p>Recommendation C-10.2: Support programs aimed at increasing bicycle and walk trips by providing incentives,</p>	

recognition, or services that make bicycling and walking a more convenient transportation mode.	throughout the city in commercial areas and community centers.
Recommendation C-10.3: Promote bicycling and walking at City-sponsored and public events, such as Earth Day, Bike to Work Day/Month, farmers' markets, public health fairs, art walks, craft fairs, and civic events.	
Recommendation C-10.4: Encourage and promote bicycle related businesses within Costa Mesa including, but not limited to, involvement of civic clubs and organizations.	
Recommendation C-10.5: Promote active transportation events in Costa Mesa to raise awareness and encourage bicycling, including, but not limited to, those that may involve temporary road closures, bike to work/school, senior walks, historic walks, and ciclovías.	
Recommendation C-10.6: Encourage major employment centers and employers to promote commuting by bicycle including the use of flex-time work schedules to support non-rush bicycle commuting. Build a coalition with City, businesses, schools, and residents to promote active transportation.	
Recommendation C-10.7: Encourage participation in bicycle and pedestrian promotion activities by education facilities, arts programs, active transportation clubs, and entertainment providers.	
Recommendation C-10.8: Achieve "Silver Level Bicycle Friendly Community" by League of American Bicyclists by 2025.	
Recommendation C-10.9: Achieve "Walk Friendly Community" status from WalkFriendly.org by 2025.	
Recommendation C-10.10: Achieve "HEAL City" designation by 2017.	
Circulation Element Goal C-11: Promote the Positive Air Quality, Health, and Economic Benefits of Active Transportation	
Improving the Environment with Active Transportation	
Objective C-11A: Improve air quality and public health and reduce ambient noise by promoting Active Transportation programs.	
Recommendation C-11.1: Determine baseline emissions levels, then track and communicate changes in emissions as modes of transportation trips shift to encourage more walking and biking.	City's Active Transportation Committee helps plan and implement a robust Active Transportation network for the City by improving bicycle and pedestrian connectivity throughout the City.
Recommendation C-11.2: Improve the quality of life in Costa Mesa by reducing neighborhood traffic and noise.	
Recommendation C-11.3: Increase pedestrian and bicycle trips, thereby reducing vehicle trips and vehicle miles Traveled.	
Recommendation C-11.4: Coordinate with appropriate federal, state, and county health agencies on active transportation programs to achieve health benefits.	
Economic and Other Incentives	
Objective C-11B: Provide economic incentives for expanding and enhancing bicycle and pedestrian facilities.	
Recommendation C-11.5: Incentivize the business community to support pedestrians and bicycle users in tangible ways.	The Traffic Impact Fee includes a five percent (5%) reduction in automobile trips for developments proposing to implement active transportation improvements beyond typical development requirements. Representative from the Chamber of Commerce is a liaison on the Bikeway and Walkability Committee.
Recommendation C-11.6: Partner with the business and school communities to create a marketing strategy to encourage individual businesses to market Costa Mesa as a bicycle-friendly City.	

<p>Recommendation C-11.7: Encourage developers to include features, amenities and programs that are proven to increase walking and/or bicycling.</p>	
<p>Recommendation C-11.8: Offer incentives for businesses whose employees walk or bike to work.</p>	
<p>Recommendation C-11.9: Encourage the Chamber of Commerce and the business community to promote active transportation in commercial areas to stimulate economic vitality.</p>	
<p>Circulation Element Goal C-12: Monitor, Evaluate, and Pursue Funding for Implementation of the Bicycle and Pedestrian Master Plan</p>	
<p>Objective 12A: Continuously monitor and evaluate Costa Mesa’s implementation progress on the Bicycle and Pedestrian Master Plan policies, programs, and projects.</p>	
<p>Recommendation C-12.1: Establish a monitoring program to measure the effectiveness and benefits of the Costa Mesa Bicycle and Pedestrian Master Plan.</p>	<p>City’s Active Transportation Committee helps plan and implement a robust Active Transportation network for the City by improving bicycle and pedestrian connectivity throughout the City.</p>
<p>Recommendation C-12.2: Track citywide trends in active transportation through the use of Census data, bicycle and pedestrian counts, travel surveys, and online surveys as part of annual reviews of the General Plan.</p>	
<p>Recommendation C-12.3: Ensure that Bicycle and Pedestrian Master Plan programs and projects are implemented in an equitable manner geographically, socioeconomically, and serving disadvantaged communities.</p>	
<p>Fund the Plans Objective C-12B: Pursue grants and other sources of funding for bicycle and pedestrian projects.</p>	
<p>Recommendation C-12.4: Strategize use of resources on developing effective and efficient grant application and program administration.</p>	<p>The City Council approved traffic impact fees to fund active transportation plan projects.</p>
<p>Recommendation C-12.5: Pursue multiple sources of funding and support efforts to maintain or increase federal, state and local funding for the implementation of the Bicycle and Pedestrian Master Plan.</p>	
<p>Recommendation C-12.6: Consider designating a portion of development traffic impact fees to fund bicycle and pedestrian facilities.</p>	

GROWTH MANAGEMENT ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Growth Management Element Goal GM-1: Inter-jurisdictional Coordination	
Objective GM-1A: Coordinate land use and transportation planning policies with State, regional, and local growth management efforts.	
GM-1.1: Cooperate with the Orange County Transportation Authority (OCTA) and other jurisdictions on development, all future regional transportation plans, and land use planning on a countywide basis.	Ongoing and currently being implemented. Annual reports are provided to CDR, SCAG, Dept. of Finance and Newport Mesa Unified for potential growth in the City. Large scale projects either require a legislative act or are located in overlay districts that require a Master Plan and full environmental analysis. All impacts are analyzed and included in the project report.
GM-1.2: Coordinate population, housing, and employment projections with the State Department of Finance, Southern California Association of Governments, Center for Demographic Research, Newport-Mesa Unified School District, and County of Orange agencies in terms of infrastructure planning.	
GM-1.3: Work with inter-jurisdictional forums such as the City-County Coordinating Committee to make sure that the City's fees are consistent with minimally acceptable impact fees in the region.	
GM-1.4: Participate in inter-jurisdictional planning forums to discuss implementation of traffic improvements, cooperative land use planning, and appropriate mitigation measures for developments with multijurisdictional impacts.	
GM-1.5: Continue to require that any new large developments prepare a master plan and environmental impact analysis. This allows the City to anticipate the impacts of large projects prior to development of any portion and permits more time to plan for public services and facilities needed to support the project.	
Growth Management Element Goal GM-2: Integration of Land Use and Transportation Planning	
Objective GM-2A: Maintain the Level of Service standards by integration of land use and transportation planning	
GM-2.1: Ensure that land use designations are reflected in the sub-regional county model and SCAG's model through consistent assumptions and methodologies.	Provided comments/revisions for the City's land use information in the sub-regional and SCAG planning scenario models and databases.
GM-2.2: Coordinate with State, county, and local agencies for planning and construction of public utilities to minimize negative impacts on the circulation system.	
GM-2.3: Use the Development Phasing and Performance Monitoring Program to assess the impact of existing and new development on the circulation system.	
GM-2.4: Support uses and development which create synergistic relationships with neighboring uses and development, especially those whose addition does not create mutually exclusive additional vehicular trips but adds to the value of the destination by any potential visitor.	
GM-2.5: Support creative and flexible solutions that provide for additional economic or physical growth within the City but does not place greater impact on the circulation system. These would include shared parking agreements, offset hours of operation, and clustering of harmonious and supportive uses.	

Note that for the Calendar Year 2021, the table summarizes the 5th and 6th Cycle Housing Element policy implementation. The 5th Cycle Housing Element remaining planning period is from January 1, 2021 through October 15, 2021. The City adopted its 6th Cycle Housing Element in November 2022. The City has progressed towards implementing the programs in the 6th Cycle Housing Element, which has a planning period of October 15, 2021 through October 15, 2029.

5th CYCLE HOUSING ELEMENT [January 2021- October 2021]	
General Plan Goal, Objective, Policy	Description of City Action
5th Cycle Housing Element Goal HOU-1: Preservation and Enhancement	
Preserve the availability of existing housing opportunities and conserve as well as enhance the quality of existing dwelling units and residential neighborhoods.	
HOU-1.1: Develop standard and/or guidelines for new development with emphasis on site (including minimum site security lighting) and building design to minimize vulnerability to criminal activity.	<p>There have been no new development affecting stabilized residential neighborhoods or mobile home parks. The City has taken additional action to protect existing stabilized residential neighborhoods. Active enforcement of existing regulations through the implementation and enforcement of Title 20 – Property Maintenance, of the Municipal Code. Title 20 establishes standards to ensure proper maintenance, removal of hazardous and improper storage, and removal of weeds and other public nuisances. Rehabilitation loan and grant programs are ongoing as funding is available.</p> <p>2021:</p> <ul style="list-style-type: none"> Community Development Block Grant Coronavirus (CDBG-CV) Rental Assistance Program [June 1, 2021] <p>1. City Council and the Housing Authority Board of Directors approved Amendment No. 1 to the Subrecipient Agreement (SRA) with Mercy House Living Centers increasing the compensation by \$150,000, for a total Not-To-Exceed amount of \$330,321 and to add two one-year renewal terms for program administration of the City’s CDBG-CV Rental Assistant Program for lower-income households without children. 2. Approved Amendment No. 1 to the Subrecipient Agreement (SRA) with Serving People in Need (SPIN), Inc. increasing the compensation by \$250,000, for a total Not-To-Exceed amount of \$457,000 and to add two one-year renewal terms for program administration of a Rental Assistance Program for lower-income households with children.</p>
HOU-1.2: Protect existing stabilized residential neighborhoods, including but not limited to mobile home parks and manufactured home parks, from the encroachment of incompatible or potentially disruptive land uses and/or activities.	
HOU-1.3: Actively enforce existing regulations regarding derelict or abandoned vehicles, outdoor storage, and substandard or illegal building and establish regulations to abate weed-filled yards when any of the above is deemed to constitute a health, safety or fire hazard.	
HOU-1.4: Establish code enforcement as a high priority and provide adequate funding and staffing to support code enforcement programs.	
HOU-1.5: Install and upgrade public service facilities (streets, alleys, and utilities) to encourage increased private market investments in declining or deteriorating neighborhoods.	
HOU-1.6: Continue existing rehabilitation loan and grant programs for low and moderate-income homeowners as long as funds are available.	
HOU-1.7: Minimize the displacement of existing residences due to public projects.	
HOU-1.8: Encourage the development of housing that fulfills specialized needs.	
5th Cycle Housing Element Goal HOU-2: Preserving and Expanding Affordable Housing Opportunities	
Provide a range of housing choices for all social and economic segments of the community, including housing for persons with special needs.	

5 th CYCLE HOUSING ELEMENT [January 2021- October 2021]	
General Plan Goal, Objective, Policy	Description of City Action
HOU-2.1: Encourage concurrent applications (i.e., rezones, tentative tract maps, conditional use permits, variance request, etc.) if multiple approvals are required, and if consistent with applicable processing requirements.	Applications for multiple family residential projects requiring multiple approvals are generally processed concurrently. All units under density bonus agreements with the City are monitored on an annual basis. Property owners are encouraged to redevelop the site bringing them into conformance with keeping the same number of units. The Zoning Code includes regulations that address reasonable accommodation per State requirements. This section is regularly updated to be consistent with State requirements.
HOU-2.2: Promote the use of State density bonus provisions to encourage the development of affordable housing for lower and moderate-income households, as well as senior housing.	
HOU-2.3: Provide incentive bonus units to encourage the redevelopment of residential units that are nonconforming in terms of density. The incentive shall be limited to the multi-family residential land use designations. The density incentive shall be limited to an increase of 25 percent above the Medium-Density or an increase of 50 percent above High-Density. In no case shall the resulting number of units exceed the existing number of units on each site.	
HOU-2.4: Encourage developers to employ innovative or alternative construction methods to reduce housing costs and increase housing supply.	
HOU-2.5: Continue membership in the Orange County Housing Authority to provide rental assistance to very low-income households.	
HOU-2.6: Provide clear rules, policies, and procedures, for reasonable accommodation in order to promote equal access to housing. Policies and procedures should be ministerial and include but not be limited to identifying who may request a reasonable accommodation (i.e., persons with disabilities, family-members, landlords, etc.), timeframes for decision-making, and provisions for relief from the various land-use, zoning, or building regulations that may constrain the housing for persons of disabilities.	
HOU-2.7: Monitor the implementation of the City’s ordinances, codes, policies, and procedures to ensure they comply with the “reasonable accommodation” for disabled provisions and all fair housing laws.	
5 th Cycle Housing Element Goal HOU-3: Provisions of Adequate Sites	
Provide adequate, suitable sites for residential use and development or maintenance of a range of housing that varies sufficiently in terms of cost, design, size, location, and tenure to meet the housing needs of all segment of the community at a level that can be supported by infrastructure.	
HOU-3.1: Encourage the conversion of existing marginal or vacant motels, commercial, and/or industrial land to residential, where feasible and consistent with environmental conditions that are suitable for new residential development.	<p>In 2006, the City adopted three Urban Plans to encourage the conversion of existing marginal or vacant industrial land in the West Side to mixed-use and residential developments. Ongoing consideration for all rezone applications, specifically as it relates to impacts on housing opportunity.</p> <p>2021:</p> <ul style="list-style-type: none"> Urban Plan Master Plan Screening request reviewed by City Council <p>UMP-21-004- for 8 units live/work development located at 1711 and 1719 Pomona Avenue</p>
HOU-3.2: Provide opportunities for the development of well-planned and designed project which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project or neighborhood.	
HOU-3.3: Cooperate with large employers, the Chamber of Commerce, and major commercial and industrial developers to identify and implement programs to balance employment growth with the ability to provide housing opportunities affordable to the incomes of the newly created job opportunities.	

5th CYCLE HOUSING ELEMENT [January 2021- October 2021]	
General Plan Goal, Objective, Policy	Description of City Action
HOU-3.4: Consider the potential impact on housing opportunities and existing residential neighborhoods when reviewing rezone petitions affecting residential properties.	
HOU-3.5: Encourage transit-oriented development along transportation corridors.	
5th Cycle Housing Element Goal HOU-4: Equal Housing Opportunity	
Ensure that all existing and future housing opportunities are open and available to all social and economic segments of the community without discrimination on the basis of race, color, religion, sex, sexual orientation, disability/medical conditions, national origin or ancestry, marital status, age, household composition or size, source of income, or any other arbitrary factors.	
HOU-4.1: Support the intent and spirit of equal housing opportunities as express in Federal and State fair housing laws.	<p>2021:</p> <ul style="list-style-type: none"> St. John’s Manor – approved the transfer of St. John’s manor affordable housing development to Avanath St. Johns Manor LP. St. John’s Manor located at 2031 Orange Avenue is a 36-unit senior citizen affordable housing development. The approval of the assignment agreement will ensure that the housing units will be occupied at affordable rents until September 2062. <p>2022:</p> <ul style="list-style-type: none"> Urban Plan Master Plan Screening request reviewed by City Council <p>City Council review and provided feedback on the proposed nine-unit live/work project at 1540 Superior Avenue.</p>
HOU-4.2: Continue to provide fair housing and counseling services for all Costa Mesa residents in an effort to remove barriers and promote access to affordable housing in the City.	
HOU-4.3: Encourage programs that address the housing needs of senior citizens.	
HOU-4.4: Encourage and support the construction, maintenance and preservation of residential developments which will meet the needs of families and individuals with specialized housing requirements.	
HOU-4.5: Encourage and support the construction, maintenance and preservation of residential developments to meet the needs of the developmentally disabled.	
5th Cycle Housing Element Goal HOU-5: Coordination and Cooperation	
Coordinate local housing efforts with appropriate federal, state, regional, and local governments and/or agencies and to cooperate in the implementation of intergovernmental housing programs to ensure maximum effectiveness in solving local and regional housing problems.	
HOU-5.1: Investigate alternative intergovernmental arrangements and program options to deal with area-wide housing issues and problems.	<p>2021:</p> <ul style="list-style-type: none"> CBDG-CV Homelessness Prevention and Services to Low/Moderate Income Households <p>City authorized the City Manager/Executive Director to execute an agreement for CBDG-CV Round 3 funding with Project Hope Alliance and Families Forward to provide safety net services for the City’s most impacted by the COVID-19 pandemic.</p> <p>2022</p> <ul style="list-style-type: none"> The City operates a 70-bed Homeless shelter at 3175 Airway Avenue. Individuals receive various assistance to obtain permanent housing.

6th CYCLE HOUSING ELEMENT [October 2021- December 2022]	
General Plan Goal, Objective, Policy	Description of City Action
6th Cycle Housing Element Goal 1: Preserve and enhance the City’s existing housing supply.	

6th CYCLE HOUSING ELEMENT [October 2021- December 2022]	
General Plan Goal, Objective, Policy	Description of City Action
HOU-1.1: Assist low and moderate-income homeowners and renters through housing assistance programs as long as funds are available.	2021/2022: <ul style="list-style-type: none"> Adopted Resolution No. 2022-61 Resolution of the City approving and authorizing submission of the Home-ARP Allocation Plan, a substantial amendment to the FY 2021-2022 Annual Action Plan for the application and expenditure of Home Investment Partnership Act American Rescue Partnership Funds to the United States Department of Housing and Urban Development. Utilize funds for <ol style="list-style-type: none"> Development and Support of Affordable Housing; Supportive Services including those defined at 24 CFR 578.53 e – including McKinney-Vento Supportive Services, Homelessness Prevention Services; and Housing Counseling Services
HOU-1.2: Minimize the displacement risk for existing residents when considering approval of future redevelopment and public projects.	
HOU-1.3: Prioritize enforcement of City regulations regarding derelict or abandoned vehicles, outdoor storage, substandard or illegal construction and establish regulations to abate blighted or substantially unmaintained properties, particularly when any of the above is deemed to constitute a health, safety, or fire hazard.	
HOU-1.4: Establish housing programs and code enforcement as a high priority and provide adequate funding and staffing to support those programs.	
6th Cycle Housing Element Goal # 2: Facilitate the creation and availability of housing for residents at all income levels and for those with special housing needs.	
HOU-2.1: Facilitate the development of housing that meets the needs of all segments of the population including affordable housing and households with specialized needs.	Applications for multiple family residential projects requiring multiple approvals are generally processed concurrently. All units under density bonus agreements with the City are monitored on an annual basis. There are no current applications submitted under the State Density Bonus program. Property owners are encouraged to redevelop the site bringing them into conformance with keeping the same number of units. The Zoning Code includes regulations that address reasonable accommodation per State requirements. This section is regularly updated to be consistent with State requirements.
HOU-2.2: Promote the use of State density bonus provisions to encourage the development of affordable housing for lower and moderate-income households, as well as senior housing through the dissemination of informational materials and discussions with project applicants.	
HOU-2.3: Monitor the implementation of the City's ordinances, codes, policies, and procedures to ensure they comply with State requirements for "reasonable accommodation" for disabled persons and all fair housing laws.	
	2021/2022: <ul style="list-style-type: none"> Adopted Resolution No. 2022-08

6th CYCLE HOUSING ELEMENT [October 2021- December 2022]	
General Plan Goal, Objective, Policy	Description of City Action
<p>HOU-2.4: Encourage housing programs and future actions that address the need for affordable housing options as well as the housing needs of Costa Mesa’s senior resident population and the large households population.</p>	<p>Resolution of the City approving minor conditional use permit ZA 21-48 to amend previously approved conditional use permit PA -91-102 for the Costa Mesa Village Affordable Housing Development and approving a regulatory agreement and the transfer of ownership of the Costa Mesa Village Property located at 2450 New Port Boulevard. Applicant will provide 96 units to 50% AMI Very Low-Income households in perpetuity</p> <ul style="list-style-type: none"> • Motel 6 Project Homekey <p>City collaborated with County of Orange and Community Development to apply to State HCD for Homekey Round 2 for the Motel 6 project. The City and County received \$10,675,000 million to acquire and covert Motel 6 located at 2274 Newport Boulevard into 88-unit permanent housing.</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2022-61 <p>Resolution of the City approving and authorizing submission of the Home-ARP Allocation Plan, a substantial amendment to the FY 2021-2022 Annual Action Plan for the application and expenditure of Home Investment Partnership Act American Rescue Partnership Funds to the United States Department of Housing and Urban Development. Utilize funds for 1. Development and Support of Affordable Housing; 2. Supportive Services including those defined at 24 CFR 578.53 e – including McKinney-Vento Supportive Services, Homelessness Prevention Services; and Housing Counseling Services</p>
<p>6th Cycle Housing Element Goal # 3: Identify adequate, suitable sites for residential use and development to meet the City’s Regional Housing Needs Assessment (RHNA) at all income levels and promote a range of housing types to meet the needs of all segments of the Costa Mesa community.</p>	
<p>HOU-3.1: Encourage the conversion of existing marginal, underutilized, or vacant motels, commercial, and/or industrial land to residential, where feasible and consistent with environmental conditions that are suitable for new residential development.</p>	<p>In 2006, the City adopted three Urban Plans to encourage the conversion of existing marginal or vacant industrial land in the West Side to mixed-use and residential developments. Ongoing consideration for all rezone applications, specifically as it relates to impacts on housing opportunity.</p>
<p>HOU-3.2: Encourage the development of well-planned and designed residential or mixed-use projects which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project, neighborhood, or geographic area within the City.</p>	<p>2021/2022:</p> <ul style="list-style-type: none"> • Motel 6 Project Homekey

6th CYCLE HOUSING ELEMENT [October 2021- December 2022]	
General Plan Goal, Objective, Policy	Description of City Action
HOU-3.3: Actively engage and partner with large employers, the Chamber of Commerce, and major commercial and industrial developers to identify and implement programs to balance employment growth with the ability to provide housing opportunities affordable to the incomes of the newly created job opportunities.	City collaborated with County of Orange and Community Development to apply to State HCD for Homekey Round 2 for the Motel 6 project. The City and County received \$10,675,000 million to acquire and convert Motel 6 located at 2274 Newport Boulevard into 88-unit permanent housing.
HOU-3.4: Consider the potential impact of new housing opportunities and their impacts on existing residential neighborhoods when reviewing development applications affecting residential properties.	
HOU-3.5: Encourage residential and mixed-use development along transportation routes and major commercial/mixed use corridors.	
6th Cycle Housing Element Goal # 4: Provide housing opportunities to residents of all social and economic segments of the community without discrimination on the basis of race, color, religion, sex, sexual orientation, disability/medical conditions, national origin or ancestry, marital status, age, household composition or size, source of income, or any other arbitrary factors	
HOU-4.1: Support equal housing opportunities as expressed in Federal and State fair housing laws.	2021/2022: <ul style="list-style-type: none"> City approved utilizing HOME-ARP funds to provide supportive services including Housing Counseling Services.
HOU-4.2: Promote actions and programs that provide fair housing and counseling services and other housing assistance programs for all Costa Mesa residents in an effort to remove barriers and promote access to affordable housing in the City as funding is available.	
HOU-4.3: Encourage and support the construction, maintenance and preservation of residential developments which will meet the needs of families and individuals with specialized housing requirements, including those with developmental disabilities.	

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Conservation Element Goal CON-1: Preserved and Restored Natural Coastal Habitat and Landforms	
Objective CON-1.A: Evaluate existing biotic resources and preserve them in ecologically viable and natural conditions, where possible; and/or restore and integrate these resources into the urban environment, where feasible.	
CON-1.A.1: Natural habitat is essential to ensuring biodiversity and protecting sensitive biological resources. Protect these areas and consult with the California Department of Fish and Wildlife, Orange County Water District, Orange County Parks, and other regional agencies to identify areas for special protection, and establish appropriate protection measures for these areas.	Staff has communicated with representatives from the Department of USFW regarding areas of local biologically sensitive plant and animal species. Staff also communicates with OC Parks, City of Torrance (Marsh Project), Irvine Ranch Water District, Orange County River Park group and the US Army Corps of Engineers (ACOE). Staff also continues to dialogue and meet with local, state and federal agencies as is related to sensitive habitats and ecosystems. Coordinated on projects including vernal pool restoration, protective fencing, wetlands maintenance permitting and community events, all at Fairview Park. Fairview Park Steering Committee to review all potential projects at Fairview Park. Erosion control plans are required with all grading permits. City Staff coordinates with the local, state and federal agencies to ensure all improvements are consistent with the Parks Master Plan. The City's Zoning Code includes a bluff setback requirement to protect the City's natural hillsides and prevent erosion.
CON-1.A.2: Contribute to regional biodiversity and the preservation of rare, unique, and sensitive biological resources by maintaining functional wildlife corridors and habitat linkages.	
CON-1.A.3: Coordinate with the United States Fish and Wildlife service, the California Department of Fish and Wildlife, and other regulatory agencies to mitigate project impacts affecting open and natural spaces.	

[Updated: 6/29/23]

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CON-1.A.4: Promote and protect native plant species within Fairview Park, and remove and control the spread of invasive species, including plants, animals, and fungi.	2022: <ul style="list-style-type: none"> City awarded a Professional Services Agreement to Endemic Environmental Services, Inc., for biological management and habitat rehabilitation services at Fairview Park
CON-1.A.5: Ensure that all future development is reviewed with regard to protecting natural topography and bluffs to preserve and enhance Costa Mesa's natural beauty.	
CON-1.A.6: Minimize soil depletion and erosion in development projects. Prevent erosion caused by construction activities, and encourage preservation of natural vegetation and topography.	
CON-1.A.7: Improve access to large-scale natural areas in the City. These areas should be open for controlled access to improve public enjoyment. Access should be limited where natural habitat is extremely sensitive. Work with transit agencies to improve connections and access to open space and recreation facilities from all Costa Mesa neighborhoods.	
CON-1.A.8: Require the provision of adequate visitor-serving on-site parking facilities that do no impact sensitive resources within the Coastal Zone.	
CON-1.A.9: Coordinate the development of plans, policies, and design standards for projects within the Coastal Zone with appropriate local, regional, and federal agencies.	
Conservation Element Goal CON-2: Conserved Natural Resources through Environmental Sustainability	
Objective CON-2.A: Work to conserve energy resources in existing and new buildings, utilities, and infrastructure.	
CON-2.A.1: Promote efficient use of energy and conservation of available resources in the design, construction, maintenance, and operation of public and private facilities, infrastructure, and equipment.	Promotion of efficient use of energy and conservation of available resources is ongoing and currently being implemented. Examples include the LEED certified Lions Park Projects, including library. EV Charging Stations now installed at City Hall. Ongoing promotion of environmentally sustainable development principles as development is submitted for review. The ongoing Lions Park Projects are proposed gold and silver LEED certified projects. The new library designed to achieve a U.S. Green Building Council (USGBC) Leadership in Energy & Environmental Design (LEED) rating of Gold and renovation of the existing 8,740 SF Donald Dungan Library to achieve a USGBC LEED rating of Silver. Currently implementing waste management programs and are required with all building permits. For demolition, grading, or building permits involving projects with a valuation of \$10,000 or more, the contractor is required to use a City-Permitted Waste Hauler(s) to haul any debris or soiled waste from the jobsite. The City of Costa Mesa Green Team provides recommendations on how to effectively integrate sustainability in municipal operations. Green Team includes representatives from Public Works, Development Services and Parks & Community Services, and Sustainability Working Group. The City currently has 10 fully electrical vehicles and 10 hybrid vehicles.
CON-2.A.2: Consult with regional agencies and utility companies to pursue energy efficiency goals. Expand renewable energy strategies to reach zero net energy for both residential and commercial new construction.	
CON-2.A.3: Continue to develop partnerships with participating jurisdictions to promote energy efficiency, energy conservation, and renewable energy resource development by leveraging the abilities of local governments to strengthen and reinforce the capacity of energy efficiency efforts.	
CON-2.A.4: Encourage new development to take advantage of Costa Mesa's optimal climate in the warming and cooling of buildings, including use of heating, ventilation and air conditioning (HVAC) systems.	
CON-2.A.5: Promote environmentally sustainable development principles for buildings, master planned communities, neighborhoods, and infrastructure.	

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CON-2.A.6: Encourage construction and building development practices that reduce resource expenditures throughout the lifecycle of a structure.	2021/2022: <ul style="list-style-type: none"> Adopted Ordinance No. 2021-16 <p>An Ordinance of the City amending sections of CMMC to implement the requirements of SB 1383 (Mandatory Organic Waste Disposal Reduction) – including negotiating and executing franchise agreements with seven haulers; program rollout, food recovery programs and educational materials: https://www.costamesaca.gov/government/departments-and-divisions/public-works/sb-1383</p> <ul style="list-style-type: none"> To support the State’s GHG reduction goals from the energy and transportation sector the City CIP project includes installation of 9 EV charging stations at City Hall, that is publicly available, 2 solar powered EV charging stations at the Senior Center and Corp Yard. The City also partnered with SCE to retrofit 6300 streetlights to LEDs
CON-2.A.7: Continue to require all City facilities and services to incorporate energy and resource conservation standards and practices and require that new municipal facilities be built within the LEED Gold standards or equivalent.	
CON-2.A.8: Continue City green initiatives in purchases of equipment, and agreements that favor sustainable products and practices.	
CON-2.A.9 Encourage waste management programs that promote waste reduction and recycling to minimize materials sent to landfills. Maintain robust programs encourage residents and businesses to reduce, reuse, recycle, and compost.	
CON-2.A.10 Support waste management practices that provide recycling programs. Promote organic recycling, landfill diversion, zero waste goals, proper hazardous waste collections, composting, and the continuance of recycling centers.	

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>CON-2.A.11 Continue construction and demolition programs that require recycling and minimize waste in haul trips.</p>	<ul style="list-style-type: none"> • Secured grant funding from several State and local agencies to support sustainability projects. i.e. for solid waste program from CalRecycle; for EV infrastructure, City EV carpool fleet and City's e-shuttle bus from CEC and AQMD • City established the Green Business Program to help businesses operate sustainably and become Certified Green Business. This free program incentivizes and assist local business to conserve energy, water, minimize waste, prevent pollution and shrink overall carbon footprint. The program includes a free on-site assessment of their business, a customized action plan, a step-by-step guidance to meet certification criteria and State standards, up to \$500 Refund of any cost incurred to meet criteria (State provided approximately \$200,000 for rebates), a certification seal when action plan measures are implemented. Local and State recognition is valid for 3 years. https://www.costamesaca.gov/business/green-business-program • City launched a sustainability webpage to increase community engagement and outreach: https://www.costamesaca.gov/government/departments-and-divisions/public-works/sustainability. • City secured funding for the City's first full electric shuttle bus for the Senior Center. • Extensive community outreach and engagement efforts – e.g. Annual Earth Day Festival, Arbor Day events, Costa Mesa Sanitary District educational event etc. • Awards - LEED for Cities (Gold), ASCE & USGBC recognitions for City Hall EV charging project; CRRA award for Costa Mesa's Construction and Demolition (C&D program) • Internal capacity building Lunch n' Learn workshops – e.g. Lunch & Learn on 'sustainable construction materials' – several engineers, planners and inspectors attended the training • Completed the Draft Local Hazard Mitigation Plan – which details all hazards, risks and mitigation measures. Climate change considerations were incorporated in the mitigation measures.

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Conservation Element Goal CON-3: Improved Water Supply and Quality	
Objective CON-3.A: Work towards the protection and conservation of existing and future water resources by recognizing water as a limited resource that requires conservation.	
CON-3.A.1: Continue to consult with local water districts and the Orange County Water District to ensure reliable, adequate, and high-quality sources of water supply at a reasonable cost.	<p>The City has adopted Water Efficient Landscape Guidelines and provides public education materials that promote water-efficient practices and policies. Compliance with the guidelines minimizes use of turf for commercial and residential projects and the City encourages use of drought-tolerant landscaping for new developments.</p> <p>The City consults with local water districts and the Orange County Water District where applicable, to integrate recycled water into Capital Improvement Projects and development projects.</p> <p>Project plans are reviewed for compliance with development standards for water quality, including implementation of low-impact development Best Management Practices to the maximum extent practicable. Water Quality Management Plans and Stormwater Pollution Prevention Plans are reviewed and inspected for compliance with respect to development projects.</p> <p>2022:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2022-47 <p>Resolution of the City authorizing an application for funds for the Tier 1 Grant Environmental Cleanup Program, under Orange County Local Transportation Ordinance No.3 (known and cited as the Renewed Measure M Transportation Ordinance and Investment Plan), for the 2022 Connector Pipe Screen Installation Project.</p>
CON-3.A.2: Encourage residents, public facilities, businesses, and industry to minimize water consumption, especially during drought years.	
CON-3.A.3: Restrict use of turf in new construction and landscape reinstallation that requires high irrigation demands, except for area parks and schools, and encourage the use of drought-tolerant landscaping.	
CON-3.A.4: Consult with local water districts and the Orange County Water District to advance water recycling program for new and existing developments, including the use of treated wastewater to irrigate parks, golf courses, roadway landscaping, and other intensive irrigation consumers.	
CON-3.A.5: Work with public and private property owners to reduce stormwater runoff in urban areas to protect water quality in storm drainage channels, the Santa Ana River, and other local water courses that lead to the Pacific Ocean.	
CON-3.A.6: Continue to develop strategies to promote stormwater management techniques and storm drain diversion programs that collectively and naturally filter urban runoff.	
CON-3.A.7: Continue to comply with the National Pollutant Discharge Elimination System Program (NPDES) by participating in the Countywide Drainage Area Management Plan (DAMP), which stipulates water quality requirements for minimizing urban runoff and discharge from new development and requires the provisions of applicable Best Management Practices (BMP).	
CON-3.A.8: Require that all applicable development projects be reviewed with regards to requirements of both the on-site Water Quality Management Plan and State requirements for runoff and obtaining a Storm Water Pollution Prevention Plan (SWPPP) permit.	
CON-3.A.9: Continue to consult with the Costa Mesa Sanitation District and the Orange County Sanitation District to modernize wastewater treatment facilities to avoid overflows of untreated sewage.	

CONSERVATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Conservation Element Goal CON-4: Improved Air Quality	
Objective CON-4.A: Pursue the prevention of the significant deterioration of local and regional air quality.	
CON-4.A.1: Support regional policies and efforts that improve air quality to protect human and environmental health, and minimize disproportionate impacts on sensitive population groups.	As part of the City’s Urban Forest Management, City has implemented the Costa Mesa Parkway Tree Planting Program that is free to residents. Residents can request a free 15-gallon size tree planted in front of their property if they do not already have one. Homeowners are responsible for providing watering and the city will provide trimming and re-staking services as needed. 2022: <ul style="list-style-type: none"> Adopted Resolution No. 2022-09 Resolution of the City for funding from the Urban and Community Forestry Grant Program Entitled “City Forest Renewal 2.0”., as proved through the California Greenhouse Gas Reduction Fund. City Council approves the filing of the application for participation in this program
CON-4.A.2: Encourage businesses, industries and residents to reduce the impact of direct, indirect, and cumulative impacts of stationary and non-stationary pollution sources.	
CON-4.A.3: Require that sensitive uses such as schools, childcare centers, parks and playgrounds, housing, and community gathering places are protected from adverse impacts of emissions.	
CON-4.A.4: Continue to participate in regional planning efforts with the Southern California Association of Governments, nearby jurisdictions, and the South Coast Air Quality Management District to meet or exceed air quality standards.	
CON-4.A.5: Encourage compact development, infill development, and a mix of uses that are in proximity to transit, pedestrian, and bicycling infrastructures.	
CON-4.A.6: Enhance bicycling and walking infrastructure, and support public bus service, pursuant to the Circulation Element’s goals, objectives, and policies.	
CON-4.A.7: Encourage installation of renewable energy devices for businesses and facilities and strive to reduce community-wide energy consumption.	
CON-4.A.8: Develop long-term, community-wide strategies and programs that work at the local level to reduce greenhouse gases and Costa Mesa’s “carbon footprint”.	

NOISE ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Noise Element Goal N-1: Noise Hazards and Conditions	
Objective N-1A: Control noise levels within the City for the protection of residential areas, park areas, and other sensitive land uses from excessive and unhealthful noise.	
N-1.1: Enforce the maximum acceptable exterior noise levels for residential areas at 65 CNEL.	The existing and projected noise environment is reviewed and considered for all projects. Specific sound attenuation for interior and exterior spaces is incorporated to projects when required by an acoustical study. Title 24 standards are applied to projects as applicable for all new residential projects. The City regularly monitors any new
N-1.2: Give full consideration to the existing and projected noise environment when considering alterations to the City’s circulation system and Master Plan of Highways.	

NOISE ELEMENT		
General Plan Goal, Objective, Policy	Description of City Action	
N-1.3: Encourage Caltrans to construct noise attenuation barriers along I-405, SR-55, and SR-73 where these freeways adjoin residential and other noise-sensitive areas.	development in the John Wayne Airport operations, such as the recent General Aviation Program, to ensure that the noise levels are not increased.	
N-1.4: Ensure that appropriate site design measures are incorporated into residential developments, when required by an acoustical study, to obtain appropriate exterior and interior noise levels. When necessary, require field testing at the time of project completion to demonstrate compliance.		
N-1.5: Apply the standards contained in Title 24 of the California Code of Regulations as applicable to the construction of all new dwelling units.		
N-1.6: Discourage sensitive land uses from locating within the 65 CNEL noise contour of John Wayne Airport. Should it be deemed by the City as appropriate and/or necessary for a sensitive land use to locate in the 65 CNEL noise contour, ensure that appropriate interior noise levels are met and that minimal outdoor activities are allowed.		
N-1.7: Support alternative methods for the reduction of noise impacts at John Wayne Airport while continuing to maintain safety and existing limitations on aircraft daily departures.		
N-1.8: Monitor the noise levels at OC Fair and Event Center and the Pacific Amphitheater, and continue to monitor the status of legally binding noise levels on the OC Fair and the Event Center and the Pacific Amphitheater.		
Goal N-2: Noise and Land Use Compatibility		
Objective N-2A: Plan for the reduction in noise impacts on sensitive receptors and land uses.		
N-2.1: Require the use of sound walls, berms, interior noise insulation, double-paned windows, and other noise mitigation measures, as appropriate, in the design of new residential or other new noise sensitive land uses that are adjacent to arterials, freeways, or adjacent to industrial or commercial uses.	Potential opportunities for noise mitigation measures is part of staff's review for all projects and appropriate environmental review processes are implemented when required. Ongoing consideration of alternative noise level standards for mixed-use projects utilizing the City's Urban Plans (19 West Urban Plan, Mesa West Bluffs Urban Plan, Mesa West Residential Ownership Urban Plan and SoBeca Urban Plan). All projects are reviewed for compatibility with adopted noise and land use criteria, in addition to applicable interior and exterior noise standards. New mixed-use developments are required to have potential noise sources located away from the residential portion of the development and adjacent established residential developments.	
N-2.2: Require, as a part of the environmental review process, that full consideration be given to the existing and projected noise environment.		
N-2.3: Consider alternative noise level standards for mixed-use projects that take into consideration the interaction of industrial operation noise impacts and the mixed-use developments planned for the Westside and SoBeca.		
N-2.4: Require that all proposed projects are compatible with adopted noise/land use compatibility criteria.		
N-2.5: Enforce applicable interior and exterior noise standards.		
2021/2022 - The Zoning Administrator and Planning Commission continuously include noise reduction		

NOISE ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
N-2.6: Allow a higher exterior noise level standard for infill projects in existing residential areas adjacent to major arterials if it can be shown that there are no feasible mechanisms to meet the exterior noise levels. The interior standard of 45 dBA CNEL shall be enforced for any new residential project.	conditions to sensitive receptors with discretionary approvals.
N-2.7: Encourage effective site planning in mixed-use areas that provides the optimal distance between source of excessive sound and residents.	
N-2.8: Require new mixed-use developments to site loading areas, parking lots, driveways, trash enclosures, mechanical equipment, and other noise sources away from the residential portion of the development and adjacent established residential development.	
N-2.9: Limit hours and/or require attenuation of commercial/entertainment operations adjacent to residential and other noise sensitive uses in order to minimize excessive noise to these receptors.	

SAFETY ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Safety Element Goal S-1: Risk Management of Natural and Human-Caused Disasters	
Objective S-1A: Work to mitigate and prevent potential adverse consequences of natural and human-caused disasters.	
S-1.1: Continue to incorporate geotechnical hazard data into future land use decision-making, site design, and construction standards.	Geotechnical reports and seismic standards are reviewed in detail for each project and building permit application process. The City maintains the most current flood hazard and floodplain information, with the latest improvements in the flood channels reflected in the 2009 Flood maps; there are no residential properties within flood hazard areas. Office of Emergency Management is developed a Local Hazard Mitigation Plan, which will address flood hazards and related issues specific to Costa Mesa. As part of the development of the Local Hazard Mitigation Plan, it is required that the Office of Emergency Management engage and share information with the public regarding flood and other local hazards. Additionally, the Emergency Services Administrator is currently participating in planning multiple agencies, including the Orange County Operational Area, regarding dam inundation on a regional level. The City currently participates in the countywide mass notification system, Alert OC, which provides mass notifications to the citizens and businesses of Costa Mesa. In addition, the City has
S-1.2: Enforce standards, review criteria, and ensure that structures on or adjacent to bluffs are set back sufficiently to preserve the natural contours and aesthetic value of the bluff line and to provide sufficient access for fire protection.	
S-1.3: Require geologic surveys of all new development located on or adjacent to bluffs.	
S-1.4: Encourage retrofitting of structures—particularly older buildings—to withstand earthquake shaking and landslides consistent with State and historical building codes.	
S-1.5: Enforce applicable building codes relating to the seismic design of structures to reduce the potential for loss of life and property damage.	
S-1.6: Identify through a study the issue of unreinforced masonry buildings and soft stories and other structures not meeting earthquake standards in Costa Mesa. Provide assistance if necessary to unreinforced masonry building owners once those buildings have been identified.	

SAFETY ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
S-1.7: Continue to implement the Seismic Hazard Mapping Act, which requires sites within liquefaction hazard areas to be investigated for liquefaction susceptibility prior to building construction or human occupancy.	<p>received authorization from the Department of Homeland Security to disseminate Integrated Public Alert and Warning (IPAWS) Wireless Emergency Alerts (WEA)</p> <p>2021:</p> <ul style="list-style-type: none"> Community Survey for Local Hazard Mitigation Plan released March 2021 Adopted Resolution No. 2021-19 <p>Resolution of the City accepting a report on the status of 2020 State mandated annual fire inspections in the city pursuant to California Health and Safety Code Section 13146.4. All fire departments that provide fire protection services to perform annual inspections in every building used as a public or private school, hotel, motel, lodging house, apartment house, and certain residential care facilities for compliance with building standards. Annual inspections are required of specified Educational Group E occupancies and Residential Group R occupancies.</p> <ul style="list-style-type: none"> City approved MOU between City and the County of Orange to allow the use of the County's Countywide Mass Notification System. Approval of the MOU allows the City to continue using the County's Countywide Mass Notification System, Alert IC, to notify residents in an event of an emergency <p>2022</p> <ul style="list-style-type: none"> Draft Local Hazard Mitigation Plan released for public review period September- October 2022 Adopted Resolution No. 2022-30
S-1.8: Consider site soils conditions when reviewing projects in areas subject to liquefaction or slope instability.	
S-1.9: Continue to consult with appropriate local, State, and federal agencies to maintain the most current flood hazard and floodplain information; use the information as a basis for project review and to guide development in accordance with federal, State, and local standards.	
S-1.10: Regularly review and update Article 10 - Floodway and Floodplain Districts of the City's Municipal Code consistent with federal and State requirements.	
S-1.11: Improve and maintain local storm drainage infrastructure in a manner that reduces flood hazards.	
S-1.12: Continue to develop hazard preparedness plans to prepare for large storms that could bring flooding hazards and other related issues.	
S-1.13: Actively promote public education, research, and information dissemination on flooding hazards.	
S-1.14: Minimize flood hazard risks to people, property, and the environment by addressing potential damage tsunamis and sea level rise.	
S-1.15: Consult with regional agencies and study strategies that employ engineering defensive methods along the Santa Ana River that limit potential flooding hazards from sea level rise.	
S-1.16: Develop emergency response, early warning notification, and evacuation plans for areas that are within dam inundation areas, where feasible.	
S-1.17: Utilize the John Wayne Airport Environs Land Use Plan (AELUP) as a planning resource for evaluation of land use compatibility and land use intensity in areas affected by airport operations. In particular, future land use decisions within the Safety/Runway Protection Zone will be evaluated in light of the risk to life and property associated with aircraft operations.	
S-1.18: Comply with Federal Aviation Regulations (FAR) and the John Wayne AELUP requirements relative to Objects Affecting Navigable Airspace.	
S-1.19: Use the Federal Aviation Regulations as a guideline to establish the ultimate height of structures as defined in FAR Part 77.	

SAFETY ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>S-1.20: Minimize hazards to aeronautical operations by ensuring land uses do not emit excessive glare, light, steam, smoke, dust, or electronic interference in compliance with FAR regulations and the John Wayne AELUP.</p>	<p>Resolution of the City accepting a report on the status of 2021 mandated annual fire inspections in the City pursuant to California Health and Safety Code Section 13146.4</p> <ul style="list-style-type: none"> Adopted Ordinance No. 2022-07 and Resolution No. 2022-63 <p>Amendment various section of CMMC and setting forth findings for amendments to the 2022 California Building code, the 2022 California Residential Code, and the 2022 California Fire Code relative to local climatic and geographic conditions.</p>
<p>Objective S-2A: Plan, promote, and demonstrate a readiness to respond and reduce threats to life and property through traditional and innovative emergency services and programs.</p>	
<p>S-2.1: Promote crime prevention strategies and provide a high level of response to incidents.</p>	<p>Costa Mesa Fire and Rescue (CMFR) participates in a county-wide Automatic Aid response program for emergency incidents. CMFR hosts a Community Emergency Response Team Program and volunteer Mutual Aid agreement with neighboring jurisdictions for the response to emergency incidents. Community Risk Reduction staff continued to ensure adequate water supply through participation in the development and plan review processes. Projects are assessed in the development review process for potential impacts that would require adjustments to fire and emergency medical response. Projects in areas designated to the fire protection system development impact fees had them assessed. Fire Development Impact and Cost Recovery fees continue to be assessed. Community Risk Reduction staff continued to monitor fire activity. CMFR collaborated with NMUSD to provide preparedness and safety resources, educational materials, and outreach in all media formats to schools. Preparedness materials and educational resources were available and shared via the city website and social media. CMFR continues to develop and support preparedness for the community, including hosting Community Emergency Response Team (CERT) training annually and hosting seven virtual training meetings with current active volunteers. CMFR continued to develop staff and outreach efforts to bring personal preparedness through the LISTOS (Ready in Spanish) program to the community. CMFR continues to update preparedness and safety information on the city's website and through social media. Promotions and succession planning activities were completed at all ranks</p>
<p>S-2.2: Emphasize and prioritize crime prevention strategies, such as pedestrian-scale lighting in targeted areas.</p>	
<p>S-2.3: Timely response to incidents and monitoring areas with high crime rates should be part of a comprehensive strategy to reduce crime in the community.</p>	
<p>S-2.4: Provide a high level of police and fire service in the community. Secure adequate facilities, equipment, and personnel for police and fire.</p>	
<p>S-2.5: Consult with neighboring jurisdictions and partner agencies to respond appropriately to emergencies and incidents in all parts of the City.</p>	
<p>S-2.6: Require that water supply systems for development are adequate to combat structural fires in terms of location and minimum required fire-flow pressures.</p>	
<p>S-2.7: Require development to contribute its fair share toward funding the provision of appropriate fire and emergency medical services as determined necessary to adequately serve the project.</p>	
<p>S-2.8: Regularly update regulations that will protect the community from fire hazards.</p>	
<p>S-2.9: Emphasize prevention and awareness of fire safety guidelines to minimize risk and potential damage to life, property, and the environment. In areas designated by the Costa Mesa Fire Department as having a high fire hazard, ensure adequate fire equipment, personnel, firebreaks, facilities, water, and access for a quick and efficient response in any area.</p>	

SAFETY ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
S-2.10: Maintain staff and facilities that will continue to support a coordinated and effective response to emergencies and natural disasters throughout the City.	<p>of the Fire Department. Staff participated in county-wide Orange County Environmental Health Department meetings. Staff reviewed hazardous materials disclosure submittals for compliance with the California Fire Code and CalEPA regulations. CMFR staff conducted joint inspections of undocumented facilities with the Orange County Environmental Health Department to ensure compliance. Taskforce inspections and enforcement actions were completed on facilities suspected of illegal use, production, transportation, and disposal. CMFR conducted plan reviews and inspections of facilities that use and store hazardous materials through the CFC Operational Permit Program. Taskforce inspections and enforcement actions were completed on facilities suspected of illegal use, production, transportation, and disposal.</p> <p>The Police Department and Office of Emergency Management continue to identify areas for improvement regarding facility composition, size, security, equipment, and overall ability to support current and future public safety requirements. The Police Department and Office of Emergency Management continue to work with local, regional, state, and federal partners to coordinate information sharing, intelligence dissemination, and emergency response. Coordinating organizations include law enforcement, public health, communications, utilities, education, and business. The Office of Emergency Management is leading training efforts for city staff to support planning, response and recovery efforts due to emergencies or natural disasters on a local and regional level. The City also maintains an Emergency Operations Center, which is currently being assessed for upgrades to support the response to emergencies and disasters. The Office of Emergency Management continues to improve upon the City's emergency preparedness through active engagement in all aspects and the continuous planning and preparedness to respond to an event on a local and/or regional level. The Police Department continues to hire sworn and civilian staff to fill vacancies within the Department. Current staffing is prioritized to provide quality levels of service to the community, along with equipment and facilities that promote top-tier law enforcement within Orange County.</p>
S-2.11: Consult with neighboring jurisdictions, local employers, and industries to ensure that emergency preparedness and disaster response programs equitably serve all parts of the City.	
S-2.12: Continue to maintain adequate police and fire staffing, facilities, equipment, and maintenance sufficient to protect the community.	
S-2.13: Continue to consult with the County of Orange in the implementation of the Orange County Hazardous Waste Management Plan.	
S-2.14: Ensure that appropriate in-depth environmental analysis is conducted for any proposed hazardous waste materials treatment, transfer, and/or disposal facility.	
S-2.15: Continue to consult with the County of Orange to identify and inventory all users of hazardous materials and all hazardous waste generators, and prepare clean-up action plans for identified disposal sites.	
S-2.16: Require the safe production, transportation, handling, use, and disposal of hazardous materials that may cause air, water, or soil contamination.	
S-2.17: Encourage best practices in hazardous waste management, and ensure consistency with City, County, and federal guidelines, standards, and requirements.	
S-2.18: Consult with federal, State, and local agencies and law enforcement to prevent the illegal transportation and disposal of hazardous waste.	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Community Design Element Goal CD-1: Vehicular and Pedestrian Corridors	
Objective CD-1A: Contribute to City beautification by enhancing the visual environment of Costa Mesa's vehicular and pedestrian paths and corridors.	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>CD-1.1 Implement the City of Costa Mesa Streetscape and Median Development Guidelines in all new streetscape corridor and parkway projects. Coordinate with new development adjacent to public rights-of-ways to integrate landscape features and design elements consistent with the streetscape standards and recommendations.</p>	<p>Through implementation of the City’s Streetscape and Median Development Guidelines, new and consistent landscape palette is required for all new developments along Harbor Blvd., south of the I-405 Freeway. All new residential development projects are subject to a standard condition that requires decorative walls along the perimeter of the development.</p> <p>2021:</p> <ul style="list-style-type: none"> Citywide Alley Rehabilitation Project <p>City approved improvements for Plumer Street Alley, Wallace Avenue Alley, 17th Street Alley, Tustin Avenue Alley, Rosemary Alley, and Costa Mesa Street Alley Improvement Project – City Project No. 20-20</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-32 <p>Resolution of the City establishing Underground Utility District No. 22, on Adam Avenue from Albatross Drive to approximately 500 feet west of Mesa Verde Drive East. Removal and underground installation work in the District are anticipated to commence by Fall 2024.</p>
<p>CD-1.2 Coordinate street furniture elements (benches, bus shelters, newspaper racks, trash receptacles, kiosks, etc.) whenever possible. Develop design standards and guidelines for the street furniture within and adjacent to public rights-of-way to complement the specific recommendations provided for streets in the City of Costa Mesa Streetscape and Median Development Guidelines.</p>	
<p>CD-1.3 Promote treatments for walls and fences and utility cabinets along public rights-of-way that contribute to an attractive street and sidewalk environment. Require that new walls and fences complement the style and character of the local district and adjacent buildings. Newly constructed or reconstructed walls and fences adjacent to sidewalks and roadways should incorporate architectural treatments such as pilasters, masonry, or wrought iron, and should integrate tiered plantings to soften their appearance.</p>	
<p>CD-1.4 Promote a consistent landscape character along City streets to reinforce the unique qualities of each corridor and district, including the development of landscaped medians. Support implementation of the recommended street tree palette for each City street, as identified in the City of Costa Mesa Streetscape and Median Development Guidelines.</p>	
<p>CD-1.5 Encourage electric and communication lines to be placed underground and electrical substations and telephone facilities to be screened to minimize visual impacts from sidewalks, streets, and adjacent properties. Support utility undergrounding through conditions of project approval, preparation of undergrounding plans, and the formation of assessment districts.</p>	
<p>Objective CD-1B: Encourage clear connections between districts within the City.</p>	
<p>CD-1.6 Promote linkages between separate districts using bike trails, pedestrian paths, common medians or parkway landscaping, and other location-appropriate physical improvements. Through conditions of approval, public improvement projects, and other measures, support development of new connections and the enhancement of existing connections between districts.</p>	<p>Ongoing efforts to encourage/promote linkages between districts when applicable and appropriate.</p>
<p>Community Design Element Goal CD-2: Cohesive and Identifiable Districts</p>	
<p>Objective CD-2A: Encourage future development and redevelopment to reinforce district scale, identity, and urban form.</p>	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CD-2.1 Consider urban design guidelines for each identified district in Costa Mesa that recognizes, maintains, and enhances the character and identity of each district; integrate existing specific plans' policies and design guidelines as applicable.	Staff meets with developers to discuss project scope and expectations prior to submittal of applications. Project applications are reviewed and revised, when necessary, to ensure that the proposed project is consistent with urban plans, General Plan policies and zoning development standards; as well as, to ensure neighborhood compatibility.
CD-2.2 Support and seek land uses and development that correspond or enrich our existing districts.	
Community Design Element Goal CD-3: High Quality and Visually Interesting Nodes	
Objective CD-3A: Create a sense of arrival to Costa Mesa, and develop prominent community focal points at key nodes within the City.	
CD-3.1 Introduce entry monument signs at key gateway locations, as identified in Figure CD-4. Utilize the standard design specifications for entry signs included in the City of Costa Mesa Streetscape and Median Development Guidelines.	CIP projects are being reviewed with monument sign installation in mind, as identified in Figure CD-4. New and consistent landscape palette is required for new development along Harbor Boulevard and major corridors located within the City. The City also completed the design phase of the Citywide Way Finding Signage Program.
CD-3.2 Reinforce a sense of arrival into the City by promoting architecturally significant development and significant landscape plantings at key nodes. Undertake a visioning process to develop specific design guidelines that articulate the desired character for each node within Costa Mesa.	
CD-3.3 Design and development of entry and internal wayfinding signage to be located throughout the City in areas that correspond to the existing nodes and districts.	
Community Design Element Goal CD-4: Identifiable and Protected City Landmarks.	
Objective CD-4A: Promote the maintenance, use, and improvement of landmarks to enhance the visual image and identity of Costa Mesa.	
CD-4.1 Support efforts to introduce new monuments and landmarks, and preserve, maintain, and improve the condition of Costa Mesa landmarks.	Lions Park construction calls for the new Library landmarks, such as the Panther Jet at Lions Park, which are being preserved. In addition, Costa Mesa Historical Society is active in preserving City landmarks, such as the Diego Sepulveda Adobe house.
Community Design Element Goal CD-5: Edges	
Objective CD-5A: Develop and implement programs that preserve and enhance City edges.	
CD-5.1 Preserve and optimize natural views and open spaces in Costa Mesa.	Ongoing preservation and optimization of natural views and open spaces, in addition to the visual impacts of new development on natural views of the coast and the wetlands. Ongoing efforts by the Public Works department are implemented on open space corridors and trails along the edges of Costa Mesa to connect these trails to existing and potential future trails in addition to continued work with Caltrans to improve the design quality of freeway edges. The City promotes Talbert Park preservation events via City resources, ongoing communications with OC Parks
CD-5.2 Control the visual impacts of new development on natural views of the coast and the wetlands.	
CD-5.3 Develop open space corridors and trails along the edges of Costa Mesa where feasible and connect these trails to existing and potential future trails throughout the City.	
CD-5.4 Continue to preserve natural open space, including restoration of the natural areas of Talbert Regional Park.	
CD-5.5 Continue protection of Fairview Park as an open space and recreation area.	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CD-5.6 Continue to work with Caltrans to improve the design quality of freeway edges.	<p>staff, and OCRP. The City continues the protection of Fairview Park as an open space and recreation area.</p> <p>2022:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2022-04 <p>Resolution of the City in support of the acquisition of Banning Ranch by the Trust for Public Land. Banning Ranch located in Newport Beach covers 401 acres of undeveloped land and is the largest private piece of land remaining on the California coast between Ventura County and the United States/Mexico Boarder</p>
Community Design Goal CD-6: Image	
Objective CD-6A: Establish development policies and design guidelines that create an aesthetically pleasing and functional environment.	
CD-6.1 Encourage the inclusion of public art and attractive, functional architecture into new development that will have the effect of promoting Costa Mesa as the “City of the Arts”.	<p>Arts and Culture Master Plan approved by the Parks, Arts, and Community (PACS) Commission, and additional efforts are underway with potential for recommendations to formalize policies for artistic inclusion in development design. Cultural Arts Committee ongoing projects include gallery spaces, public art installations and sculpture donations.</p> <p>The Public Works Department currently implements and encourages the use of creative and well-designed signs that establish a distinctive image for the City.</p> <p>Ongoing work through the Community Improvement Division to ensure continued maintenance of properties and compliance with adopted development standards.</p> <p>2021:</p> <ul style="list-style-type: none"> Adopted Resolution No. 2021-29 <p>Resolution of the City certifying special assessments for collecting delinquent civil fines for violations of the CMMC.</p> <ul style="list-style-type: none"> Community Improvement Division continues to host several yearly neighborhood clean-up events.
CD-6.2 Encourage the use of creative and well-designed signs that establish a distinctive image for the City.	
CD-6.3 Continue to work with Code Enforcement to ensure continued maintenance of properties and compliance with adopted development standards.	
Community Design Element Goal CD-7: Quality Residential	
Objective CD-7A: Encourage excellence in architectural design.	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>CD-7.1 Ensure that new and remodeled structures are designed in architectural styles that reflect the City’s eclectic quality, yet are compatible in scale and character with existing buildings and the natural surroundings within residential neighborhoods. Continue to update and maintain the Costa Mesa Residential Guidelines.</p>	<p>Staff continues to work with applicants for all discretionary and non-discretionary residential projects to encourage excellence in architectural design and conformance with the City’s Residential Design Guidelines.</p> <p>Staff meets with ADU applicants to design improvements that are compatible with existing development and consistent with surrounding development.</p>
<p>CD-7.2 Preserve the character and scale of Costa Mesa’s established residential neighborhoods where possible; when new residential development is proposed, encourage that the new structures are consistent with the prevailing character of existing development in the immediate vicinity, and that new development does not have a substantial adverse impact on adjacent areas.</p>	
<p>Objective CD-7B: Encourage the use of native plant palettes in the creation of landscaping plans used to establish a sense of place in neighborhood identification efforts.</p>	
<p>CD-7.3 Ensure that California native plants are used to support the local ecology and save water. Develop landscaping guidelines that reflect the local community.</p>	<p>The City continues to adhere to the revisions of the January 2016 Water Efficient Landscape Guidelines to reflect Governor Brown’s April 1, 2015 Drought Executive Order (B-19-25) for public and private projects. Staff implements the City’s landscape project requirements which include amount, location and type of landscaping.</p>
<p>Community Design Element Goal CD-8: Quality Commercial Development</p>	
<p>Objective CD-8A: Encourage a high level of architectural and site design quality.</p>	
<p>CD-8.1 Require that new and remodeled commercial development be designed to reflect architectural diversity, yet be compatible with the scale and character of the district.</p>	<p>Staff continues to insure through project review that architectural diversity and varying architectural styles are compatible with the scale and character of the commercial district. The City also reviews commercial projects to ensure pedestrian amenities are included, decorative paving treatments are proposed when appropriate, and that site access, parking, and circulation are designed in a logical, safe manner. Proposed areas for outside equipment, trash receptacles, storage, and loading areas are required to be located in the least conspicuous part of the site. Furthermore, all commercial projects are subject to submittal of a lighting and photometric plan to ensure consistency in design, adequate lighting for safety and minimize light spillover onto adjacent properties.</p>
<p>CD-8.2 Use distinctive commercial architectural styles to reinforce a positive sense of place. Commercial architectural design elements and materials must be of high quality and style as well as suitable for long-term maintenance. Consistent architectural design should be considered in choosing materials, finishes, decorative details, color, accent features and include the following elements and materials appropriate for their context (see Table CD-3: Elements and Materials)</p>	
<p>CD-8.3 Encourage the use of entrance patios, courtyards, plazas, arcades, fountains, porches, tower elements, covered walks, and other features in commercial areas. Promote pedestrian amenities.</p>	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>CD-8.4 Ensure that common areas, walkways, driveways, and parking spaces be landscaped consistent with landscaping standards contained in the Planning, Zoning, and Development Code. Utilize landscaping to provide project amenities for new and remodeled commercial uses, and to screen parking and equipment areas. Landscaped areas generally should incorporate planting utilizing a three-tiered system: 1) grasses and ground covers, 2) shrubs and vines, and 3) trees.</p>	
<p>CD-8.5 Ensure that site access, parking, and circulation for commercial uses are designed in a logical, safe manner. Parking should not dominate the site in areas adjacent to street, and should be well landscaped with a clear hierarchy of circulation. Wherever possible, parking lots should be divided into a series of connected smaller lots utilizing walkways and raised landscape strips. Parking lots should also include landscaping that accents the importance of driveways from the street, frames the major circulation aisles, and highlights pedestrian pathways.</p>	
<p>CD-8.6 Require that areas for outside equipment, trash receptacles, storage, and loading areas be located in the least conspicuous part of the site. Utility and mechanical equipment (e.g. electric and gas meters, electrical panels, and junction boxes) should be concealed from view from public streets, neighboring properties, and nearby higher buildings. Trash enclosures should be architecturally compatible with the project. Landscaping should be incorporated into the design of trash enclosures to deter graffiti.</p>	
<p>CD-8.7 Encourage decorative paving treatments to be incorporated throughout commercial developments, including driveway entries, pedestrian walkways, plazas, and other areas. The design, materials, and colors of decorative paving treatments (e.g., stamped concrete, stone, brick or granite pavers, exposed aggregate, or colored concrete) should complement the architectural style of the primary buildings and make a positive contribution to the aesthetic and function of the site.</p>	
<p>CD-8.8 Require that exterior lighting on commercial properties be consistent with the architectural style of the commercial building. On each commercial site, all lighting fixtures should be from the same family of fixtures with respect to design, materials, color, fixture, and color of light. Lighting sources should be shielded, diffused or indirect to avoid spillover on adjacent properties, nighttime sky light pollution, and glare to pedestrians and motorists. To minimize the total number of freestanding light standards, wall-mounted and pathway lights should be utilized to the greatest extent possible.</p>	
<p>Objective CD-8B: Preserve the scale and character of established neighborhoods near commercial uses.</p>	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
<p>CD-8.9 Ensure that new commercial development utilize site planning and design features that optimize compatibility with adjacent residential neighborhoods. The following guidance should be considered: When adjacent residential and nonresidential uses can mutually benefit from connection, appropriate linkages (e.g., walkways, common landscape areas, and building orientation) are encouraged. Successful interaction between commercial and residential uses may be achieved through adequate setbacks, landscape buffers, screening, decorative masonry walls, berms, building orientation, and limitations of commercial activities. Loading areas, access and circulation driveways, trash and storage areas, and rooftop equipment should be located as far as possible from adjacent residences.</p> <p>Building orientation and landscaping of commercial buildings should minimize direct lines of sight into adjacent residential private open space.</p>	<p>Development Services staff reviews commercial projects in consideration of scale and character of established neighborhoods near commercial uses. This includes suggesting where appropriate site uses should be located to avoid impacts to adjacent residential development.</p>
Community Design Element Goal CD-9: Mixed Use	
Objective CD-9A: Design mixed use development projects to achieve a high-quality character.	
<p>CD-9.1 Require that mixed-use development projects be designed to mitigate potential conflicts between uses. Consider noise, lighting, and security.</p>	<p>Development Services staff reviews mixed-use development projects with specific consideration related to potential noise, lighting and security conflicts.</p>
<p>CD-9.2 Provide adequate parking, open space and recreational facilities to serve residents in mixed-use development projects. Design parking and other areas to acknowledge different users (residents versus shoppers) and to be compatible with the architectural character of the building(s).</p>	
Objective CD-9B: Provide for the development of projects that integrate housing with commercial uses and other compatible uses.	
<p>CD-9.3 Encourage mixed-use development along the east side of Newport Boulevard between Mesa Drive and Walnut Street. Establish incentives for the development of projects in planned development zones that integrate housing with retail and office uses.</p>	<p>The City encourages mixed use developments through the City's approved Plans including: the 19 West Urban Plan, the Mesa West Residential Ownership Urban Plan, the Mesa West Bluffs Urban Plan, which allow for mixed used development along the main commercial corridors.</p>
<p>CD-9.4 Encourage the development of mixed-use urban villages along specified areas of West 17th Street, West 19th Street, and Superior Avenue that integrates residential with office, retail, business services, personal services, public spaces and uses, and other community amenities in a single building (vertical mixed-use development) or in proximity on the same site (horizontal mixed-use development).</p>	
<p>CD-9.5 Promote new types of urban housing that could be target-marketed to people seeking alternative housing choices in proximity to a major commercial area.</p>	

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CD-9.6 Support efforts to mix compatible uses and activities. Encourage the siting of community-oriented services, businesses, and amenities in and near mixed-use neighborhoods, including schools, libraries, open space, and parks.	
Community Design Element Goal CD-10: Industrial and Business Parks	
Objective CD-10A: Require that industrial and business park projects meet high-quality design standards.	
CD-10.1 Require that industrial projects be designed to convey visual interest and a positive image. Architectural qualities and design elements encouraged for industrial uses are: <ul style="list-style-type: none"> • Building modulation indentations and architectural details • Building entry accentuation • Screening of equipment and storage areas • Landscaping to soften building exteriors and to serve as a buffer between uses 	Staff works with applicants to encourage compatible design, both visually and physically, and encourages the adaptive reuse of existing structures. In addition, standard conditions of approval for industrial projects ensure sufficient landscaping for the size and scale of adjacent buildings as well as minimal visual impacts and light spillover onto surrounding properties.
CD-10.2 Encourage that the design of industrial buildings considers the visual and physical relationship to adjacent uses. An industrial structure which dominates its surrounding environment by its relative size shall generally be discouraged.	
CD-10.3 Encourage adaptive reuse of existing industrial structures which results in rehabilitated buildings with distinctive and attractive architecture.	
CD-10.4 Promote the use of materials and colors that produce diversity and visual interest in industrial buildings. The use of various siding materials (i.e., masonry, concrete texturing, cement, or plaster) can produce effects of texture and relief that provide architectural interest.	
CD-10.5 Require that landscaping be used to define areas such as entrances to industrial buildings and parking lots; define the edges of developments; provide transition between neighboring properties; and provide screening for outdoor storage, loading, and equipment areas. Landscaping should be in scale with adjacent buildings and be of an appropriate size at maturity to accomplish its intended purpose.	
CD-10.6 Require that the design of lighting fixtures and their structural support be of a scale and architectural design compatible with on-site industrial buildings. Large areas should be illuminated to minimize the visual impact and amount of spillover light onto surrounding projects.	
Objective CD-10B: Ensure that the development of industrial projects are positive additions to the City's community setting and do not result in adverse impacts with adjacent uses.	
CD-10.7 Require industrial projects to incorporate landscape setbacks, screening walls, and/or other elements that mitigate negative impacts with adjacent uses.	Development Services staff ensures through project applicant meetings and site plan review that appropriate landscaping, screening and other elements are utilized to ensure compatibility.

COMMUNITY DESIGN ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
CD-10.8 Protect transitional areas between industrial and other uses.	
CD-10.9 Storage yards, parking areas, and service areas should be screened from public view.	
Community Design Element Goal CD-11: Attractive Signs that Reflect Costa Mesa	
Objective CD-11A: Facilitate the installation of signs that contribute to a positive image of the public realm.	
CD-11.1 Encourage homeowners' associations and neighborhoods to maintain housing tract entrance signs in an attractive condition, and encourage the placement of such signs at the entrance of major developments which do not have such identification.	<p>Development Services staff regularly meets with project sign applicants to ensure consistency in sign design, size and location of signs. The Planned Signing Program also promotes creativity and flexibility while upholding design quality.</p> <p>The City continues to introduce distinctive entry signage for unique districts and neighborhoods as well as signage that helps with way-finding throughout the City.</p>
CD-11.2 Encourage the use of common design elements in signs for commercial and industrial centers through the development of planned sign programs to improve center identity by publicizing the benefits of such programs to developers and local business operators.	
CD-11.3 Encourage citywide sign design guidelines that promote creativity and flexibility while upholding design quality. Design guidelines could include the design and placement of business signs, public street graphics, street signs, locational and directional signs, traffic signs, etc.	
CD-11.4 Introduce distinctive entry signage within the Costa Mesa Streetscape and Median Development Guidelines which effectively announces arrival to unique districts and neighborhoods.	
CD-11.5 Develop and design signage that helps with way-finding throughout the City so visitors and residents can easily access destination locations and identify landmarks.	
Community Design Element Goal CD-12: Public Safety through Design	
Objective CD-12A: Incorporate public safety considerations into community design.	
CD-12.1 Decrease the opportunity for criminal activity by addressing high-risk circumstances (e.g., dark alleys, enclosed stairwells, and dark entrances). Involve the Police and Fire Departments in reviewing and making design recommendations during the project review process.	<p>For all new projects, the Police and Fire Departments review and makes design recommendations during the project review process. The City also continues to implement and refine development standards and guidelines based on Crime Prevention Through Environmental Design (CPTED).</p> <p>City staff regularly meets with applicants to assist them in designing improvements that are both secure and high-quality design.</p>
CD-12.2 Continue to implement and refine development standards and/or guidelines based on Crime Prevention Through Environmental Design (CPTED) for new development and redevelopment with emphasis on site and building design to minimize vulnerability to criminal activity.	
CD-12.3 Continue to provide CPTED training to City staff and local planning and design professionals to optimize public safety through community design.	

OPEN SPACE AND RECREATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Open Space and Recreation Element Goal OSR-1: Balanced and Accessible System of Parks and Open Spaces	
Objective OSR-1A: Maintain and preserve existing parks, and strive to provide additional parks, public spaces, and recreation facilities that meet the community's evolving needs.	
OSR-1.1: Maintain a system of Neighborhood and Community Parks that provide a variety of active and passive recreational opportunities throughout the City.	<p>The City conducts regular maintenance and oversight of all community parks through the Public Services and Parks and Community Services Departments. New active recreational opportunities arise through recreation class offerings and youth sports offerings. The City is in regular collaboration with Park Ranger staff in the Police Department, maintenance staff in the Public Services Department and Field ambassador staff and the Fairview Park Administrator in the Parks and Community Services Department. Interagency meeting with the Homeless Task Force and other City departments occur as well. The City works to properly delineate sensitive and/or unsafe habitats/areas of open space parks, including permanent or temporary fencing as well as appropriate signage.</p> <p>2021:</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2021-08 Approved filing grant application for Ketchum-Libolt Park Renovation/Expansion Project • Adopt Plans, specification and work details for Jack Hammett Sports Complex Expansion Project, City Project No. 21-05 • Award a Professional Services Agreement to Pacific Advance Civil Engineering for design services for the Tewinkle Park Lakes Upgrades Project • Purchase Playground equipment for Tanger Park and Jordan Park • The City partnered with Sea & Sage Audubon Society to conduct bird observations and documentation throughout Fairview Park. • The City installed protective temporary fencing around sensitive habitats of vernal pools in Fairview Park. <p>2022:</p> <ul style="list-style-type: none"> • Adopted Resolution No. 2022-78 Resolution of the City approving applications for specified grant funds from Budget Act 2022/23 for improvements of various City park sites, including Jack Hammett Sports Complex, TeWinkle Park and Athletic Complex, Fairview Park Mesa, and Shalimar Park
OSR-1.2: Provide parks and recreation facilities appropriate for the individual neighborhoods in which they are located and reflective of the needs and interests of the population they serve.	
OSR-1.3: Pursue the acquisition and development of pocket and neighborhood parks within park-deficient areas, as identified in Figure OSR-3: Planning Areas and Underserved Park Areas.	
OSR-1.4: Prioritize the acquisition of land for parks in underserved neighborhoods.	
OSR-1.5: Maximize public space by requiring plazas and public gathering spaces in private developments that can serve multiple uses, including recreation and social needs.	
OSR-1.6: Provide maximum visibility and accessibility for future public parks by locating facilities in close proximity to public streets.	
OSR-1.7: Adjust and update development fee programs to accumulate funds for the acquisition and improvement of parks and recreation facilities commensurate with identified need and population growth.	
OSR-1.8: Require that parks and recreation facilities reflect new trends and population changes, and are developed with facilities appropriate to all ages, including athletic fields, active play areas, passive open space, tot lots, and picnic areas.	
OSR-1.9: Conduct a sports facility study to review current outdoor facility locations and resources and a demographic study for future facility requirements as they relate to planned growth within the City.	
OSR-1.10: Pursue additional community garden lots and spaces to meet demand and need by the community.	
OSR-1.11: Perform regular maintenance of facilities to ensure proper working order of all recreation facilities and equipment.	
OSR-1.12: Retrofit parks and recreation facilities to provide disability access as required by law.	
OSR-1.13: Design and reform parks to reflect the latest recreational features that respond to demographic changes and community needs.	
OSR-1.14: Consult with law enforcement agencies, surrounding cities, community policing groups, and OC Parks to create a safe and healthy environment at Talbert Regional Park, Fairview Park, and along the Santa Ana River.	

OPEN SPACE AND RECREATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
OSR-1.15: Continue to pursue opportunities to create joint-use community space at facilities owned by private organizations such as private schools, faith-based groups, service clubs, and hospitals.	<ul style="list-style-type: none"> Acceptance of Lions Parks Playground Improvement Project, City Project No. 20-15
OSR-1.16: Continue to coordinate with the Newport-Mesa Unified School District to supplement City park facilities through joint-use agreements.	
OSR-1.17: Consult with Orange County Fairgrounds in implementing OC Fair & Event Center Master Plan.	
OSR-1.18: Provide a minimum of 4.26 acres of parkland per 1,000 residents.	
OSR-1.19: Update the Parks, Recreation and Open Space Master Plan every 10 years, as feasible.	
OSR-1.20: Enhance pedestrian, bicycle, and transit linkages to meet the needs of residents and to provide better access to parks, recreation, and public spaces.	
OSR-1.21: Provide opportunities for public access to all open space areas, except where sensitive resources may be threatened or damaged, public health and safety may be compromised, or access would interfere with the managed production of resources.	
Open Space and Recreation Element GOAL OSR-2: Community Services Programs Meeting Community Needs	
Objective OSR-2A: Provide activities, classes, and a variety of programs to meet the year-round recreational needs of all residents: children, adult, seniors, and persons with special needs.	
OSR-2.1: Provide high-quality community services programs that are flexible and responsive to the community's changing needs.	<p>The City offers over 1.5K classes/programs annually at a low to no cost. With the onset of the COVID-19 pandemic, the City transitioned to provide virtual content and classes through the Virtual Community Center in addition to special events, such as the virtual Scarecrow Contest, Holiday Door Decoration, Drive-In Movies, etc. An annual calendar of special events is administered annually by staff. City staff attends monthly Costa Mesa Youth Sports Council meetings. Regular building modifications and CIP projects have taken place at the Balearic Community Center, the Downtown Recreation Center, the Downtown Aquatics Center and the Costa Mesa Senior Center. The City utilizes surveys to solicit feedback on programs and services to monitor and research the ever-changing community services. Rental opportunities at community facilities and parks are available at the new NHCC and the DD Library Adams room. Outreach related to recreation programming includes: quarterly surveys, mailing the quarterly Recreation Guide to 45K+ rooftops, in addition to the publishing of the Senior Center Monthly News Letter. The City coordinates with multiple volunteer committees (Cultural Arts, Historical Preservation, Fairview Park, Animal Services, Youth Sports), as well as the Costa Mesa Foundation and the Network for Homeless Solutions. The City has identified innovative funding and development opportunities through Prop 68, HOAG Grant, NRPA Grant, CDBG Funding as well as</p>
OSR-2.2: Plan and conduct citywide special events that bring residents together to create an enhanced quality of life and promote economic development.	
OSR-2.3: Continue to consult with nonprofit sports organizations and recreational groups to support their offering of diverse recreational programs that complement and supplement those offered by the City.	
OSR-2.4: Update existing facilities for senior citizens, youth, adults, and overall community use.	
OSR-2.5: Monitor and research the ever-changing community services needs of the community, and develop action plans to address those needs through partnerships with service agencies.	
OSR-2.6: Continue to provide rental opportunities at community facilities and parks for residents, nonprofit groups, and businesses to meet their recreational and professional needs.	
OSR-2.7: Continue broad-based public outreach activities that inform residents of all available community services programs, and obtain input from the community regarding program and service needs.	
OSR-2.8: Encourage resident input and utilize demographic data, partnerships, volunteers, and existing resources to identify the needs of community.	

OPEN SPACE AND RECREATION ELEMENT

General Plan Goal, Objective, Policy	Description of City Action
OSR-2.9: Identify innovative funding and development opportunities to support and sustain a responsive community services network.	County Funding for homeless services. The City continues to solicit further community sponsors and partners, looking to build upon established relationships with NMUSD, City of Newport Beach, SOY, Segerstrom Center for the Arts, etc. Related to community services programs and activities that meet the needs of specialized populations the City has partnered with SeniorServ, Meals on Wheels, Second Harvest Food Bank, Alzheimer's OC, Special Olympics, Regional Center of OC, and SCFTA
OSR-2.10: Continue and expand the development of community partnerships to offer both standard and innovative services to meet residents' needs.	
OSR-2.11: Develop and implement community services programs and activities that meet the needs of specialized populations through the development of community partnerships.	

<p>OSR-2.12: Provide support for volunteer groups that conduct special activities open to the entire community.</p>	<p>Inclusion programs. The City offers SMART Camp free of charge for more than 800 enrollments.</p> <p>Fiscal Year 2021-2022:</p> <ul style="list-style-type: none"> • The City distributed 635 grocery gift cards to 431 households in Costa Mesa utilizing funding from the County of Orange. • Costa Mesa Senior Center secured California Yellow Cab as the official provider for the Senior Transportation Program • Secured \$50,000 Hoag Community Benefit Grant to support the Senior Center’s Medical Transportation Program <p>2021:</p> <ul style="list-style-type: none"> • Approved Senior Transportation Programs and Network for Homeless solutions transportation award of Contract. • Accept and approve revenue expense appropriations for Meals Gap Service Grant Funds from the City of Orange to provide meals for those facing food insecurities. • Costa Mesa Bridge Shelter – 72-person capacity shelter was completed and dedicated on March 23, 2021. The shelter included a commercial kitchen, indoor and outdoor gathering areas. • Norma Hertzog Community Center – City officially opened the community center and Lions Park Playground on July 17, 2021. City invested approximately \$35 million in this project. The campus features a 330-person capacity main assembly room and 100-person capacity conference room, upgraded restrooms, enhanced audio/video capabilities, and a catering kitchen. The Center is LEED Gold Certified. Total of 225 new trees were planted in Lions Park. Playground improvements include modernized play equipment, new playground surface, refurbished airplane and new restrooms. <p>2022:</p> <ul style="list-style-type: none"> • Award a professional service agreement to Bracken’s Kitchen for commercial kitchen operation and meal services for the Costa Mesa Bridge Shelter. • City executed a subrecipient agreement with the County of Orange to Accept Grant Funds for the Benefit of Bridge Shelter; approximately \$100,000
---	--

OPEN SPACE AND RECREATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
	to support shelter and support services for people experiencing homelessness.
Open Space and Recreation Element GOAL OSR-3: Conserved Open Space	
Objective OSR-3A: Preserve the City’s open space lands and provide additional community and neighborhood parkland in underserved areas.	
OSR-3.1: Preserve open space areas along The Santa Ana River, large open space parks, and along the mesa formations to protect natural habitat and to maintain the integrity of the natural environment.	The City provides monthly/quarterly educational programs that are offered for low/no cost related to nature programs, including Native American/Adobe history. The City consults regularly with Native American representatives regarding Fairview Park items. The City’s also meets regularly with Orange Coast River Park, Inc. (OCRP) to discuss long-term objectives and compatibility with City efforts at Fairview Park.
OSR-3.2: Encourage the preservation of coastal views from City and County parkland and public streets within Costa Mesa.	
OSR-3.3: Identify current open space areas for protection, management, and potential enhancement to maintain and, if possible, increase its value as wildlife habitat.	
OSR-3.4: Encourage the long-term maintenance and management of open space lands through open space easements, development rights transfers or acquisition, zoning regulations, and other incentives.	
OSR-3.5: Encourage the greening and beautifying of the Santa Ana River.	
OSR-3.6: Encourage opportunities for recreation, history, education, interpretive materials, and art associated with the Santa Ana River open spaces.	
OSR-3.7: Promote water quality strategies to improve water quality along the Santa Ana River.	
OSR-3.8: Consult with State and regional agencies and the California Native American Heritage Commission (NAHC), regarding open space planning efforts.	
OSR-3.9: Consult with the Orange Coast River Park, Inc. and surrounding cities and other government agencies in maintaining and rehabilitating open space lands along the Santa Ana River.	
OSR-3.10: Consult with OC Parks over the enhancements and management of Talbert Regional Park without adversely impacting surrounding residential neighborhoods.	
Open Space and Recreation Element GOAL OSR-4: Extensive Arts and Culture Programs and Services	
Objective OSR-4A: Support performing and visual arts programs, facilities, and activities that stimulate the minds and intellectual thinking of community members to increase awareness of the City’s motto, “The City of the Arts.”	
OSR-4.1: Continue to support the mission of the Segerstrom Center for the Arts and associate venues and facilities.	The City supports the mission of the Segerstrom Center for the Arts by collaborating on several events annually including ARTventure, Veterans Day event, Summer Jazz series and Holiday events. The City also promotes school of dance inclusion programs. The City has supported the development and operations of an arts museum at the Segerstrom Center for the Arts by participating in afternoon team fundraiser event, hosted ARTventure on site, bringing more awareness and tourism to the areas. The City encourages financial support of the arts with the
OSR-4.2: Support the development and operations of an arts museum at the Segerstrom Center for the Arts.	
OSR-4.3: Encourage additional indoor and outdoor facility spaces citywide to display public art and host arts and culture special events.	
OSR-4.4: Expand the City's role as a supporter of the arts.	

OPEN SPACE AND RECREATION ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
OSR-4.5: Encourage financial support of the arts by supporting non-profit groups and foundations.	CAC grants program established. The Arts and Culture Master Plan was approved by the City Council, 2021. Extensive public outreach has been conducted for the Arts and Culture Master Plan. An Artist Directory have been established and are maintained. Several calls for artists released annually for varying artistic participation efforts. The City also conducts monthly artist showcase receptions, installation of sculpture donation and historical plaque dedication. The City support arts activities, programs, events, and facilities such as the ARTventure event, Action Arts in the Park event and Concerts in the Park event. Increased arts, language and music class offerings for all ages have been offered. The City works with the NMUSD for the summer SMART Camp (Sports, Music and Arts Camps). A formal Public Art review process is in process / being researched. In an attempt to pursue public art in prominent locations, the City's utility box program has resulted in installations on varying travel corridors. The Arts and Culture Master Plan has the potential to include incentives and/or programs to encourage art in new developments.
OSR-4.6: Consider preparation of an arts and culture master plan for the City.	
OSR-4.7: Consult with local agencies and surrounding cities to address the creation and implementation of arts-friendly policies.	
OSR-4.8: Enhance Costa Mesa's position as a leader in the arts in Southern California and its recognition nationally as a city devoted to arts institutions of superior quality.	
OSR-4.9: Engage community members in arts activities, and utilize the arts to provide educational and cultural awareness opportunities.	
OSR-4.10: Continue the City's commitment to its arts in cooperation with the private sector.	
OSR-4.11: Provide opportunities for local artists to create and display their work.	
OSR-4.12: Support arts activities, programs, events, and facilities for patrons to enjoy and share experiences, and that enhance the City's economic vitality.	
OSR-4.13: Designate Community Services Department staff with the responsibility for expanding and implementing activities related to recreational arts programming.	
OSR-4.14: Pursue cooperative educational cultural programs enlisting the aid of public and private institutions.	
OSR-4.15: Continue to review adopting an Arts in Public Places Program.	
OSR-4.16: Pursue the placement of public art in prominent locations, particularly along major travel corridors to enliven and beautify the public realm.	
OSR-4.17: Develop incentives or programs that encourage art in new developments.	

HISTORICAL AND CULTURAL RESOURCES ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
Historical and Cultural Resources Element Goal HCR-1: Historical, Archeological, and Paleontological Resource Preservation	
Objective HCR-1A: Encourage preservation and protection of the City's archaeological, paleontological, and historical resources.	
HCR-1.1: Encourage protection and enhancement of the diverse range of historical sites and resources in the City for the benefit of current and future residents and visitors.	The City committed to a phase IV of the Historical Marker Project and began a 50 Years and Still recognition project for businesses that have been open for more than 50 years. The Mills Act website is maintained and is

HISTORICAL AND CULTURAL RESOURCES ELEMENT	
General Plan Goal, Objective, Policy	Description of City Action
HCR-1.2: Encourage the preservation of significant historical resources (as identified in Table HCR-1) by developing and implementing incentives such as building and planning application permit fee waivers, Mills Act contracts, grants and loans, and implementing other incentives identified in the Historical Preservation Ordinance.	<p>advertised semi-annually. The City identified locations for six historical marker locations and purchased plaques to complete Phase III of the Historical Marker Project. HPC voted to explore opportunities for adding historical signage around the City. Cultural resources studies are required for all applicable discretionary projects, in accordance with CEQA regulations, which is also mandatory for any grading given passage of Measure AA in 2016. Compliance with requirements of the California Environmental Quality Act, as it relates to archaeological and paleontological resources is required as a standard condition of approval for projects with extensive grading. Paleontological studies are required for all applicable discretionary projects, with the studies identifying paleontological resources and providing mitigation measures for any resources in the project area that cannot be avoided.</p> <p>The City maintains conformance with public and private project reviews in coordination with AB 52 (Tribal Cultural Resource consultations) during the CEQA process.</p>
HCR-1.3: Promote context-sensitive design that respects and celebrates the history and historical character of sites and resources while meeting contemporary needs of the community.	
HCR-1.4: Require, as part of the environmental review procedure, an evaluation of the significance of paleontological, archaeological, and historical resources, and the impact of proposed development on those resources.	
HCR-1.5: Continue to identify local landmarks with markers and way-finding signage. Include informational signage about local history, utilizing maps to highlight locations of other historical resources at popular historical sites.	
HCR-1.6: Encourage development of an interpretive center for paleontological, archaeological, and historical resources at Fairview Park. The center may contain resources found in the park area as well as resources found throughout the City.	
HCR-1.7: Require cultural resources studies (i.e., archaeological and historical investigations) for all applicable discretionary projects, in accordance with CEQA regulations. The studies should identify cultural resources (i.e., prehistorical sites, historical sites, and isolated artifacts and features) in the project area, determine their eligibility for inclusion in the California Register of Historical Resources, and provide mitigation measures for any resources in the project area that cannot be avoided. Cultural resources studies shall be completed by a professional archaeologist that meets the Secretary of the Interior's Professional Qualifications Standards in prehistorical or historical archaeology.	
HCR-1.8: Comply with requirements of the California Environmental Quality Act regarding protection and recovery of archaeological resources discovered during development activities.	
HCR-1.9: Require paleontological studies for all applicable discretionary projects. The studies should identify paleontological resources in the project area, and provide mitigation measures for any resources in the project area that cannot be avoided.	
HCR-1.10: Comply with the California Environmental Quality Act regarding the protection and recovery of paleontological resources during development activities.

Annual Progress Report (APR) Forms For 2021

Jurisdiction	Costa Mesa	
Reporting Year	2021	(Jan. 1 - Dec. 31)
Planning Period	5th Cycle	10/15/2013 - 10/15/2021

Building Permits Issued by Affordability Summary		
Income Level		Current Year
Very Low	Deed Restricted	0
	Non-Deed Restricted	4
Low	Deed Restricted	0
	Non-Deed Restricted	27
Moderate	Deed Restricted	0
	Non-Deed Restricted	12
Above Moderate		31
Total Units		74

Note: Units serving extremely low-income households are included in the very low-income permitted units totals

Units by Structure Type	Entitled	Permitted	Completed
SFA	0	9	39
SFD	8	21	42
2 to 4	0	1	0
5 +	0	0	0
ADU	0	43	9
MH	0	0	0
Total	8	74	90

Housing Applications Summary	
Total Housing Applications Submitted:	122
Number of Proposed Units in All Applications Received:	123
Total Housing Units Approved:	47
Total Housing Units Disapproved:	0

Use of SB 35 Streamlining Provisions	
Number of Applications for Streamlining	0
Number of Streamlining Applications Approved	0
Total Developments Approved with Streamlining	0
Total Units Constructed with Streamlining	0

Units Constructed - SB 35 Streamlining Permits			
Income	Rental	Ownership	Total
Very Low	0	0	0
Low	0	0	0

Table D

Program Implementation Status pursuant to GC Section 65583

Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Owner-Occupied Housing Rehabilitation	Assist 3 households annually for a total of 24 households (8 extremely low income, 8 very low income, and 8 low income)	2021	During FY 20-21, the City completed 1 owner-occupied rehabilitation project (very low income). For this Housing Cycle, a total of 8 owner-occupied rehabilitation projects were completed (4 extremely low income, 2 very low income and 2 low income).
Mobile Home Rehabilitation	Rehabilitation objectives are included under Program 1, Neighborhood Improvement.	2021	During FY 20-21, the City completed 6 mobile home rehabilitation projects (4 extremely low income and 2 very low income). For this Housing Cycle, a total of 108 mobile home rehabilitation projects were completed (70 extremely low income, 34 very low income and 4 low income).
Go Green	Continue to offer discount on permit fees for solar panels and promote the program on City website and public counters. Pursue funding to reinstate the Go Green program.	2021	Review of solar panel permit fees are expedited and approved over the counter. However, discounts are not offered on permit fees.
Incentives for Affordable Housing	Promote the use of density bonus incentives and deferral of fees for affordable housing projects, including but not limited to, the Urban Plan areas and in North Costa Mesa Specific Plan area. Density bonus information is available on the City's website and at the public counter, and will be provided to developers of projects in the Urban Plan, North Costa Mesa Specific Plan areas, and other areas targeted for future residential and transit-oriented developments. Annually utilize the HOME Community Housing Development Organization (CHDO) funds to pursue affordable housing projects, especially for permanent affordable projects that may include accessible units for the disabled. Provide a fee waiver to projects that include at least ten percent housing affordable to extremely low income households. Engage the community and stakeholders to explore and establish additional incentives and funding sources, as appropriate, to promote affordability in targeted growth areas by 2015 and monitor and revise strategies, as appropriate, to assure effectiveness as part of the annual progress report.	2021	Implementing ordinance in effect, 98 density bonus units currently exist in the City as a result of this ordinance. Annual review is conducted to ensure compliance with the program's requirements in terms of maximum affordable rental rates. A separate memo will be provided to the Planning Commission and City Council on the status of the Density Bonus units in mid-2022.
Second Units	Promote the use of second units by providing information on the City's website and at public counters.	2021	In 2019, the City adopted an urgency ordinance amending Title 13 of Costa Mesa Municipal Code, for compliance with new state regulations (Senate Bill 13, Assembly Bill 68, Assembly Bill 587, Assembly Bill 670, Assembly Bill 671, and Assembly Bill 881). Over 50 ADUs were submitted, issued or finalized in 2021.
Federal/State Housing Programs	Encourage private sector to utilize available Federal and State housing programs to increase the supply of extremely low, very low, low and moderate income housing. If proposed projects are consistent with the vision, goals, and objectives of the City's General Plan and other planning documents that guide residential development, the City will provide letters of support for funding applications. In conjunction with potential affordable housing projects in the City, the City will pursue affordable housing funds from HCD to leverage local resources. Annually, the City will contact nonprofit housing developers to explore potential affordable housing projects and funding possibilities.	2021	Ongoing. No single- and multiple-family units constructed over the last several years through a combination of public/private partnerships. No new units were constructed in the past year.
Rental Housing Assistance	Continue to provide assistance to 442 very low income households in the City. Continue to promote the use of Housing Choice vouchers by providing program information on City website and at public counters. Encourage property owners to accept Housing Choice Vouchers.	2021	Ongoing rental assistance voucher program (formerly Section 8) assistance through OCHA, during FY 20-21.
Preservation of At-Risk Housing	Monitor at-risk status of affordable units. For Casa Bella, work with HUD and the property owner to extend the Section 8 rent subsidy contract. Notify tenants of potential risk of conversion at least one year prior to conversion. Provide information regarding HUD's special vouchers set aside for households losing project-based Section 8 assistance (applicable to Casa Bella only). Work with property owners and nonprofit housing providers to pursue State and federal funds for preserving at-risk housing. For density bonus projects, require property owners to inform the tenants of affordable units at least two years in advance of the expiration of affordability controls to allow tenants adequate time to explore other affordable housing options. Work to replenish the City's affordable housing inventory via the City's Density Bonus ordinance to create new affordable units.	2021	Implementing ordinance in effect, 98 density bonus units currently exist in the City as a result of this ordinance. Annual review is conducted to ensure compliance with the program's requirements in terms of maximum affordable rental rates. A separate memo will be provided to the Planning Commission and City Council on the status of the Density Bonus units in mid-2022.
Condominium Conversion	Adopt condominium conversion ordinance in Zoning Code in 2014 with the objective of removing constraints to conversion.	2021	No apartment conversions were approved in 2021. The review procedures for condominium conversions is consistent with other review procedures.
Adaptive Reuse for Multi-Family Housing	Process Zoning Code Amendment in 2014/15 to allow a discretionary review of motel conversions to multi-family housing.	2021	In 2016, the City Council amended the Zoning Code to adopt the Residential Incentive Overlay District, which expanded development opportunities on residential and commercial properties not developed to their full potential or supporting outdated buildings and underperforming uses, which included eight motels. In 2018, the City Council amended the Zoning Code related to maximum allowable density, height requirements, and reduced height abutting residential properties on Newport Boulevard.

Supportive Services for Persons with Special Needs	<p>Conduct needs assessment through the annual planning and performance review processes of the CDBG program. Through the CDBG Request for Proposal process, annually identify service gaps and prioritize funding allocations. Provide public service grants to:</p> <ul style="list-style-type: none"> • Support existing local service providers that assist households that are at risk of becoming homeless. Assistance may include short-term financial subsidy to prevent eviction, foreclosure and/or utility termination and support services such as case management, budgeting/job search assistance, and food/clothing (160 persons total). • Support existing local service agencies that provide short-term shelter (up to 3 months) to households that are in immediate need of shelter and support services. Funding may be focused on but not limited to assisting households that are escaping domestic violence (40 persons total). • Support existing local service agencies that provide transitional housing (3 to 24 months) to homeless households that are stabilized yet still require housing, case management, and other life skills in order to become self sufficient (80 persons total). • Provide financial support to public and nonprofit organizations that provide direct services to seniors and frail elderly. Services should help seniors and the frail elderly maintain their independent living situation or ensure they are provided service that improves quality of life (1,600 seniors total). • Provide financial support to public and nonprofit organizations that provide direct services to disabled and developmentally disabled. Services will help clients maintain their independent living situation or ensure they are provided service that improves quality of life (240 persons total). 	2021	As part of the Annual Action Plan, the City conducts needs assessments through the annual planning and performance review processes of the CDBG program. The city conducts a public hearing for the Annual Action Plan, including recommendations for allocation of funds for the Fiscal Year. The Annual Action Plan for Fiscal Year 20-21 was approved by City Council at their May 19, 2020 meeting; and the Annual Action Plan for Fiscal Year 21-22 was approved by City Council on May 18, 2021.
Adequate Sites	Update inventory of vacant and underutilized sites annually and provide information to interested developers. Pursue opportunities for transit-oriented development as part of the City's General Plan update. Annually monitor the status of the Fairview Developmental Center's intent for the future use of this site.	2021	In 2016, and as part of the 2015-2035 General Plan Update, the City Council adopted and ordinance to amend the Municipal Code to include the Institutional and Recreational - Multi-Use Zoning District. The Fairview Developmental Center property (2501 Harbor Boulevard) is being considered for development of a Specific Plan to create further housing opportunities in the City.
Mixed-Use Developments	Update inventory of opportunity sites annually and make inventory available to interested developers. Evaluate incentives package annually.	2021	A Mixed-Use Overlay District has been approved for the Bristol Street corridor area and Westside Costa Mesa. This overlay district, in conjunction with Urban Plan documents, will allow mixed-use development opportunities.
Annual General Plan Review	As part of the City's annual report to State Department of Housing and Community Development (HCD) for the implementation of the General Plan (including Housing Element), provide detailed progress in residential, commercial, and industrial development. As part of this annual review process, evaluate the effectiveness of the PD Industrial zone in facilitating the development of emergency shelters.	2021	Annually, as part of the City's annual report to State Department of Housing and Community Development (HCD), the City updates the City Council with progress related to each General Plan policy.
Fair Housing Assistance	Continue to provide fair housing services for all residents of the City. Promote awareness of fair housing via the City's website and distribute fair housing brochures at public counters and community locations. Make fair housing brochures available to nonprofit agencies. Recognize April as the "Fair Housing Month" and promote fair housing events through public service announcements.	2021	The City is a member of a region-wide effort to ensure equal access to housing. Generally, activities have included investigation, resolution and education. The City provides fair housing brochures (multi-lingual including Spanish and Vietnamese) at public counters, community locations, as well as on the City's website. During FY 20-21, 173 Costa Mesa households were assisted with fair housing issues.
Promotion of Child Care Facilities	Continue to apply development incentives pursuant to the State density bonus law and Costa Mesa Zoning Code to incorporate child care centers as part of an affordable housing development. Allow all incentives related to child care centers as afforded by the State density bonus provisions.	2021	To date, the City has not received any proposals for child care centers, additions to existing developments, or included as an amenity to new construction projects, pursuant to the State density bonus law.

Inclusionary Housing Ordinance	70000	\$20,486.88	In Progress	None	
General Plan Amendment and Zoning Actions necessary to implement the Housing Element	375000	\$0.00	Other (Please Specify in Notes)	None	to be started upon certification of the Housing Element

Summary of entitlements, building permits, and certificates of occupancy (auto-populated from Table A2)

Completed Entitlement Issued by Affordability Summary		
Income Level		Current Year
Very Low	Deed Restricted	67
	Non-Deed Restricted	0
Low	Deed Restricted	39
	Non-Deed Restricted	0
Moderate	Deed Restricted	0
	Non-Deed Restricted	0
Above Moderate		959
Total Units		1065

Building Permits Issued by Affordability Summary		
Income Level		Current Year
Very Low	Deed Restricted	0
	Non-Deed Restricted	4
Low	Deed Restricted	0
	Non-Deed Restricted	27
Moderate	Deed Restricted	0
	Non-Deed Restricted	12
Above Moderate		31
Total Units		74

Certificate of Occupancy Issued by Affordability Summary		
Income Level		Current Year
Very Low	Deed Restricted	0
	Non-Deed Restricted	1
Low	Deed Restricted	0
	Non-Deed Restricted	5
Moderate	Deed Restricted	0
	Non-Deed Restricted	3
Above Moderate		81
Total Units		90

Attachment 2

Annual Progress Report (APR) Forms For 2022

Jurisdiction	Costa Mesa	
Reporting Year	2022	(Jan. 1 - Dec. 31)
Planning Period	6th Cycle	10/15/2021 - 10/15/2029

Building Permits Issued by Affordability Summary		
Income Level		Current Year
Very Low	Deed Restricted	0
	Non-Deed Restricted	24
Low	Deed Restricted	0
	Non-Deed Restricted	37
Moderate	Deed Restricted	0
	Non-Deed Restricted	10
Above Moderate		4
Total Units		75

Note: Units serving extremely low-income households are included in the very low-income permitted units totals

Units by Structure Type	Entitled	Permitted	Completed
SFA	0	0	11
SFD	4	6	13
2 to 4	0	0	0
5+	0	0	0
ADU	0	69	14
MH	0	0	0
Total	4	75	38

Housing Applications Summary	
Total Housing Applications Submitted:	119
Number of Proposed Units in All Applications Received:	132
Total Housing Units Approved:	28
Total Housing Units Disapproved:	0

Use of SB 35 Streamlining Provisions	
Number of Applications for Streamlining	0
Number of Streamlining Applications Approved	0
Total Developments Approved with Streamlining	0
Total Units Constructed with Streamlining	0

Units Constructed - SB 35 Streamlining Permits			
Income	Rental	Ownership	Total
Very Low	0	0	0
Low	0	0	0
Moderate	0	0	0
Above Moderate	0	0	0
Total	0	0	0

Extremely Low-Income Units*		1,460	-	-	-	-	-	-	-	-	-	-	-	1,460

*Extremely low-income housing need determined pursuant to Government Code 65583(a)(1). Value in Section 5 is default value, assumed to be half of the very low-income RHNA. May be overwritten.
 Note: units serving extremely low-income households are included in the very low-income RHNA progress and must be reported as very low-income units in section 7 of Table A2. They must also be reported in the extremely low-income category (section 13) in Table A2 to be counted as progress toward meeting the extremely low-income housing need determined pursuant to Government Code 65583(a)(1).
 Please note: For the last year of the 5th cycle, Table B will only include units that were permitted during the portion of the year that was in the 5th cycle. For the first year of the 6th cycle, Table B will only include units that were permitted since the start of the planning period. Projection Period units are in a separate column.
 Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

Jurisdiction	Costa Mesa	
Reporting Year	2022	(Jan. 1 - Dec. 31)

Table D

Program Implementation Status pursuant to GC Section 65583

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Owner-Occupied Housing Rehabilitation	<ul style="list-style-type: none"> • Provide informational materials on the Owner-Occupied Housing Rehabilitation program. • Encourage the participation of seniors, veterans, and disabled residents in this program. • Evaluate the effectiveness of this program and, if necessary, modify program characteristics. 	Annually market information and evaluate the program's effectiveness. Any program modifications to be made by December 2023	City will update the Home and Community Development website to provide encourage participation and evaluate effectiveness - complete by December 2023
Mobile Home Rehabilitation	<ul style="list-style-type: none"> • Provide financial assistance as long as funding from HOME funds remains available. • Market information on funding as available. 	Annually market assistance available and grant funding on a case-by-case basis	<p>Information regarding HOME Grant funds for mobile home rehabilitation are made available online at https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/housing-and-community-development/residential-rehabilitation-programs</p> <p>Mobile home Retrofit Application received: FY 2020/2021 - 14 FY 2021/2022 - 8</p>
Monitoring and Preservation of At-Risk Housing Units	<ul style="list-style-type: none"> • Regularly monitor deed-restricted units that have the potential of converting to market-rate during the planning period. • Work with the property owners of Casa Bella on potential extensions past the current 2025 agreement. • Comply with noticing requirements and coordinate with qualified entities to preserve at-risk units. 	Coordinate with property owners of at-risk units through the end of financial agreements. Annually market tenant education information and available assistance.	City will evaluate how deed-restricted units are monitor and will reach out to appropriate property owners to extend agreements by December 2023; and annually thereafter.
Inclusionary Housing Ordinance	Adopt an inclusionary housing ordinance.	To be completed by December 2023.	City retained Keyser Marston Associates (KMA) to complete Financial Evaluation and Policy Recommendation for Inclusionary Housing in March 2021. KMA worked with staff to complete the draft report in 2022; and anticipates completion in 2023
Affordable Housing Development	<ul style="list-style-type: none"> • Pursue State and regional funding for affordable housing development. • Pursue local partnerships and annually meet with affordable housing organizations to encourage the development of housing affordable to all segments of the population. • Establish development incentives (i.e. deferment of fees, priority processing, modified development standards, etc.) for affordable housing projects that meet objective evaluation criteria similar to the process for density bonus concessions. • Develop clear instructional materials for achieving incentives and make them publicly available on the City's website. 	Establish incentives and instructional materials by December 2023. Pursue funding and partnership annually. Meet with organizations annually.	City will evaluate programs and incentives to encourage the development of Affordable Housing, and will make it available by December 2023; and pursue funding and partnership on an annual basis.
Supportive Services for Persons with Special Needs	<ul style="list-style-type: none"> • Provide information regarding the City's Annual Action Plan findings regarding special needs groups and the availability and allocation of CDBG funds on the City's website. • Outreach to local organizations working with special needs populations to receive feedback and provide information on the availability of funding. 	Annually outreach to local organizations and provide information online regarding the Annual Action Plan findings regarding special needs populations and availability and allocation of CDBG funds.	The City reaches out to local organization and provide information on the Annual Action Plan on its webpage at https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/housing-and-community-development

Facilitate Development of Senior Housing Options	<ul style="list-style-type: none"> Identify potential opportunities for Senior Housing developments within Costa Mesa, including working with developers who specialize in the development of Senior Housing. Pursue opportunities for senior housing on the Senior Center parcel identified as part of the candidate housing site analysis and/or other sites within the City. 	Annually meet with senior housing developers to receive feedback, market housing sites adequate for the development of senior housing and pursue other opportunities for senior housing development.	City will identify potential opportunities for senior housing development, to be completed by December 2023 and will meet on annual basis thereafter
Encourage Development of Housing Options for Large-Family Households	<ul style="list-style-type: none"> Promote and work with applicants who propose for-rent residential projects to encourage 4-bedroom units as part of proposed developments. Review development standards to determine if any pose an impediment to the development of larger units. If it is found that certain standards present an impediment, the City will adopt amendments to the Zoning Code to alleviate those impediments. 	Review development standards for larger units and, if necessary, amend the Zoning Code by Winter 2025. Annually meet with housing developers to encourage the development of larger units.	City will review the development standards for large units and recommend amendments to the Zoning Code by Winter 2025.
Persons with Physical and Developmental Disabilities	<ul style="list-style-type: none"> Take actions to accommodate ADA retrofit efforts, ADA compliance and/or other measures where appropriate through the implementation of Title 24, as well as reviewing and amending its procedures to comply with State law. Review procedures and, as necessary, provide more flexibility in housing accommodations for persons with physical and developmental disabilities. City will proactively reach out to developers and other agencies annually to take steps to improve and develop housing for persons with disabilities. 	Review procedures to accommodate ADA retrofit efforts, ADA compliance and/or other measures where appropriate, and, if necessary, amend the Zoning Code by Winter 2025	City will review procedures to accommodate ADA retrofit efforts and comply with ADA measures, where appropriate by Winter 2025
Safety Element Update and adoption of Environmental Justice Policies	<ul style="list-style-type: none"> Revise and amend the current Safety Element. Amend portions of the General Plan to include environmental justice policies in compliance with SB 1000. 	To be completed by December 2023.	Safety Element Update - City has a working draft that incorporates references to Local Hazardous Mitigation Plan (SB 379) as well as to address other applicable State laws including - SB 1035, AB 747, SB 99. As part of this process, City is also evaluating other General Plan Elements to address SB 1000
Farmworker Housing	Amend the current Zoning Code to meet requirement set forth in the California Health and Safety Code Sections 17021.5 and 17021.6.	To be completed by December 2023.	City will review and amend Zoning Code to address Farmworker Housing by December 2023
Promote State Density Bonus Incentives	Evaluate and update the Density Bonus Ordinance to comply with State Density Bonus Law.	To be completed by December 2024.	City will review and update the Zoning Code to comply with the State Density Bonus Law by December 2024
Transitional and Supportive Housing	<ul style="list-style-type: none"> Amend the Zoning Code to include transitional and permanent supportive housing within the City's land use matrix in compliance with Senate Bill 2 and Government Code Section 65651 Monitor the inventory of sites appropriate to accommodate transitional and supportive housing. Proactively engage relevant organizations to meet the needs of persons experiencing homelessness and extremely low-income residents. 	To be completed by December 2024.	City will review and amend the Zoning code to address Transitional and Supportive Housing by December 2024
Planning Application Fees	Review planning application fees, with a special focus on the density bonus fee, and update the fee(s) to avoid creating a constraint to the development of affordable housing.	To be completed by December 2024.	City will review planning application fees to avoid creating a constraint to the development of affordable housing by December 2024
Development of Housing for Extremely Low and Lower-Income Households	<ul style="list-style-type: none"> Subsidize up to 100 percent of the City's application processing fees for qualifying developments where all units are affordable to 80 percent AMI or lower, as funding is available. Annually promote the benefits of this program to the development community by posting information on its webpage and creating a handout to be distributed with land development applications regarding development opportunities and incentives. Proactively reach out to developers at least once annually to identify and promote development opportunities. Adopt priority processing and streamlined review for developments with units affordable to lower income households. Support funding development applications throughout the planning period for projects proposing units affordable to lower income households. 	As funding is available, promote the program and outreach; adopt priority processing and other incentives by December 2024.	City will evaluate processing, funding resources, incentive, and fees associated with the development of Housing for extremely low and lower- income households by December 2024
Parking Standards for Residential Developments	Review and revise the Zoning Code's requirements for residential off-street parking for multi-family projects to facilitate the development of multi-family housing, and specifically affordable housing.	Review by December 2024; revise Code by Winter 2025.	City will evaluate parking standards for residential development by December 2024 and revise the code by Winter 2025

Reasonable Accommodation	<ul style="list-style-type: none"> • Review and revise the Reasonable Accommodation procedure to promote access to housing for persons with disabilities, address potential constraints and establish potential objective standards, and provide guidance and amend as necessary to promote greater certainty on how approval findings will be implemented. • Meet with local organizations and developers to promote access to housing for persons with disabilities and address potential constraints. 	Review and revise Code by December 2024. Annually review and, if necessary, revise the reasonable accommodations procedures. Annually meet with local organizations and housing developers to promote access to housing for persons with disabilities and address potential constraints.	City will review and revise the Reasonable Accommodation procedures and Zoning Code by December 2024
Definition of Single Housekeeping Unit	Review and revise the definition of “single housekeeping unit” within the zoning code to provide greater flexibility in consideration of accommodating a variety of household situations for related and unrelated individuals living together.	Review and revise Code by December 2024.	City will review and revise the Zoning Code definition of Single Housekeeping Unit by December 2024
Group Homes	Review and revise the City’s zoning code and application procedures applicable to group homes to promote objectivity and greater approval certainty similar to other residential uses.	Review and revise Code by Winter 2024.	City will review and revise the Zoning Code application procedure, where necessary by Winter 2024
Adequate Sites	<ul style="list-style-type: none"> • Maintain an inventory of vacant and underutilized sites and provide this inventory to interested developers. • Monitor its status of meeting the Regional Housing Needs Allocation (RHNA) annually and ensure that the City has adequate sites available to accommodate its RHNA. If the City’s inventory of adequate sites falls below its remaining RHNA, the City will take actions to identify additional capacity to accommodate the shortfall. • Promote the development of housing, live/work, and mixed-use development on the sites identified within the inventory through actions such as: <ul style="list-style-type: none"> - Make information on candidate housing sites readily available through a database available to the public. - Priority processing for candidate housing sites which provide the amount of affordable housing units at the income levels identified within the housing element for individual candidate sites. - If funding becomes available, the City shall subsidize up to 100 percent of the City’s application processing fees for qualifying developments that provide the amount of affordable housing units at the income levels identified within the housing element for individual candidate sites. 	Publish candidate housing sites on the City website by December 2023. Provide priority processing for candidate housing sites that meet the outlined requirements throughout the planning period. Market available funding, as available, for projects on candidate housing sites that meet outlined requirements	A website that provides information to interested developers and general public regarding the adequate sites will be completed by December 2023

Fairview Development Center – State Property

- Partner with the State to pursue compatible development on the Fairview Development Center site consistent with the State's Site Assessment and the Housing Element's sites analysis to permit residential development at the identified densities.
- Complete rezoning actions at the Fairview Developmental Center through development of a Specific Plan, rezone to an existing City zone, and/or other appropriate rezoning action within three years of an agreement with the State of California. Development at the site will be subject to the City's Inclusionary Housing Ordinance (to be established as outlined in Program 2A) or equivalent affordability requirements and will be subject to development process incentives such as expedited processing including a dedicated staff project manager to promote future projects within the Fairview Developmental Center property to include affordable housing. The City will develop standards as part of the applicable zoning action to give clear guidance to future development projects with the intent of reducing the time it takes to entitle and develop projects for residential uses. The City will facilitate parceling and site planning at appropriate sizes as part of the Specific Plan, concurrent with the rezoning of the parcel.
- If building permits/entitlements are not issued by mid-2027, the City will identify additional alternative sites within the City that can accommodate a potential shortfall in housing sites to accommodate the remaining RHNA within 180 days of determination of a shortfall of adequate sites as required by SB 166 (No Net Loss) consistent with the objective in Program 3A.
- The City will coordinate land use and zoning efforts concurrent with the city-wide rezoning efforts to implement the housing element. Fairview Developmental Center will go through an RFP process within the next three years to plan to for the development of up to 2,300 residential units (including approximately 900 affordable units).
- On October 4, 2022 the City approved an agreement with the State of California to fund planning services relating to the Fairview Development Center. The agreement stipulates that the State will provide up to \$3.5 million in funds to the City to support an up to three-year agreement for a City-led local outreach and land planning effort for the FDC site. The funds will be used for the following land use planning activities: extensive community engagement, technical analysis and infrastructure studies, conceptual land use exhibits and Land Use Alternatives, preparation of a Specific Plan and associated general plan and zoning amendment, preparation of the Environmental Impact Report and associated technical studies pursuant to the California Environmental Quality Act, public hearings and review of the State prepared RFP process for site disposition. The City will facilitate development as appropriate including zoning, incentives, expedited processing and similar actions within three years of final adoption of the 2021-2029 Housing Element.
- Rezoning will be completed to meet all by right requirements pursuant to California Gov Code 65583(h & i)

Negotiate agreement to develop housing at the Fairview Developmental Center site by Winter 2025, or as modified by the State. If unsuccessful, identify additional sites to accommodate shortfall.

October 2022: City approved scope of work for an agreement between the State of California and the City of Costa Mesa, providing for \$3.5 million in state funds to the City for Community outreach and land use planning efforts for the Fairview Development Center.

Funds will be used to retain consultants as well as for staff costs associated with the management, oversight, review, tracking, and reporting associated with the land use planning and site disposition process.

Update the North Costa Mesa Specific Plan	<p>Complete the required zoning code/Specific Plan amendments to update the North Costa Mesa Specific Plan based on the sites analysis to permit residential development at an allowable density of up to 90 dwelling units per acre. The City will update standards which apply to the entirety of the specific plan area, including the 16 sites totaling approximately 70.75 acres that are identified within the sites inventory list. 6,435 units identified within the North Costa Mesa Specific Plan across all income levels are identified to meet the City's shortfall in units. As noted in the program, development capacity is determined by density so effectively there are no total unit caps within the North Costa Mesa Specific Plan. Rezoning will be completed to meet all by right requirements pursuant to California Gov Code 65583(h & i)</p>	To be completed by Winter 2025.	City will evaluate and update the North Costa Mesa Specific Plan and Zoning code to permit up to 90 du/acre by Winter 2025.
Update the City's Urban Plans and Overlays	<ul style="list-style-type: none"> • Complete the required zoning code amendments to update the existing Urban Plans and Overlays based on the candidate housing sites analysis to permit residential development at the identified allowable densities: <ul style="list-style-type: none"> - 19 West Urban Plan (50 du/ac). The City will update standards which apply to the entirety of the 19 West Urban Plan area, including the 12 sites totaling approximately 12.97 acres that are identified within the sites inventory list. 640 anticipated dwelling units identified within the 19 West Urban Plan across all income levels are identified to meet the City's shortfall in units. This update will include appropriate development standards to facilitate allowable densities. - SoBECA Urban Plan (60 du/ac). The City will update standards which apply to the entirety of the SoBECA Urban Plan area, including the 18 sites totaling approximately 12.33 acres that are identified within the sites inventory list. 732 anticipated dwelling units identified within the SoBECA Urban Plan across all income levels are identified to meet the City's shortfall in units. This update will include appropriate development standards to facilitate allowable densities. - Mesa West Bluff Urban Plan (40 du/ac). The City will update standards which apply to the entirety of the Mesa West Bluff Urban Plan area, including the 16 sites totaling approximately 27.02 acres that are identified within the sites inventory list. 1,071 anticipated dwelling units identified within the Mesa West Bluff Urban Plan across all income levels are identified to meet the City's shortfall in units. This update will include appropriate development standards to facilitate maximum densities. - Harbor Mixed-Use Overlay (50 du/ac). The City will update standards which apply to the entirety of the Harbor Mixed-Use Overlay area, including the 27 sites totaling approximately 29.38 acres that are identified within the sites inventory list. 1,485 anticipated dwelling units identified within the Harbor Mixed-Use Overlay across all income levels are identified to meet the City's shortfall in units. This update will including appropriate development standards to facilitate maximum densities. • Remove the Mesa West Residential Ownership Overlay. • Rezoning will be completed to meet all by right requirements pursuant to California Gov Code 65583(h & i) 	To be completed by Winter 2025.	City will initiate Housing Element Visioning and rezoning program in Fall 2023 and will complete updates to the City's Urban Plans/Overlays, by Winter 2025

Promote the Development of Accessory Dwelling Units (ADUs)	<ul style="list-style-type: none"> • Review and revise the City's ADU ordinance as necessary to comply with State law. • Coordinating with the County on implementation of a permit-ready ADU program. • Post a user-friendly FAQ on the City's website to assist the public. • Offer permitting fee waivers, as funding is available. • Creating an expedited plan check review process to ease the process for homeowners. • Research potential State and Regional funding sources for affordable ADUs and make the information found publicly available to homeowners. • Engaging with residential development applicants regarding ADU opportunities that may not have been considered. 	Program components analyzed within by December 2023, with implementation by December 2024. Review and revise the ADU ordinance within one year.	<p>City updated ADU provisions to be consistent with State Housing Laws for ADUs. An information al Table is available on the City's webpage at: https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/planning/accessory-dwelling-units-adu.</p> <p>Website will continue to be updated, as necessary.</p>
Motel Conversions, Efficiency Units, and Co-living Housing Types	<ul style="list-style-type: none"> • Establish definitions of co-living and efficiency housing options within the Costa Mesa Zoning Code • Develop informational materials which outline the City's process for permitting efficiency unit and co-living housing types and distribute them to interested members of the development community. • Explore opportunities to implement motel conversions through Project Homekey. • Comply with State and Federal laws related to displacement and relocation of long-term residents when considering motel conversion opportunities. 	To be completed by December 2024.	City will update the Zoning Code and create informational materials regarding Motel Conversions, Efficiency Units, and Co-living Housing Types by December 2024
Address City-wide Vote Requirement in Relation to Housing Element Compliance	Minimize the constraint of a city-wide vote requirement on creation of housing including affordable housing through the modification of existing City overlays, urban plan areas, and specific plans to rezone candidate housing sites that can accommodate affordable housing and a variety of mixed use/housing options near jobs and transit. By 2025, initiate a ballot measure, or other alternative option, to provide City Council greater discretion in approving affordable housing and mixed use/housing options in appropriate locations.	To be completed by Winter 2025.	<p>November 2022 Voters approved amendment to CMMC to revitalize key commercial and industrial corridors to allow for housing opportunities as described in the Housing Element</p> <p>Visioning and Community Outreach for rezoning will occur in Fall 2023</p>
Analyze the Potential of Establishing an Overlay to Permit Residential Uses in the Airport Industrial Area	<ul style="list-style-type: none"> • Evaluate the potential to add an overlay to an area in the airport industrial area which would permit residential development. • Complete a market analysis to determine the potential factors involved with permitting residential uses in the airport industrial area. 	To be completed by Winter 2025.	City will evaluate the potential of establishing an land use overlay in the airport industrial area to allow for residential uses, to be completed by Winter 2025
Analyze the Potential of Establishing an Overlay to Permit Residential Uses in the 17th Street Corridor Area	<ul style="list-style-type: none"> • Evaluate the potential to add an overlay to an area in the 17th Street corridor area which would permit residential development. • Complete a market analysis to determine the potential factors involved with permitting residential uses in the 17th Street corridor area. 	To be completed by Winter 2025.	City will evaluate the potential of establishing and overlay to permit residential uses in the 17th Street Corridor area, to be completed by Winter 2025
Analyze the Potential of Modifying the Newport Boulevard Specific Plan to Promote Residential Uses along Newport Boulevard	Evaluate potential modifications to the Newport Boulevard Specific Plan that would promote quality residential development.	To be completed by Winter 2025.	City will evaluate the potential of modifying the Newport Boulevard Specific Plan to promote residential uses along Newport Boulevard, to be completed by Winter 2025
Explore Potential Future Housing Opportunities on Church Sites	<ul style="list-style-type: none"> • Collaborate with members of the faith-based community to discuss housing and the unique opportunities and challenges faced by faith-based organizations when considering creating housing opportunities on church properties with the potential for wrap around services. • Develop materials outlining the development process and make them available on the City's website. 	Develop online materials on the development process by December 2023 and update, as necessary.	City will explore potential future housing opportunity on Church sites, to be completed by December 2023

Annual Progress Reports	Annually complete the required housing status reporting through the City's Annual Progress Report.	Annually complete and submit an Annual Progress Report to HCD.	City will complete and submit an Annual Progress Report to HCD
ADU and JADU Monitoring Program	<ul style="list-style-type: none"> • Create a monitoring program to track ADU and JADU development and affordability levels throughout the planning period. • Conduct a review of ADU development and affordability every two years and make adjustments to accommodate a potential shortfall if determined necessary (i.e. additional incentives for ADU development or identification of adequate sites to meet the City's identified unaccommodated need). 	Monitoring program created by Winter 2025. Reviews conducted every two years throughout the planning period, and potential adjustments made within six months.	City currently monitors ADU development and will launch a new land management system (LMS) that will improve monitoring of all land use development. City will use the new LMS system to monitor the affordability levels throughout the planning period, and make adjustment as necessary.
Candidate Sites Used in Previous Housing Elements	Place a housing overlay zone over all nonvacant sites included in a prior Housing Element and all vacant sites included in two or more consecutive planning periods that permits by right housing development for projects that meet the requirements of State housing law (Gov Code Section 65583.2(c)).	To be completed by Winter 2025.	City will evaluate the use of a housing overlay zone over candidate sites used in previous housing elements that were included in two or more consecutive planning permits to permit housing development by right as required by State housing law; to be completed by Winter 2025
Water and Sewer Resources	Submit the General Plan amendment and rezone sites to local water and sewer providers for their review and consideration when reviewing new residential projects.	To be completed by July 2023.	City will coordinate with Water and Sewer Resources for their review and consideration when reviewing new residential projects by July 2023
Federal/State Housing Programs	<ul style="list-style-type: none"> • Provide technical assistance to developers, nonprofit organizations, or other qualified private sector interests in the application and development of projects using Federal and State housing programs/grants. • Continue to partner with the OC Housing Finance Trust to identify potential funding sources. 	Annually market available Federal and State housing programs and grants. Meet with qualified interested parties annually to provide technical assistance. Partner with the OC Housing Finance Trust throughout the planning period to identify additional potential funding sources.	City will continue to market available Federal and State Housing Programs and grants on its Housing and Community Development website.
Lot Consolidation	<ul style="list-style-type: none"> • Promote consolidation of residential properties to the development community and property owners to facilitate and promote the development of housing on smaller sites. • Maintain information on the lot consolidation process and fees online and at City Hall. • Continue to provide streamlined measures to facilitate consolidation and establish a menu of incentives by 2025 • Evaluate the effectiveness of streamlining measures by midpoint and make adjustments within 6 months 	To be completed by December 2023, outreach and promote lot consolidation to the development community/property owners, and publish and maintain updated information on the City's lot consolidation processes and fees online and at City Hall.	City will evaluate as part of the Housing Element Visioning program,
Development of Large Sites	<ul style="list-style-type: none"> • Evaluate the development status of the five identified large candidate sites within three years of the applicable zoning amendments being completed. If the sites show no indication of development progress including the assumed density and affordability, the City will review current RHNA progress and identify additional candidate sites within one-year if necessary. • Continue outreach to property owners through annual meetings. Provide technical assistance, incentives, and strategies as appropriate to facilitate the development of affordable housing, including parceling at appropriate sizes or other tools. • Promote development of large sites at the densities and affordability levels identified within the housing element. • Promote the potential subdivision of large sites into multiple parcels for future development through technical assistance, incentives, and strategies during the initial development phases and when applications come into the City for the identified parcels. 	Direct outreach to property owners two times per year throughout the planning period. Review of development progress and potential identification of additional candidate housing sites following the schedule within the objectives.	<p>Planning Division keeps a record of properties where the property owners have expressed interest in housing development. Staff provides initial comments and discuss development review process with potential developers.</p> <p>City will continue to reach out to property owners of candidate sites as part of the Housing Element Visioning effort and rezoning project - and track status of implementation after completion of the rezoning effort.</p>
Review and Revise Findings	Review all approval findings for Conditional Use Permits, Design Review, and Master Plans and revise findings which are capable of being interpreted broadly, with the goal of improving housing cost, supply, timing of approvals, and approval certainty.	To be completed by December 2023.	City is currently reviewing CMMC Findings Section for listed applications - to be completed by December 2023

Fair Housing	Achieve the Metrics outlined in Table outlined in Program 4A: Fair Housing to address factors as contributing to fair housing issues in Costa Mesa.	Annually outreach to local organizations and lower income communities to discuss fair housing issues and promote actions to mitigate local contributing factors. Promote available funds, ownership information, and details on affordable housing units on the City's webpage by Winter 2025.	Pursuant to AB 686, the City will affirmatively further fair housing by taking meaningful actions, in addition to resisting discrimination, that overcomes patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristic, as defined by California law. The City will continue current efforts to further fair housing as well as implement an inventory of comprehensive actions listed in the Housing Element – Chapter 4 (Program 4A).
Rental Housing Assistance	<ul style="list-style-type: none"> Participate in the Orange County Housing Authority's Housing Choice Vouchers program to provide rent subsidies to very low-income households provided funding is available. Evaluate and offer rental housing assistance programs based on the availability of funding. 	Promote OCHA Housing Choice Voucher information and rental housing assistance programs, as available, on the City's website.	City promotes the Rental Assistance Program on the following website: https://www.costamesaca.gov/trending/rental-assistance-asistencia-de-alquiler and various housing programs on its Housing and Community Development Website: https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/housing-and-community-development
Ownership Housing Assistance	<ul style="list-style-type: none"> Evaluate and adopt ownership housing assistance programs, such as a First-Time Home Buyer Program, based on the availability of funding. Provide informational materials, online and at City Hall, on potential paths to home ownership and on assistance and resources available for first-time home buyers. 	Annually evaluate and, as funding is available, offer ownership housing assistance programs. Promote informational materials online and at City hall on potential paths to home ownership and on assistance and resources available by Winter 2025.	The City is currently evaluating program for ownership housing assistance; to be completed by Winter 2025
Fair Housing Assistance	Continue to contract with the Fair Housing Foundation and promote available services on the City's webpage.	Contract with the Fair Housing Foundation throughout the planning period and promote updated information on available services online by Winter 2025.	<ul style="list-style-type: none"> Adopted Resolution No. 2022-61 Resolution of the City approving and authorizing submission of the Home-ARP Allocation Plan, a substantial amendment to the FY 2021-2022 Annual Action Plan for the application and expenditure of Home Investment Partnership Act American Rescue Partnership Funds to the United States Department of Housing and Urban Development. Utilize funds for 1. Development and Support of Affordable Housing; 2. Supportive Services including those defined at 24 CFR 578.53 e – including McKinney-Vento Supportive Services, Homelessness Prevention Services; and Housing Counseling Services
Low Barrier Navigation Centers	Update the Zoning Code to permit Low Barrier Navigation Center development as a matter of right in appropriate zoning districts, subject to requirements of state law.	To be completed by December 2024.	The City will update applicable sections of its Zoning Code to permit Low Barrier Navigation Center Development and complete it by December 2024
Homeless Shelter	<ul style="list-style-type: none"> Continue to operate and maintain the Bridge Shelter throughout the planning period. Promote information on services and assistance available to residents online on the City's website. 	Annually review and, if necessary, revise services and assistance programs available based on funding availability. Annually meet with homeless services providers to respond to the needs of persons experiencing homelessness and identify potential opportunities.	<ul style="list-style-type: none"> Award a professional service agreement to Bracken's Kitchen for commercial kitchen operation and meal services for the Costa Mesa Bridge Shelter City executed a subrecipient agreement with the County of Orange to Accept Grant Funds for the Benefit of Bridge Shelter; approximately \$100,000 to support shelter and support services for people experiencing homelessness
Assembly Bill 139	Review and update, as necessary, the Zoning Code to comply with parking requirements of AB 139 for emergency shelters.	To be completed by Winter 2025.	City will update applicable sections of its Zoning Code to address AB 139, by Winter 2025

Housing Education and Outreach Program	Develop an outreach program providing educational materials about the purpose and benefits of affordable housing options in the City.	Develop program by December 2023 and distribute materials by December 2024.	City will develop a program providing education materials about the purpose and benefits of affordable housing options in the City by Winter 2023
Partnerships with Local Organizations and Community Groups	Partner with local community-based organizations, stakeholders and groups who provide supportive resources and programs to further identify specific needs of this community and connect community members with appropriate resources.	Initiate program by December 2024.	City will reach out to local community-based organizations, stakeholders and groups who provide supportive resources and programs to further identify specific needs of this community and connect community members with appropriate resources. The City will complete the program by December 2024

Appendix A.1

2015-2035 General Plan Goals, Objectives, Policies (2021)

2015-2035 GENERAL PLAN GOALS AND POLICIES

Each element of the General Plan contains goals and policies based upon the needs and desires of the community, as derived from the previously adopted 2015-2035 General Plan, background research, planning staff, and members of the City Council.

A goal is defined as a broad vision of what the community wants to achieve or provide to residents, landowners, business owners and tourists. It is a statement of a desired condition based on community values. Goals are general in nature and usually timeless. A policy is a specific statement that guides decision-making. It indicates a commitment of the City to a particular course of action. A policy is based on and helps implement a goal.

One of the objectives for the 2015-2035 General Plan and General Plan EIR was to review the 2000 General Plan goals, objectives, and policies for relevancy, completion and applicability for the long-term development in the City. City staff reviewed the goals, objectives, and policies in the 2000 General Plan and determined if the goals, objectives, and policies had been completed, and if not, determined their relevancy and applicability for the 2015-2035 General Plan. The following are the goals and associated objectives and policies that have been set for the Costa Mesa 2015-2035 General Plan.

At the conclusion of each goal, objective or policy is a statement within [brackets] that indicates one of four possible scenarios: 1) the goal, objective, or policy remains the same as the 2000 General Plan, 2) the goal, objective or policy has been modified from the 2000 General Plan statement for the 2015-2035 General Plan, 3) the goal, objective or policy is a new statement for the 2000 General Plan, or 4) in the case of the Housing Element, no changes were made to the goals, objectives or policies. Examples of the wording for the aforementioned scenarios are as follows:

- 1) [2000 GP Goal LU-1],
- 2) [2000 GP Policy LU-1A.4 – Modified for 2015-2035 GP],
- 3) [New Objective for 2015-2035 GP], and
- 4) [No Change].

Land Use Element

The goals, objectives, and policies that address land use are as follows:

Goal LU-1:

A Balanced Community with a Mix of Land Uses to Meet Resident and Business Needs [2000 GP Goal LU-1]

Objective LU-1A: Establish and maintain a balance of land uses throughout the community to preserve the residential character of the City at a level no greater than can be supported by the infrastructure. [2000 GP Objective LU-1A]

- LU-1.1 Provide for the development of a mix and balance of housing opportunities, commercial goods and services, and employment opportunities in consideration of the needs of the business and residential segments of the community. [2000 GP Policy LU-1A.1]
- LU-1.2 Balance economic gains from new development while preserving the character and densities of residential neighborhoods. [New Policy for 2015-2035 GP]
- LU-1.3 Strongly encourage the development of residential uses and owner-occupied housing (single-family detached residences, condominiums, townhouses) where feasible to improve the balance between rental and ownership housing opportunities. [2000 GP Policy LU-1A.4]
- LU-1.4 Promote housing and employment opportunities within planned development areas to the extent feasible. [2000 GP Policy LU-1A.5]
- LU-1.5 Maintain a land use structure that strives to balance jobs and housing with available infrastructure and public and human services. [New Policy for 2015-2035 GP]

Goal LU-2:

Preserve and Protect Residential Neighborhoods [2000 GP Goal LU-1]

Objective LU-2A: Promote land use patterns and development that contribute to community and neighborhood identity. [2000 GP Objective LU-1C]

- LU-2.1 In the event of damage or destruction, allow any legal conforming use in existence at the time of adoption of the General Plan that is located in a nonconforming development to be rebuilt to its original building intensity, as long as any such rebuilding would not increase the development's nonconformity, and the damage or destruction was in no way brought about by intentional acts of any owner of such use or property. [2000 GP Policy LU-2A.4]
- LU-2.2 Pursue maximum use of utility company funds and resources in undergrounding existing overhead lines, and encourage undergrounding of utilities in the public right-of-way for residential development consisting of five units or more, to the extent feasible and practical. [2000 GP Policy LU-2A.9 – Modified for 2015-2035 GP]
- LU-2.3 Develop standards, policies, and other methods to encourage the grouping of individual parcels to eliminate obsolete subdivision patterns and to provide improved living environments while being consistent with the neighborhood character of the surrounding community. [2000 GP Policy LU-2A.5 – Modified for 2015-2035 GP]

- LU-2.4 Do not allow "rounding up" when calculating the number of permitted residential units, except for lots existing as of March 16, 1992, zoned R2-MD that have less than 7,260 square feet in area, and no less than 6,000 square feet, where density calculation fractions of 1.65 or greater may be rounded up to two units. [2000 GP Policy LU-2A.6]
- LU-2.5 Allow creation of parcels without street frontage if sufficient easements are provided for planned developments or common-interest developments consistent with the neighborhood character. This policy does not apply to small lot subdivisions. [2000 GP Policy LU-2A.7]
- LU-2.6 Encourage increased private market investment in declining or deteriorating neighborhoods. [2000 GP Policy LU-2A.8]
- LU-2.7 Permit the construction of buildings over two stories or 30 feet only when it can be shown that the construction of such structures will not adversely impact surrounding developments and deprive existing land uses of adequate light, air, privacy, and solar access. [2000 GP Policy LU-1C.1]
- LU-2.8 Limit building height to four stories above grade south of the I-405 Freeway, except for special purpose housing such as elderly, affordable, or student housing, unless otherwise approved by a General Plan amendment. (A four-story/five-level parking structure with roof deck parking on the fifth level is considered a four-story structure.) [2000 GP Policy LU-1C.2]
- LU-2.9 Require appropriate building setbacks, structure orientation, and placement windows to consider the privacy of adjacent residential structures within the same project and on adjacent properties. [2000 GP Policy LU-1C.4]
- LU-2.10 Promote lot consolidation of residential properties to the extent feasible and practical, including the creation of larger single-family residential lots that exceed the minimum 6,000-square-foot requirement in neighborhoods where the prevailing residential subdivision pattern features larger-sized residential lots. [2000 GP Policy LU-1C.5 – Modified for 2015-2035 GP]
- LU-2.11 Ensure adequate noise attenuation in urban design, such as walls for sound attenuation, development of landscaped greenbelts, provision of landscape berms, etc. [2000 GP Policy LU-1C.6 – Modified for 2015-2035 GP]

Goal LU-3:

Development that Maintains Neighborhood Integrity and Character [2000 GP Goal LU-1]

Objective LU-3A: Establish policies, standards, and procedures to minimize blighting influences, and maintain the integrity of stable neighborhoods. [2000 GP Objective LU-1F]

- LU-3.1 Protect existing stabilized residential neighborhoods, including mobile home parks (and manufactured housing parks), from the encroachment of incompatible or potentially disruptive land uses and/or activities. [2000 GP Policy LU-1F.1]
- LU-3.2 Actively enforce existing regulations regarding derelict or abandoned vehicles, outdoor storage, and substandard or illegal buildings, and establish regulations to abate weed-filled yards when any of the above are deemed to constitute a health, safety, or fire hazard. [2000 GP Policy LU-1F.2]
- LU-3.3 Continue code enforcement as a high priority with regard to the regulation of property maintenance standards citywide. [2000 GP Policy LU-1F.3 – Modified for 2015-2035 GP]

- LU-3.4 Ensure that residential densities can be supported by the infrastructure and are compatible with existing residential neighborhoods in the surrounding area. [2000 GP Policy LU-1F.4 – Modified for 2015-2035 GP]
- LU-3.5 Provide opportunities for the development of well-planned and designed projects which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project or neighborhood. [2000 GP Policy LU-1F.5]
- LU-3.6 Facilitate revitalization of aging commercial centers by working with property owners, developers, local businesses, and other community organizations to coordinate efforts. [New Policy for 2015-2035 GP]
- LU-3.7 Promote development/design flexibility that encourages older or poorly maintained high-density residential uses to be rehabilitated. [New Policy for 2015-2035 GP]
- LU-3.8 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development and surrounding residential neighborhoods. [New Policy for 2015-2035 GP]
- LU-3.9 Locate high-intensity developments or high-traffic-generating uses away from low-density residential in order to buffer the more sensitive land uses from the potentially adverse impacts of the more intense development or uses. [2000 GP Policy LU-1A.3]
- LU-3.10 Minimize effects of new development on the privacy and character of surrounding neighborhoods. [New Policy for 2015-2035 GP]
- LU-3.11 Promote small-lot residential development on long, narrow, single parcels or combined residential lots. [New Policy for 2015-2035 GP]
- LU-3.12 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development. [New Policy for 2015-2035 GP]
- LU-3.13 Prohibit construction of buildings which would present a hazard to air navigation, as determined by the Federal Aviation Administration (FAA). [2000 GP Policy LU-1C.3 – Modified for 2015-2035 GP]
- LU-3.14 Certain development proposals which may include the construction or alteration of structures more than 200 feet above ground level may require filing with the Federal Aviation Administration (FAA) and Airport Land Use Commission (ALUC) pursuant to federal and State law. If a filing requirement is determined to be necessary in accordance with the procedures provided by State/federal agencies, the filing of a Notice of Proposed Construction or Alteration (FAA Form 7460-1) shall be required prior to review and consideration of the proposed development.” Land Use Element (page LU-18) refers to the threshold stated above. It shall be amended to refer to Filing FAA Form 7460-1 Notice of Construction and Alteration, and not to Form 7480-1. [New Policy for 2015-2035 GP]
- LU-3.15 The City will ensure that development proposals, including the construction or operation of a heliport or helistop comply fully with permit procedures under State law, including referral of the project to the ALUC by the applicant, and with all conditions of approval imposed or recommended by the Federal Aviation Administration, ALUC, and Caltrans, including the filing of Form 7480-1 (Notice of Landing Area Proposed) with the FAA. This requirement shall be in addition to all other City development requirements. [New Policy for 2015-2035 GP]

- LU-3.16 The City shall refer certain projects to the Airport Land Use Commission for Orange County, as required by Section 21676 of the California Public Utilities Code to determine consistency of the project(s) with the Airport Environs Land Use Plan for John Wayne Airport. [New Policy for 2015-2035 GP]
- LU 3.17 New residential developments within the 60 dB CNEL noise contour of the airport shall provide designated outdoor signage informing the public of the presence of operating aircraft. [New Policy for 2015-2035 GP]

Goal LU-4:

New Development that Is Sensitive to Costa Mesa's Environmental Resources [2000 GP Goal LU-2]

Objective LU-4A: Encourage new development and redevelopment that protects and improves the quality of Costa Mesa's natural environment and resources. [2000 GP Objective LU-2A]

- LU-4.1 Ensure that appropriate watershed protection activities are applied to all new development and significant redevelopment projects that are subject to the National Pollutant Discharge Elimination System Stormwater Permit during the planning, project review, and permitting processes. [2000 GP Policy LU-2A.10]
- LU-4.2 Avoid conversion of areas particularly susceptible to erosion and sediment loss (e.g., steep slopes) and/or establish development guidelines that identifies these areas and protects them from erosion and sediment loss. [2000 GP Policy LU-2A.11]
- LU-4.3 Preserve or restore areas that provide water quality benefits and/or are necessary to maintain riparian and aquatic biota. [2000 GP Policy LU-2A.12]
- LU-4.4 Promote site development that limits impact on and protects the natural integrity of topography, drainage systems, and water bodies, and protect the integrity of the bluff crest. [2000 GP Policy LU-2A.13]
- LU-4.5 Promote integration of stormwater quality protection into construction and post-construction activities, as required by the NPDES Stormwater Permit and the City's Local Implementation Plan. [2000 GP Policy LU-2A.14]
- LU-4.6 Incorporate the principles of sustainability into land use planning, infrastructure, and development processes to reduce greenhouse gas emissions consistent with State goals. [New Policy for 2015-2035 GP]

Goal LU-5:

Adequate Community Services, Transportation System, and Infrastructure to Meet Growth [2000 GP Goal LU-1 and Goal LU-3]

Objective LU-5A: Ensure availability of adequate community facilities and provision of the highest level of public services possible, taking into consideration budgetary constraints and effects on the surrounding area. [2000 GP Objective LU-3A]

- LU-5.1 Pursue annexation of certain areas within the City's Sphere of Influence to provide land use regulation and city services within its jurisdiction. [2000 GP Policy LU-3A.1]
- LU-5.2 Strongly encourage protection and preservation of existing but underutilized school sites for future recreational, social, or educational uses. [2000 GP Policy LU-3A.2]

- LU-5.3 As appropriate and timely, consider the establishment of development impact fee program(s) to fund additional fire and police personnel, library facilities, and related equipment to meet the demands of additional growth in the City. [2000 GP Policy LU-3A.3 – Modified for 2015-2035 GP]
- LU-5.4 Require appropriate site and environmental analysis for future fire and police station site locations or for the relocation or closure of existing fire and police facilities. [2000 GP Policy LU-3A.4]
- LU-5.5 Ensure that new development pays its fair share of impact fees such as park fees and traffic impact fees. This can also include impact fees related to community services (police protection services and fire emergency response services) or library facilities, once adopted and applicable. [New Policy for 2015-2035 GP]
- LU-5.6 Promote development of revenue-generating land uses to help defray the costs of high quality public services. [New Policy for 2015-2035 GP]
- LU-5.7 Encourage new development that is organized around compact, walkable, mixed-use neighborhoods and districts to conserve open space resources, minimize infrastructure costs, and reduce reliance on the automobile. [New Policy for 2015-2035 GP]
- LU-5.8 Include an evaluation of impacts on utility systems and infrastructure in EIRs for all major general plan amendment, rezone, and development applications. [2000 GP Policy LU-1D.1]
- LU-5.9 Phase or restrict future development in the City to that which can be accommodated by infrastructure at the time of completion of each phase of a multi-phased project. [2000 GP Policy LU-1D.2]
- LU-5.10 Building densities/intensities for proposed new development projects shall not exceed the trip budget for applicable land use classifications, as identified in the Land Use Element. Building intensities for proposed new development projects shall not exceed the applicable floor area standards, except for the following conditions:
- (a) Limited deviations from the graduated floor-area ratio standards for the commercial and industrial land use designations may be approved through a discretionary review process. No deviation shall exceed a 0.05 increase in the FAR in the moderate traffic category, and no deviation shall be allowed in the very low, low, and high traffic categories. Deviations from the FAR standards shall not cause the daily trip generation for the property to be exceeded when compared to the existing daily trip generation for the site without the proposed project or maximum allowable traffic generation for the Moderate Traffic FAR category, whichever is greater.
 - (b) Additions to existing nonconforming nonresidential developments may be allowed if the additions do not affect the overall traffic generation characteristics of the development and if the additions do not substantially affect the existing height and bulk of the development. Additions to nonresidential developments shall be limited to those land uses with traffic generation rates based on variables other than building area square footage. Examples of such additions include, but are not limited to: 1) Hotels/motels: Increases in the size of hotel rooms or lobbies where no increase in the total number of rooms is proposed, and 2) theaters: Increases to “back-stage” support areas or lobbies where no increase in the total number of seats is proposed.
 - (c) In the above conditions, the new development shall be compatible with surrounding land uses.

- (d) Additional criteria for approving deviations from the FAR standards may be established by policy of the City Council. [2000 GP Policy LU-1E.1 – Modified for 2015-2035 GP]
- LU-5.11 Development plans shall be required for all phased development and approvals and shall be approved by the Planning and Transportation Services Divisions prior to the issuance of building permits. [2000 GP Policy LU-1E.2]
- LU-5.12 Development plans shall include an overall buildout plan, which can demonstrate the ability of the circulation system to support the proposed level of development. [2000 GP Policy LU-1E.3]
- LU-5.13 The City shall continue its annual preparation of the Development Phasing and Performance Monitoring Program. The annual review will specifically address major intersection operations in any mixed-use overlay area. [2000 GP Policy LU-1E.4]

Goal LU-6:

Economically Viable and Productive Land Uses that Increase the City's Tax Base [2000 GP Goal LU-1]

Objective LU-6A: Ensure the long-term productivity and viability of the community's economic base. [2000 GP Objective LU-1B]

- LU-6.1 Encourage a mixed of land uses that maintain and improve the City's long-term fiscal health. [New Policy for 2015-2035 GP]
- LU-6.2 Continue to promote and support the vitality of commercial uses to meet the needs of local residents and that support regional-serving commercial centers. [New Policy for 2015-2035 GP]
- LU-6.3 Continue to prioritize commercial and industrial park use of properties north of I-405 and within the Airport Industrial District. [New Policy for 2015-2035 GP]
- LU-6.4 Support the continued presence of incubator businesses in the action sports industry and jobs-producing businesses in the Westside. [New Policy for 2015-2035 GP]
- LU-6.5 Encourage revitalization of existing, older commercial and industrial areas in the Westside with new mixed-use development consisting of ownership housing stock and live/work units. [New Policy for 2015-2035 GP]
- LU-6.6 Continue to encourage and retain land uses that generate sustainable sales and property tax revenues, including regional commercial destinations and automobile dealerships. [New Policy for 2015-2035 GP]
- LU-6.7 Encourage new and retain existing businesses that provide local shopping and services. [New Policy for 2015-2035 GP]
- LU-6.8 Provide efficient and timely review of development proposals while maintaining quality customer service standards for the business, development, and residential community. [New Policy for 2015-2035 GP]
- LU-6.9 Support the retention and growth of Class A office tenants, including corporate headquarters for the action sports industry, biotech, and high technology companies within the City. [New Policy for 2015-2035 GP]

Objective LU-6B: Encourage and facilitate activities that expand the City's revenue base. [New Objective for 2015-2035 GP]

- LU-6.10 Encourage a broad range of business uses that provide employment at all income levels and that make a positive contribution to the City's tax base. [New Policy for 2015-2035 GP]
- LU-6.11 Provide opportunities for mixed-use, office, manufacturing, and retail development that respond to market and community needs in terms of size, location, and cost. [New Policy for 2015-2035 GP]
- LU-6.12 Track retail trends and tailor regulations to respond to market changes, maximize revenue, and maintain the appropriate the business mix. [New Policy for 2015-2035 GP]
- LU-6.13 Encourage new development along major corridors that are pedestrian oriented and includes a mixture of retail/service, residential, and office uses. [New Policy for 2015-2035 GP]
- LU-6.14 Improve ease and accessibility to information to capture opportunities for businesses to establish in Costa Mesa and bring high-skill and professional jobs and new revenue sources into the community. [New Policy for 2015-2035 GP]
- LU-6.15 Promote unique and specialized commercial and industrial districts within the City which allow for incubation of new or growing businesses and industries. [New Policy for 2015-2035 GP]
- LU-6.16 Examine options for the development of new infrastructure for new technologies and businesses that use those technologies. [New Policy for 2015-2035 GP]

Objective LU-6C: Retain and expand the City's diverse employment base, including office, retail/service, restaurants, high-tech, action sports, boutique and prototype manufacturing, and industrial businesses. [New Objective for 2015-2035 GP]

- LU-6.17 Engage in activities that promote Costa Mesa as a great place to live, work, and develop a business. [New Policy for 2015-2035 GP]
- LU-6.18 Continue to work with surrounding cities to strengthen regional economic development. [New Policy for 2015-2035 GP]
- LU-6.19 Provide flexibility and support for development of residential, office, small retail centers, and similar uses that would serve local residents and would also benefit from the high visibility along major corridors outside of significant commercial or industrial nodes. [New Policy for 2015-2035 GP]

Goal LU-7:

A Sound Local Sustainable Economy that Attracts Investment, Creates Educational Opportunities, and Generates Employment Opportunities [New Goal for 2015-2035 GP]

- LU-7.1 Endeavor to create mixture of employment opportunities for all economic levels of residents and businesses. [New Policy for 2015-2035 GP]
- LU-7.2 Support linkages between local educational institutions and local industries and businesses. Foster training, collaboration with employers, and new innovative programs that increase job opportunities for residents and students attending school locally. [New Policy for 2015-2035 GP]
- LU-7.3 Foster and provide useful and efficient partnerships to implement economic opportunities with private, non-profit, or other public agencies. [New Policy for 2015-2035 GP]

- LU-7.4 Cultivate an entrepreneurial and academic environment that fosters innovation through non-traditional housing developments, flexible office spaces, experiential development, and ensuring the diversity of retail/service throughout the urban districts. [New Policy for 2015-2035 GP]
- LU-7.5 Support and provide flexibility for development projects and businesses which produce, care, and maintain material goods or fixed assets meant to support the production of market goods, especially for niche industries within the City of Costa Mesa. [New Policy for 2015-2035 GP]
- LU-7.6 Seek out opportunities to attract primary businesses within stable industries and support industries that already exist within the City. [New Policy for 2015-2035 GP]
- LU-7.7 Explore economic and employment opportunities to retain and strengthen the unique industry niches along Bristol and Paularino, in the Westside, on East 17th Street, and throughout North Costa Mesa. [New Policy for 2015-2035 GP]
- LU-7.8 Support the development of pedestrian plazas and gathering places, and institutional spaces, as well as the more efficient use of existing spaces, to support economic growth and branding of existing industries within the City. [New Policy for 2015-2035 GP]

Goal LU-8:

Promote a range of multiple uses at the Fairview Developmental Center site [New Goal for 2015-2035 GP]

- LU-8.1 In anticipation of the potential closure or repurposing of the Fairview Development Center site, the City will work with appropriate State agencies or private entity (if the property is sold) to plan for a complementary mix of low-scale residential, institutional, public facilities, open spaces, and recreational uses within a campus setting. [New Policy for 2015-2035 GP]

Goal LU-9:

Ensure that Fairgrounds uses are consistent with the General Plan designation [New Goal for 2015-2035 GP]

- LU-9.1 Discourage changes in the allowable uses specified in the Fairgrounds General Plan land use designation for the Orange County Fair & Event Center property. Ensure that amendments to this General Plan designation are approved by the electorate. [New Policy for 2015-2035 GP]

Goal LU-10:

Promote the growth of tourism [New Goal for 2015-2035 GP]

Objective LU-10A: Promote structural improvements of visitor-oriented land uses. [New Objective for 2015-2035 GP]

- LU-10.1 Engage with property owners, developers, and business owners to encourage the revitalization of the hotel/motels. [New Policy for 2015-2035 GP]

- LU-10.2 Provide incentives to motel development projects seeking to improve existing motel facilities by increasing the hotel rating. These projects may include:
- a. Updating building mechanical, electrical, or plumbing to comply with current building standards
 - b. Updating physical improvements to the site
 - c. Adding hotel amenities to the site
 - d. Updating or improving the landscaping on the site
 - e. Updating or improving the façade of the building(s) [New Policy for 2015-2035 GP]

Objective LU-10B: Promote growth of visitor-oriented land uses. [New Objective for 2015-2035 GP]

- LU-10.3 Motel and hotel land uses should be encouraged to be located near major transportation corridors and close to key tourist/visitor draws, other recreation venues, the airport, regional, and general local shopping centers. [New Policy for 2015-2035 GP]

- LU-10.4 Consider the interest of quality of stay for visitors when evaluating projects near visitor-oriented land uses by requiring on-site amenities and upscale guest services. [New Policy for 2015-2035 GP]

Objective LU-10C: Promote uses and events that make visitor-oriented business more economically viable. [New Objective for 2015-2035 GP]

- LU-10.5 Celebrate and promote the arts, culture, and industries of Costa Mesa through special events, civic gatherings, and City marketing and tourism promotion efforts. [New Policy for 2015-2035 GP]

- LU-10.6 Promote the development of small-scale manufacturing uses or other uses that generate multiple secondary and tertiary markets that support business travel tourism-related uses. [New Policy for 2015-2035 GP]

- LU-10.7 Maintain and enhance the City's status and image as a centrally located destination and cultural center in Orange County. [New Policy for 2015-2035 GP]

Circulation Element

The goals, objectives, and policies that address circulation are as follows:

Goal C-1:

Implement “Complete Streets” Policies on Roadways in Costa Mesa

Plan, develop, and implement a comprehensive transportation system that serves all users and modes of travel. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-1A: Create a transportation network that meets the mobility needs of all Costa Mesa residents, businesses, and visitors. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

C-1.1: Update the City’s engineering standards for public and private streets to provide for safe, comfortable, and attractive access and travel for pedestrians, bicyclists, motorists, and transit users of all ages, abilities, and modes of travel. [New Policy for 2015-2035 GP]

C-1.2: Allow for flexible use of public rights-of-way to accommodate all users of the street system while maintaining safety standards. [New Policy for 2015-2035 GP]

C-1.3: Complete and annually maintain a needs assessment for traffic service levels and traffic safety. Develop and annually update a priority list of improvement projects, with priorities based on: 1) correcting identified hazards; 2) accommodating multimodal trips; 3) improving and/or maintaining peak-hour traffic volumes at critical intersections; 4) improving efficiency of existing infrastructure utilization; and 5) intergovernmental coordination. [2000 GP Policy CIR-2C.2]

C-1.4: Pursue downgrade of arterials that no longer have the demand requiring their buildout to planned capacity. [New Policy for 2015-2035 GP]

C-1.5: Implement road diets on street segments with excess capacity to enhance bicycle and pedestrian facilities. [New Policy for 2015-2035 GP]

C-1.6: Encourage the conversion of excess on-street parking spaces for expanded sidewalk gathering places or landscaping. [New Policy for 2015-2035 GP]

C-1.7: Encourage community participation in City processes and programs focused on improving mobility and transportation facilities. [New Policy for 2015-2035 GP]

C-1.8: Pursue downgrade of 17th Street from 6-lane Major Arterial to 4-lane Primary Arterial between Orange Ave and Tustin Avenue, through Master Plan of Arterial Highways (MPAH) Amendment process with the Orange County Transportation Authority. [New Policy for 2015-2035 GP]

Objective C-1B: Preserve the character of our residential neighborhoods. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

C-1.9: Implement traffic calming measures that discourage speeding and cut-through traffic on residential streets. [2000 GP Policy CIR-1A.14]

C-1.10: Encourage non-motorized transportation in residential areas by providing sidewalks and implementing bicycle friendly design of local streets. [New Policy for 2015-2035 GP]

C-1.11: Reduce or eliminate intrusion of traffic related to non-residential development on local streets in residential neighborhoods. [New Policy for 2015-2035 GP]

- C-1.12: Prioritize intersection improvements which improve through traffic flow on Major, Primary, and Secondary Arterials, and reduce impacts on local neighborhood streets with emphasis on pedestrian safety. [2000 GP Policy CIR-1A.14]
- C-1.13: Promote engineering improvements such as physical measures constructed to lower speeds, improve safety, and otherwise reduce the impacts of motor vehicles. [New Policy for 2015-2035 GP]
- C-1.14: Design and Implement transportation projects to meet local and regional system capacity needs in accordance with the Master Plan of Streets and Highways. [New Policy for 2015-2035 GP]
- C-1.15: Implement neighborhood approved traffic-calming measures in residential neighborhoods and appropriate commercial areas, such as street narrowing, curb extensions, roundabouts, landscaped medians, and radar speed feedback signs. [New Policy for 2015-2035 GP]
- C-1.16: Establish priority-ranking system to evaluate traffic-calming requests for implementation throughout the City. [New Policy for 2015-2035 GP]
- C-1.17: Pursue programs that reduce vehicle speeds and cut-through traffic on local streets. [New Policy for 2015-2035 GP]

Goal C-2:

Effectively Manage and Improve the Roadway System

Develop and maintain a robust and efficient vehicular circulation network. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-2A: Implement policies that encourage and accommodate all users while maintaining the efficiency of the circulation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-2.1: Establish a citywide crosswalk policy to address installation, maintenance, removal, and enhancements of crosswalks at intersections and mid-block locations. Crosswalk locations and treatment will be based on criteria including, but not limited to safety, traffic volume, and concentration of pedestrian activity. Potential enhancements may include leading pedestrian intervals at signalized intersections, bulb-outs, and median refuges to reduce crossing distances. [New Policy for 2015-2035 GP]
- C-2.2: Avoid creation of frequent driveways for new development access in active pedestrian areas that create conflict points between pedestrians and vehicles. [New Policy for 2015-2035 GP]
- C-2.3: Encourage commercial property owners to use shared driveway access and interconnected roads within blocks, where feasible. Require driveway access closures or consolidations, or both when a site is remodeled or redeveloped. [New Policy for 2015-2035 GP]
- C-2.4: Collaborate with law enforcement and public safety organizations to coordinate policies and programs that would reduce injuries and deaths on the roadways. [New Policy for 2015-2035 GP]
- C-2.5: Designate routes for truck traffic to minimize potential conflicts between trucks and cars, pedestrians, bicycles, transit, and vehicle access and circulation. Establish by ordinance a truck map that depicts allowable truck routes within the City. [New Policy for 2015-2035 GP]

- C-2.6: Periodically review and update traffic signal timing at all signalized intersections to maintain traffic signal coordination and to accommodate bicycle and pedestrian needs. [New Policy for 2015-2035 GP]
- C-2.7: Develop new traffic level of services criteria in accordance with SB 743 to meet the California Environmental Quality Act (CEQA). [New Policy for 2015-2035 GP]
- C-2.8: Continue the use of the Intersection Capacity Utilization (ICU) methodology to address local traffic level of service and impacts, with Level of Service “D” as the threshold for meeting the City’s significance criteria. [New Policy for 2015-2035 GP]

Objective C-2B: Construct street improvements and apply congestion management tools to obtain efficient performance of the transportation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-2.9: Incorporate the street system improvements identified in the General Plan Environmental Impact Report (EIR) into the Capital Improvement Program. [New Policy for 2015-2035 GP]
- C-2.10: Continue to deploy intelligent transportation systems (ITS) strategies—such as adaptive signal controls, fiber optic communication equipment, closed circuit television cameras, real-time transit information, and real-time parking availability information—to reduce traffic delays, lower greenhouse gas emissions, improve travel times, and enhance safety for drivers, pedestrians, and cyclists. [New Policy for 2015-2035 GP]
- C-2.11: Investigate all operational measures, including the use of one-way streets, to improve traffic circulation and to minimize congestion for all travel modes. [New Policy for 2015-2035 GP]
- C-2.12: Investigate and utilize state-of-the-art transportation system management technology and industry practices to address recurring and non-recurring traffic events (i.e., special events, incident/emergency management). [New Policy for 2015-2035 GP]
- C-2.13: Continue to evaluate and pursue design and operational improvements (medians, driveway closures, signal synchronization or phasing, parking or turn restrictions, etc.) to improve the efficiency of intersections. [2000 GP Policy CIR-2A.4]

Goal C-3:

Enhance Regional Mobility and Coordination

Encourage development of a regional transportation network that addresses regional mobility needs for all modes of travel. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-3A: Promote development of transportation projects along regional corridors. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-3.1: Maintain compliance with Orange County Congestion Management Plan (CMP) requirements, including consistency with CMP level of service standards, adoption of a seven-year capital improvement program, analysis of impacts of land use decisions on the CMP highway system, and adoption and implementation of deficiency plans when intersections do not meet adopted performance standards. [New Policy for 2015-2035 GP]

- C-3.2: Support the goals and objectives of the Orange County Long Range Transportation Plan, including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure. [New Policy for 2015-2035 GP]
- C-3.3: Support the goals and objectives of the SCAG Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS), including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure. [New Policy for 2015-2035 GP]
- C-3.4: Coordinate signal timing on all major arterials with a local signal synchronization program consistent with the Orange County Traffic Signal Synchronization Master Plan (TSSMP). [2000 GP Policy CIR-2A.2 – Modified for 2015-2035 GP]
- C-3.5: Ensure Costa Mesa’s input, participation, and discretionary review of applicable region-wide transportation system policies, programs, and construction. [New Policy for 2015-2035 GP]
- C-3.6: Develop short-term and long-term improvements to the SR-55 corridor in coordination with Caltrans and OCTA to address regional mobility needs. [New Policy for 2015-2035 GP]
- C-3.7: Promote the City’s preferred alternative of undergrounding the SR-55 freeway south of 19th Street within the City limits. [New Policy for 2015-2035 GP]
- Objective C-3B:** Coordinate and partner with local and regional agencies to promote projects and policies that improve regional mobility. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]
- C-3.8: Coordinate with adjacent jurisdictions to maintain or improve mobility within the City to achieve a standard Level of Service no worse than “D” at all intersections under State or joint control. Intersection Level of Service analyses for General Plan conditions for locations under State or joint control will be updated periodically and presented to the City Council. [2000 GP Policy CIR-1A.12]
- C-3.9: Consult with Caltrans and OCTA regarding the I-405 widening project to minimize adverse impacts to Costa Mesa’s neighborhoods, businesses, and streets. [New Policy for 2015-2035 GP]
- C-3.10: Coordinate with OCTA and other jurisdictions to remove Gisler Avenue Bridge over the Santa Ana River from the City’s Master Plan of Streets and Highways and County’s Master Plan of Arterial Highways. [2000 GP Policy CIR-1A.18]
- C-3.11: Collaborate with Caltrans and neighboring jurisdiction to improve signal timing and coordination along major arterials across jurisdictional boundaries. [2000 GP Policy CIR-2A.3 – Modified for 2015-2035 GP]
- C-3.12: Work closely with the State of California and other government agencies to control traffic-related impacts of uses on State- or other agency-owned land (i.e., Orange County Fairgrounds, Orange Coast College, etc.). [2000 GP Policy CIR-1A.17]
- C-3.13: Coordinate with other responsible agencies the planning, funding, prioritization, and implementation of bicycle, pedestrian, and transit programs and supporting infrastructure. [New Policy for 2015-2035 GP]

Goal C-4:

Promote Transportation Demand Management, Transit, and Efficiency

Utilize Transportation Demand Management strategies to manage demand and maximize available capacity. [2000 GP Goal CIR-2 – Modified for 2015-2035 GP]

Objective C-4A: Encourage greater utilization of Transportation Demand Management (TDM) strategies to reduce dependence on single-occupancy vehicles. [2000 GP Objective CIR-2A – Modified for 2015-2035 GP]

- C-4.1: Support South Coast Air Quality Management District (SCAQMD) trip reduction programs, including park and ride lots, transit subsidies, carpool and vanpool programs, flexible working hours, bicycle facilities, and other traffic reduction strategies. [New Policy for 2015-2035 GP]
- C-4.2: Support local and multi-jurisdictional car-sharing and bike-sharing programs. [New Policy for 2015-2035 GP]
- C-4.3: Consider implementing park-once approaches for multiuse districts and regional destinations areas. [New Policy for 2015-2035 GP]
- C-4.4: Embrace innovative parking solutions that reduce the required spaced needed for parking, such as automated parking lifts and elevators. [New Policy for 2015-2035 GP]
- C-4.5: Encourage and provide incentives for commercial, office, and industrial development to provide preferred parking for carpools, vanpools, electric vehicles, and flex cars. [New Policy for 2015-2035 GP]
- C-4.6: Encourage and support programs that increase vehicle occupancy, including the provision of traveler information, shuttles, preferential parking for carpools/vanpools, transit pass subsidies, and other methods. [New Policy for 2015-2035 GP]
- C-4.7: Promote the combination of TDM measures as much more effective than any single measure. [New Policy for 2015-2035 GP]
- C-4.8: Require discussion of transportation system management (TSM) and TDM measures in all EIRs prepared for major projects. [2000 GP Policy Policy CIR-2D.5]
- C-4.9: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use. [2000 GP Policy CIR-1A.8]
- C-4.10: Allow the application of transportation management rideshare programs, integration of complementary land uses, and other methods to reduce project related average daily and peak hour vehicle trips to achieve consistency with allocated trip budgets. [2000 GP Policy CIR-1A.10]

Objective C-4B: Promote regional and local transit services as an alternative to automobile travel. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-4.11: Ensure that roadways designated as transit routes can accommodate transit vehicle circulation and convenient pedestrian access to and from transit stops. [2000 GP Policy CIR-1A.11 – Modified for 2015-2035 GP]
- C-4.12: Review all capital improvement projects to ensure improvements located on existing and planned transit routes include modification of street, curb, and sidewalk configurations to allow for easier and more efficient transit operations and improved passenger access. [New Policy for 2015-2035 GP]

- C-4.13: Provide transit stop amenities that facilitate access to and from transit stops and transfer locations. These may include pedestrian pathways approaching stops, high-quality benches and shelters, traveler information systems (real-time transit arrival information), and bike storage and bicycle connections. Bus stops should accommodate timed transfers between buses and other transit services where necessary. [New Policy for 2015-2035 GP]
- C-4.14: Encourage new development along major transit corridors to provide efficient and safe access to transit stops and public sidewalks. [New Policy for 2015-2035 GP]
- C-4.15: Support and participate with OCTA ACCESS Service in providing transportation assistance to senior citizens and the disabled. [New Policy for 2015-2035 GP]
- C-4.16: Consult with OCTA for transit services, such as changes to bus routes, bus stops, and hours of operation. Additionally, coordinate with OCTA for changes to transit services provided for seniors, the disabled, and transit dependent populations. [New Policy for 2015-2035 GP]
- C-4.17: Consult with the Newport-Mesa Unified School District to maintain school bus services provided for local schoolchildren. [New Policy for 2015-2035 GP]
- C-4.18: Coordinate with OCTA to improve transit services in the City, including strategies such as bus rapid transit, express services, community circulators, and other strategies. [New Policy for 2015-2035 GP]
- C-4.19: Encourage new local transit programs in coordination with OCTA, consisting of shuttle services to local and regional destinations. [New Policy for 2015-2035 GP]
- C-4.20: Coordinate with OCTA to construct bus turnouts at appropriate locations, with attractive shelters designed for safe and comfortable use. [2000 GP Policy CIR-2B.1]
- C-4.21: Require discussion of transit service needs and site design amenities for transit ridership in EIR for major projects. [2000 GP Policy CIR-2D.4]

Goal C-5:

Ensure Coordination between the Land Use and Circulation Systems

Facilitate close coordination between development of land use and circulation system. [2000 GP Goal CIR-2 – Modified for 2015-2035 GP]

Objective C-5A: Coordinate land use policies and development activities that support a sustainable transportation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-5.1: Ensure that new development projects are consistent with the vehicular trip budgets, where adopted. [New Policy for 2015-2035 GP]
- C-5.2: Require that large developments and redevelopments provide short-term and long-term vehicular traffic impact studies. [New Policy for 2015-2035 GP]
- C-5.3: Encourage permitted General Plan land uses which generate high traffic volumes to be located near major transit and transportation corridors to minimize vehicle use, congestion, and delay. [2000 GP Policy CIR-1A.9]
- C-5.4: Maintain balance between land use and circulation systems by phasing new developments to levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project. [2000 GP Policy GM-1A.2 and Policy CIR-1A.16]

- C-5.5: Promote development of mixed-use projects to reduce number of vehicle trips. [New Policy for 2015-2035 GP]
- C-5.6: Coordinate the design and improvement of pedestrian and bicycle ways in major residential, shopping and employment centers, parks, schools, other public facilities, public transportation facilities, and bicycle networks with adjacent cities. [2000 GP Policy CIR-1A.3]
- C-5.7: Require dedication of right-of-way, in an equitable manner, for development that increases the intensity of land use. [2000 GP Policy CIR-1A.6]
- C-5.8: Minimize circulation improvements that will necessitate the taking of private property on existing developed properties. [2000 GP Policy CIR-1A.19]
- C-5.9: Require that circulation necessary to provide or attain the minimum traffic level of service standard at an intersection to which a development project contributes measurable traffic be completed within three years of issuance of the first building permit for such development project, unless additional right-of-way or coordination with other government agencies is required to complete the improvement. Improvements may be required sooner if, because of extraordinary traffic generation characteristics of the project or extraordinary impacts to the surrounding circulation system, such improvements are necessary to prevent significant adverse impacts. [2000 GP Policy CIR-2D.1]
- C-5.10: Allow for construction of circulation improvements for a phased development project to be constructed commensurate with the project construction, based upon the findings of a traffic study approved by the City of Costa Mesa. [2000 GP Policy CIR-2D.2]
- C-5.11: Maintain balance between land use and circulation systems by phasing new development to levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project. [2000 GP Policy GM-1A.2 and Policy CIR-1A.16]
- C-5.12: Support consistency with the Orange County Sustainable Communities Strategy (OC SCS) and SCAG RTP/SCS by providing an integrated land use and transportation plan to meet mandated emissions reduction targets consistent with SB 375. [New Policy for 2015-2035 GP]
- Objective C-5B:** Establish strategies and processes that allow large developments to analyze and mitigate traffic impacts and infrastructure needs. [2000 GP Objective CIR-2D – Modified for 2015-2035 GP]
- C-5.13: Require that new development projects improve access to and accommodations for multimodal transportation. [New Policy for 2015-2035 GP]
- C-5.14: Require developers of new building and redevelopment/reuse projects as part of the project development review process that are located along bus routes to pay a designated fair share of the cost of providing improved bus stop facilities and related street furniture or, where appropriate, dedicate land for improved bus stop facilities. [New Policy for 2015-2035 GP]
- C-5.15: Consider the needs of the transportation and infrastructure system early for large developments and coordinate with developers to design projects that minimize traffic impacts and infrastructure demands, and implement complete streets wherever feasible. Alternatively, address transportation and infrastructure system impacts through the implementation of development agreements. [New Policy for 2015-2035 GP]

Goal C-6:

Fund and Evaluate the City's Transportation Network

Explore opportunities to secure funding for enhancing the circulation system. [New Goal for 2015-2035 GP]

Objective C-6A: Pursue funding sources to maintain and enhance the transportation and infrastructure system. [2000 GP Objective CIR-2C – Modified for 2015-2035 GP]

- C-6.1: Evaluate traffic collision data regularly, and identify top collision locations for automobiles, bicycles, pedestrians, transit in Costa Mesa. Develop appropriate countermeasures and pursue funding from all available sources to implement them. [New Policy for 2015-2035 GP]
- C-6.2: Continue to develop and maintain long-range capital improvement programs consistent with the General Plan and M2 eligibility requirements. [New Policy for 2015-2035 GP]
- C-6.3: Coordinate with OCTA to fund, develop, and maintain a Master Plan of Streets and Highways consistent with the Master Plan of Arterial Highways (MPAH). [New Policy for 2015-2035 GP]
- C-6.4: Require a locally collected and administered traffic mitigation fee program to guarantee that new development pays for its fair share toward improvements resulting in reductions in air pollutant and GHG emissions and traffic impacts generated by the development. [New Policy for 2015-2035 GP]
- C-6.5: Actively pursue local, State, and federal funding to implement, maintain, and evaluate the transportation and infrastructure system. [New Policy for 2015-2035 GP]
- C-6.6: Supplement funding from annual fees or assessments on existing and new development with grants and other nonlocal sources. [New Policy for 2015-2035 GP]
- C-6.7: Develop strategies to implement an infrastructure and transportation system to be consistent with State policies on resiliency and sustainability. [New Policy for 2015-2035 GP]
- C-6.8: Amend the General Plan, if necessary, to be responsive to evolving funding requirements and to comply with State and federal regulations affecting the goals and policies of the Circulation Element. [New Policy for 2015-2035 GP]
- C-6.9: Coordinate with OCTA and Caltrans to seek funding and implementation solutions to improve Newport Boulevard at the terminus of the State Route 55 freeway to relieve congestion from regional traffic. [2000 GP Policy CIR-2A.1 Modified for 2015-2035 GP]
- C-6.10: Review the City's transportation impact fee program on a regular basis, and adjust fees as needed to ensure that funding is available for planned transportation improvements that will benefit all travel modes. [New Policy for 2015-2035 GP]
- C-6.11: Prioritize funding and timing for implementing transportation improvements. Consider prioritizing multimodal projects that provide the most benefit to all users. [New Policy for 2015-2035 GP]
- C-6.12: Require that every new development project pay its share of costs associated with the mitigation of project generated impacts. [New Policy for 2015-2035 GP]

- C-6.13: Measure M2 sales tax revenues shall not be used to replace private funding which has been committed for any project. [2000 GP Policy GM-1A.5 – Modified for 2015-2035 GP]
- C-6.14: The City's seven-year capital improvement program shall be adopted and maintained in conformance with the provisions of Measure M2 for the purpose of maintaining the established level of service standard. [2000 GP Policy GM-1A.6 – Modified for 2015-2035 GP]
- C-6.15: Maintain a traffic impact fee for circulation system improvements to the Master Plan of Streets and Highways; review and update fees on a regular basis. [2000 GP Policy GM-1A.4 AND Policy CIR-2D.3 – Modified for 2015-2035 GP]
- Objective C-6B:** Evaluate the transportation system to ensure that it meets the City's circulation goals. [2000 GP Objective CIR-2A – Modified for 2015-2035 GP]
- C-6.16: Provide an annual Capital Improvement Program General Plan consistency report. [New Policy for 2015-2035 GP]
- C-6.17: Provide annual public review of implementation status reports of goals, policies, and objectives stated in the Circulation Element. [New Policy for 2015-2035 GP]
- C-6.18: Adopt and seek out methods and processes that provide appropriate and accurate data for evaluating the performance of the transportation and infrastructure system. [New Policy for 2015-2035 GP]

Goal C-7:

Promote a Friendly Active Transportation System in Costa Mesa

Create a bicycle and pedestrian friendly environment throughout Costa Mesa for all types of users and all trip purposes in accordance with the five "Es:" Education, Encouragement, Enforcement, Engineering, and Evaluation. [New Goal for 2015-2035 GP]

The following recommendations are aimed at providing the maximum flexibility in meeting the goals and policies in this Circulation Element.

Bikeways and Pedestrian Paths

Objective C-7A: Expand, enhance, and protect the existing bicycle and pedestrian network to provide a comprehensive, system of Class I, Class II, Class III, and Class IV facilities to increase connectivity between homes, jobs, schools transit, and recreational resources in Costa Mesa. [New Objective for 2015-2035 GP]

- Recommendation C-7.1: Develop an extensive bicycle and pedestrian backbone network through the use of standard and appropriate innovative treatments. [New Policy for 2015-2035 GP]
- Recommendation C-7.2: Plan and install new bicycle lanes on Major Arterials, where feasible and appropriate. [New Policy for 2015-2035 GP]
- Recommendation C-7.3: Plan and install shared lane markings ("sharrows") and signage on appropriate existing and planned bicycle routes where bicycle lane implementation is demonstrated to be infeasible. [New Policy for 2015-2035 GP]
- Recommendation C-7.4: Where feasible, Class I shared-use paths should be a priority for future developments. [New Policy for 2015-2035 GP]

- Recommendation C-7.5: Plan and install new shared-use paths in utility corridors and/or along flood control channels, and extend existing bicycle and shared-use paths. [New Policy for 2015-2035 GP]
- Recommendation C-7.6: Plan and complete north/south multi-purpose and bicycle routes through the City to augment the east/west route. [New Policy for 2015-2035 GP]
- Recommendation C-7.7: Consider the identification and feasibility of potential Class IV cycle tracks. [New Policy for 2015-2035 GP]
- Recommendation C-7.8: When feasible, implement the completion through regional coordination of the Costa Mesa roadway and trail segments of regional bikeway plans. [New Policy for 2015-2035 GP]
- Recommendation C-7.9: Encourage reallocation of roadway rights-of-way where appropriate to accommodate shared-use path and bicycle facilities, while preserving and respecting the character of each adjacent neighborhood. [New Policy for 2015-2035 GP]
- Recommendation C-7.10: Support bicycle improvement projects that close gaps in the regional bicycle network either by implementing specific projects recommended in the Plan or through other treatments. [New Policy for 2015-2035 GP]
- Recommendation C-7.11: Encourage bicycle projects that connect local facilities and neighborhoods to major bicycle corridors. [New Policy for 2015-2035 GP]
- Recommendation C-7.12: Work cooperatively with adjoining jurisdictions and local/regional agencies to coordinate bicycle planning, and implementation activities. Where required, develop consistent active transportation plans and policies with regional and adjacent agencies. [New Policy for 2015-2035 GP]
- Recommendation C-7.13: Prioritize safe access to major regional trails such as the OC Loop/Santa Ana River Trail and the Newport Back Bay Trail System. Where feasible, plan and provide a continuous low-stress Class I and/or Class IV facility from east to west across the city between these facilities. [New Policy for 2015-2035 GP]
- Recommendation C-7.14: Explore favorable opportunities to remove parking to accommodate bicycle lanes. [New Policy for 2015-2035 GP]
- Recommendation C-7.15: Identify favorable opportunities to retain parallel parking adjacent to sidewalks to maintain pedestrian safety. [New Policy for 2015-2035 GP]
- Recommendation C-7.16: Consider every street in Costa Mesa as a street that cyclists could use. [New Policy for 2015-2035 GP]
- Recommendation C-7.17: Link on-road and off-road bicycle and pedestrian facilities within Costa Mesa to existing and planned facilities in adjacent and regional jurisdictions. [New Policy for 2015-2035 GP]

- Recommendation C-7.18: Low-stress design techniques should be considered where necessary to attract a wide variety of users. [New Policy for 2015-2035 GP]
- Recommendation C-7.19: Establish designated safe routes to schools for biking and walking. [New Policy for 2015-2035 GP]
- Recommendation C-7.20: Designate walkable districts in the City. [New Policy for 2015-2035 GP]

Bike and Pedestrian Facilities

Objective C-7B: Provide end-of-trip facilities that support the bicycle network. [New Objective for 2015-2035 GP]

- Recommendation C-7.21: Provide bike parking and bike-related amenities at public facilities and along public rights-of-way. [New Policy for 2015-2035 GP]
- Recommendation C-7.22: Pursue public-private partnerships to furnish local businesses with secure bike parking and other related amenities. [New Policy for 2015-2035 GP]
- Recommendation C-7.23: Develop and adopt bicycle parking equipment standards for bicycle parking to be installed within the public right-of-way and post on the City website. [New Policy for 2015-2035 GP]
- Recommendation C-7.24: Work with local schools and colleges to provide ample and secure bike parking and other related amenities for students and employees. [New Policy for 2015-2035 GP]
- Recommendation C-7.25: Work with OCTA to maximize bicycle amenities, such as bus stop solar lighting and bicycle lockers, at high-volume transit stops. [New Policy for 2015-2035 GP]
- Recommendation C-7.26: Prioritize the installation of bicycle-scale and/or pedestrian-scale lighting. [New Policy for 2015-2035 GP]
- Recommendation C-7.27: Encourage and incentivize providing attended bicycle parking services, such as a bicycle valet, at major City events, OC Fair, Farmers' Markets, holiday festivals, and other community events. [New Policy for 2015-2035 GP]
- Recommendation C-7.28: Prioritize schools with the highest auto traffic volume during peak hours and insufficient parking for staff and parents. Plan and install bicycle facilities adjacent those schools. [New Policy for 2015-2035 GP]
- Recommendation C-7.29: Provide bike parking and bike-related amenities at public facilities and along public right-of-way. [New Policy for 2015-2035 GP]

“First and Last Mile” Programs

- Objective C-7C:** Encourage sustainable modes of transportation to fill gaps between the first and last miles of trips (walking, biking, ride sharing, transit, taxi and car-sharing). [New Objective for 2015-2035 GP]
- Recommendation C-7.30: Identify citywide infrastructure needed to create the interconnected multi-trail system. [New Policy for 2015-2035 GP]
- Recommendation C-7.31: Improve the quality, aesthetics, and safety of high-use pedestrian corridors. [New Policy for 2015-2035 GP]
- Recommendation C-7.32: Development and implement a bicycle sharing system. [New Policy for 2015-2035 GP]
- Recommendation C-7.33: Proposed new mode split goals:
- 50 percent motor vehicles
 - 10 percent transit
 - 10 percent bicycles
 - 20 percent walking
 - 10 percent carpools, taxi, transportation network company services, and car sharing [New Policy for 2015-2035 GP]
- Recommendation C-7.34: Establish a goal for all trips of less than three miles to be 30 percent by bicycle, and establish a goal of less than 1 mile to be 30 percent by walking. [New Policy for 2015-2035 GP]
- Recommendation C-7.35: Consider implementing a small-scale transportation system to encourage mode shift to popular destinations as defined by users. [New Policy for 2015-2035 GP]

Goal C-8:

Create a Safer Place to Walk and Ride a Bicycle

Provide a safe, convenient, and attractive bicycling and pedestrian environment. Apply design standards, enforcement of traffic laws, maintenance practices, and safety awareness campaigns to encourage and increase the use of bicycle and pedestrian facilities. [New Goal for 2015-2035 GP]

Design and Way-finding

- Objective C-8A:** Develop bicycle and pedestrian facilities with approved uniform design standards, and implementation of way-finding signage providing information on various destinations. [New Objective for 2015-2035 GP]
- Recommendation C-8.1: Require that all facilities be designed in accordance with the latest federal, state, and local standards. [New Policy for 2015-2035 GP]
- Recommendation C-8.2: Provide and maintain bicycle and pedestrian signal detectors, informational signage, and lighting, along City bikeways. [New Policy for 2015-2035 GP]

- Recommendation C-8.3: Develop, install and maintain a bicycle and pedestrian way-finding signage program to indicate route turns, the presence of intersecting bikeways, streets and distances to nearby local and major destinations. [New Policy for 2015-2035 GP]
- Recommendation C-8.4: Develop a list of acceptable plant materials for shared use paths that will not damage, create security problems or hazards for bicyclists. Incorporate canopy trees and native, drought-tolerant landscaping as a standard Class I facility (shared use path) feature. Encourage the use of sustainable drainage designs, such as bio-swailes. [New Policy for 2015-2035 GP]
- Recommendation C-8.5: Utilize Complete Streets elements as demonstrated in most recent versions of National Association of City Transportation Officials (NACTO) Urban Street Design Guide and Bikeway Design Guide. [New Policy for 2015-2035 GP]
- Recommendation C-8.6: Crosswalks will include high visibility crossing treatments. [New Policy for 2015-2035 GP]
- Recommendation C-8.7: Paint direction arrows on all bike lanes and bike paths to reduce the risk of collisions. [New Policy for 2015-2035 GP]

Safety Enforcement and Reporting

Objective C-8B: Continue and expand enforcement activities that enhance safety of bicyclists on bike paths and roadways. [New Objective for 2015-2035 GP]

- Recommendation C-8.8: Enforce laws that reduce bicycle/pedestrian/motor vehicle incidents and conflicts. [New Policy for 2015-2035 GP]
- Recommendation C-8.9: Train police officers on bicyclists' rights and responsibilities and bicycle/pedestrian/vehicle collision evaluation. [New Policy for 2015-2035 GP]
- Recommendation C-8.10: Utilize the City's bicycle-mounted patrol officer program to educate and enforce pedestrian and bicycle user violations not necessarily to punish, but to correct. [New Policy for 2015-2035 GP]
- Recommendation C-8.11: Promote efficient reporting mechanisms for behaviors that endanger cyclists and pedestrians. [New Policy for 2015-2035 GP]
- Recommendation C-8.12: Develop a partnership with the school community to establish and update suggested routes to schools for biking and walking. [New Policy for 2015-2035 GP]

Safe Roadway Conditions

Objective C-8C: Maintain bicycle and pedestrian facilities that are clear of debris and provide safe conditions for all users. [New Objective for 2015-2035 GP]

- Recommendation C-8.13: Establish routine maintenance schedule/standards for bicycle and pedestrian facilities such as sweeping, litter removal, landscaping, repainting of striping, signage, and signal actuation devices. [New Policy for 2015-2035 GP]

- Recommendation C-8.14: Encourage and empower citizens to report maintenance issues that impact bicyclist and pedestrian safety including, but not limited to, potholes, sidewalk lifting, and overgrown vegetation. [New Policy for 2015-2035 GP]
- Recommendation C-8.15: Establish procedures for responding to citizen reports in a timely manner. [New Policy for 2015-2035 GP]
- Recommendation C-8.16: Where feasible, reduce or eliminate conflict points such as driveways that cross the sidewalk. [New Policy for 2015-2035 GP]

Safety Education

Objective C-8D: Increase education of bicycle and pedestrian safety through programs and training of school children and the public. [New Objective for 2015-2035 GP]

- Recommendation C-8.17: Create, fund, and implement bicycle-safety curricula and provide to the public, tourists, various ethnic groups, diverse ages and disadvantaged communities. [New Policy for 2015-2035 GP]
- Recommendation C-8.18: Provide multilingual bicycle-safety maps and brochures (print and electronic versions) in languages that are widely used in Costa Mesa. [New Policy for 2015-2035 GP]
- Recommendation C-8.19: Encourage schools to develop and provide bicycle-safety curricula for use in elementary, middle, and high schools, such as the Bicycle Rodeo events. [New Policy for 2015-2035 GP]
- Recommendation C-8.20: Support marketing and public awareness campaigns aimed at improving bicycle and pedestrian safety. [New Policy for 2015-2035 GP]
- Recommendation C-8.21: Provide a user education program developed and promoted to encourage proper trail use and etiquette. [New Policy for 2015-2035 GP]
- Recommendation C-8.22: Work with local bicycle advocacy organizations to develop, promote and support a series of bicycle education classes. Include information on bicycle safety, maintenance, and security. [New Policy for 2015-2035 GP]
- Recommendation C-8.23: Develop and distribute education material regarding bicycle and pedestrian responsibilities and laws. [New Policy for 2015-2035 GP]

Safety Data

Objective C-8E: Monitor and analyze bicycle and pedestrian safety. [New Objective for 2015-2035 GP]

- Recommendation C-8.24: Request bicycle and pedestrian collision reports from local law enforcement periodically and consider improvements to address problem areas. [New Policy for 2015-2035 GP]

- Recommendation C-8.25: Establish an expedited process to report maintenance and safety concerns, e.g. pavement markings (sharrows, missing bike lane lines), ramps, curb cut-outs, broken walk/bike signal buttons, signage, minor maintenance of bike lanes/paths (street/path sweeping, minor surface patching, inoperable traffic signal bicycle detection). [New Policy for 2015-2035 GP]
- Recommendation C-8.26: Conduct Roadside Safety Audits (RSAs) on a regular basis to provide periodic snapshots of roadway safety, including bicycle, pedestrian, equestrian, skateboard, and other non-motorized modes of travel. [New Policy for 2015-2035 GP]

Goal C-9:

Integrate Active Transportation Elements into Circulation System and Land Use Planning

Provide bikeway and walkway facilities that are integrated with other transportation systems and land use planning decisions. [New Goal for 2015-2035 GP]

Land Use Planning Decisions and Active Transportation

Objective C-9A: Consider bicycle and pedestrian facilities during land use planning process. [New Objective for 2015-2035 GP]

- Recommendation C-9.1: Incorporate the Costa Mesa Bicycle and Pedestrian Master Plan into the City's General Plan. [New Policy for 2015-2035 GP]
- Recommendation C-9.2: Ensure that all current and proposed land use planning is consistent with the Costa Mesa Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]
- Recommendation C-9.3: Require new developments provide adequate bicycle parking and pedestrian access. [New Policy for 2015-2035 GP]
- Recommendation C-9.4: Collaborate with property owners to increase bicycle parking over time. [New Policy for 2015-2035 GP]
- Recommendation C-9.5: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use. [New Policy for 2015-2035 GP]
- Recommendation C-9.6: Provide a fully integrated network of modern active transportation facilities to and from major activity centers and residential centers. [New Policy for 2015-2035 GP]
- Recommendation C-9.7: Identify areas where an increase in the need for active transportation can reasonably be anticipated due to housing/business growth. [New Policy for 2015-2035 GP]
- Recommendation C-9.8: Make commercial and recreational areas more enjoyable for pedestrians by implementing measures such as providing shade, planting trees, eliminating visible parking lots and vacant land, and minimizing long stretches of building façade. [New Policy for 2015-2035 GP]
- Recommendation C-9.9: Develop creative, artistic, and functional bicycle parking solutions, and install them throughout the City as a standard. [New Policy for 2015-2035 GP]

Active Transportation in Developments

Objective C-9B: Integrate bicycle and pedestrian facility improvements during planning, design and implementation of transportation projects. [New Objective for 2015-2035 GP]

- Recommendation C-9.10: Promote the preservation of bicycle access within all roadway rights-of-way, as well as the development of innovative, safety-enhanced on-street facilities, such as bicycle boulevards and cycle tracks. [New Policy for 2015-2035 GP]
- Recommendation C-9.11: Establish bike boulevards on streets with low traffic volumes and slow speeds to encourage bicycling. [New Policy for 2015-2035 GP]
- Recommendation C-9.12: Proactively seek new opportunities for acquisition of abandoned rights-of-way and other lands for the development of new multi-use pathways that integrate with the planned network. [New Policy for 2015-2035 GP]
- Recommendation C-9.13: Improve the safety of all road users through the implementation of neighborhood traffic-calming treatments. [New Policy for 2015-2035 GP]
- Recommendation C-9.14: Detours through or around construction zones should be designed for safety and convenience, and with adequate signage for cyclists and pedestrians. [New Policy for 2015-2035 GP]
- Recommendation C-9.15: Provide opportunity for public input prior to the removal of an existing bicycle or pedestrian facility or the approval of any development or street improvement that would preclude these planned facilities. [New Policy for 2015-2035 GP]

Goal C-10:

Promote an Active Transportation Culture

Develop educational and promotional programs to increase bicycle and pedestrian usage that respects and accommodates all users to foster a more balanced transportation system. [New Goal for 2015-2035 GP]

An Active Transportation Culture

Objective C-10A: Encourage more people to walk and bicycle by supporting programs that foster community support for bicycling and walking, and raise public awareness about active transportation. [New Objective for 2015-2035 GP]

- Recommendation C-10.1: Support marketing and public awareness campaigns through a variety of media aimed at promoting bicycling and walking as a safe, healthy, cost-effective, environmentally friendly transportation choice. [New Policy for 2015-2035 GP]
- Recommendation C-10.2: Support programs aimed at increasing bicycle and walk trips by providing incentives, recognition, or services that make bicycling and walking a more convenient transportation mode. [New Policy for 2015-2035 GP]

- Recommendation C-10.3: Promote bicycling and walking at City-sponsored and public events, such as Earth Day, Bike to Work Day/Month, farmers' markets, public health fairs, art walks, craft fairs, and civic events. [New Policy for 2015-2035 GP]
- Recommendation C-10.4: Encourage and promote bicycle related businesses within Costa Mesa including, but not limited to, involvement of civic clubs and organizations. [New Policy for 2015-2035 GP]
- Recommendation C-10.5: Promote active transportation events in Costa Mesa to raise awareness and encourage bicycling, including, but not limited to, those that may involve temporary road closures, bike to work/school, senior walks, historic walks, and ciclovías. [New Policy for 2015-2035 GP]
- Recommendation C-10.6: Encourage major employment centers and employers to promote commuting by bicycle including the use of flex-time work schedules to support non-rush bicycle commuting. Build a coalition with City, businesses, schools, and residents to promote active transportation. [New Policy for 2015-2035 GP]
- Recommendation C-10.7: Encourage participation in bicycle and pedestrian promotion activities by education facilities, arts programs, active transportation clubs, and entertainment providers. [New Policy for 2015-2035 GP]
- Recommendation C-10.8: Achieve "Silver Level Bicycle Friendly Community" by League of American Bicyclists by 2025. [New Policy for 2015-2035 GP]
- Recommendation C-10.9: Achieve "Walk Friendly Community" status from WalkFriendly.org by 2025. [New Policy for 2015-2035 GP]
- Recommendation C-10.10: Achieve "HEAL City" designation by 2017. [New Policy for 2015-2035 GP]

Goal C-11:

Promote the Positive Air Quality, Health, and Economic Benefits of Active Transportation

Encourage active transportation by promoting air quality, health, and economic benefits, and by pursuing multiple sources of funding for active transportation programs and facilities. [New Goal for 2015-2035 GP]

Improving the Environment with Active Transportation

Objective C-11A: Improve air quality and public health and reduce ambient noise by promoting Active Transportation programs. [New Objective for 2015-2035 GP]

- Recommendation C-11.1: Determine baseline emissions levels, then track and communicate changes in emissions as modes of transportation trips shift to encourage more walking and biking. [New Policy for 2015-2035 GP]
- Recommendation C-11.2: Improve the quality of life in Costa Mesa by reducing neighborhood traffic and noise. [New Policy for 2015-2035 GP]

- Recommendation C-11.3: Increase pedestrian and bicycle trips, thereby reducing vehicle trips and vehicle miles Traveled. [New Policy for 2015-2035 GP]
- Recommendation C-11.4: Coordinate with appropriate federal, state, and county health agencies on active transportation programs to achieve health benefits. [New Policy for 2015-2035 GP]

Economic and Other Incentives

Objective C-11B: Provide economic incentives for expanding and enhancing bicycle and pedestrian facilities. [New Objective for 2015-2035 GP]

- Recommendation C-11.5: Incentivize the business community to support pedestrians and bicycle users in tangible ways. [New Policy for 2015-2035 GP]
- Recommendation C-11.6: Partner with the business and school communities to create a marketing strategy to encourage individual businesses to market Costa Mesa as a bicycle-friendly City. [New Policy for 2015-2035 GP]
- Recommendation C-11.7: Encourage developers to include features, amenities and programs that are proven to increase walking and/or bicycling. [New Policy for 2015-2035 GP]
- Recommendation C-11.8: Offer incentives for businesses whose employees walk or bike to work. [New Policy for 2015-2035 GP]
- Recommendation C-11.9: Encourage the Chamber of Commerce and the business community to promote active transportation in commercial areas to stimulate economic vitality. [New Policy for 2015-2035 GP]

Goal C-12:

Monitor, Evaluate, and Pursue Funding for Implementation of the Bicycle and Pedestrian Master Plan. [New Goal for 2015-2035 GP]

Objective C-12A: Continuously monitor and evaluate Costa Mesa's implementation progress on the Bicycle and Pedestrian Master Plan policies, programs, and projects. [New Objective for 2015-2035 GP]

- Recommendation C-12.1: Establish a monitoring program to measure the effectiveness and benefits of the Costa Mesa Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]
- Recommendation C-12.2: Track citywide trends in active transportation through the use of Census data, bicycle and pedestrian counts, travel surveys, and online surveys as part of annual reviews of the General Plan. [New Policy for 2015-2035 GP]
- Recommendation C-12.3: Ensure that Bicycle and Pedestrian Master Plan programs and projects are implemented in an equitable manner geographically, socioeconomically, and serving disadvantaged communities. [New Policy for 2015-2035 GP]

Fund the Plans

Objective C-12B: Pursue grants and other sources of funding for bicycle and pedestrian projects. [New Objective for 2015-2035 GP]

Recommendation C-12.4: Strategize use of resources on developing effective and efficient grant application and program administration. [New Policy for 2015-2035 GP]

Recommendation C-12.5: Pursue multiple sources of funding and support efforts to maintain or increase federal, state and local funding for the implementation of the Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]

Recommendation C-12.6: Consider designating a portion of development traffic impact fees to fund bicycle and pedestrian facilities. [New Policy for 2015-2035 GP]

Growth Management Elements

The goals, objectives, and policies that address growth management are as follows:

Goal GM-1:

Inter-jurisdictional Coordination [New Goal for 2015-2035 GP]

Objective GM-1A: Coordinate land use and transportation planning policies with State, regional, and local growth management efforts. [New Objective for 2015-2035 GP]

- GM-1.1: Cooperate with the Orange County Transportation Authority (OCTA) and other jurisdictions on development, all future regional transportation plans, and land use planning on a countywide basis. [New Policy for 2015-2035 GP]
- GM-1.2: Coordinate population, housing, and employment projections with the State Department of Finance, Southern California Association of Governments, Center for Demographic Research, Newport-Mesa Unified School District, and County of Orange agencies in terms of infrastructure planning. [New Policy for 2015-2035 GP]
- GM-1.3: Work with inter-jurisdictional forums such as the City-County Coordinating Committee to make sure that the City's fees are consistent with minimally acceptable impact fees in the region. [New Policy for 2015-2035 GP]
- GM-1.4: Participate in inter-jurisdictional planning forums to discuss implementation of traffic improvements, cooperative land use planning, and appropriate mitigation measures for developments with multijurisdictional impacts. [New Policy for 2015-2035 GP]
- GM-1.5: Continue to require that any new large developments prepare a master plan and environmental impact analysis. This allows the City to anticipate the impacts of large projects prior to development of any portion and permits more time to plan for public services and facilities needed to support the project. [New Policy for 2015-2035 GP]

Goal GM-2:

Integration of Land Use and Transportation Planning [2000 GP Goal GM-1 – Modified for 2015-2035 GP]

Objective GM-2A: Maintain the Level of Service standards by integration of land use and transportation planning. [2000 GP Objective GM-1A – Modified for 2015-2035 GP]

- GM-2.1: Ensure that land use designations are reflected in the sub-regional county model and SCAG's model through consistent assumptions and methodologies. [New Policy for 2015-2035 GP]
- GM-2.2: Coordinate with State, county, and local agencies for planning and construction of public utilities to minimize negative impacts on the circulation system. [New Policy for 2015-2035 GP]
- GM-2.3: Use the Development Phasing and Performance Monitoring Program to assess the impact of existing and new development on the circulation system. [New Policy for 2015-2035 GP]
- GM-2.4: Support uses and development which create synergistic relationships with neighboring uses and development, especially those whose addition does not create mutually exclusive additional vehicular trips but adds to the value of the destination by any potential visitor. [New Policy for 2015-2035 GP]
- GM-2.5: Support creative and flexible solutions that provide for additional economic or physical growth within the City but does not place greater impact on the circulation system. These would include shared parking agreements, offset hours of operation, and clustering of harmonious and supportive uses. [New Policy for 2015-2035 GP]

Housing Element

The goals and policies, from the adopted 2013-2021 Housing Element, that address housing are as follows:

Goal HOU-1:

Preservation and Enhancement

Preserve the availability of existing housing opportunities and conserve as well as enhance the quality of existing dwelling units and residential neighborhoods. [No Change]

- HOU-1.1: Develop standard and/or guidelines for new development with emphasis on site (including minimum site security lighting) and building design to minimize vulnerability to criminal activity. [No Change]
- HOU-1.2: Encourage existing stabilized residential neighborhoods, including but not limited to mobile home parks and manufactured home parks, from the encroachment of incompatible or potentially disruptive land uses and/or activities. [No Change]
- HOU-1.3: Actively enforce existing regulations regarding derelict or abandoned vehicles, outdoor storage, and substandard or illegal building and establish regulations to abate weed-filled yards when any of the above is deemed to constitute a health, safety or fire hazard. [No Change]
- HOU-1.4: Establish code enforcement as a high priority and provide adequate funding and staffing to support code enforcement programs. [No Change]
- HOU-1.5: Install and upgrade public service facilities (streets, alleys, and utilities) to encourage increased private market investments in declining or deteriorating neighborhoods. [No Change]
- HOU-1.6: Continue existing rehabilitation loan and grant programs for low and moderate-income homeowners as long as funds are available. [No Change]
- HOU-1.7: Minimize the displacement of existing residences due to public projects. [No Change]
- HOU-1.8: Encourage the development of housing that fulfills specialized needs. [No Change]

Goal HOU-2:

Preserving and Expanding Affordable Housing Opportunities

Provide a range of housing choices for all social and economic segments of the community, including housing for persons with special needs.

- HOU-2.1: Encourage concurrent applications (i.e., rezones, tentative tract maps, conditional use permits, variance request, etc.) if multiple approvals are required, and if consistent with applicable processing requirements. [No Change]
- HOU-2.2: Promote the use of State density bonus provisions to encourage the development of affordable housing for lower and moderate income households, as well as senior housing. [No Change]

- HOU-2.3: Provide incentive bonus units to encourage the redevelopment of residential units that are nonconforming in terms of density. The incentive shall be limited to the multi-family residential land use designations. The density incentive shall be limited to an increase of 25 percent above the Medium-Density or an increase of 50 percent above High-Density. In no case shall the resulting number of units exceed the existing number of units on each site. [No Change]
- HOU-2.4: Encourage developers to employ innovative or alternative construction methods to reduce housing costs and increase housing supply. [No Change]
- HOU-2.5: Continue membership in the Orange County Housing Authority to provide rental assistance to very low income households. [No Change]
- HOU-2.6: Provide clear rules, policies, and procedures, for reasonable accommodation in order to promote equal access to housing. Policies and procedures should be ministerial and include but not be limited to identifying who may request a reasonable accommodation (i.e., persons with disabilities, family-members, landlords, etc.), timeframes for decision-making, and provisions for relief from the various land-use, zoning, or building regulations that may constrain the housing for persons of disabilities. [No Change]
- HOU-2.7: Monitor the implementation of the City's ordinances, codes, policies, and procedures to ensure they comply with the "reasonable accommodation" for disable provisions and all fair housing laws. [No Change]

Goal HOU-3:

Provisions of Adequate Sites

Provide adequate, suitable sites for residential use and development or maintenance of a range of housing that varies sufficiently in terms of cost, design, size, location, and tenure to meet the housing needs of all segment of the community at a level that can be supported by infrastructure. [No Change]

- HOU-3.1: Encourage the conversion of existing marginal or vacant motels, commercial, and/or industrial land to residential, where feasible and consistent with environmental conditions that are suitable for new residential development. [No Change]
- HOU-3.2: Provide opportunities for the development of well planned and designed project which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project or neighborhood. [No Change]
- HOU-3.3: Cooperate with large employers, the Chamber of Commerce, and major commercial and industrial developers to identify and implement programs to balance employment growth with the ability to provide housing opportunities affordable to the incomes of the newly created job opportunities. [No Change]
- HOU-3.4: Consider the potential impact on housing opportunities and existing residential neighborhoods when reviewing rezone petitions affecting residential properties. [No Change]
- HOU-3.5: Encourage transit-oriented development along transportation corridors. [No Change]

Goal HOU-4:

Equal Housing Opportunity

Ensure that all existing and future housing opportunities are open and available to all social and economic segments of the community without discrimination on the basis of race, color, religion, sex, sexual orientation, disability/medical conditions, national origin or ancestry, marital status, age, household composition or size, source of income, or any other arbitrary factors. [No Change]

- HOU-4.1: Support the intent and spirit of equal housing opportunities as express in Federal and State fair housing laws. [No Change]
- HOU-4.2: Continue to provide fair housing and counseling services for all Costa Mesa residents in an effort to remove barriers and promote access to affordable housing in the City. [No Change]
- HOU-4.3: Encourage programs that address the housing needs of senior citizens. [No Change]
- HOU-4.4: Encourage and support the construction, maintenance and preservation of residential developments which will meet the needs of families and individuals with specialized housing requirements. [No Change]
- HOU-4.5: Encourage and support the construction, maintenance and preservation of residential developments to meet the needs of the developmentally disabled. [No Change]

Goal HOU-5:

Coordination and Cooperation

Coordinate local housing efforts with appropriate federal, state, regional, and local governments and/or agencies and to cooperate in the implementation of intergovernmental housing programs to ensure maximum effectiveness in solving local and regional housing problems. [No Change]

- HOU-5.1: Investigate alternative intergovernmental arrangements and program options to deal with area-wide housing issues and problems. [No Change]

Conservation Element

The goals, objectives, and policies that address conservation are as follows:

Goal CON-1:

Preserved and Restored Natural Coastal Habitat and Landforms

It is the goal of the City of Costa Mesa to provide residents with a high-quality environment through the conservation of resources, including land, water, wildlife, and vegetation; and the protection of areas of unique natural beauty. [2000 GP Goal CON-1]

Objective CON-1.A: Evaluate existing biotic resources and preserve them in ecologically viable and natural conditions, where possible; and/or restore and integrate these resources into the urban environment, where feasible. [2000 GP Objective CON-1A]

Habitat and Biological Resources Protection and Restoration

- CON-1.A.1: Natural habitat is essential to ensuring biodiversity and protecting sensitive biological resources. Protect these areas and consult with the California Department of Fish and Wildlife, Orange County Water District, Orange County Parks, and other regional agencies to identify areas for special protection, and establish appropriate protection measures for these areas. [2000 GP Policy CON-1A.1 – Modified for 2015-2035 GP]
- CON-1.A.2: Contribute to regional biodiversity and the preservation of rare, unique, and sensitive biological resources by maintaining functional wildlife corridors and habitat linkages. [New Policy for 2015-2035 GP]
- CON-1.A.3: Coordinate with the United States Fish and Wildlife service, the California Department of Fish and Wildlife, and other regulatory agencies to mitigate project impacts affecting open and natural spaces. [New Policy for 2015-2035 GP]
- CON-1.A.4: Promote and protect native plant species within Fairview Park, and remove and control the spread of invasive species, including plants, animals, and fungi. [New Policy for 2015-2035 GP]
- CON-1.A.5: Ensure that all future development is reviewed with regard to protecting natural topography and bluffs to preserve and enhance Costa Mesa's natural beauty. [New Policy for 2015-2035 GP]
- CON-1.A.6: Minimize soil depletion and erosion in development projects. Prevent erosion caused by construction activities, and encourage preservation of natural vegetation and topography. [New Policy for 2015-2035 GP]

Access to Large-Scale Natural Areas

- CON-1.A.7: Improve access to large-scale natural areas in the City. These areas should be open for controlled access to improve public enjoyment. Access should be limited where natural habitat is extremely sensitive. Work with transit agencies to improve connections and access to open space and recreation facilities from all Costa Mesa neighborhoods. [New Policy for 2015-2035 GP]
- CON-1.A.8: Require the provision of adequate visitor-serving on-site parking facilities that do not impact sensitive resources within the Coastal Zone. [2000 GP Policy CON-1D.4]
- CON-1.A.9: Coordinate the development of plans, policies, and design standards for projects within the Coastal Zone with appropriate local, regional, and federal agencies. [2000 GP Policy CON-1D.5]

Goal CON-2:

Conserved Natural Resources through Environmental Sustainability

Reduce the City's carbon footprints and manage resources wisely to meet the needs of a growing population and economy. Base community planning decisions on sustainable practices that reduce environmental pollutants, conserve resources, and minimize waste. Encourage the design of energy-efficient buildings, use renewable energy, and promote alternative methods of transportation. [2000 GP Goal CON-1]

Objective CON-2.A: Work to conserve energy resources in existing and new buildings, utilities, and infrastructure. [2000 GP Objective CON-1C]

Energy Efficiency and Conservation

- CON-2.A.1: Promote efficient use of energy and conservation of available resources in the design, construction, maintenance, and operation of public and private facilities, infrastructure, and equipment. [New Policy for 2015-2035 GP]
- CON-2.A.2: Consult with regional agencies and utility companies to pursue energy efficiency goals. Expand renewable energy strategies to reach zero net energy for both residential and commercial new construction. [New Policy for 2015-2035 GP]
- CON-2.A.3: Continue to develop partnerships with participating jurisdictions to promote energy efficiency, energy conservation, and renewable energy resource development by leveraging the abilities of local governments to strengthen and reinforce the capacity of energy efficiency efforts. [New Policy for 2015-2035 GP]
- CON-2.A.4: Encourage new development to take advantage of Costa Mesa's optimal climate in the warming and cooling of buildings, including use of heating, ventilation and air conditioning (HVAC) systems. [New Policy for 2015-2035 GP]

Green Building Sustainable Development Practices

- CON-2.A.5: Promote environmentally sustainable development principles for buildings, master planned communities, neighborhoods, and infrastructure. [New Policy for 2015-2035 GP]
- CON-2.A.6: Encourage construction and building development practices that reduce resource expenditures throughout the lifecycle of a structure. [New Policy for 2015-2035 GP]
- CON-2.A.7: Continue to require all City facilities and services to incorporate energy and resource conservation standards and practices and require that new municipal facilities be built within the LEED Gold standards or equivalent. [New Policy for 2015-2035 GP]
- CON-2.A.8: Continue City green initiatives in purchases of equipment, and agreements that favor sustainable products and practices. [New Policy for 2015-2035 GP]

Solid Waste Reduction and Recycling

- CON-2.A.9: Encourage waste management programs that promote waste reduction and recycling to minimize materials sent to landfills. Maintain robust programs encourage residents and businesses to reduce, reuse, recycle, and compost. [New Policy for 2015-2035 GP]

- CON-2.A.10 Support waste management practices that provide recycling programs. Promote organic recycling, landfill diversion, zero waste goals, proper hazardous waste collections, composting, and the continuance of recycling centers. [2000 GP Policy CON-1B.4 – Modified for 2015-2035 GP]
- CON-2.A.11 Continue construction and demolition programs that require recycling and minimize waste in haul trips. [New Policy for 2015-2035 GP]

Goal CON-3:

Improved Water Supply and Quality

Pursue a multijurisdictional approach to protecting, maintaining, and improving water quality and the overall health of the watershed. A comprehensive, integrated approach will ensure compliance with federal and State standards, and will address a range of interconnected priorities, including water quality and runoff; stormwater capture, storage, and flood management techniques that focus on natural drainage; natural filtration and groundwater recharge through green infrastructure and habitat restoration; and water recycling and conservation. [New Goal for 2015-2035 GP]

- Objective CON-3.A:** Work towards the protection and conservation of existing and future water resources by recognizing water as a limited resource that requires conservation. [2000 GP Objective CON-1B]

Water Supply

- CON-3.A.1: Continue to consult with local water districts and the Orange County Water District to ensure reliable, adequate, and high-quality sources of water supply at a reasonable cost. [2000 GP Policy CON-1B.3 – Modified for 2015-2035 GP]

Water Conservation

- CON-3.A.2: Encourage residents, public facilities, businesses, and industry to minimize water consumption, especially during drought years. [2000 GP Policy CON-1B.3 – Modified for 2015-2035 GP]
- CON-3.A.3: Restrict use of turf in new construction and landscape reinstallation that requires high irrigation demands, except for area parks and schools, and encourage the use of drought-tolerant landscaping. [2000 GP Policy 1A.2 – Modified for 2015-2035 GP]

Water Recycling

- CON-3.A.4: Consult with local water districts and the Orange County Water District to advance water recycling program for new and existing developments, including the use of treated wastewater to irrigate parks, golf courses, roadway landscaping, and other intensive irrigation consumers. [2000 GP Policy CON-1B.2 – Modified for 2015-2035 GP]

Water Quality and Urban Runoff

- CON-3.A.5: Work with public and private property owners to reduce stormwater runoff in urban areas to protect water quality in storm drainage channels, the Santa Ana River, and other local water courses that lead to the Pacific Ocean. [New Policy for 2015-2035 GP]
- CON-3.A.6: Continue to develop strategies to promote stormwater management techniques and storm drain diversion programs that collectively and naturally filter urban runoff. [2000 GP Policy CON-1E.5 – Modified for 2015-2035 GP]
- CON-3.A.7: Continue to comply with the National Pollutant Discharge Elimination System Program (NPDES) by participating in the Countywide Drainage Area Management Plan (DAMP), which stipulates water quality requirements for minimizing urban runoff and discharge from new development and requires

the provisions of applicable Best Management Practices (BMP). [2000 GP Policy CON-1A.3]

- CON-3.A.8: Require that all applicable development projects be reviewed with regards to requirements of both the on-site Water Quality Management Plan and State requirements for runoff and obtaining a Storm Water Pollution Prevention Plan (SWPPP) permit. [2000 GP Policy CON-1E.6 – Modified for 2015-2035 GP]

Municipal Sewer System

- CON-3.A.9: Continue to consult with the Costa Mesa Sanitation District and the Orange County Sanitation District to modernize wastewater treatment facilities to avoid overflows of untreated sewage. [New Policy for 2015-2035 GP]

Goal CON-4:

Improved Air Quality

Take steps to improve and maintain air quality for the benefit of the health and vitality of residents and the local economy. In alignment with State emissions reduction goals and in cooperation with the South Coast Air Quality Management District, pursue regional collaboration to reduce emissions from all sources. [New Goal for 2015-2035 GP]

- Objective CON-4.A:** Pursue the prevention of the significant deterioration of local and regional air quality. [2000 GP Objective CON-1E]

Air Quality

- CON-4.A.1: Support regional policies and efforts that improve air quality to protect human and environmental health, and minimize disproportionate impacts on sensitive population groups. [New Policy for 2015-2035 GP]
- CON-4.A.2: Encourage businesses, industries and residents to reduce the impact of direct, indirect, and cumulative impacts of stationary and non-stationary pollution sources. [New Policy for 2015-2035 GP]
- CON-4.A.3: Require that sensitive uses such as schools, childcare centers, parks and playgrounds, housing, and community gathering places are protected from adverse impacts of emissions. [New Policy for 2015-2035 GP]
- CON-4.A.4: Continue to participate in regional planning efforts with the Southern California Association of Governments, nearby jurisdictions, and the South Coast Air Quality Management District to meet or exceed air quality standards. [2000 GP Policy CON-1E.1]

Climate Change

- CON-4.A.5: Encourage compact development, infill development, and a mix of uses that are in proximity to transit, pedestrian, and bicycling infrastructures. [New Policy for 2015-2035 GP]
- CON-4.A.6: Enhance bicycling and walking infrastructure, and support public bus service, pursuant to the Circulation Element's goals, objectives, and policies. [New Policy for 2015-2035 GP]
- CON-4.A.7: Encourage installation of renewable energy devices for businesses and facilities and strive to reduce community-wide energy consumption. [New Policy for 2015-2035 GP]
- CON-4.A.8: Develop long-term, community-wide strategies and programs that work at the local level to reduce greenhouse gases and Costa Mesa's "carbon footprint". [New Policy for 2015-2035 GP]

Noise Element

The goals, objectives, and policies that address noise are as follows:

Goal N-1:

Noise Hazards and Conditions

The City of Costa Mesa aims to protect residents, local workers, and property from injury, damage, or destruction from noise hazards and to work toward improved noise abatement. [2000 GP Goal N-1]

Objective N-1A: Control noise levels within the City for the protection of residential areas, park areas, and other sensitive land uses from excessive and unhealthful noise. [2000 GP Objective N-1A]

- N-1.1: Enforce the maximum acceptable exterior noise levels for residential areas at 65 CNEL. [2000 GP Policy N-1A.2]
- N-1.2: Give full consideration to the existing and projected noise environment when considering alterations to the City's circulation system and Master Plan of Highways. [2000 GP Policy N-1A.3]
- N-1.3: Encourage Caltrans to construct noise attenuation barriers along I-405, SR-55, and SR-73 where these freeways adjoin residential and other noise-sensitive areas. [2000 GP Policy N-1A.4]
- N-1.4: Ensure that appropriate site design measures are incorporated into residential developments, when required by an acoustical study, to obtain appropriate exterior and interior noise levels.

When necessary, require field testing at the time of project completion to demonstrate compliance. [2000 GP Policy N-1A.5]
- N-1.5: Apply the standards contained in Title 24 of the California Code of Regulations as applicable to the construction of all new dwelling units. [2000 GP Policy CON-1C.2 and Policy N-1A.6]
- N-1.6: Discourage sensitive land uses from locating within the 65 CNEL noise contour of John Wayne Airport. Should it be deemed by the City as appropriate and/or necessary for a sensitive land use to locate in the 65 CNEL noise contour, ensure that appropriate interior noise levels are met and that minimal outdoor activities are allowed. [2000 GP Policy N-1A.7]
- N-1.7: Support alternative methods for the reduction of noise impacts at John Wayne Airport while continuing to maintain safety and existing limitations on aircraft daily departures. [2000 GP Policy N-1A.8]
- N-1.8: Monitor the noise levels at OC Fair and Event Center and the Pacific Amphitheater, and continue to monitor the status of legally binding noise levels on the OC Fair and the Event Center and the Pacific Amphitheater. [New Policy for 2015-2035 GP]

Goal N-2:

Noise and Land Use Compatibility

Integrate the known impacts of excessive noise on aspects of land use planning and siting of residential and non-residential projects. [New Goal for 2015-2035 GP]

Objective N-2A: Plan for the reduction in noise impacts on sensitive receptors and land uses. [New Objective for 2015-2035 GP]

- N-2.1: Require the use of sound walls, berms, interior noise insulation, double-paned windows, and other noise mitigation measures, as appropriate, in the design of new residential or other new noise sensitive land uses that are adjacent to arterials, freeways, or adjacent to industrial or commercial uses. [New Policy for 2015-2035 GP]
- N-2.2: Require, as a part of the environmental review process, that full consideration be given to the existing and projected noise environment. [2000 GP Policy N-1A.1]
- N-2.3: Consider alternative noise level standards for mixed-use projects that take into consideration the interaction of industrial operation noise impacts and the mixed-use developments planned for the Westside and SoBeca. [New Policy for 2015-2035 GP]
- N-2.4: Require that all proposed projects are compatible with adopted noise/land use compatibility criteria. [New Policy for 2015-2035 GP]
- N-2.5: Enforce applicable interior and exterior noise standards. [New Policy for 2015-2035 GP]
- N-2.6: Allow a higher exterior noise level standard for infill projects in existing residential areas adjacent to major arterials if it can be shown that there are no feasible mechanisms to meet the exterior noise levels. The interior standard of 45 dBA CNEL shall be enforced for any new residential project. [New Policy for 2015-2035 GP]
- N-2.7: Encourage effective site planning in mixed-use areas that provides the optimal distance between source of excessive sound and residents. [New Policy for 2015-2035 GP]
- N-2.8: Require new mixed-use developments to site loading areas, parking lots, driveways, trash enclosures, mechanical equipment, and other noise sources away from the residential portion of the development and adjacent established residential development. [New Policy for 2015-2035 GP]
- N-2.9: Limit hours and/or require attenuation of commercial/entertainment operations adjacent to residential and other noise sensitive uses in order to minimize excessive noise to these receptors. [New Policy for 2015-2035 GP]

Safety Element

The goals, objectives, and policies that address safety are as follows:

Goal S-1:

Risk Management of Natural and Human-Caused Disasters

Minimize the risk of injury, loss of life, property damage, and environmental degradation from seismic activity, geologic hazards, flooding, fire, and hazardous materials. Promote a sustainable approach to reduce impacts of natural disasters, such as flooding and fire. [2000 GP Goal SAF-1]

Objective S-1A: Work to mitigate and prevent potential adverse consequences of natural and human-caused disasters. [2000 GP Objective SAF-1A]

Geologic and Seismic Safety

- S-1.1: Continue to incorporate geotechnical hazard data into future land use decision-making, site design, and construction standards. [2000 GP Policy SAF-1A.1]
- S-1.2: Enforce standards, review criteria, and ensure that structures on or adjacent to bluffs are set back sufficiently to preserve the natural contours and aesthetic value of the bluff line and to provide sufficient access for fire protection. [2000 GP Policy SAF-1A.2]
- S-1.3: Require geologic surveys of all new development located on or adjacent to bluffs. [2000 GP Policy SAF-1A.3]
- S-1.4: Encourage retrofitting of structures—particularly older buildings—to withstand earthquake shaking and landslides consistent with State and historical building codes. [2000 GP Policy SAF-1A.6 – Modified for 2015-2035 GP]
- S-1.5: Enforce applicable building codes relating to the seismic design of structures to reduce the potential for loss of life and property damage. [New Policy for 2015-2035 GP]
- S-1.6: Identify through a study the issue of unreinforced masonry buildings and soft stories and other structures not meeting earthquake standards in Costa Mesa. Provide assistance if necessary to unreinforced masonry building owners once those buildings have been identified. [New Policy for 2015-2035 GP]

Liquefaction and Landslides

- S-1.7: Continue to implement the Seismic Hazard Mapping Act, which requires sites within liquefaction hazard areas to be investigated for liquefaction susceptibility prior to building construction or human occupancy. [2000 GP Policy SAF-1A.5 – Modified for 2015-2035 GP]
- S-1.8: Consider site soils conditions when reviewing projects in areas subject to liquefaction or slope instability. [2000 GP Policy SAF-1A.4 – Modified for 2015-2035 GP]

Localized Flooding

- S-1.9: Continue to consult with appropriate local, State, and federal agencies to maintain the most current flood hazard and floodplain information; use the information as a basis for project review and to guide development in accordance with federal, State, and local standards. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]

- S-1.10: Regularly review and update Article 10 - Floodway and Floodplain Districts of the City's Municipal Code consistent with federal and State requirements. [New Policy for 2015-2035 GP]
- S-1.11: Improve and maintain local storm drainage infrastructure in a manner that reduces flood hazards. [New Policy for 2015-2035 GP]
- S-1.12: Continue to develop hazard preparedness plans to prepare for large storms that could bring flooding hazards and other related issues. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]
- S-1.13: Actively promote public education, research, and information dissemination on flooding hazards. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]

Tsunami and Sea Level Rise

- S-1.14: Minimize flood hazard risks to people, property, and the environment by addressing potential damage tsunamis and sea level rise. [New Policy for 2015-2035 GP]
- S-1.15: Consult with regional agencies and study strategies that employ engineering defensive methods along the Santa Ana River that limit potential flooding hazards from sea level rise. [New Policy for 2015-2035 GP]

Dam Inundation

- S-1.16: Develop emergency response, early warning notification, and evacuation plans for areas that are within dam inundation areas, where feasible. [New Policy for 2015-2035 GP]

Aviation Safety and Protection

- S-1.17: Utilize the John Wayne Airport Environs Land Use Plan (AELUP) as a planning resource for evaluation of land use compatibility and land use intensity in areas affected by airport operations. In particular, future land use decisions within the Safety/Runway Protection Zone will be evaluated in light of the risk to life and property associated with aircraft operations. [New Policy for 2015-2035 GP]
- S-1.18: Comply with Federal Aviation Regulations (FAR) and the John Wayne AELUP requirements relative to Objects Affecting Navigable Airspace. [New Policy for 2015-2035 GP]
- S-1.19: Use the Federal Aviation Regulations as a guideline to establish the ultimate height of structures as defined in FAR Part 77. [New Policy for 2015-2035 GP]
- S-1.20: Minimize hazards to aeronautical operations by ensuring land uses do not emit excessive glare, light, steam, smoke, dust, or electronic interference in compliance with FAR regulations and the John Wayne AELUP. [New Policy for 2015-2035 GP]

Goal S-2:

High Level of Police and Fire Services and Emergency Preparedness

Provide a high level of security in the community to prevent and reduce crime, and to minimize risks of fire to people, property, and the environment. [New Goal for 2015-2035 GP]

Objective S-2A: Plan, promote, and demonstrate a readiness to respond and reduce threats to life and property through traditional and innovative emergency services and programs. [New Objective for 2015-2035 GP]

Crime Prevention and Response

- S-2.1: Promote crime prevention strategies and provide a high level of response to incidents. [New Policy for 2015-2035 GP]
- S-2.2: Emphasize and prioritize crime prevention strategies, such as pedestrian-scale lighting in targeted areas. [New Policy for 2015-2035 GP]
- S-2.3: Timely response to incidents and monitoring areas with high crime rates should be part of a comprehensive strategy to reduce crime in the community. [New Policy for 2015-2035 GP]

Police and Fire Level of Service

- S-2.4: Provide a high level of police and fire service in the community. Secure adequate facilities, equipment, and personnel for police and fire. [New Policy for 2015-2035 GP]
- S-2.5: Consult with neighboring jurisdictions and partner agencies to respond appropriately to emergencies and incidents in all parts of the City. [New Policy for 2015-2035 GP]
- S-2.6: Require that water supply systems for development are adequate to combat structural fires in terms of location and minimum required fire-flow pressures. [New Policy for 2015-2035 GP]
- S-2.7: Require development to contribute its fair share toward funding the provision of appropriate fire and emergency medical services as determined necessary to adequately serve the project. [New Policy for 2015-2035 GP]

Fire and Medical Servicers

- S-2.8: Regularly update regulations that will protect the community from fire hazards. [New Policy for 2015-2035 GP]
- S-2.9: Emphasize prevention and awareness of fire safety guidelines to minimize risk and potential damage to life, property, and the environment. In areas designated by the Costa Mesa Fire Department as having a high fire hazard, ensure adequate fire equipment, personnel, firebreaks, facilities, water, and access for a quick and efficient response in any area. [New Policy for 2015-2035 GP]

Emergency and Disaster Preparedness

- S-2.10: Maintain staff and facilities that will continue to support a coordinated and effective response to emergencies and natural disasters throughout the City. [New Policy for 2015-2035 GP]
- S-2.11: Consult with neighboring jurisdictions, local employers, and industries to ensure that emergency preparedness and disaster response programs equitably serve all parts of the City. [New Policy for 2015-2035 GP]

- S-2.12: Continue to maintain adequate police and fire staffing, facilities, equipment, and maintenance sufficient to protect the community. [New Policy for 2015-2035 GP]

Hazardous Materials Operations

- S-2.13: Continue to consult with the County of Orange in the implementation of the Orange County Hazardous Waste Management Plan. [2000 GP Policy SAF-1B.1]
- S-2.14: Ensure that appropriate in-depth environmental analysis is conducted for any proposed hazardous waste materials treatment, transfer, and/or disposal facility. [2000 GP Policy SAF-1B.2]
- S-2.15: Continue to consult with the County of Orange to identify and inventory all users of hazardous materials and all hazardous waste generators, and prepare clean-up action plans for identified disposal sites. [2000 GP Policy SAF-1B.3]
- S-2.16: Require the safe production, transportation, handling, use, and disposal of hazardous materials that may cause air, water, or soil contamination. [New Policy for 2015-2035 GP]
- S-2.17: Encourage best practices in hazardous waste management, and ensure consistency with City, County, and federal guidelines, standards, and requirements. [2000 GP Policy SAF-1B.1 – Modified for 2015-2035 GP]
- S-2.18: Consult with federal, State, and local agencies and law enforcement to prevent the illegal transportation and disposal of hazardous waste. [New Policy for 2015-2035 GP]

Community Design Element

The goals, objectives, and policies that address community design are as follows:

PUBLIC REALM FOCUS

Goal CD-1:

Vehicular and Pedestrian Corridors

Strengthen the image of the City as experienced from sidewalks and roadways. [2000 GP Goal CD-1]

Objective CD-1A: Contribute to City beautification by enhancing the visual environment of Costa Mesa's vehicular and pedestrian paths and corridors. [2000 GP Objective CD-1A]

CD-1.1 Implement the City of Costa Mesa Streetscape and Median Development Guidelines in all new streetscape corridor and parkway projects. Coordinate with new development adjacent to public rights-of-ways to integrate landscape features and design elements consistent with the streetscape standards and recommendations. [2000 GP Policy CD-1A.1]

CD-1.2 Coordinate street furniture elements (benches, bus shelters, newspaper racks, trash receptacles, kiosks, etc.) whenever possible. Develop design standards and guidelines for the street furniture within and adjacent to public rights-of-way to complement the specific recommendations provided for streets in the City of Costa Mesa Streetscape and Median Development Guidelines. [New Policy for 2015-2035 GP]

CD-1.3 Promote treatments for walls and fences and utility cabinets along public rights-of-way that contribute to an attractive street and sidewalk environment. Require that new walls and fences complement the style and character of the local district and adjacent buildings. Newly constructed or reconstructed walls and fences adjacent to sidewalks and roadways should incorporate architectural treatments such as pilasters, masonry, or wrought iron, and should integrate tiered plantings to soften their appearance. [2000 GP Policy CD-1A.3 – Modified for 2015-2035 GP]

CD-1.4 Promote a consistent landscape character along City streets to reinforce the unique qualities of each corridor and district, including the development of landscaped medians. Support implementation of the recommended street tree palette for each City street, as identified in the City of Costa Mesa Streetscape and Median Development Guidelines. [2000 GP Policy CD-1A.4]

CD-1.5 Encourage electric and communication lines to be placed underground and electrical substations and telephone facilities to be screened to minimize visual impacts from sidewalks, streets, and adjacent properties. Support utility undergrounding through conditions of project approval, preparation of undergrounding plans, and the formation of assessment districts. [2000 GP Policy CD-1A.5]

Objective CD-1B: Encourage clear connections between districts within the City. [2000 GP Objective CD-1B]

CD-1.6 Promote linkages between separate districts using bike trails, pedestrian paths, common medians or parkway landscaping, and other location-appropriate physical improvements. Through conditions of approval, public improvement projects, and other measures, support development of new connections and the enhancement of existing connections between districts. [New Policy for 2015-2035 GP]

Goal CD-2:

Cohesive and Identifiable Districts

Enhance the existing character and strengthen the identity of Costa Mesa's districts. [2000 GP Goal CD-2]

Objective CD-2A: Encourage future development and redevelopment to reinforce district scale, identity, and urban form. [2000 GP Objective CD-2]

- CD-2.1 Consider urban design guidelines for each identified district in Costa Mesa that recognizes, maintains, and enhances the character and identity of each district; integrate existing specific plans' policies and design guidelines as applicable. [2000 GP Policy CD-2.1 – Modified for 2015-2035 GP]
- CD-2.2 Support and seek land uses and development that correspond or enrich our existing districts. [New Policy for 2015-2035 GP]

Goal CD-3:

High Quality and Visually Interesting Nodes

Heighten the design quality and visual interest of nodes within Costa Mesa. [2000 GP Goal CD-3]

Objective CD-3A: Create a sense of arrival to Costa Mesa, and develop prominent community focal points at key nodes within the City. [2000 GP Objective CD-3]

- CD-3.1 Introduce entry monument signs at key gateway locations, as identified in Figure CD-4. Utilize the standard design specifications for entry signs included in the City of Costa Mesa Streetscape and Median Development Guidelines. [2000 GP Policy CD-3.1]
- CD-3.2 Reinforce a sense of arrival into the City by promoting architecturally significant development and significant landscape plantings at key nodes. Undertake a visioning process to develop specific design guidelines that articulate the desired character for each node within Costa Mesa. [2000 GP Policy CD-3.2]
- CD-3.3 Design and development of entry and internal wayfinding signage to be located throughout the City in areas that correspond to the existing nodes and districts. [New Policy for 2015-2035 GP]

Goal CD-4:

Identifiable and Protected City Landmarks. [2000 GP Goal CD-4]

Objective CD-4A: Promote the maintenance, use, and improvement of landmarks to enhance the visual image and identity of Costa Mesa. [2000 GP Objective CD-4]

- CD-4.1 Support efforts to introduce new monuments and landmarks, and preserve, maintain, and improve the condition of Costa Mesa landmarks. [2000 GP Policy CD-4.1]

Goal CD-5:

Edges

Utilize Costa Mesa's edges as opportunities to enhance the City's image along its boundaries. [2000 GP Goal CD-5]

Objective CD-5A: Develop and implement programs that preserve and enhance City edges. [2000 GP Objective CD-5]

- CD-5.1 Preserve and optimize natural views and open spaces in Costa Mesa. [2000 GP Policy CD-5.1]
- CD-5.2 Control the visual impacts of new development on natural views of the coast and the wetlands. [2000 GP Policy CD-5.2]
- CD-5.3 Develop open space corridors and trails along the edges of Costa Mesa where feasible and connect these trails to existing and potential future trails throughout the City. [2000 GP Policy CD-5.3]
- CD-5.4 Continue to preserve natural open space, including restoration of the natural areas of Talbert Regional Park. [2000 GP Policy CD-5.4]
- CD-5.5 Continue protection of Fairview Park as an open space and recreation area. [2000 GP Policy CD-5.5]
- CD-5.6 Continue to work with Caltrans to improve the design quality of freeway edges. [2000 GP Policy CD-5.6]

PRIVATE PROPERTY FOCUS

Goal CD-6:

Image

Enhance opportunities for new development and redevelopment to contribute to a positive visual image for the City of Costa Mesa that is consistent with the district image. [2000 GP Goal CD-6]

Objective CD-6A: Establish development policies and design guidelines that create an aesthetically pleasing and functional environment. [2000 GP Objective CD-6]

- CD-6.1 Encourage the inclusion of public art and attractive, functional architecture into new development that will have the effect of promoting Costa Mesa as the "City of the Arts". [2000 GP Policy CD-6.1 – Modified for 2015-2035 GP]
- CD-6.2 Encourage the use of creative and well-designed signs that establish a distinctive image for the City. [2000 GP Policy CD-6.2 – Modified for 2015-2035 GP]
- CD-6.3 Continue to work with Code Enforcement to ensure continued maintenance of properties and compliance with adopted development standards. [2000 GP Policy CD-6.3]

Goal CD-7:

Quality Residential

Promote and protect the unique identity of Costa Mesa's residential neighborhoods. [2000 GP Goal CD-7]

Objective CD-7A: Encourage excellence in architectural design. [2000 GP Objective CD-7A]

- CD-7.1 Ensure that new and remodeled structures are designed in architectural styles that reflect the City's eclectic quality, yet are compatible in scale and character with existing buildings and the natural surroundings within residential neighborhoods. Continue to update and maintain the Costa Mesa Residential Guidelines. [2000 GP Policy CD-7.1]

CD-7.2 Preserve the character and scale of Costa Mesa’s established residential neighborhoods where possible; when new residential development is proposed, encourage that the new structures are consistent with the prevailing character of existing development in the immediate vicinity, and that new development does not have a substantial adverse impact on adjacent areas. [2000 GP Policy CD-7.2]

Objective CD-7B: Encourage the use of native plant palettes in the creation of landscaping plans used to establish a sense of place in neighborhood identification efforts. [New Objective for 2015-2035 GP]

CD-7.3 Ensure that California native plants are used to support the local ecology and save water. Develop landscaping guidelines that reflect the local community. [New Policy for 2015-2035 GP]

Goal CD-8:

Quality Commercial Development

Achieve a high level of design quality for commercial development. [2000 GP Goal CD-8]

Objective CD-8A: Encourage a high level of architectural and site design quality. [2000 GP Objective CD-8A]

CD-8.1 Require that new and remodeled commercial development be designed to reflect architectural diversity, yet be compatible with the scale and character of the district. [2000 GP Policy CD-8A.1 – Modified for 2015-2035 GP]

CD-8.2 Use distinctive commercial architectural styles to reinforce a positive sense of place. Commercial architectural design elements and materials must be of high quality and style as well as suitable for long-term maintenance. Consistent architectural design should be considered in choosing materials, finishes, decorative details, color, accent features and include the following Elements and Materials appropriate for their context (see Table CD-3: Elements and Materials): [2000 GP Policy CD-8A.2 – Modified for 2015-2035 GP]

Table CD-3: Elements and Materials

Design Elements	Design Materials
<ul style="list-style-type: none"> • Simple, multi-planed pitched roofs • Open rafters/tails with large overhangs • Appearance of “thick” walls • Courtyards, arcades, and intimate spaces • Tile details • Deep-set window and door openings • Offset wall planes • Fountains and other unique details • Building masses with the incorporation of one and two story architecture • Sequencing of enclosed space/arches 	<ul style="list-style-type: none"> • Stucco, smooth, sand or light lace finish • Wood, as an exposed structural material • Clay or concrete roof tiles • Native fieldstone • Wood window casements • Wood, as an accent material • Brick, as an accent material • Wrought iron (rust proof; anodized aluminum) • Tile, as an accent material • Slumpstone garden walls

CD-8.3 Encourage the use of entrance patios, courtyards, plazas, arcades, fountains, porches, tower elements, covered walks, and other features in commercial areas. Promote pedestrian amenities. [2000 GP Policy CD-8A.3]

- CD-8.4 Ensure that common areas, walkways, driveways, and parking spaces be landscaped consistent with landscaping standards contained in the Planning, Zoning, and Development Code. Utilize landscaping to provide project amenities for new and remodeled commercial uses, and to screen parking and equipment areas. Landscaped areas generally should incorporate planting utilizing a three-tiered system: 1) grasses and ground covers, 2) shrubs and vines, and 3) trees. [2000 GP Policy CD-8A.4 – Modified for 2015-2035 GP]
- CD-8.5 Ensure that site access, parking, and circulation for commercial uses are designed in a logical, safe manner. Parking should not dominate the site in areas adjacent to street, and should be well landscaped with a clear hierarchy of circulation. Wherever possible, parking lots should be divided into a series of connected smaller lots utilizing walkways and raised landscape strips. Parking lots should also include landscaping that accents the importance of driveways from the street, frames the major circulation aisles, and highlights pedestrian pathways. [2000 GP Policy CD-8A.5 – Modified for 2015-2035 GP]
- CD-8.6 Require that areas for outside equipment, trash receptacles, storage, and loading areas be located in the least conspicuous part of the site. Utility and mechanical equipment (e.g. electric and gas meters, electrical panels, and junction boxes) should be concealed from view from public streets, neighboring properties, and nearby higher buildings. Trash enclosures should be architecturally compatible with the project. Landscaping should be incorporated into the design of trash enclosures to deter graffiti. [2000 GP Policy CD-8A.6 – Modified for 2015-2035 GP]
- CD-8.7 Encourage decorative paving treatments to be incorporated throughout commercial developments, including driveway entries, pedestrian walkways, plazas, and other areas. The design, materials, and colors of decorative paving treatments (e.g., stamped concrete, stone, brick or granite pavers, exposed aggregate, or colored concrete) should complement the architectural style of the primary buildings and make a positive contribution to the aesthetic and function of the site. [2000 GP Policy CD-8A.7 – Modified for 2015-2035 GP]
- CD-8.8 Require that exterior lighting on commercial properties be consistent with the architectural style of the commercial building. On each commercial site, all lighting fixtures should be from the same family of fixtures with respect to design, materials, color, fixture, and color of light. Lighting sources should be shielded, diffused or indirect to avoid spillover on adjacent properties, nighttime sky light pollution, and glare to pedestrians and motorists. To minimize the total number of freestanding light standards, wall-mounted and pathway lights should be utilized to the greatest extent possible. [2000 GP Policy CD-8A.8]

Objective CD-8B: Preserve the scale and character of established neighborhoods near commercial uses. [2000 GP Objective CD-8B]

- CD-8.9 Ensure that new commercial development utilize site planning and design features that optimize compatibility with adjacent residential neighborhoods. The following guidance should be considered:
- When adjacent residential and nonresidential uses can mutually benefit from connection, appropriate linkages (e.g., walkways, common landscape areas, and building orientation) are encouraged. Successful interaction between commercial and residential uses may be achieved through adequate setbacks, landscape buffers, screening, decorative masonry walls, berms, building orientation, and limitations of commercial activities.
 - Loading areas, access and circulation driveways, trash and storage areas, and rooftop equipment should be located as far as possible from adjacent residences.
 - Building orientation and landscaping of commercial buildings should minimize direct lines of sight into adjacent residential private open space. [2000 GP Policy CD-8B.1]

Goal CD-9:

Mixed Use

Promote development of mixed-use projects that seamlessly integrate multiple uses both functionally and aesthetically. [2000 GP Goal CD-9]

Objective CD-9A: Design mixed use development projects to achieve a high quality character. [2000 GP Objective CD-9A]

CD-9.1 Require that mixed-use development projects be designed to mitigate potential conflicts between uses. Consider noise, lighting, and security. [2000 GP Policy CD-9A.1]

CD-9.2 Provide adequate parking, open space and recreational facilities to serve residents in mixed-use development projects. Design parking and other areas to acknowledge different users (residents versus shoppers) and to be compatible with the architectural character of the building(s). [2000 GP Policy CD-9A.2]

Objective CD-9B: Provide for the development of projects that integrate housing with commercial uses and other compatible uses. [2000 GP Objective CD-9B]

CD-9.3 Encourage mixed-use development along the east side of Newport Boulevard between Mesa Drive and Walnut Street. Establish incentives for the development of projects in planned development zones that integrate housing with retail and office uses. [2000 GP Policy CD-9B.1]

CD-9.4 Encourage the development of mixed-use urban villages along specified areas of West 17th Street, West 19th Street, and Superior Avenue that integrates residential with office, retail, business services, personal services, public spaces and uses, and other community amenities in a single building (vertical mixed-use development) or in proximity on the same site (horizontal mixed-use development). [New Policy for 2015-2035 GP]

CD-9.5 Promote new types of urban housing that could be target-marketed to people seeking alternative housing choices in proximity to a major commercial area. [New Policy for 2015-2035 GP]

CD-9.6 Support efforts to mix compatible uses and activities. Encourage the siting of community-oriented services, businesses, and amenities in and near mixed-use neighborhoods, including schools, libraries, open space, and parks. [2000 GP Policy CD-9B.2]

Goal CD-10:

Industrial and Business Parks

Promote quality design approaches for the redevelopment of existing industrial buildings, encourage the design to incorporate or provide flexibility for the needs of emerging types of industrial uses, and strive to match design with overall character of nodes, corridors, or districts if applicable. [2000 GP Goal CD-10 – Modified for 2015-2035 GP]

Objective CD-10A: Require that industrial and business park projects meet high-quality design standards. [2000 GP Policy CD-10A]

- CD-10.1 Require that industrial projects be designed to convey visual interest and a positive image. Architectural qualities and design elements encouraged for industrial uses are:
- Building modulation indentations and architectural details
 - Building entry accentuation
 - Screening of equipment and storage areas
 - Landscaping to soften building exteriors and to serve as a buffer between uses [2000 GP Policy CD-10A.1]
- CD-10.2 Encourage that the design of industrial buildings considers the visual and physical relationship to adjacent uses. An industrial structure which dominates its surrounding environment by its relative size shall generally be discouraged. [2000 GP Policy CD-10A.2]
- CD-10.3 Encourage adaptive reuse of existing industrial structures which results in rehabilitated buildings with distinctive and attractive architecture. [New Policy for 2015-2035 GP]
- CD-10.4 Promote the use of materials and colors that produce diversity and visual interest in industrial buildings. The use of various siding materials (i.e., masonry, concrete texturing, cement, or plaster) can produce effects of texture and relief that provide architectural interest. [2000 GP Policy CD-10A.3]
- CD-10.5 Require that landscaping be used to define areas such as entrances to industrial buildings and parking lots; define the edges of developments; provide transition between neighboring properties; and provide screening for outdoor storage, loading, and equipment areas. Landscaping should be in scale with adjacent buildings and be of an appropriate size at maturity to accomplish its intended purpose. [2000 GP Policy CD-10A.4]
- CD-10.6 Require that the design of lighting fixtures and their structural support be of a scale and architectural design compatible with on-site industrial buildings. Large areas should be illuminated to minimize the visual impact and amount of spillover light onto surrounding projects. [2000 GP Policy CD-10A.5]

Objective CD-10B: Ensure that the development of industrial projects are positive additions to the City's community setting and do not result in adverse impacts with adjacent uses. [2000 GP Objective CD-10B]

- CD-10.7 Require industrial projects to incorporate landscape setbacks, screening walls, and/or other elements that mitigate negative impacts with adjacent uses. [2000 GP Policy CD-10B.1]
- CD-10.8 Protect transitional areas between industrial and other uses. [New Policy for 2015-2035 GP]
- CD-10.9 Storage yards, parking areas, and service areas should be screened from public view. [2000 GP Policy CD-10B.2]

Goal CD-11:

Attractive Signs that Reflect Costa Mesa

Ensure that signs contribute positively to Costa Mesa's image and overall economic development. [2000 GP Goal CD-13]

Objective CD-11A: Facilitate the installation of signs that contribute to a positive image of the public realm. [2000 GP Objective CD-13]

- CD-11.1 Encourage homeowners' associations and neighborhoods to maintain housing tract entrance signs in an attractive condition, and encourage the placement of such signs at the entrance of major developments which do not have such identification. [2000 GP Policy CD-13.1]
- CD-11.2 Encourage the use of common design elements in signs for commercial and industrial centers through the development of planned sign programs to improve center identity by publicizing the benefits of such programs to developers and local business operators. [2000 GP Policy CD-13.2]
- CD-11.3 Encourage citywide sign design guidelines that promote creativity and flexibility while upholding design quality. Design guidelines could include the design and placement of business signs, public street graphics, street signs, locational and directional signs, traffic signs, etc. [New Policy for 2015-2035 GP]
- CD-11.4 Introduce distinctive entry signage within the Costa Mesa Streetscape and Median Development Guidelines which effectively announces arrival to unique districts and neighborhoods. [2000 GP Policy CD-13.3 – Modified for 2015-2035 GP]
- CD-11.5 Develop and design signage that helps with way-finding throughout the City so visitors and residents can easily access destination locations and identify landmarks. [New Policy for 2015-2035 GP]

Goal CD-12:

Public Safety through Design

Use design approaches to enhance public safety. [2000 GP Goal CD-14 – Modified for 2015-2035 GP]

Objective CD-12A: Incorporate public safety considerations into community design. [2000 GP Objective CD-14]

- CD-12.1 Decrease the opportunity for criminal activity by addressing high-risk circumstances (e.g., dark alleys, enclosed stairwells, and dark entrances). Involve the Police and Fire Departments in reviewing and making design recommendations during the project review process. [2000 GP Policy CD-14.1]
- CD-12.2 Continue to implement and refine development standards and/or guidelines based on Crime Prevention Through Environmental Design (CPTED) for new development and redevelopment with emphasis on site and building design to minimize vulnerability to criminal activity. [2000 GP Policy CD-14.2]
- CD-12.3 Continue to provide CPTED training to City staff and local planning and design professionals to optimize public safety through community design. [2000 GP Policy CD-14.3]

Open Space and Recreation Element

The goals, objectives, and policies that address open space and recreation are as follows:

Goal OSR-1:

Balanced and Accessible System of Parks and Open Spaces

Provide a high-quality environment through the development of recreation resources and preservation of open space that meets community needs in Costa Mesa. [2000 GP Goal OSR-1]

Objective OSR-1A: Maintain and preserve existing parks, and strive to provide additional parks, public spaces, and recreation facilities that meet the community's evolving needs. [2000 GP Objective OSR-1A]

Adequate Neighborhood and Community Park Recreational Facilities

OSR-1.1: Maintain a system of Neighborhood and Community Parks that provide a variety of active and passive recreational opportunities throughout the City. [New Policy for 2015-2035 GP]

OSR-1.2: Provide parks and recreation facilities appropriate for the individual neighborhoods in which they are located and reflective of the needs and interests of the population they serve. [New Policy for 2015-2035 GP]

Acquisition of New Parkland

OSR-1.3: Pursue the acquisition and development of pocket and neighborhood parks within park-deficient areas, as identified in Figure OSR-3: Planning Areas and Underserved Park Areas. [2000 GP Policy OSR-1A.3 – Modified for 2105-2035 GP]

OSR-1.4: Prioritize the acquisition of land for parks in underserved neighborhoods. [2000 GP Policy OSR-1A.14 – Modified for 2015-2035 GP]

OSR-1.5: Maximize public space by requiring plazas and public gathering spaces in private developments that can serve multiple uses, including recreation and social needs. [New Policy for 2015-2035 GP]

OSR-1.6: Provide maximum visibility and accessibility for future public parks by locating facilities in close proximity to public streets. [2000 GP Policy OSR-1A.2]

OSR-1.7: Adjust and update development fee programs to accumulate funds for the acquisition and improvement of parks and recreation facilities commensurate with identified need and population growth. [New Policy for 2015-2035 GP]

Balance of Passive and Active Recreation

OSR-1.8: Require that parks and recreation facilities reflect new trends and population changes, and are developed with facilities appropriate to all ages, including athletic fields, active play areas, passive open space, tot lots, and picnic areas. [2000 GP Policy OSR-1A.15]

OSR-1.9: Conduct a sports facility study to review current outdoor facility locations and resources and a demographic study for future facility requirements as they relate to planned growth within the City. [New Policy for 2015-2035 GP]

OSR-1.10: Pursue additional community garden lots and spaces to meet demand and need by the community. [New Policy for 2015-2035 GP]

Park Maintenance and Retrofit

- OSR-1.11: Perform regular maintenance of facilities to ensure proper working order of all recreation facilities and equipment. [New Policy for 2015-2035 GP]
- OSR-1.12: Retrofit parks and recreation facilities to provide disability access as required by law. [New Policy for 2015-2035 GP]
- OSR-1.13: Design and reform parks to reflect the latest recreational features that respond to demographic changes and community needs. [New Policy for 2015-2035 GP]
- OSR-1.14: Consult with law enforcement agencies, surrounding cities, community policing groups, and OC Parks to create a safe and healthy environment at Talbert Regional Park, Fairview Park, and along the Santa Ana River. [New Policy for 2015-2035 GP]

Long-Term Planning of Institutional Uses

- OSR-1.15: Continue to pursue opportunities to create joint-use community space at facilities owned by private organizations such as private schools, faith-based groups, service clubs, and hospitals. [2000 GP Policy OSR-1A.10]
- OSR-1.16: Continue to coordinate with the Newport-Mesa Unified School District to supplement City park facilities through joint-use agreements. [2000 GP Policy OSR-1A.10]
- OSR-1.17: Consult with Orange County Fairgrounds in implementing OC Fair & Event Center Master Plan. [New Policy for 2015-2035 GP]

Level of Service and Access

- OSR-1.18: Provide a minimum of 4.26 acres of parkland per 1,000 residents. [2000 GP Policy OSR-1A.1]
- OSR-1.19: Update the Parks, Recreation and Open Space Master Plan every 10 years, as feasible. [2000 GP Policy OSR-1A.15]
- OSR-1.20: Enhance pedestrian, bicycle, and transit linkages to meet the needs of residents and to provide better access to parks, recreation, and public spaces. [New Policy for 2015-2035 GP]
- OSR-1.21: Provide opportunities for public access to all open space areas, except where sensitive resources may be threatened or damaged, public health and safety may be compromised, or access would interfere with the managed production of resources. [New Policy for 2015-2035 GP]

GOAL OSR-2:

Community Services Programs Meeting Community Needs

Enhancing the community through the delivery of innovative recreational programs, quality parks and facilities and services that promote social, physical, and emotional well-being. High-quality community services programs demonstrate the City's commitment to providing opportunities for recreational, physical, and educational activities for residents of all ages. [New Goal for 2015-2035 GP]

- Objective OSR-2A:** Provide activities, classes, and a variety of programs to meet the year-round recreational needs of all residents: children, adult, seniors, and persons with special needs. [New Objective for 2015-2035 GP]

High-quality Community Services

- OSR-2.1: Provide high-quality community services programs that are flexible and responsive to the community's changing needs. [New Policy for 2015-2035 GP]
- OSR-2.2: Plan and conduct citywide special events that bring residents together to create an enhanced quality of life and promote economic development. [New Policy for 2015-2035 GP]
- OSR-2.3: Continue to consult with nonprofit sports organizations and recreational groups to support their offering of diverse recreational programs that complement and supplement those offered by the City. [New Policy for 2015-2035 GP]
- OSR-2.4: Update existing facilities for senior citizens, youth, adults, and overall community use. [New Policy for 2015-2035 GP]

Community Services to Support Community Needs

- OSR-2.5: Monitor and research the ever-changing community services needs of the community, and develop action plans to address those needs through partnerships with service agencies. [New Policy for 2015-2035 GP]
- OSR-2.6: Continue to provide rental opportunities at community facilities and parks for residents, nonprofit groups, and businesses to meet their recreational and professional needs. [New Policy for 2015-2035 GP]
- OSR-2.7: Continue broad-based public outreach activities that inform residents of all available community services programs, and obtain input from the community regarding program and service needs. [New Policy for 2015-2035 GP]
- OSR-2.8: Encourage resident input and utilize demographic data, partnerships, volunteers, and existing resources to identify the needs of community. [New Policy for 2015-2035 GP]
- OSR-2.9: Identify innovative funding and development opportunities to support and sustain a responsive community services network. [New Policy for 2015-2035 GP]
- OSR-2.10: Continue and expand the development of community partnerships to offer both standard and innovative services to meet residents' needs. [New Policy for 2015-2035 GP]
- OSR-2.11: Develop and implement community services programs and activities that meet the needs of specialized populations through the development of community partnerships. [New Policy for 2015-2035 GP]
- OSR-2.12: Provide support for volunteer groups that conduct special activities open to the entire community. [New Policy for 2015-2035 GP]

GOAL OSR-3:

Conserved Open Space

Costa Mesa is committed to open space conservation to ensure that the network of parklands, trails, hillsides, and undeveloped natural areas remain viable for supporting biological communities and providing sanctuary for future generations. This commitment includes expanding public access to open space, where appropriate, and acquiring additional lands where feasible. [New Goal for 2015-2035 GP]

- Objective OSR-3A:** Preserve the City's open space lands and provide additional community and neighborhood parkland in underserved areas. [New Objective for 2015-2035 GP]

Open Space Preservation and Stewardship

- OSR-3.1: Preserve open space areas along The Santa Ana River, large open space parks, and along the mesa formations to protect natural habitat and to maintain the integrity of the natural environment. [New Policy for 2015-2035 GP]
- OSR-3.2: Encourage the preservation of coastal views from City and County parkland and public streets within Costa Mesa. [2000 GP Policy OSR-1A.13]
- OSR-3.3: Identify current open space areas for protection, management, and potential enhancement to maintain and, if possible, increase its value as wildlife habitat. [New Policy for 2015-2035 GP]

Management and Maintenance of Open Space

- OSR-3.4: Encourage the long-term maintenance and management of open space lands through open space easements, development rights transfers or acquisition, zoning regulations, and other incentives. [2000 GP Policy OSR-1A.6]
- OSR-3.5: Encourage the greening and beautifying of the Santa Ana River. [New Policy for 2015-2035 GP]
- OSR-3.6: Encourage opportunities for recreation, history, education, interpretive materials, and art associated with the Santa Ana River open spaces. [New Policy for 2015-2035 GP]
- OSR-3.7: Promote water quality strategies to improve water quality along the Santa Ana River. [New Policy for 2015-2035 GP]

Coordination and Organization Development

- OSR-3.8: Consult with State and regional agencies and the California Native American Heritage Commission (NAHC), regarding open space planning efforts. [New Policy for 2015-2035 GP]
- OSR-3.9: Consult with the Orange Coast River Park, Inc. and surrounding cities and other government agencies in maintaining and rehabilitating open space lands along the Santa Ana River. [New Policy for 2015-2035 GP]
- OSR-3.10: Consult with OC Parks over the enhancements and management of Talbert Regional Park without adversely impacting surrounding residential neighborhoods. [New Policy for 2015-2035 GP]

GOAL OSR-4:

Extensive Arts and Culture Programs and Services

Provide comprehensive and multifaceted arts and culture programs and services that provide education and entertainment to the community and a broader audience. [New Goal for 2015-2035 GP]

- Objective OSR-4A:** Support performing and visual arts programs, facilities, and activities that stimulate the minds and intellectual thinking of community members to increase awareness of the City's motto, "The City of the Arts." [New Objective for 2015-2035 GP]

Cultural Arts Venues

- OSR-4.1: Continue to support the mission of the Segerstrom Center for the Arts and associate venues and facilities. [New Policy for 2015-2035 GP]
- OSR-4.2: Support the development and operations of an arts museum at the Segerstrom Center for the Arts. [New Policy for 2015-2035 GP]

- OSR-4.3: Encourage additional indoor and outdoor facility spaces citywide to display public art and host arts and culture special events. [New Policy for 2015-2035 GP]

Leader in the Arts

- OSR-4.4: Expand the City's role as a supporter of the arts. [New Policy for 2015-2035 GP]
- OSR-4.5: Encourage financial support of the arts by supporting non-profit groups and foundations. [New Policy for 2015-2035 GP]
- OSR-4.6: Consider preparation of an arts and culture master plan for the City. [New Policy for 2015-2035 GP]
- OSR-4.7: Consult with local agencies and surrounding cities to address the creation and implementation of arts-friendly policies. [New Policy for 2015-2035 GP]
- OSR-4.8: Enhance Costa Mesa's position as a leader in the arts in Southern California and its recognition nationally as a city devoted to arts institutions of superior quality. [New Policy for 2015-2035 GP]
- OSR-4.9: Engage community members in arts activities, and utilize the arts to provide educational and cultural awareness opportunities. [New Policy for 2015-2035 GP]
- OSR-4.10: Continue the City's commitment to its arts in cooperation with the private sector. [New Policy for 2015-2035 GP]
- OSR-4.11: Provide opportunities for local artists to create and display their work. [New Policy for 2015-2035 GP]

Arts Programs and Events

- OSR-4.12: Support arts activities, programs, events, and facilities for patrons to enjoy and share experiences, and that enhance the City's economic vitality. [New Policy for 2015-2035 GP]
- OSR-4.13: Designate Community Services Department staff with the responsibility for expanding and implementing activities related to recreational arts programming. [New Policy for 2015-2035 GP]
- OSR-4.14: Pursue cooperative educational cultural programs enlisting the aid of public and private institutions. [New Policy for 2015-2035 GP]

Arts in Public Places and in Private Development

- OSR-4.15: Continue to review adopting an Arts in Public Places Program. [New Policy for 2015-2035 GP]
- OSR-4.16: Pursue the placement of public art in prominent locations, particularly along major travel corridors to enliven and beautify the public realm. [New Policy for 2015-2035 GP]
- OSR-4.17: Develop incentives or programs that encourage art in new developments. [New Policy for 2015-2035 GP]

Historical and Cultural Resources Element

The goals, objectives, and policies that address historical and cultural resources are as follows:

Goal HCR-1:

Historical, Archeological, and Paleontological Resource Preservation

The City of Costa Mesa supports focused efforts to provide residents with a sense of community and history through the protection and preservation of historical and cultural resources. [2000 GP Goal HCR-1]

Objective HCR-1A: Encourage preservation and protection of the City's archaeological, paleontological, and historical resources. [2000 GP Objective HCR-1A]

Preserving Historical Resources

- HCR-1.1: Encourage protection and enhancement of the diverse range of historical sites and resources in the City for the benefit of current and future residents and visitors. [New Policy for 2015-2035 GP]
- HCR-1.2: Encourage the preservation of significant historical resources (as identified in Table HCR-1) by developing and implementing incentives such as building and planning application permit fee waivers, Mills Act contracts, grants and loans, and implementing other incentives identified in the Historical Preservation Ordinance. [2000 GP Policy HCR-1A.4]
- HCR-1.3: Promote context-sensitive design that respects and celebrates the history and historical character of sites and resources while meeting contemporary needs of the community. [New Policy for 2015-2035 GP]
- HCR-1.4: Require, as part of the environmental review procedure, an evaluation of the significance of paleontological, archaeological, and historical resources, and the impact of proposed development on those resources. [2000 GP Policy HCR-1A.1]
- HCR-1.5: Continue to identify local landmarks with markers and way-finding signage. Include informational signage about local history, utilizing maps to highlight locations of other historical resources at popular historical sites. [New Policy for 2015-2035 GP]
- HCR-1.6: Encourage development of an interpretive center for paleontological, archaeological, and historical resources at Fairview Park. The center may contain resources found in the park area as well as resources found throughout the City. [2000 GP Policy HCR-1A.6]

Preserving Archaeological Resources

- HCR-1.7: Require cultural resources studies (i.e., archaeological and historical investigations) for all applicable discretionary projects, in accordance with CEQA regulations. The studies should identify cultural resources (i.e., prehistorical sites, historical sites, and isolated artifacts and features) in the project area, determine their eligibility for inclusion in the California Register of Historical Resources, and provide mitigation measures for any resources in the project area that cannot be avoided. Cultural resources studies shall be completed by a professional archaeologist that meets the Secretary of the Interior's Professional Qualifications Standards in prehistorical or historical archaeology. [2000 GP Policy HCR-1A.2 and HCR-1A.3 – Modified for 2015-2035 GP]

- HCR-1.8: Comply with requirements of the California Environmental Quality Act regarding protection and recovery of archaeological resources discovered during development activities. [New Policy for 2015-2035 GP]

Preserving Paleontological Resources

- HCR-1.9: Require paleontological studies for all applicable discretionary projects. The studies should identify paleontological resources in the project area, and provide mitigation measures for any resources in the project area that cannot be avoided. [2000 GP Policy HCR-1A.2 and HCR-1A.3 – Modified for 2015-2035 GP]
- HCR-1.10: Comply with the California Environmental Quality Act regarding the protection and recovery of paleontological resources during development activities. [New Policy for 2015-2035 GP]

Appendix A.2

2015-2035 General Plan Goals, Objectives, Policies (2022)

*(Housing Element updated per
adopted 2021-2029 Housing Element)*

2015-2035 GENERAL PLAN GOALS AND POLICIES

Each element of the General Plan contains goals and policies based upon the needs and desires of the community, as derived from the previously adopted 2015-2035 General Plan, background research, planning staff, and members of the City Council.

A goal is defined as a broad vision of what the community wants to achieve or provide to residents, landowners, business owners and tourists. It is a statement of a desired condition based on community values. Goals are general in nature and usually timeless. A policy is a specific statement that guides decision-making. It indicates a commitment of the City to a particular course of action. A policy is based on and helps implement a goal.

One of the objectives for the 2015-2035 General Plan and General Plan EIR was to review the 2000 General Plan goals, objectives, and policies for relevancy, completion and applicability for the long-term development in the City. City staff reviewed the goals, objectives, and policies in the 2000 General Plan and determined if the goals, objectives, and policies had been completed, and if not, determined their relevancy and applicability for the 2015-2035 General Plan. The following are the goals and associated objectives and policies that have been set for the Costa Mesa 2015-2035 General Plan.

At the conclusion of each goal, objective or policy is a statement within [brackets] that indicates one of four possible scenarios: 1) the goal, objective, or policy remains the same as the 2000 General Plan, 2) the goal, objective or policy has been modified from the 2000 General Plan statement for the 2015-2035 General Plan, 3) the goal, objective or policy is a new statement for the 2000 General Plan, or 4) in the case of the Housing Element, the 2021-2029 adopted Housing Element goals, objectives or policies are listed. Examples of the wording for the aforementioned scenarios are as follows:

- 1) [2000 GP Goal LU-1],
- 2) [2000 GP Policy LU-1A.4 – Modified for 2015-2035 GP],
- 3) [New Objective for 2015-2035 GP], and
- 4) [2021-2029 Housing Element].

Land Use Element

The goals, objectives, and policies that address land use are as follows:

Goal LU-1:

A Balanced Community with a Mix of Land Uses to Meet Resident and Business Needs [2000 GP Goal LU-1]

Objective LU-1A: Establish and maintain a balance of land uses throughout the community to preserve the residential character of the City at a level no greater than can be supported by the infrastructure. [2000 GP Objective LU-1A]

- LU-1.1 Provide for the development of a mix and balance of housing opportunities, commercial goods and services, and employment opportunities in consideration of the needs of the business and residential segments of the community. [2000 GP Policy LU-1A.1]
- LU-1.2 Balance economic gains from new development while preserving the character and densities of residential neighborhoods. [New Policy for 2015-2035 GP]
- LU-1.3 Strongly encourage the development of residential uses and owner-occupied housing (single-family detached residences, condominiums, townhouses) where feasible to improve the balance between rental and ownership housing opportunities. [2000 GP Policy LU-1A.4]
- LU-1.4 Promote housing and employment opportunities within planned development areas to the extent feasible. [2000 GP Policy LU-1A.5]
- LU-1.5 Maintain a land use structure that strives to balance jobs and housing with available infrastructure and public and human services. [New Policy for 2015-2035 GP]

Goal LU-2:

Preserve and Protect Residential Neighborhoods [2000 GP Goal LU-1]

Objective LU-2A: Promote land use patterns and development that contribute to community and neighborhood identity. [2000 GP Objective LU-1C]

- LU-2.1 In the event of damage or destruction, allow any legal conforming use in existence at the time of adoption of the General Plan that is located in a nonconforming development to be rebuilt to its original building intensity, as long as any such rebuilding would not increase the development's nonconformity, and the damage or destruction was in no way brought about by intentional acts of any owner of such use or property. [2000 GP Policy LU-2A.4]
- LU-2.2 Pursue maximum use of utility company funds and resources in undergrounding existing overhead lines, and encourage undergrounding of utilities in the public right-of-way for residential development consisting of five units or more, to the extent feasible and practical. [2000 GP Policy LU-2A.9 – Modified for 2015-2035 GP]
- LU-2.3 Develop standards, policies, and other methods to encourage the grouping of individual parcels to eliminate obsolete subdivision patterns and to provide improved living environments while being consistent with the neighborhood character of the surrounding community. [2000 GP Policy LU-2A.5 – Modified for 2015-2035 GP]
- LU-2.4 Do not allow "rounding up" when calculating the number of permitted residential units, except for lots existing as of March 16, 1992, zoned R2-MD that have less

- than 7,260 square feet in area, and no less than 6,000 square feet, where density calculation fractions of 1.65 or greater may be rounded up to two units. [2000 GP Policy LU-2A.6]
- LU-2.5 Allow creation of parcels without street frontage if sufficient easements are provided for planned developments or common-interest developments consistent with the neighborhood character. This policy does not apply to small lot subdivisions. [2000 GP Policy LU-2A.7]
- LU-2.6 Encourage increased private market investment in declining or deteriorating neighborhoods. [2000 GP Policy LU-2A.8]
- LU-2.7 Permit the construction of buildings over two stories or 30 feet only when it can be shown that the construction of such structures will not adversely impact surrounding developments and deprive existing land uses of adequate light, air, privacy, and solar access. [2000 GP Policy LU-1C.1]
- LU-2.8 Limit building height to four stories above grade south of the I-405 Freeway, except for special purpose housing such as elderly, affordable, or student housing, unless otherwise approved by a General Plan amendment. (A four-story/five-level parking structure with roof deck parking on the fifth level is considered a four-story structure.) [2000 GP Policy LU-1C.2]
- LU-2.9 Require appropriate building setbacks, structure orientation, and placement windows to consider the privacy of adjacent residential structures within the same project and on adjacent properties. [2000 GP Policy LU-1C.4]
- LU-2.10 Promote lot consolidation of residential properties to the extent feasible and practical, including the creation of larger single-family residential lots that exceed the minimum 6,000-square-foot requirement in neighborhoods where the prevailing residential subdivision pattern features larger-sized residential lots. [2000 GP Policy LU-1C.5 – Modified for 2015-2035 GP]
- LU-2.11 Ensure adequate noise attenuation in urban design, such as walls for sound attenuation, development of landscaped greenbelts, provision of landscape berms, etc. [2000 GP Policy LU-1C.6 – Modified for 2015-2035 GP]

Goal LU-3:

Development that Maintains Neighborhood Integrity and Character [2000 GP Goal LU-1]

Objective LU-3A: Establish policies, standards, and procedures to minimize blighting influences, and maintain the integrity of stable neighborhoods. [2000 GP Objective LU-1F]

- LU-3.1 Protect existing stabilized residential neighborhoods, including mobile home parks (and manufactured housing parks), from the encroachment of incompatible or potentially disruptive land uses and/or activities. [2000 GP Policy LU-1F.1]
- LU-3.2 Actively enforce existing regulations regarding derelict or abandoned vehicles, outdoor storage, and substandard or illegal buildings, and establish regulations to abate weed-filled yards when any of the above are deemed to constitute a health, safety, or fire hazard. [2000 GP Policy LU-1F.2]
- LU-3.3 Continue code enforcement as a high priority with regard to the regulation of property maintenance standards citywide. [2000 GP Policy LU-1F.3 – Modified for 2015-2035 GP]
- LU-3.4 Ensure that residential densities can be supported by the infrastructure and are compatible with existing residential neighborhoods in the surrounding area. [2000 GP Policy LU-1F.4 – Modified for 2015-2035 GP]

- LU-3.5 Provide opportunities for the development of well-planned and designed projects which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project or neighborhood. [2000 GP Policy LU-1F.5]
- LU-3.6 Facilitate revitalization of aging commercial centers by working with property owners, developers, local businesses, and other community organizations to coordinate efforts. [New Policy for 2015-2035 GP]
- LU-3.7 Promote development/design flexibility that encourages older or poorly maintained high-density residential uses to be rehabilitated. [New Policy for 2015-2035 GP]
- LU-3.8 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development and surrounding residential neighborhoods. [New Policy for 2015-2035 GP]
- LU-3.9 Locate high-intensity developments or high-traffic-generating uses away from low-density residential in order to buffer the more sensitive land uses from the potentially adverse impacts of the more intense development or uses. [2000 GP Policy LU-1A.3]
- LU-3.10 Minimize effects of new development on the privacy and character of surrounding neighborhoods. [New Policy for 2015-2035 GP]
- LU-3.11 Promote small-lot residential development on long, narrow, single parcels or combined residential lots. [New Policy for 2015-2035 GP]
- LU-3.12 Ensure that new development reflects existing design standards, qualities, and features that are in context with nearby development. [New Policy for 2015-2035 GP]
- LU-3.13 Prohibit construction of buildings which would present a hazard to air navigation, as determined by the Federal Aviation Administration (FAA). [2000 GP Policy LU-1C.3 – Modified for 2015-2035 GP]
- LU-3.14 Certain development proposals which may include the construction or alteration of structures more than 200 feet above ground level may require filing with the Federal Aviation Administration (FAA) and Airport Land Use Commission (ALUC) pursuant to federal and State law. If a filing requirement is determined to be necessary in accordance with the procedures provided by State/federal agencies, the filing of a Notice of Proposed Construction or Alteration (FAA Form 7460-1) shall be required prior to review and consideration of the proposed development.” Land Use Element (page LU-18) refers to the threshold stated above. It shall be amended to refer to Filing FAA Form 7460-1 Notice of Construction and Alteration, and not to Form 7480-1. [New Policy for 2015-2035 GP]
- LU-3.15 The City will ensure that development proposals, including the construction or operation of a heliport or helistop comply fully with permit procedures under State law, including referral of the project to the ALUC by the applicant, and with all conditions of approval imposed or recommended by the Federal Aviation Administration, ALUC, and Caltrans, including the filing of Form 7480-1 (Notice of Landing Area Proposed) with the FAA. This requirement shall be in addition to all other City development requirements. [New Policy for 2015-2035 GP]
- LU-3.16 The City shall refer certain projects to the Airport Land Use Commission for Orange County, as required by Section 21676 of the California Public Utilities Code to determine consistency of the project(s) with the Airport Environs Land Use Plan for John Wayne Airport. [New Policy for 2015-2035 GP]

- LU 3.17 New residential developments within the 60 dB CNEL noise contour of the airport shall provide designated outdoor signage informing the public of the presence of operating aircraft. [New Policy for 2015-2035 GP]

Goal LU-4:

New Development that Is Sensitive to Costa Mesa's Environmental Resources [2000 GP Goal LU-2]

Objective LU-4A: Encourage new development and redevelopment that protects and improves the quality of Costa Mesa's natural environment and resources. [2000 GP Objective LU-2A]

- LU-4.1 Ensure that appropriate watershed protection activities are applied to all new development and significant redevelopment projects that are subject to the National Pollutant Discharge Elimination System Stormwater Permit during the planning, project review, and permitting processes. [2000 GP Policy LU-2A.10]
- LU-4.2 Avoid conversion of areas particularly susceptible to erosion and sediment loss (e.g., steep slopes) and/or establish development guidelines that identifies these areas and protects them from erosion and sediment loss. [2000 GP Policy LU-2A.11]
- LU-4.3 Preserve or restore areas that provide water quality benefits and/or are necessary to maintain riparian and aquatic biota. [2000 GP Policy LU-2A.12]
- LU-4.4 Promote site development that limits impact on and protects the natural integrity of topography, drainage systems, and water bodies, and protect the integrity of the bluff crest. [2000 GP Policy LU-2A.13]
- LU-4.5 Promote integration of stormwater quality protection into construction and post-construction activities, as required by the NPDES Stormwater Permit and the City's Local Implementation Plan. [2000 GP Policy LU-2A.14]
- LU-4.6 Incorporate the principles of sustainability into land use planning, infrastructure, and development processes to reduce greenhouse gas emissions consistent with State goals. [New Policy for 2015-2035 GP]

Goal LU-5:

Adequate Community Services, Transportation System, and Infrastructure to Meet Growth [2000 GP Goal LU-1 and Goal LU-3]

Objective LU-5A: Ensure availability of adequate community facilities and provision of the highest level of public services possible, taking into consideration budgetary constraints and effects on the surrounding area. [2000 GP Objective LU-3A]

- LU-5.1 Pursue annexation of certain areas within the City's Sphere of Influence to provide land use regulation and city services within its jurisdiction. [2000 GP Policy LU-3A.1]
- LU-5.2 Strongly encourage protection and preservation of existing but underutilized school sites for future recreational, social, or educational uses. [2000 GP Policy LU-3A.2]
- LU-5.3 As appropriate and timely, consider the establishment of development impact fee program(s) to fund additional fire and police personnel, library facilities, and related equipment to meet the demands of additional growth in the City. [2000 GP Policy LU-3A.3 – Modified for 2015-2035 GP]

- LU-5.4 Require appropriate site and environmental analysis for future fire and police station site locations or for the relocation or closure of existing fire and police facilities. [2000 GP Policy LU-3A.4]
- LU-5.5 Ensure that new development pays its fair share of impact fees such as park fees and traffic impact fees. This can also include impact fees related to community services (police protection services and fire emergency response services) or library facilities, once adopted and applicable. [New Policy for 2015-2035 GP]
- LU-5.6 Promote development of revenue-generating land uses to help defray the costs of high quality public services. [New Policy for 2015-2035 GP]
- LU-5.7 Encourage new development that is organized around compact, walkable, mixed-use neighborhoods and districts to conserve open space resources, minimize infrastructure costs, and reduce reliance on the automobile. [New Policy for 2015-2035 GP]
- LU-5.8 Include an evaluation of impacts on utility systems and infrastructure in EIRs for all major general plan amendment, rezone, and development applications. [2000 GP Policy LU-1D.1]
- LU-5.9 Phase or restrict future development in the City to that which can be accommodated by infrastructure at the time of completion of each phase of a multi-phased project. [2000 GP Policy LU-1D.2]
- LU-5.10 Building densities/intensities for proposed new development projects shall not exceed the trip budget for applicable land use classifications, as identified in the Land Use Element. Building intensities for proposed new development projects shall not exceed the applicable floor area standards, except for the following conditions:
- (a) Limited deviations from the graduated floor-area ratio standards for the commercial and industrial land use designations may be approved through a discretionary review process. No deviation shall exceed a 0.05 increase in the FAR in the moderate traffic category, and no deviation shall be allowed in the very low, low, and high traffic categories. Deviations from the FAR standards shall not cause the daily trip generation for the property to be exceeded when compared to the existing daily trip generation for the site without the proposed project or maximum allowable traffic generation for the Moderate Traffic FAR category, whichever is greater.
 - (b) Additions to existing nonconforming nonresidential developments may be allowed if the additions do not affect the overall traffic generation characteristics of the development and if the additions do not substantially affect the existing height and bulk of the development. Additions to nonresidential developments shall be limited to those land uses with traffic generation rates based on variables other than building area square footage. Examples of such additions include, but are not limited to: 1) Hotels/motels: Increases in the size of hotel rooms or lobbies where no increase in the total number of rooms is proposed, and 2) theaters: Increases to “back-stage” support areas or lobbies where no increase in the total number of seats is proposed.
 - (c) In the above conditions, the new development shall be compatible with surrounding land uses.
 - (d) Additional criteria for approving deviations from the FAR standards may be established by policy of the City Council. [2000 GP Policy LU-1E.1 – Modified for 2015-2035 GP]

- LU-5.11 Development plans shall be required for all phased development and approvals and shall be approved by the Planning and Transportation Services Divisions prior to the issuance of building permits. [2000 GP Policy LU-1E.2]
- LU-5.12 Development plans shall include an overall buildout plan, which can demonstrate the ability of the circulation system to support the proposed level of development. [2000 GP Policy LU-1E.3]
- LU-5.13 The City shall continue its annual preparation of the Development Phasing and Performance Monitoring Program. The annual review will specifically address major intersection operations in any mixed-use overlay area. [2000 GP Policy LU-1E.4]

Goal LU-6:

Economically Viable and Productive Land Uses that Increase the City's Tax Base [2000 GP Goal LU-1]

Objective LU-6A: Ensure the long-term productivity and viability of the community's economic base. [2000 GP Objective LU-1B]

- LU-6.1 Encourage a mixed of land uses that maintain and improve the City's long-term fiscal health. [New Policy for 2015-2035 GP]
- LU-6.2 Continue to promote and support the vitality of commercial uses to meet the needs of local residents and that support regional-serving commercial centers. [New Policy for 2015-2035 GP]
- LU-6.3 Continue to prioritize commercial and industrial park use of properties north of I-405 and within the Airport Industrial District. [New Policy for 2015-2035 GP]
- LU-6.4 Support the continued presence of incubator businesses in the action sports industry and jobs-producing businesses in the Westside. [New Policy for 2015-2035 GP]
- LU-6.5 Encourage revitalization of existing, older commercial and industrial areas in the Westside with new mixed-use development consisting of ownership housing stock and live/work units. [New Policy for 2015-2035 GP]
- LU-6.6 Continue to encourage and retain land uses that generate sustainable sales and property tax revenues, including regional commercial destinations and automobile dealerships. [New Policy for 2015-2035 GP]
- LU-6.7 Encourage new and retain existing businesses that provide local shopping and services. [New Policy for 2015-2035 GP]
- LU-6.8 Provide efficient and timely review of development proposals while maintaining quality customer service standards for the business, development, and residential community. [New Policy for 2015-2035 GP]
- LU-6.9 Support the retention and growth of Class A office tenants, including corporate headquarters for the action sports industry, biotech, and high technology companies within the City. [New Policy for 2015-2035 GP]

Objective LU-6B: Encourage and facilitate activities that expand the City's revenue base. [New Objective for 2015-2035 GP]

- LU-6.10 Encourage a broad range of business uses that provide employment at all income levels and that make a positive contribution to the City's tax base. [New Policy for 2015-2035 GP]
- LU-6.11 Provide opportunities for mixed-use, office, manufacturing, and retail development that respond to market and community needs in terms of size, location, and cost. [New Policy for 2015-2035 GP]
- LU-6.12 Track retail trends and tailor regulations to respond to market changes, maximize revenue, and maintain the appropriate the business mix. [New Policy for 2015-2035 GP]
- LU-6.13 Encourage new development along major corridors that are pedestrian oriented and includes a mixture of retail/service, residential, and office uses. [New Policy for 2015-2035 GP]
- LU-6.14 Improve ease and accessibility to information to capture opportunities for businesses to establish in Costa Mesa and bring high-skill and professional jobs and new revenue sources into the community. [New Policy for 2015-2035 GP]
- LU-6.15 Promote unique and specialized commercial and industrial districts within the City which allow for incubation of new or growing businesses and industries. [New Policy for 2015-2035 GP]
- LU-6.16 Examine options for the development of new infrastructure for new technologies and businesses that use those technologies. [New Policy for 2015-2035 GP]

Objective LU-6C: Retain and expand the City's diverse employment base, including office, retail/service, restaurants, high-tech, action sports, boutique and prototype manufacturing, and industrial businesses. [New Objective for 2015-2035 GP]

- LU-6.17 Engage in activities that promote Costa Mesa as a great place to live, work, and develop a business. [New Policy for 2015-2035 GP]
- LU-6.18 Continue to work with surrounding cities to strengthen regional economic development. [New Policy for 2015-2035 GP]
- LU-6.19 Provide flexibility and support for development of residential, office, small retail centers, and similar uses that would serve local residents and would also benefit from the high visibility along major corridors outside of significant commercial or industrial nodes. [New Policy for 2015-2035 GP]

Goal LU-7:

A Sound Local Sustainable Economy that Attracts Investment, Creates Educational Opportunities, and Generates Employment Opportunities [New Goal for 2015-2035 GP]

- LU-7.1 Endeavor to create mixture of employment opportunities for all economic levels of residents and businesses. [New Policy for 2015-2035 GP]
- LU-7.2 Support linkages between local educational institutions and local industries and businesses. Foster training, collaboration with employers, and new innovative programs that increase job opportunities for residents and students attending school locally. [New Policy for 2015-2035 GP]
- LU-7.3 Foster and provide useful and efficient partnerships to implement economic opportunities with private, non-profit, or other public agencies. [New Policy for 2015-2035 GP]

- LU-7.4 Cultivate an entrepreneurial and academic environment that fosters innovation through non-traditional housing developments, flexible office spaces, experiential development, and ensuring the diversity of retail/service throughout the urban districts. [New Policy for 2015-2035 GP]
- LU-7.5 Support and provide flexibility for development projects and businesses which produce, care, and maintain material goods or fixed assets meant to support the production of market goods, especially for niche industries within the City of Costa Mesa. [New Policy for 2015-2035 GP]
- LU-7.6 Seek out opportunities to attract primary businesses within stable industries and support industries that already exist within the City. [New Policy for 2015-2035 GP]
- LU-7.7 Explore economic and employment opportunities to retain and strengthen the unique industry niches along Bristol and Paularino, in the Westside, on East 17th Street, and throughout North Costa Mesa. [New Policy for 2015-2035 GP]
- LU-7.8 Support the development of pedestrian plazas and gathering places, and institutional spaces, as well as the more efficient use of existing spaces, to support economic growth and branding of existing industries within the City. [New Policy for 2015-2035 GP]

Goal LU-8:

Promote a range of multiple uses at the Fairview Developmental Center site [New Goal for 2015-2035 GP]

- LU-8.1 In anticipation of the potential closure or repurposing of the Fairview Development Center site, the City will work with appropriate State agencies or private entity (if the property is sold) to plan for a complementary mix of low-scale residential, institutional, public facilities, open spaces, and recreational uses within a campus setting. [New Policy for 2015-2035 GP]

Goal LU-9:

Ensure that Fairgrounds uses are consistent with the General Plan designation [New Goal for 2015-2035 GP]

- LU-9.1 Discourage changes in the allowable uses specified in the Fairgrounds General Plan land use designation for the Orange County Fair & Event Center property. Ensure that amendments to this General Plan designation are approved by the electorate. [New Policy for 2015-2035 GP]

Goal LU-10:

Promote the growth of tourism [New Goal for 2015-2035 GP]

Objective LU-10A: Promote structural improvements of visitor-oriented land uses. [New Objective for 2015-2035 GP]

- LU-10.1 Engage with property owners, developers, and business owners to encourage the revitalization of the hotel/motels. [New Policy for 2015-2035 GP]

- LU-10.2 Provide incentives to motel development projects seeking to improve existing motel facilities by increasing the hotel rating. These projects may include:
- a. Updating building mechanical, electrical, or plumbing to comply with current building standards
 - b. Updating physical improvements to the site
 - c. Adding hotel amenities to the site
 - d. Updating or improving the landscaping on the site
 - e. Updating or improving the façade of the building(s) [New Policy for 2015-2035 GP]

Objective LU-10B: Promote growth of visitor-oriented land uses. [New Objective for 2015-2035 GP]

- LU-10.3 Motel and hotel land uses should be encouraged to be located near major transportation corridors and close to key tourist/visitor draws, other recreation venues, the airport, regional, and general local shopping centers. [New Policy for 2015-2035 GP]

- LU-10.4 Consider the interest of quality of stay for visitors when evaluating projects near visitor-oriented land uses by requiring on-site amenities and upscale guest services. [New Policy for 2015-2035 GP]

Objective LU-10C: Promote uses and events that make visitor-oriented business more economically viable. [New Objective for 2015-2035 GP]

- LU-10.5 Celebrate and promote the arts, culture, and industries of Costa Mesa through special events, civic gatherings, and City marketing and tourism promotion efforts. [New Policy for 2015-2035 GP]

- LU-10.6 Promote the development of small-scale manufacturing uses or other uses that generate multiple secondary and tertiary markets that support business travel tourism-related uses. [New Policy for 2015-2035 GP]

- LU-10.7 Maintain and enhance the City's status and image as a centrally located destination and cultural center in Orange County. [New Policy for 2015-2035 GP]

Circulation Element

The goals, objectives, and policies that address circulation are as follows:

Goal C-1:

Implement “Complete Streets” Policies on Roadways in Costa Mesa

Plan, develop, and implement a comprehensive transportation system that serves all users and modes of travel. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-1A: Create a transportation network that meets the mobility needs of all Costa Mesa residents, businesses, and visitors. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

C-1.1: Update the City’s engineering standards for public and private streets to provide for safe, comfortable, and attractive access and travel for pedestrians, bicyclists, motorists, and transit users of all ages, abilities, and modes of travel. [New Policy for 2015-2035 GP]

C-1.2: Allow for flexible use of public rights-of-way to accommodate all users of the street system while maintaining safety standards. [New Policy for 2015-2035 GP]

C-1.3: Complete and annually maintain a needs assessment for traffic service levels and traffic safety. Develop and annually update a priority list of improvement projects, with priorities based on: 1) correcting identified hazards; 2) accommodating multimodal trips; 3) improving and/or maintaining peak-hour traffic volumes at critical intersections; 4) improving efficiency of existing infrastructure utilization; and 5) intergovernmental coordination. [2000 GP Policy CIR-2C.2]

C-1.4: Pursue downgrade of arterials that no longer have the demand requiring their buildout to planned capacity. [New Policy for 2015-2035 GP]

C-1.5: Implement road diets on street segments with excess capacity to enhance bicycle and pedestrian facilities. [New Policy for 2015-2035 GP]

C-1.6: Encourage the conversion of excess on-street parking spaces for expanded sidewalk gathering places or landscaping. [New Policy for 2015-2035 GP]

C-1.7: Encourage community participation in City processes and programs focused on improving mobility and transportation facilities. [New Policy for 2015-2035 GP]

C-1.8: Pursue downgrade of 17th Street from 6-lane Major Arterial to 4-lane Primary Arterial between Orange Ave and Tustin Avenue, through Master Plan of Arterial Highways (MPAH) Amendment process with the Orange County Transportation Authority. [New Policy for 2015-2035 GP]

Objective C-1B: Preserve the character of our residential neighborhoods. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

C-1.9: Implement traffic calming measures that discourage speeding and cut-through traffic on residential streets. [2000 GP Policy CIR-1A.14]

C-1.10: Encourage non-motorized transportation in residential areas by providing sidewalks and implementing bicycle friendly design of local streets. [New Policy for 2015-2035 GP]

C-1.11: Reduce or eliminate intrusion of traffic related to non-residential development on local streets in residential neighborhoods. [New Policy for 2015-2035 GP]

- C-1.12: Prioritize intersection improvements which improve through traffic flow on Major, Primary, and Secondary Arterials, and reduce impacts on local neighborhood streets with emphasis on pedestrian safety. [2000 GP Policy CIR-1A.14]
- C-1.13: Promote engineering improvements such as physical measures constructed to lower speeds, improve safety, and otherwise reduce the impacts of motor vehicles. [New Policy for 2015-2035 GP]
- C-1.14: Design and Implement transportation projects to meet local and regional system capacity needs in accordance with the Master Plan of Streets and Highways. [New Policy for 2015-2035 GP]
- C-1.15: Implement neighborhood approved traffic-calming measures in residential neighborhoods and appropriate commercial areas, such as street narrowing, curb extensions, roundabouts, landscaped medians, and radar speed feedback signs. [New Policy for 2015-2035 GP]
- C-1.16: Establish priority-ranking system to evaluate traffic-calming requests for implementation throughout the City. [New Policy for 2015-2035 GP]
- C-1.17: Pursue programs that reduce vehicle speeds and cut-through traffic on local streets. [New Policy for 2015-2035 GP]

Goal C-2:

Effectively Manage and Improve the Roadway System

Develop and maintain a robust and efficient vehicular circulation network. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-2A: Implement policies that encourage and accommodate all users while maintaining the efficiency of the circulation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-2.1: Establish a citywide crosswalk policy to address installation, maintenance, removal, and enhancements of crosswalks at intersections and mid-block locations. Crosswalk locations and treatment will be based on criteria including, but not limited to safety, traffic volume, and concentration of pedestrian activity. Potential enhancements may include leading pedestrian intervals at signalized intersections, bulb-outs, and median refuges to reduce crossing distances. [New Policy for 2015-2035 GP]
- C-2.2: Avoid creation of frequent driveways for new development access in active pedestrian areas that create conflict points between pedestrians and vehicles. [New Policy for 2015-2035 GP]
- C-2.3: Encourage commercial property owners to use shared driveway access and interconnected roads within blocks, where feasible. Require driveway access closures or consolidations, or both when a site is remodeled or redeveloped. [New Policy for 2015-2035 GP]
- C-2.4: Collaborate with law enforcement and public safety organizations to coordinate policies and programs that would reduce injuries and deaths on the roadways. [New Policy for 2015-2035 GP]
- C-2.5: Designate routes for truck traffic to minimize potential conflicts between trucks and cars, pedestrians, bicycles, transit, and vehicle access and circulation. Establish by ordinance a truck map that depicts allowable truck routes within the City. [New Policy for 2015-2035 GP]

- C-2.6: Periodically review and update traffic signal timing at all signalized intersections to maintain traffic signal coordination and to accommodate bicycle and pedestrian needs. [New Policy for 2015-2035 GP]
- C-2.7: Develop new traffic level of services criteria in accordance with SB 743 to meet the California Environmental Quality Act (CEQA). [New Policy for 2015-2035 GP]
- C-2.8: Continue the use of the Intersection Capacity Utilization (ICU) methodology to address local traffic level of service and impacts, with Level of Service “D” as the threshold for meeting the City’s significance criteria. [New Policy for 2015-2035 GP]

Objective C-2B: Construct street improvements and apply congestion management tools to obtain efficient performance of the transportation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-2.9: Incorporate the street system improvements identified in the General Plan Environmental Impact Report (EIR) into the Capital Improvement Program. [New Policy for 2015-2035 GP]
- C-2.10: Continue to deploy intelligent transportation systems (ITS) strategies—such as adaptive signal controls, fiber optic communication equipment, closed circuit television cameras, real-time transit information, and real-time parking availability information—to reduce traffic delays, lower greenhouse gas emissions, improve travel times, and enhance safety for drivers, pedestrians, and cyclists. [New Policy for 2015-2035 GP]
- C-2.11: Investigate all operational measures, including the use of one-way streets, to improve traffic circulation and to minimize congestion for all travel modes. [New Policy for 2015-2035 GP]
- C-2.12: Investigate and utilize state-of-the-art transportation system management technology and industry practices to address recurring and non-recurring traffic events (i.e., special events, incident/emergency management). [New Policy for 2015-2035 GP]
- C-2.13: Continue to evaluate and pursue design and operational improvements (medians, driveway closures, signal synchronization or phasing, parking or turn restrictions, etc.) to improve the efficiency of intersections. [2000 GP Policy CIR-2A.4]

Goal C-3:

Enhance Regional Mobility and Coordination

Encourage development of a regional transportation network that addresses regional mobility needs for all modes of travel. [2000 GP Goal CIR-1 – Modified for 2015-2035 GP]

Objective C-3A: Promote development of transportation projects along regional corridors. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-3.1: Maintain compliance with Orange County Congestion Management Plan (CMP) requirements, including consistency with CMP level of service standards, adoption of a seven-year capital improvement program, analysis of impacts of land use decisions on the CMP highway system, and adoption and implementation of deficiency plans when intersections do not meet adopted performance standards. [New Policy for 2015-2035 GP]

- C-3.2: Support the goals and objectives of the Orange County Long Range Transportation Plan, including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure. [New Policy for 2015-2035 GP]
- C-3.3: Support the goals and objectives of the SCAG Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS), including expansion of transportation system choices, improvement of transportation system performance, and sustainability of transportation infrastructure. [New Policy for 2015-2035 GP]
- C-3.4: Coordinate signal timing on all major arterials with a local signal synchronization program consistent with the Orange County Traffic Signal Synchronization Master Plan (TSSMP). [2000 GP Policy CIR-2A.2 – Modified for 2015-2035 GP]
- C-3.5: Ensure Costa Mesa’s input, participation, and discretionary review of applicable region-wide transportation system policies, programs, and construction. [New Policy for 2015-2035 GP]
- C-3.6: Develop short-term and long-term improvements to the SR-55 corridor in coordination with Caltrans and OCTA to address regional mobility needs. [New Policy for 2015-2035 GP]
- C-3.7: Promote the City’s preferred alternative of undergrounding the SR-55 freeway south of 19th Street within the City limits. [New Policy for 2015-2035 GP]
- Objective C-3B:** Coordinate and partner with local and regional agencies to promote projects and policies that improve regional mobility. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]
- C-3.8: Coordinate with adjacent jurisdictions to maintain or improve mobility within the City to achieve a standard Level of Service no worse than “D” at all intersections under State or joint control. Intersection Level of Service analyses for General Plan conditions for locations under State or joint control will be updated periodically and presented to the City Council. [2000 GP Policy CIR-1A.12]
- C-3.9: Consult with Caltrans and OCTA regarding the I-405 widening project to minimize adverse impacts to Costa Mesa’s neighborhoods, businesses, and streets. [New Policy for 2015-2035 GP]
- C-3.10: Coordinate with OCTA and other jurisdictions to remove Gisler Avenue Bridge over the Santa Ana River from the City’s Master Plan of Streets and Highways and County’s Master Plan of Arterial Highways. [2000 GP Policy CIR-1A.18]
- C-3.11: Collaborate with Caltrans and neighboring jurisdiction to improve signal timing and coordination along major arterials across jurisdictional boundaries. [2000 GP Policy CIR-2A.3 – Modified for 2015-2035 GP]
- C-3.12: Work closely with the State of California and other government agencies to control traffic-related impacts of uses on State- or other agency-owned land (i.e., Orange County Fairgrounds, Orange Coast College, etc.). [2000 GP Policy CIR-1A.17]
- C-3.13: Coordinate with other responsible agencies the planning, funding, prioritization, and implementation of bicycle, pedestrian, and transit programs and supporting infrastructure. [New Policy for 2015-2035 GP]

Goal C-4:

Promote Transportation Demand Management, Transit, and Efficiency

Utilize Transportation Demand Management strategies to manage demand and maximize available capacity. [2000 GP Goal CIR-2 – Modified for 2015-2035 GP]

Objective C-4A: Encourage greater utilization of Transportation Demand Management (TDM) strategies to reduce dependence on single-occupancy vehicles. [2000 GP Objective CIR-2A – Modified for 2015-2035 GP]

- C-4.1: Support South Coast Air Quality Management District (SCAQMD) trip reduction programs, including park and ride lots, transit subsidies, carpool and vanpool programs, flexible working hours, bicycle facilities, and other traffic reduction strategies. [New Policy for 2015-2035 GP]
- C-4.2: Support local and multi-jurisdictional car-sharing and bike-sharing programs. [New Policy for 2015-2035 GP]
- C-4.3: Consider implementing park-once approaches for multiuse districts and regional destinations areas. [New Policy for 2015-2035 GP]
- C-4.4: Embrace innovative parking solutions that reduce the required spaced needed for parking, such as automated parking lifts and elevators. [New Policy for 2015-2035 GP]
- C-4.5: Encourage and provide incentives for commercial, office, and industrial development to provide preferred parking for carpools, vanpools, electric vehicles, and flex cars. [New Policy for 2015-2035 GP]
- C-4.6: Encourage and support programs that increase vehicle occupancy, including the provision of traveler information, shuttles, preferential parking for carpools/vanpools, transit pass subsidies, and other methods. [New Policy for 2015-2035 GP]
- C-4.7: Promote the combination of TDM measures as much more effective than any single measure. [New Policy for 2015-2035 GP]
- C-4.8: Require discussion of transportation system management (TSM) and TDM measures in all EIRs prepared for major projects. [2000 GP Policy Policy CIR-2D.5]
- C-4.9: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use. [2000 GP Policy CIR-1A.8]
- C-4.10: Allow the application of transportation management rideshare programs, integration of complementary land uses, and other methods to reduce project related average daily and peak hour vehicle trips to achieve consistency with allocated trip budgets. [2000 GP Policy CIR-1A.10]

Objective C-4B: Promote regional and local transit services as an alternative to automobile travel. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-4.11: Ensure that roadways designated as transit routes can accommodate transit vehicle circulation and convenient pedestrian access to and from transit stops. [2000 GP Policy CIR-1A.11 – Modified for 2015-2035 GP]
- C-4.12: Review all capital improvement projects to ensure improvements located on existing and planned transit routes include modification of street, curb, and sidewalk configurations to allow for easier and more efficient transit operations and improved passenger access. [New Policy for 2015-2035 GP]

- C-4.13: Provide transit stop amenities that facilitate access to and from transit stops and transfer locations. These may include pedestrian pathways approaching stops, high-quality benches and shelters, traveler information systems (real-time transit arrival information), and bike storage and bicycle connections. Bus stops should accommodate timed transfers between buses and other transit services where necessary. [New Policy for 2015-2035 GP]
- C-4.14: Encourage new development along major transit corridors to provide efficient and safe access to transit stops and public sidewalks. [New Policy for 2015-2035 GP]
- C-4.15: Support and participate with OCTA ACCESS Service in providing transportation assistance to senior citizens and the disabled. [New Policy for 2015-2035 GP]
- C-4.16: Consult with OCTA for transit services, such as changes to bus routes, bus stops, and hours of operation. Additionally, coordinate with OCTA for changes to transit services provided for seniors, the disabled, and transit dependent populations. [New Policy for 2015-2035 GP]
- C-4.17: Consult with the Newport-Mesa Unified School District to maintain school bus services provided for local schoolchildren. [New Policy for 2015-2035 GP]
- C-4.18: Coordinate with OCTA to improve transit services in the City, including strategies such as bus rapid transit, express services, community circulators, and other strategies. [New Policy for 2015-2035 GP]
- C-4.19: Encourage new local transit programs in coordination with OCTA, consisting of shuttle services to local and regional destinations. [New Policy for 2015-2035 GP]
- C-4.20: Coordinate with OCTA to construct bus turnouts at appropriate locations, with attractive shelters designed for safe and comfortable use. [2000 GP Policy CIR-2B.1]
- C-4.21: Require discussion of transit service needs and site design amenities for transit ridership in EIR for major projects. [2000 GP Policy CIR-2D.4]

Goal C-5:

Ensure Coordination between the Land Use and Circulation Systems

Facilitate close coordination between development of land use and circulation system. [2000 GP Goal CIR-2 – Modified for 2015-2035 GP]

Objective C-5A: Coordinate land use policies and development activities that support a sustainable transportation system. [2000 GP Objective CIR-1A – Modified for 2015-2035 GP]

- C-5.1: Ensure that new development projects are consistent with the vehicular trip budgets, where adopted. [New Policy for 2015-2035 GP]
- C-5.2: Require that large developments and redevelopments provide short-term and long-term vehicular traffic impact studies. [New Policy for 2015-2035 GP]
- C-5.3: Encourage permitted General Plan land uses which generate high traffic volumes to be located near major transit and transportation corridors to minimize vehicle use, congestion, and delay. [2000 GP Policy CIR-1A.9]
- C-5.4: Maintain balance between land use and circulation systems by phasing new developments to levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project. [2000 GP Policy GM-1A.2 and Policy CIR-1A.16]

- C-5.5: Promote development of mixed-use projects to reduce number of vehicle trips. [New Policy for 2015-2035 GP]
- C-5.6: Coordinate the design and improvement of pedestrian and bicycle ways in major residential, shopping and employment centers, parks, schools, other public facilities, public transportation facilities, and bicycle networks with adjacent cities. [2000 GP Policy CIR-1A.3]
- C-5.7: Require dedication of right-of-way, in an equitable manner, for development that increases the intensity of land use. [2000 GP Policy CIR-1A.6]
- C-5.8: Minimize circulation improvements that will necessitate the taking of private property on existing developed properties. [2000 GP Policy CIR-1A.19]
- C-5.9: Require that circulation necessary to provide or attain the minimum traffic level of service standard at an intersection to which a development project contributes measureable traffic be completed within three years of issuance of the first building permit for such development project, unless additional right-of-way or coordination with other government agencies is required to complete the improvement. Improvements may be required sooner if, because of extraordinary traffic generation characteristics of the project or extraordinary impacts to the surrounding circulation system, such improvements are necessary to prevent significant adverse impacts. [2000 GP Policy CIR-2D.1]
- C-5.10: Allow for construction of circulation improvements for a phased development project to be constructed commensurate with the project construction, based upon the findings of a traffic study approved by the City of Costa Mesa. [2000 GP Policy CIR-2D.2]
- C-5.11: Maintain balance between land use and circulation systems by phasing new development to levels that can be accommodated by roadways existing or planned to exist at the time of completion of each phase of the project. [2000 GP Policy GM-1A.2 and Policy CIR-1A.16]
- C-5.12: Support consistency with the Orange County Sustainable Communities Strategy (OC SCS) and SCAG RTP/SCS by providing an integrated land use and transportation plan to meet mandated emissions reduction targets consistent with SB 375. [New Policy for 2015-2035 GP]
- Objective C-5B:** Establish strategies and processes that allow large developments to analyze and mitigate traffic impacts and infrastructure needs. [2000 GP Objective CIR-2D – Modified for 2015-2035 GP]
- C-5.13: Require that new development projects improve access to and accommodations for multimodal transportation. [New Policy for 2015-2035 GP]
- C-5.14: Require developers of new building and redevelopment/reuse projects as part of the project development review process that are located along bus routes to pay a designated fair share of the cost of providing improved bus stop facilities and related street furniture or, where appropriate, dedicate land for improved bus stop facilities. [New Policy for 2015-2035 GP]
- C-5.15: Consider the needs of the transportation and infrastructure system early for large developments and coordinate with developers to design projects that minimize traffic impacts and infrastructure demands, and implement complete streets wherever feasible. Alternatively, address transportation and infrastructure system impacts through the implementation of development agreements. [New Policy for 2015-2035 GP]

Goal C-6:

Fund and Evaluate the City's Transportation Network

Explore opportunities to secure funding for enhancing the circulation system. [New Goal for 2015-2035 GP]

Objective C-6A: Pursue funding sources to maintain and enhance the transportation and infrastructure system. [2000 GP Objective CIR-2C – Modified for 2015-2035 GP]

- C-6.1: Evaluate traffic collision data regularly, and identify top collision locations for automobiles, bicycles, pedestrians, transit in Costa Mesa. Develop appropriate countermeasures and pursue funding from all available sources to implement them. [New Policy for 2015-2035 GP]
- C-6.2: Continue to develop and maintain long-range capital improvement programs consistent with the General Plan and M2 eligibility requirements. [New Policy for 2015-2035 GP]
- C-6.3: Coordinate with OCTA to fund, develop, and maintain a Master Plan of Streets and Highways consistent with the Master Plan of Arterial Highways (MPAH). [New Policy for 2015-2035 GP]
- C-6.4: Require a locally collected and administered traffic mitigation fee program to guarantee that new development pays for its fair share toward improvements resulting in reductions in air pollutant and GHG emissions and traffic impacts generated by the development. [New Policy for 2015-2035 GP]
- C-6.5: Actively pursue local, State, and federal funding to implement, maintain, and evaluate the transportation and infrastructure system. [New Policy for 2015-2035 GP]
- C-6.6: Supplement funding from annual fees or assessments on existing and new development with grants and other nonlocal sources. [New Policy for 2015-2035 GP]
- C-6.7: Develop strategies to implement an infrastructure and transportation system to be consistent with State policies on resiliency and sustainability. [New Policy for 2015-2035 GP]
- C-6.8: Amend the General Plan, if necessary, to be responsive to evolving funding requirements and to comply with State and federal regulations affecting the goals and policies of the Circulation Element. [New Policy for 2015-2035 GP]
- C-6.9: Coordinate with OCTA and Caltrans to seek funding and implementation solutions to improve Newport Boulevard at the terminus of the State Route 55 freeway to relieve congestion from regional traffic. [2000 GP Policy CIR-2A.1 Modified for 2015-2035 GP]
- C-6.10: Review the City's transportation impact fee program on a regular basis, and adjust fees as needed to ensure that funding is available for planned transportation improvements that will benefit all travel modes. [New Policy for 2015-2035 GP]
- C-6.11: Prioritize funding and timing for implementing transportation improvements. Consider prioritizing multimodal projects that provide the most benefit to all users. [New Policy for 2015-2035 GP]
- C-6.12: Require that every new development project pay its share of costs associated with the mitigation of project generated impacts. [New Policy for 2015-2035 GP]

- C-6.13: Measure M2 sales tax revenues shall not be used to replace private funding which has been committed for any project. [2000 GP Policy GM-1A.5 – Modified for 2015-2035 GP]
- C-6.14: The City's seven-year capital improvement program shall be adopted and maintained in conformance with the provisions of Measure M2 for the purpose of maintaining the established level of service standard. [2000 GP Policy GM-1A.6 – Modified for 2015-2035 GP]
- C-6.15: Maintain a traffic impact fee for circulation system improvements to the Master Plan of Streets and Highways; review and update fees on a regular basis. [2000 GP Policy GM-1A.4 AND Policy CIR-2D.3 – Modified for 2015-2035 GP]
- Objective C-6B:** Evaluate the transportation system to ensure that it meets the City's circulation goals. [2000 GP Objective CIR-2A – Modified for 2015-2035 GP]
- C-6.16: Provide an annual Capital Improvement Program General Plan consistency report. [New Policy for 2015-2035 GP]
- C-6.17: Provide annual public review of implementation status reports of goals, policies, and objectives stated in the Circulation Element. [New Policy for 2015-2035 GP]
- C-6.18: Adopt and seek out methods and processes that provide appropriate and accurate data for evaluating the performance of the transportation and infrastructure system. [New Policy for 2015-2035 GP]

Goal C-7:

Promote a Friendly Active Transportation System in Costa Mesa

Create a bicycle and pedestrian friendly environment throughout Costa Mesa for all types of users and all trip purposes in accordance with the five "Es:" Education, Encouragement, Enforcement, Engineering, and Evaluation. [New Goal for 2015-2035 GP]

The following recommendations are aimed at providing the maximum flexibility in meeting the goals and policies in this Circulation Element.

Bikeways and Pedestrian Paths

Objective C-7A: Expand, enhance, and protect the existing bicycle and pedestrian network to provide a comprehensive, system of Class I, Class II, Class III, and Class IV facilities to increase connectivity between homes, jobs, schools transit, and recreational resources in Costa Mesa. [New Objective for 2015-2035 GP]

- Recommendation C-7.1: Develop an extensive bicycle and pedestrian backbone network through the use of standard and appropriate innovative treatments. [New Policy for 2015-2035 GP]
- Recommendation C-7.2: Plan and install new bicycle lanes on Major Arterials, where feasible and appropriate. [New Policy for 2015-2035 GP]
- Recommendation C-7.3: Plan and install shared lane markings ("sharrows") and signage on appropriate existing and planned bicycle routes where bicycle lane implementation is demonstrated to be infeasible. [New Policy for 2015-2035 GP]
- Recommendation C-7.4: Where feasible, Class I shared-use paths should be a priority for future developments. [New Policy for 2015-2035 GP]

- Recommendation C-7.5: Plan and install new shared-use paths in utility corridors and/or along flood control channels, and extend existing bicycle and shared-use paths. [New Policy for 2015-2035 GP]
- Recommendation C-7.6: Plan and complete north/south multi-purpose and bicycle routes through the City to augment the east/west route. [New Policy for 2015-2035 GP]
- Recommendation C-7.7: Consider the identification and feasibility of potential Class IV cycle tracks. [New Policy for 2015-2035 GP]
- Recommendation C-7.8: When feasible, implement the completion through regional coordination of the Costa Mesa roadway and trail segments of regional bikeway plans. [New Policy for 2015-2035 GP]
- Recommendation C-7.9: Encourage reallocation of roadway rights-of-way where appropriate to accommodate shared-use path and bicycle facilities, while preserving and respecting the character of each adjacent neighborhood. [New Policy for 2015-2035 GP]
- Recommendation C-7.10: Support bicycle improvement projects that close gaps in the regional bicycle network either by implementing specific projects recommended in the Plan or through other treatments. [New Policy for 2015-2035 GP]
- Recommendation C-7.11: Encourage bicycle projects that connect local facilities and neighborhoods to major bicycle corridors. [New Policy for 2015-2035 GP]
- Recommendation C-7.12: Work cooperatively with adjoining jurisdictions and local/regional agencies to coordinate bicycle planning, and implementation activities. Where required, develop consistent active transportation plans and policies with regional and adjacent agencies. [New Policy for 2015-2035 GP]
- Recommendation C-7.13: Prioritize safe access to major regional trails such as the OC Loop/Santa Ana River Trail and the Newport Back Bay Trail System. Where feasible, plan and provide a continuous low-stress Class I and/or Class IV facility from east to west across the city between these facilities. [New Policy for 2015-2035 GP]
- Recommendation C-7.14: Explore favorable opportunities to remove parking to accommodate bicycle lanes. [New Policy for 2015-2035 GP]
- Recommendation C-7.15: Identify favorable opportunities to retain parallel parking adjacent to sidewalks to maintain pedestrian safety. [New Policy for 2015-2035 GP]
- Recommendation C-7.16: Consider every street in Costa Mesa as a street that cyclists could use. [New Policy for 2015-2035 GP]
- Recommendation C-7.17: Link on-road and off-road bicycle and pedestrian facilities within Costa Mesa to existing and planned facilities in adjacent and regional jurisdictions. [New Policy for 2015-2035 GP]

- Recommendation C-7.18: Low-stress design techniques should be considered where necessary to attract a wide variety of users. [New Policy for 2015-2035 GP]
- Recommendation C-7.19: Establish designated safe routes to schools for biking and walking. [New Policy for 2015-2035 GP]
- Recommendation C-7.20: Designate walkable districts in the City. [New Policy for 2015-2035 GP]

Bike and Pedestrian Facilities

Objective C-7B: Provide end-of-trip facilities that support the bicycle network. [New Objective for 2015-2035 GP]

- Recommendation C-7.21: Provide bike parking and bike-related amenities at public facilities and along public rights-of-way. [New Policy for 2015-2035 GP]
- Recommendation C-7.22: Pursue public-private partnerships to furnish local businesses with secure bike parking and other related amenities. [New Policy for 2015-2035 GP]
- Recommendation C-7.23: Develop and adopt bicycle parking equipment standards for bicycle parking to be installed within the public right-of-way and post on the City website. [New Policy for 2015-2035 GP]
- Recommendation C-7.24: Work with local schools and colleges to provide ample and secure bike parking and other related amenities for students and employees. [New Policy for 2015-2035 GP]
- Recommendation C-7.25: Work with OCTA to maximize bicycle amenities, such as bus stop solar lighting and bicycle lockers, at high-volume transit stops. [New Policy for 2015-2035 GP]
- Recommendation C-7.26: Prioritize the installation of bicycle-scale and/or pedestrian-scale lighting. [New Policy for 2015-2035 GP]
- Recommendation C-7.27: Encourage and incentivize providing attended bicycle parking services, such as a bicycle valet, at major City events, OC Fair, Farmers' Markets, holiday festivals, and other community events. [New Policy for 2015-2035 GP]
- Recommendation C-7.28: Prioritize schools with the highest auto traffic volume during peak hours and insufficient parking for staff and parents. Plan and install bicycle facilities adjacent those schools. [New Policy for 2015-2035 GP]
- Recommendation C-7.29: Provide bike parking and bike-related amenities at public facilities and along public right-of-way. [New Policy for 2015-2035 GP]

“First and Last Mile” Programs

- Objective C-7C:** Encourage sustainable modes of transportation to fill gaps between the first and last miles of trips (walking, biking, ride sharing, transit, taxi and car-sharing). [New Objective for 2015-2035 GP]
- Recommendation C-7.30: Identify citywide infrastructure needed to create the interconnected multi-trail system. [New Policy for 2015-2035 GP]
- Recommendation C-7.31: Improve the quality, aesthetics, and safety of high-use pedestrian corridors. [New Policy for 2015-2035 GP]
- Recommendation C-7.32: Development and implement a bicycle sharing system. [New Policy for 2015-2035 GP]
- Recommendation C-7.33: Proposed new mode split goals:
- 50 percent motor vehicles
 - 10 percent transit
 - 10 percent bicycles
 - 20 percent walking
 - 10 percent carpools, taxi, transportation network company services, and car sharing [New Policy for 2015-2035 GP]
- Recommendation C-7.34: Establish a goal for all trips of less than three miles to be 30 percent by bicycle, and establish a goal of less than 1 mile to be 30 percent by walking. [New Policy for 2015-2035 GP]
- Recommendation C-7.35: Consider implementing a small-scale transportation system to encourage mode shift to popular destinations as defined by users. [New Policy for 2015-2035 GP]

Goal C-8:

Create a Safer Place to Walk and Ride a Bicycle

Provide a safe, convenient, and attractive bicycling and pedestrian environment. Apply design standards, enforcement of traffic laws, maintenance practices, and safety awareness campaigns to encourage and increase the use of bicycle and pedestrian facilities. [New Goal for 2015-2035 GP]

Design and Way-finding

- Objective C-8A:** Develop bicycle and pedestrian facilities with approved uniform design standards, and implementation of way-finding signage providing information on various destinations. [New Objective for 2015-2035 GP]
- Recommendation C-8.1: Require that all facilities be designed in accordance with the latest federal, state, and local standards. [New Policy for 2015-2035 GP]
- Recommendation C-8.2: Provide and maintain bicycle and pedestrian signal detectors, informational signage, and lighting, along City bikeways. [New Policy for 2015-2035 GP]

- Recommendation C-8.3: Develop, install and maintain a bicycle and pedestrian way-finding signage program to indicate route turns, the presence of intersecting bikeways, streets and distances to nearby local and major destinations. [New Policy for 2015-2035 GP]
- Recommendation C-8.4: Develop a list of acceptable plant materials for shared use paths that will not damage, create security problems or hazards for bicyclists. Incorporate canopy trees and native, drought-tolerant landscaping as a standard Class I facility (shared use path) feature. Encourage the use of sustainable drainage designs, such as bio-swales. [New Policy for 2015-2035 GP]
- Recommendation C-8.5: Utilize Complete Streets elements as demonstrated in most recent versions of National Association of City Transportation Officials (NACTO) Urban Street Design Guide and Bikeway Design Guide. [New Policy for 2015-2035 GP]
- Recommendation C-8.6: Crosswalks will include high visibility crossing treatments. [New Policy for 2015-2035 GP]
- Recommendation C-8.7: Paint direction arrows on all bike lanes and bike paths to reduce the risk of collisions. [New Policy for 2015-2035 GP]

Safety Enforcement and Reporting

Objective C-8B: Continue and expand enforcement activities that enhance safety of bicyclists on bike paths and roadways. [New Objective for 2015-2035 GP]

- Recommendation C-8.8: Enforce laws that reduce bicycle/pedestrian/motor vehicle incidents and conflicts. [New Policy for 2015-2035 GP]
- Recommendation C-8.9: Train police officers on bicyclists' rights and responsibilities and bicycle/pedestrian/vehicle collision evaluation. [New Policy for 2015-2035 GP]
- Recommendation C-8.10: Utilize the City's bicycle-mounted patrol officer program to educate and enforce pedestrian and bicycle user violations not necessarily to punish, but to correct. [New Policy for 2015-2035 GP]
- Recommendation C-8.11: Promote efficient reporting mechanisms for behaviors that endanger cyclists and pedestrians. [New Policy for 2015-2035 GP]
- Recommendation C-8.12: Develop a partnership with the school community to establish and update suggested routes to schools for biking and walking. [New Policy for 2015-2035 GP]

Safe Roadway Conditions

Objective C-8C: Maintain bicycle and pedestrian facilities that are clear of debris and provide safe conditions for all users. [New Objective for 2015-2035 GP]

- Recommendation C-8.13: Establish routine maintenance schedule/standards for bicycle and pedestrian facilities such as sweeping, litter removal, landscaping, repainting of striping, signage, and signal actuation devices. [New Policy for 2015-2035 GP]

- Recommendation C-8.14: Encourage and empower citizens to report maintenance issues that impact bicyclist and pedestrian safety including, but not limited to, potholes, sidewalk lifting, and overgrown vegetation. [New Policy for 2015-2035 GP]
- Recommendation C-8.15: Establish procedures for responding to citizen reports in a timely manner. [New Policy for 2015-2035 GP]
- Recommendation C-8.16: Where feasible, reduce or eliminate conflict points such as driveways that cross the sidewalk. [New Policy for 2015-2035 GP]

Safety Education

Objective C-8D: Increase education of bicycle and pedestrian safety through programs and training of school children and the public. [New Objective for 2015-2035 GP]

- Recommendation C-8.17: Create, fund, and implement bicycle-safety curricula and provide to the public, tourists, various ethnic groups, diverse ages and disadvantaged communities. [New Policy for 2015-2035 GP]
- Recommendation C-8.18: Provide multilingual bicycle-safety maps and brochures (print and electronic versions) in languages that are widely used in Costa Mesa. [New Policy for 2015-2035 GP]
- Recommendation C-8.19: Encourage schools to develop and provide bicycle-safety curricula for use in elementary, middle, and high schools, such as the Bicycle Rodeo events. [New Policy for 2015-2035 GP]
- Recommendation C-8.20: Support marketing and public awareness campaigns aimed at improving bicycle and pedestrian safety. [New Policy for 2015-2035 GP]
- Recommendation C-8.21: Provide a user education program developed and promoted to encourage proper trail use and etiquette. [New Policy for 2015-2035 GP]
- Recommendation C-8.22: Work with local bicycle advocacy organizations to develop, promote and support a series of bicycle education classes. Include information on bicycle safety, maintenance, and security. [New Policy for 2015-2035 GP]
- Recommendation C-8.23: Develop and distribute education material regarding bicycle and pedestrian responsibilities and laws. [New Policy for 2015-2035 GP]

Safety Data

Objective C-8E: Monitor and analyze bicycle and pedestrian safety. [New Objective for 2015-2035 GP]

- Recommendation C-8.24: Request bicycle and pedestrian collision reports from local law enforcement periodically and consider improvements to address problem areas. [New Policy for 2015-2035 GP]

- Recommendation C-8.25: Establish an expedited process to report maintenance and safety concerns, e.g. pavement markings (sharrows, missing bike lane lines), ramps, curb cut-outs, broken walk/bike signal buttons, signage, minor maintenance of bike lanes/paths (street/path sweeping, minor surface patching, inoperable traffic signal bicycle detection). [New Policy for 2015-2035 GP]
- Recommendation C-8.26: Conduct Roadside Safety Audits (RSAs) on a regular basis to provide periodic snapshots of roadway safety, including bicycle, pedestrian, equestrian, skateboard, and other non-motorized modes of travel. [New Policy for 2015-2035 GP]

Goal C-9:

Integrate Active Transportation Elements into Circulation System and Land Use Planning

Provide bikeway and walkway facilities that are integrated with other transportation systems and land use planning decisions. [New Goal for 2015-2035 GP]

Land Use Planning Decisions and Active Transportation

Objective C-9A: Consider bicycle and pedestrian facilities during land use planning process. [New Objective for 2015-2035 GP]

- Recommendation C-9.1: Incorporate the Costa Mesa Bicycle and Pedestrian Master Plan into the City's General Plan. [New Policy for 2015-2035 GP]
- Recommendation C-9.2: Ensure that all current and proposed land use planning is consistent with the Costa Mesa Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]
- Recommendation C-9.3: Require new developments provide adequate bicycle parking and pedestrian access. [New Policy for 2015-2035 GP]
- Recommendation C-9.4: Collaborate with property owners to increase bicycle parking over time. [New Policy for 2015-2035 GP]
- Recommendation C-9.5: Encourage the integration of compatible land uses and housing into major development projects to reduce vehicle use. [New Policy for 2015-2035 GP]
- Recommendation C-9.6: Provide a fully integrated network of modern active transportation facilities to and from major activity centers and residential centers. [New Policy for 2015-2035 GP]
- Recommendation C-9.7: Identify areas where an increase in the need for active transportation can reasonably be anticipated due to housing/business growth. [New Policy for 2015-2035 GP]
- Recommendation C-9.8: Make commercial and recreational areas more enjoyable for pedestrians by implementing measures such as providing shade, planting trees, eliminating visible parking lots and vacant land, and minimizing long stretches of building façade. [New Policy for 2015-2035 GP]
- Recommendation C-9.9: Develop creative, artistic, and functional bicycle parking solutions, and install them throughout the City as a standard. [New Policy for 2015-2035 GP]

Active Transportation in Developments

Objective C-9B: Integrate bicycle and pedestrian facility improvements during planning, design and implementation of transportation projects. [New Objective for 2015-2035 GP]

- Recommendation C-9.10: Promote the preservation of bicycle access within all roadway rights-of-way, as well as the development of innovative, safety-enhanced on-street facilities, such as bicycle boulevards and cycle tracks. [New Policy for 2015-2035 GP]
- Recommendation C-9.11: Establish bike boulevards on streets with low traffic volumes and slow speeds to encourage bicycling. [New Policy for 2015-2035 GP]
- Recommendation C-9.12: Proactively seek new opportunities for acquisition of abandoned rights-of-way and other lands for the development of new multi-use pathways that integrate with the planned network. [New Policy for 2015-2035 GP]
- Recommendation C-9.13: Improve the safety of all road users through the implementation of neighborhood traffic-calming treatments. [New Policy for 2015-2035 GP]
- Recommendation C-9.14: Detours through or around construction zones should be designed for safety and convenience, and with adequate signage for cyclists and pedestrians. [New Policy for 2015-2035 GP]
- Recommendation C-9.15: Provide opportunity for public input prior to the removal of an existing bicycle or pedestrian facility or the approval of any development or street improvement that would preclude these planned facilities. [New Policy for 2015-2035 GP]

Goal C-10:

Promote an Active Transportation Culture

Develop educational and promotional programs to increase bicycle and pedestrian usage that respects and accommodates all users to foster a more balanced transportation system. [New Goal for 2015-2035 GP]

An Active Transportation Culture

Objective C-10A: Encourage more people to walk and bicycle by supporting programs that foster community support for bicycling and walking, and raise public awareness about active transportation. [New Objective for 2015-2035 GP]

- Recommendation C-10.1: Support marketing and public awareness campaigns through a variety of media aimed at promoting bicycling and walking as a safe, healthy, cost-effective, environmentally friendly transportation choice. [New Policy for 2015-2035 GP]
- Recommendation C-10.2: Support programs aimed at increasing bicycle and walk trips by providing incentives, recognition, or services that make bicycling and walking a more convenient transportation mode. [New Policy for 2015-2035 GP]

- Recommendation C-10.3: Promote bicycling and walking at City-sponsored and public events, such as Earth Day, Bike to Work Day/Month, farmers' markets, public health fairs, art walks, craft fairs, and civic events. [New Policy for 2015-2035 GP]
- Recommendation C-10.4: Encourage and promote bicycle related businesses within Costa Mesa including, but not limited to, involvement of civic clubs and organizations. [New Policy for 2015-2035 GP]
- Recommendation C-10.5: Promote active transportation events in Costa Mesa to raise awareness and encourage bicycling, including, but not limited to, those that may involve temporary road closures, bike to work/school, senior walks, historic walks, and ciclovías. [New Policy for 2015-2035 GP]
- Recommendation C-10.6: Encourage major employment centers and employers to promote commuting by bicycle including the use of flex-time work schedules to support non-rush bicycle commuting. Build a coalition with City, businesses, schools, and residents to promote active transportation. [New Policy for 2015-2035 GP]
- Recommendation C-10.7: Encourage participation in bicycle and pedestrian promotion activities by education facilities, arts programs, active transportation clubs, and entertainment providers. [New Policy for 2015-2035 GP]
- Recommendation C-10.8: Achieve "Silver Level Bicycle Friendly Community" by League of American Bicyclists by 2025. [New Policy for 2015-2035 GP]
- Recommendation C-10.9: Achieve "Walk Friendly Community" status from WalkFriendly.org by 2025. [New Policy for 2015-2035 GP]
- Recommendation C-10.10: Achieve "HEAL City" designation by 2017. [New Policy for 2015-2035 GP]

Goal C-11:

Promote the Positive Air Quality, Health, and Economic Benefits of Active Transportation

Encourage active transportation by promoting air quality, health, and economic benefits, and by pursuing multiple sources of funding for active transportation programs and facilities. [New Goal for 2015-2035 GP]

Improving the Environment with Active Transportation

Objective C-11A: Improve air quality and public health and reduce ambient noise by promoting Active Transportation programs. [New Objective for 2015-2035 GP]

- Recommendation C-11.1: Determine baseline emissions levels, then track and communicate changes in emissions as modes of transportation trips shift to encourage more walking and biking. [New Policy for 2015-2035 GP]
- Recommendation C-11.2: Improve the quality of life in Costa Mesa by reducing neighborhood traffic and noise. [New Policy for 2015-2035 GP]

- Recommendation C-11.3: Increase pedestrian and bicycle trips, thereby reducing vehicle trips and vehicle miles Traveled. [New Policy for 2015-2035 GP]
- Recommendation C-11.4: Coordinate with appropriate federal, state, and county health agencies on active transportation programs to achieve health benefits. [New Policy for 2015-2035 GP]

Economic and Other Incentives

Objective C-11B: Provide economic incentives for expanding and enhancing bicycle and pedestrian facilities. [New Objective for 2015-2035 GP]

- Recommendation C-11.5: Incentivize the business community to support pedestrians and bicycle users in tangible ways. [New Policy for 2015-2035 GP]
- Recommendation C-11.6: Partner with the business and school communities to create a marketing strategy to encourage individual businesses to market Costa Mesa as a bicycle-friendly City. [New Policy for 2015-2035 GP]
- Recommendation C-11.7: Encourage developers to include features, amenities and programs that are proven to increase walking and/or bicycling. [New Policy for 2015-2035 GP]
- Recommendation C-11.8: Offer incentives for businesses whose employees walk or bike to work. [New Policy for 2015-2035 GP]
- Recommendation C-11.9: Encourage the Chamber of Commerce and the business community to promote active transportation in commercial areas to stimulate economic vitality. [New Policy for 2015-2035 GP]

Goal C-12:

Monitor, Evaluate, and Pursue Funding for Implementation of the Bicycle and Pedestrian Master Plan. [New Goal for 2015-2035 GP]

Objective C-12A: Continuously monitor and evaluate Costa Mesa's implementation progress on the Bicycle and Pedestrian Master Plan policies, programs, and projects. [New Objective for 2015-2035 GP]

- Recommendation C-12.1: Establish a monitoring program to measure the effectiveness and benefits of the Costa Mesa Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]
- Recommendation C-12.2: Track citywide trends in active transportation through the use of Census data, bicycle and pedestrian counts, travel surveys, and online surveys as part of annual reviews of the General Plan. [New Policy for 2015-2035 GP]
- Recommendation C-12.3: Ensure that Bicycle and Pedestrian Master Plan programs and projects are implemented in an equitable manner geographically, socioeconomically, and serving disadvantaged communities. [New Policy for 2015-2035 GP]

Fund the Plans

Objective C-12B: Pursue grants and other sources of funding for bicycle and pedestrian projects. [New Objective for 2015-2035 GP]

Recommendation C-12.4: Strategize use of resources on developing effective and efficient grant application and program administration. [New Policy for 2015-2035 GP]

Recommendation C-12.5: Pursue multiple sources of funding and support efforts to maintain or increase federal, state and local funding for the implementation of the Bicycle and Pedestrian Master Plan. [New Policy for 2015-2035 GP]

Recommendation C-12.6: Consider designating a portion of development traffic impact fees to fund bicycle and pedestrian facilities. [New Policy for 2015-2035 GP]

Growth Management Elements

The goals, objectives, and policies that address growth management are as follows:

Goal GM-1:

Inter-jurisdictional Coordination [New Goal for 2015-2035 GP]

Objective GM-1A: Coordinate land use and transportation planning policies with State, regional, and local growth management efforts. [New Objective for 2015-2035 GP]

- GM-1.1: Cooperate with the Orange County Transportation Authority (OCTA) and other jurisdictions on development, all future regional transportation plans, and land use planning on a countywide basis. [New Policy for 2015-2035 GP]
- GM-1.2: Coordinate population, housing, and employment projections with the State Department of Finance, Southern California Association of Governments, Center for Demographic Research, Newport-Mesa Unified School District, and County of Orange agencies in terms of infrastructure planning. [New Policy for 2015-2035 GP]
- GM-1.3: Work with inter-jurisdictional forums such as the City-County Coordinating Committee to make sure that the City's fees are consistent with minimally acceptable impact fees in the region. [New Policy for 2015-2035 GP]
- GM-1.4: Participate in inter-jurisdictional planning forums to discuss implementation of traffic improvements, cooperative land use planning, and appropriate mitigation measures for developments with multijurisdictional impacts. [New Policy for 2015-2035 GP]
- GM-1.5: Continue to require that any new large developments prepare a master plan and environmental impact analysis. This allows the City to anticipate the impacts of large projects prior to development of any portion and permits more time to plan for public services and facilities needed to support the project. [New Policy for 2015-2035 GP]

Goal GM-2:

Integration of Land Use and Transportation Planning [2000 GP Goal GM-1 – Modified for 2015-2035 GP]

Objective GM-2A: Maintain the Level of Service standards by integration of land use and transportation planning. [2000 GP Objective GM-1A – Modified for 2015-2035 GP]

- GM-2.1: Ensure that land use designations are reflected in the sub-regional county model and SCAG's model through consistent assumptions and methodologies. [New Policy for 2015-2035 GP]
- GM-2.2: Coordinate with State, county, and local agencies for planning and construction of public utilities to minimize negative impacts on the circulation system. [New Policy for 2015-2035 GP]
- GM-2.3: Use the Development Phasing and Performance Monitoring Program to assess the impact of existing and new development on the circulation system. [New Policy for 2015-2035 GP]
- GM-2.4: Support uses and development which create synergistic relationships with neighboring uses and development, especially those whose addition does not create mutually exclusive additional vehicular trips but adds to the value of the destination by any potential visitor. [New Policy for 2015-2035 GP]
- GM-2.5: Support creative and flexible solutions that provide for additional economic or physical growth within the City but does not place greater impact on the circulation system. These would include shared parking agreements, offset hours of operation, and clustering of harmonious and supportive uses. [New Policy for 2015-2035 GP]

Housing Element

The goals and policies, from the adopted 2021-2029 Housing Element, that address housing are as follows:

Goal HOU-1:

Preserve and enhance the City's existing housing supply. [2021-2029 Housing Element]

- HOU-1.1: Assist low and moderate-income homeowners and renters through housing assistance programs as long as funds are available. [2021-2029 Housing Element]
- HOU-1.2: Minimize the displacement risk for existing residents when considering approval of future redevelopment and public projects. [2021-2029 Housing Element]
- HOU-1.3: Prioritize enforcement of City regulations regarding derelict or abandoned vehicles, outdoor storage, substandard or illegal construction and establish regulations to abate blighted or substantially unmaintained properties, particularly when any of the above is deemed to constitute a health, safety, or fire hazard. [2021-2029 Housing Element]
- HOU-1.4: Establish housing programs and code enforcement as a high priority and provide adequate funding and staffing to support those programs. [2021-2029 Housing Element]

Goal HOU-2:

Facilitate the creation and availability of housing for residents at all income levels and for those with special housing needs.

- HOU-2.1: Facilitate the development of housing that meets the needs of all segments of the population including affordable housing and households with specialized needs. [2021-2029 Housing Element]
- HOU-2.2: Promote the use of State density bonus provisions to encourage the development of affordable housing for lower and moderate-income households, as well as senior housing through the dissemination of informational materials and discussions with project applicants. [2021-2029 Housing Element]
- HOU-2.3: Monitor the implementation of the City's ordinances, codes, policies, and procedures to ensure they comply with State requirements for "reasonable accommodation" for disabled persons and all fair housing laws. [2021-2029 Housing Element]
- HOU-2.4: Encourage housing programs and future actions that address the need for affordable housing options as well as the housing needs of Costa Mesa's senior resident population and the large households population. [2021-2029 Housing Element]

Goal HOU-3:

Identify adequate, suitable sites for residential use and development to meet the City's Regional Housing Needs Assessment (RHNA) at all income levels and promote a range of housing types to meet the needs of all segments of the Costa Mesa community. [2021-2029 Housing Element]

- HOU-3.1: Encourage the conversion of existing marginal, underutilized, or vacant motels, commercial, and/or industrial land to residential, where feasible and consistent with environmental conditions that are suitable for new residential development. [2021-2029 Housing Element]

- HOU-3.2: Encourage the development of well-planned and designed residential or mixed-use projects which, through vertical or horizontal integration, provide for the development of compatible residential, commercial, industrial, institutional, or public uses within a single project, neighborhood, or geographic area within the City. [2021-2029 Housing Element]
- HOU-3.3: Actively engage and partner with large employers, the Chamber of Commerce, and major commercial and industrial developers to identify and implement programs to balance employment growth with the ability to provide housing opportunities affordable to the incomes of the newly created job opportunities. [2021-2029 Housing Element]
- HOU-3.4: Consider the potential impact of new housing opportunities and their impacts on existing residential neighborhoods when reviewing development applications affecting residential properties. [2021-2029 Housing Element]
- HOU-3.5: Encourage residential and mixed-use development along transportation routes and major commercial/mixed use corridors. [2021-2029 Housing Element]

Goal HOU-4:

Provide housing opportunities to residents of all social and economic segments of the community without discrimination on the basis of race, color, religion, sex, sexual orientation, disability/medical conditions, national origin or ancestry, marital status, age, household composition or size, source of income, or any other arbitrary factors. [2021-2029 Housing Element]

- HOU-4.1: Support equal housing opportunities as expressed in Federal and State fair housing laws. [2021-2029 Housing Element]
- HOU-4.2: Promote actions and programs that provide fair housing and counseling services and other housing assistance programs for all Costa Mesa residents in an effort to remove barriers and promote access to affordable housing in the City as funding is available. [2021-2029 Housing Element]
- HOU-4.3: Encourage and support the construction, maintenance and preservation of residential developments which will meet the needs of families and individuals with specialized housing requirements, including those with developmental disabilities. [2021-2029 Housing Element]

Conservation Element

The goals, objectives, and policies that address conservation are as follows:

Goal CON-1:

Preserved and Restored Natural Coastal Habitat and Landforms

It is the goal of the City of Costa Mesa to provide residents with a high-quality environment through the conservation of resources, including land, water, wildlife, and vegetation; and the protection of areas of unique natural beauty. [2000 GP Goal CON-1]

Objective CON-1.A: Evaluate existing biotic resources and preserve them in ecologically viable and natural conditions, where possible; and/or restore and integrate these resources into the urban environment, where feasible. [2000 GP Objective CON-1A]

Habitat and Biological Resources Protection and Restoration

- CON-1.A.1: Natural habitat is essential to ensuring biodiversity and protecting sensitive biological resources. Protect these areas and consult with the California Department of Fish and Wildlife, Orange County Water District, Orange County Parks, and other regional agencies to identify areas for special protection, and establish appropriate protection measures for these areas. [2000 GP Policy CON-1A.1 – Modified for 2015-2035 GP]
- CON-1.A.2: Contribute to regional biodiversity and the preservation of rare, unique, and sensitive biological resources by maintaining functional wildlife corridors and habitat linkages. [New Policy for 2015-2035 GP]
- CON-1.A.3: Coordinate with the United States Fish and Wildlife service, the California Department of Fish and Wildlife, and other regulatory agencies to mitigate project impacts affecting open and natural spaces. [New Policy for 2015-2035 GP]
- CON-1.A.4: Promote and protect native plant species within Fairview Park, and remove and control the spread of invasive species, including plants, animals, and fungi. [New Policy for 2015-2035 GP]
- CON-1.A.5: Ensure that all future development is reviewed with regard to protecting natural topography and bluffs to preserve and enhance Costa Mesa's natural beauty. [New Policy for 2015-2035 GP]
- CON-1.A.6: Minimize soil depletion and erosion in development projects. Prevent erosion caused by construction activities, and encourage preservation of natural vegetation and topography. [New Policy for 2015-2035 GP]

Access to Large-Scale Natural Areas

- CON-1.A.7: Improve access to large-scale natural areas in the City. These areas should be open for controlled access to improve public enjoyment. Access should be limited where natural habitat is extremely sensitive. Work with transit agencies to improve connections and access to open space and recreation facilities from all Costa Mesa neighborhoods. [New Policy for 2015-2035 GP]
- CON-1.A.8: Require the provision of adequate visitor-serving on-site parking facilities that do no impact sensitive resources within the Coastal Zone. [2000 GP Policy CON-1D.4]
- CON-1.A.9: Coordinate the development of plans, policies, and design standards for projects within the Coastal Zone with appropriate local, regional, and federal agencies. [2000 GP Policy CON-1D.5]

Goal CON-2:

Conserved Natural Resources through Environmental Sustainability

Reduce the City's carbon footprints and manage resources wisely to meet the needs of a growing population and economy. Base community planning decisions on sustainable practices that reduce environmental pollutants, conserve resources, and minimize waste. Encourage the design of energy-efficient buildings, use renewable energy, and promote alternative methods of transportation. [2000 GP Goal CON-1]

Objective CON-2.A: Work to conserve energy resources in existing and new buildings, utilities, and infrastructure. [2000 GP Objective CON-1C]

Energy Efficiency and Conservation

- CON-2.A.1: Promote efficient use of energy and conservation of available resources in the design, construction, maintenance, and operation of public and private facilities, infrastructure, and equipment. [New Policy for 2015-2035 GP]
- CON-2.A.2: Consult with regional agencies and utility companies to pursue energy efficiency goals. Expand renewable energy strategies to reach zero net energy for both residential and commercial new construction. [New Policy for 2015-2035 GP]
- CON-2.A.3: Continue to develop partnerships with participating jurisdictions to promote energy efficiency, energy conservation, and renewable energy resource development by leveraging the abilities of local governments to strengthen and reinforce the capacity of energy efficiency efforts. [New Policy for 2015-2035 GP]
- CON-2.A.4: Encourage new development to take advantage of Costa Mesa's optimal climate in the warming and cooling of buildings, including use of heating, ventilation and air conditioning (HVAC) systems. [New Policy for 2015-2035 GP]

Green Building Sustainable Development Practices

- CON-2.A.5: Promote environmentally sustainable development principles for buildings, master planned communities, neighborhoods, and infrastructure. [New Policy for 2015-2035 GP]
- CON-2.A.6: Encourage construction and building development practices that reduce resource expenditures throughout the lifecycle of a structure. [New Policy for 2015-2035 GP]
- CON-2.A.7: Continue to require all City facilities and services to incorporate energy and resource conservation standards and practices and require that new municipal facilities be built within the LEED Gold standards or equivalent. [New Policy for 2015-2035 GP]
- CON-2.A.8: Continue City green initiatives in purchases of equipment, and agreements that favor sustainable products and practices. [New Policy for 2015-2035 GP]

Solid Waste Reduction and Recycling

- CON-2.A.9: Encourage waste management programs that promote waste reduction and recycling to minimize materials sent to landfills. Maintain robust programs encourage residents and businesses to reduce, reuse, recycle, and compost. [New Policy for 2015-2035 GP]
- CON-2.A.10: Support waste management practices that provide recycling programs. Promote organic recycling, landfill diversion, zero waste goals, proper

hazardous waste collections, composting, and the continuance of recycling centers. [2000 GP Policy CON-1B.4 – Modified for 2015-2035 GP]

- CON-2.A.11 Continue construction and demolition programs that require recycling and minimize waste in haul trips. [New Policy for 2015-2035 GP]

Goal CON-3:

Improved Water Supply and Quality

Pursue a multijurisdictional approach to protecting, maintaining, and improving water quality and the overall health of the watershed. A comprehensive, integrated approach will ensure compliance with federal and State standards, and will address a range of interconnected priorities, including water quality and runoff; stormwater capture, storage, and flood management techniques that focus on natural drainage; natural filtration and groundwater recharge through green infrastructure and habitat restoration; and water recycling and conservation. [New Goal for 2015-2035 GP]

- Objective CON-3.A:** Work towards the protection and conservation of existing and future water resources by recognizing water as a limited resource that requires conservation. [2000 GP Objective CON-1B]

Water Supply

- CON-3.A.1: Continue to consult with local water districts and the Orange County Water District to ensure reliable, adequate, and high-quality sources of water supply at a reasonable cost. [2000 GP Policy CON-1B.3 – Modified for 2015-2035 GP]

Water Conservation

- CON-3.A.2: Encourage residents, public facilities, businesses, and industry to minimize water consumption, especially during drought years. [2000 GP Policy CON-1B.3 – Modified for 2015-2035 GP]
- CON-3.A.3: Restrict use of turf in new construction and landscape reinstallation that requires high irrigation demands, except for area parks and schools, and encourage the use of drought-tolerant landscaping. [2000 GP Policy 1A.2 – Modified for 2015-2035 GP]

Water Recycling

- CON-3.A.4: Consult with local water districts and the Orange County Water District to advance water recycling program for new and existing developments, including the use of treated wastewater to irrigate parks, golf courses, roadway landscaping, and other intensive irrigation consumers. [2000 GP Policy CON-1B.2 – Modified for 2015-2035 GP]

Water Quality and Urban Runoff

- CON-3.A.5: Work with public and private property owners to reduce stormwater runoff in urban areas to protect water quality in storm drainage channels, the Santa Ana River, and other local water courses that lead to the Pacific Ocean. [New Policy for 2015-2035 GP]
- CON-3.A.6: Continue to develop strategies to promote stormwater management techniques and storm drain diversion programs that collectively and naturally filter urban runoff. [2000 GP Policy CON-1E.5 – Modified for 2015-2035 GP]
- CON-3.A.7: Continue to comply with the National Pollutant Discharge Elimination System Program (NPDES) by participating in the Countywide Drainage Area Management Plan (DAMP), which stipulates water quality requirements for minimizing urban runoff and discharge from new development and requires the provisions of applicable Best Management Practices (BMP). [2000 GP Policy CON-1A.3]

- CON-3.A.8: Require that all applicable development projects be reviewed with regards to requirements of both the on-site Water Quality Management Plan and State requirements for runoff and obtaining a Storm Water Pollution Prevention Plan (SWPPP) permit. [2000 GP Policy CON-1E.6 – Modified for 2015-2035 GP]

Municipal Sewer System

- CON-3.A.9: Continue to consult with the Costa Mesa Sanitation District and the Orange County Sanitation District to modernize wastewater treatment facilities to avoid overflows of untreated sewage. [New Policy for 2015-2035 GP]

Goal CON-4:

Improved Air Quality

Take steps to improve and maintain air quality for the benefit of the health and vitality of residents and the local economy. In alignment with State emissions reduction goals and in cooperation with the South Coast Air Quality Management District, pursue regional collaboration to reduce emissions from all sources. [New Goal for 2015-2035 GP]

- Objective CON-4.A:** Pursue the prevention of the significant deterioration of local and regional air quality. [2000 GP Objective CON-1E]

Air Quality

- CON-4.A.1: Support regional policies and efforts that improve air quality to protect human and environmental health, and minimize disproportionate impacts on sensitive population groups. [New Policy for 2015-2035 GP]
- CON-4.A.2: Encourage businesses, industries and residents to reduce the impact of direct, indirect, and cumulative impacts of stationary and non-stationary pollution sources. [New Policy for 2015-2035 GP]
- CON-4.A.3: Require that sensitive uses such as schools, childcare centers, parks and playgrounds, housing, and community gathering places are protected from adverse impacts of emissions. [New Policy for 2015-2035 GP]
- CON-4.A.4: Continue to participate in regional planning efforts with the Southern California Association of Governments, nearby jurisdictions, and the South Coast Air Quality Management District to meet or exceed air quality standards. [2000 GP Policy CON-1E.1]

Climate Change

- CON-4.A.5: Encourage compact development, infill development, and a mix of uses that are in proximity to transit, pedestrian, and bicycling infrastructures. [New Policy for 2015-2035 GP]
- CON-4.A.6: Enhance bicycling and walking infrastructure, and support public bus service, pursuant to the Circulation Element's goals, objectives, and policies. [New Policy for 2015-2035 GP]
- CON-4.A.7: Encourage installation of renewable energy devices for businesses and facilities and strive to reduce community-wide energy consumption. [New Policy for 2015-2035 GP]
- CON-4.A.8: Develop long-term, community-wide strategies and programs that work at the local level to reduce greenhouse gases and Costa Mesa's "carbon footprint". [New Policy for 2015-2035 GP]

Noise Element

The goals, objectives, and policies that address noise are as follows:

Goal N-1:

Noise Hazards and Conditions

The City of Costa Mesa aims to protect residents, local workers, and property from injury, damage, or destruction from noise hazards and to work toward improved noise abatement. [2000 GP Goal N-1]

- Objective N-1A:** Control noise levels within the City for the protection of residential areas, park areas, and other sensitive land uses from excessive and unhealthy noise. [2000 GP Objective N-1A]
- N-1.1: Enforce the maximum acceptable exterior noise levels for residential areas at 65 CNEL. [2000 GP Policy N-1A.2]
- N-1.2: Give full consideration to the existing and projected noise environment when considering alterations to the City's circulation system and Master Plan of Highways. [2000 GP Policy N-1A.3]
- N-1.3: Encourage Caltrans to construct noise attenuation barriers along I-405, SR-55, and SR-73 where these freeways adjoin residential and other noise-sensitive areas. [2000 GP Policy N-1A.4]
- N-1.4: Ensure that appropriate site design measures are incorporated into residential developments, when required by an acoustical study, to obtain appropriate exterior and interior noise levels.
- When necessary, require field testing at the time of project completion to demonstrate compliance. [2000 GP Policy N-1A.5]
- N-1.5: Apply the standards contained in Title 24 of the California Code of Regulations as applicable to the construction of all new dwelling units. [2000 GP Policy CON-1C.2 and Policy N-1A.6]
- N-1.6: Discourage sensitive land uses from locating within the 65 CNEL noise contour of John Wayne Airport. Should it be deemed by the City as appropriate and/or necessary for a sensitive land use to locate in the 65 CNEL noise contour, ensure that appropriate interior noise levels are met and that minimal outdoor activities are allowed. [2000 GP Policy N-1A.7]
- N-1.7: Support alternative methods for the reduction of noise impacts at John Wayne Airport while continuing to maintain safety and existing limitations on aircraft daily departures. [2000 GP Policy N-1A.8]
- N-1.8: Monitor the noise levels at OC Fair and Event Center and the Pacific Amphitheater, and continue to monitor the status of legally binding noise levels on the OC Fair and the Event Center and the Pacific Amphitheater. [New Policy for 2015-2035 GP]

Goal N-2:

Noise and Land Use Compatibility

Integrate the known impacts of excessive noise on aspects of land use planning and siting of residential and non-residential projects. [New Goal for 2015-2035 GP]

Objective N-2A: Plan for the reduction in noise impacts on sensitive receptors and land uses. [New Objective for 2015-2035 GP]

- N-2.1: Require the use of sound walls, berms, interior noise insulation, double-paned windows, and other noise mitigation measures, as appropriate, in the design of new residential or other new noise sensitive land uses that are adjacent to arterials, freeways, or adjacent to industrial or commercial uses. [New Policy for 2015-2035 GP]
- N-2.2: Require, as a part of the environmental review process, that full consideration be given to the existing and projected noise environment. [2000 GP Policy N-1A.1]
- N-2.3: Consider alternative noise level standards for mixed-use projects that take into consideration the interaction of industrial operation noise impacts and the mixed-use developments planned for the Westside and SoBeca. [New Policy for 2015-2035 GP]
- N-2.4: Require that all proposed projects are compatible with adopted noise/land use compatibility criteria. [New Policy for 2015-2035 GP]
- N-2.5: Enforce applicable interior and exterior noise standards. [New Policy for 2015-2035 GP]
- N-2.6: Allow a higher exterior noise level standard for infill projects in existing residential areas adjacent to major arterials if it can be shown that there are no feasible mechanisms to meet the exterior noise levels. The interior standard of 45 dBA CNEL shall be enforced for any new residential project. [New Policy for 2015-2035 GP]
- N-2.7: Encourage effective site planning in mixed-use areas that provides the optimal distance between source of excessive sound and residents. [New Policy for 2015-2035 GP]
- N-2.8: Require new mixed-use developments to site loading areas, parking lots, driveways, trash enclosures, mechanical equipment, and other noise sources away from the residential portion of the development and adjacent established residential development. [New Policy for 2015-2035 GP]
- N-2.9: Limit hours and/or require attenuation of commercial/entertainment operations adjacent to residential and other noise sensitive uses in order to minimize excessive noise to these receptors. [New Policy for 2015-2035 GP]

Safety Element

The goals, objectives, and policies that address safety are as follows:

Goal S-1:

Risk Management of Natural and Human-Caused Disasters

Minimize the risk of injury, loss of life, property damage, and environmental degradation from seismic activity, geologic hazards, flooding, fire, and hazardous materials. Promote a sustainable approach to reduce impacts of natural disasters, such as flooding and fire. [2000 GP Goal SAF-1]

Objective S-1A: Work to mitigate and prevent potential adverse consequences of natural and human-caused disasters. [2000 GP Objective SAF-1A]

Geologic and Seismic Safety

- S-1.1: Continue to incorporate geotechnical hazard data into future land use decision-making, site design, and construction standards. [2000 GP Policy SAF-1A.1]
- S-1.2: Enforce standards, review criteria, and ensure that structures on or adjacent to bluffs are set back sufficiently to preserve the natural contours and aesthetic value of the bluff line and to provide sufficient access for fire protection. [2000 GP Policy SAF-1A.2]
- S-1.3: Require geologic surveys of all new development located on or adjacent to bluffs. [2000 GP Policy SAF-1A.3]
- S-1.4: Encourage retrofitting of structures—particularly older buildings—to withstand earthquake shaking and landslides consistent with State and historical building codes. [2000 GP Policy SAF-1A.6 – Modified for 2015-2035 GP]
- S-1.5: Enforce applicable building codes relating to the seismic design of structures to reduce the potential for loss of life and property damage. [New Policy for 2015-2035 GP]
- S-1.6: Identify through a study the issue of unreinforced masonry buildings and soft stories and other structures not meeting earthquake standards in Costa Mesa. Provide assistance if necessary to unreinforced masonry building owners once those buildings have been identified. [New Policy for 2015-2035 GP]

Liquefaction and Landslides

- S-1.7: Continue to implement the Seismic Hazard Mapping Act, which requires sites within liquefaction hazard areas to be investigated for liquefaction susceptibility prior to building construction or human occupancy. [2000 GP Policy SAF-1A.5 – Modified for 2015-2035 GP]
- S-1.8: Consider site soils conditions when reviewing projects in areas subject to liquefaction or slope instability. [2000 GP Policy SAF-1A.4 – Modified for 2015-2035 GP]

Localized Flooding

- S-1.9: Continue to consult with appropriate local, State, and federal agencies to maintain the most current flood hazard and floodplain information; use the information as a basis for project review and to guide development in accordance with federal, State, and local standards. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]

- S-1.10: Regularly review and update Article 10 - Floodway and Floodplain Districts of the City's Municipal Code consistent with federal and State requirements. [New Policy for 2015-2035 GP]
- S-1.11: Improve and maintain local storm drainage infrastructure in a manner that reduces flood hazards. [New Policy for 2015-2035 GP]
- S-1.12: Continue to develop hazard preparedness plans to prepare for large storms that could bring flooding hazards and other related issues. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]
- S-1.13: Actively promote public education, research, and information dissemination on flooding hazards. [2000 GP Policy SAF-1A.8 – Modified for 2015-2035 GP]

Tsunami and Sea Level Rise

- S-1.14: Minimize flood hazard risks to people, property, and the environment by addressing potential damage tsunamis and sea level rise. [New Policy for 2015-2035 GP]
- S-1.15: Consult with regional agencies and study strategies that employ engineering defensive methods along the Santa Ana River that limit potential flooding hazards from sea level rise. [New Policy for 2015-2035 GP]

Dam Inundation

- S-1.16: Develop emergency response, early warning notification, and evacuation plans for areas that are within dam inundation areas, where feasible. [New Policy for 2015-2035 GP]

Aviation Safety and Protection

- S-1.17: Utilize the John Wayne Airport Environs Land Use Plan (AELUP) as a planning resource for evaluation of land use compatibility and land use intensity in areas affected by airport operations. In particular, future land use decisions within the Safety/Runway Protection Zone will be evaluated in light of the risk to life and property associated with aircraft operations. [New Policy for 2015-2035 GP]
- S-1.18: Comply with Federal Aviation Regulations (FAR) and the John Wayne AELUP requirements relative to Objects Affecting Navigable Airspace. [New Policy for 2015-2035 GP]
- S-1.19: Use the Federal Aviation Regulations as a guideline to establish the ultimate height of structures as defined in FAR Part 77. [New Policy for 2015-2035 GP]
- S-1.20: Minimize hazards to aeronautical operations by ensuring land uses do not emit excessive glare, light, steam, smoke, dust, or electronic interference in compliance with FAR regulations and the John Wayne AELUP. [New Policy for 2015-2035 GP]

Goal S-2:

High Level of Police and Fire Services and Emergency Preparedness

Provide a high level of security in the community to prevent and reduce crime, and to minimize risks of fire to people, property, and the environment. [New Goal for 2015-2035 GP]

Objective S-2A: Plan, promote, and demonstrate a readiness to respond and reduce threats to life and property through traditional and innovative emergency services and programs. [New Objective for 2015-2035 GP]

Crime Prevention and Response

- S-2.1: Promote crime prevention strategies and provide a high level of response to incidents. [New Policy for 2015-2035 GP]
- S-2.2: Emphasize and prioritize crime prevention strategies, such as pedestrian-scale lighting in targeted areas. [New Policy for 2015-2035 GP]
- S-2.3: Timely response to incidents and monitoring areas with high crime rates should be part of a comprehensive strategy to reduce crime in the community. [New Policy for 2015-2035 GP]

Police and Fire Level of Service

- S-2.4: Provide a high level of police and fire service in the community. Secure adequate facilities, equipment, and personnel for police and fire. [New Policy for 2015-2035 GP]
- S-2.5: Consult with neighboring jurisdictions and partner agencies to respond appropriately to emergencies and incidents in all parts of the City. [New Policy for 2015-2035 GP]
- S-2.6: Require that water supply systems for development are adequate to combat structural fires in terms of location and minimum required fire-flow pressures. [New Policy for 2015-2035 GP]
- S-2.7: Require development to contribute its fair share toward funding the provision of appropriate fire and emergency medical services as determined necessary to adequately serve the project. [New Policy for 2015-2035 GP]

Fire and Medical Servicers

- S-2.8: Regularly update regulations that will protect the community from fire hazards. [New Policy for 2015-2035 GP]
- S-2.9: Emphasize prevention and awareness of fire safety guidelines to minimize risk and potential damage to life, property, and the environment. In areas designated by the Costa Mesa Fire Department as having a high fire hazard, ensure adequate fire equipment, personnel, firebreaks, facilities, water, and access for a quick and efficient response in any area. [New Policy for 2015-2035 GP]

Emergency and Disaster Preparedness

- S-2.10: Maintain staff and facilities that will continue to support a coordinated and effective response to emergencies and natural disasters throughout the City. [New Policy for 2015-2035 GP]
- S-2.11: Consult with neighboring jurisdictions, local employers, and industries to ensure that emergency preparedness and disaster response programs equitably serve all parts of the City. [New Policy for 2015-2035 GP]

- S-2.12: Continue to maintain adequate police and fire staffing, facilities, equipment, and maintenance sufficient to protect the community. [New Policy for 2015-2035 GP]

Hazardous Materials Operations

- S-2.13: Continue to consult with the County of Orange in the implementation of the Orange County Hazardous Waste Management Plan. [2000 GP Policy SAF-1B.1]
- S-2.14: Ensure that appropriate in-depth environmental analysis is conducted for any proposed hazardous waste materials treatment, transfer, and/or disposal facility. [2000 GP Policy SAF-1B.2]
- S-2.15: Continue to consult with the County of Orange to identify and inventory all users of hazardous materials and all hazardous waste generators, and prepare clean-up action plans for identified disposal sites. [2000 GP Policy SAF-1B.3]
- S-2.16: Require the safe production, transportation, handling, use, and disposal of hazardous materials that may cause air, water, or soil contamination. [New Policy for 2015-2035 GP]
- S-2.17: Encourage best practices in hazardous waste management, and ensure consistency with City, County, and federal guidelines, standards, and requirements. [2000 GP Policy SAF-1B.1 – Modified for 2015-2035 GP]
- S-2.18: Consult with federal, State, and local agencies and law enforcement to prevent the illegal transportation and disposal of hazardous waste. [New Policy for 2015-2035 GP]

Community Design Element

The goals, objectives, and policies that address community design are as follows:

PUBLIC REALM FOCUS

Goal CD-1:

Vehicular and Pedestrian Corridors

Strengthen the image of the City as experienced from sidewalks and roadways. [2000 GP Goal CD-1]

Objective CD-1A: Contribute to City beautification by enhancing the visual environment of Costa Mesa's vehicular and pedestrian paths and corridors. [2000 GP Objective CD-1A]

CD-1.1 Implement the City of Costa Mesa Streetscape and Median Development Guidelines in all new streetscape corridor and parkway projects. Coordinate with new development adjacent to public rights-of-ways to integrate landscape features and design elements consistent with the streetscape standards and recommendations. [2000 GP Policy CD-1A.1]

CD-1.2 Coordinate street furniture elements (benches, bus shelters, newspaper racks, trash receptacles, kiosks, etc.) whenever possible. Develop design standards and guidelines for the street furniture within and adjacent to public rights-of-way to complement the specific recommendations provided for streets in the City of Costa Mesa Streetscape and Median Development Guidelines. [New Policy for 2015-2035 GP]

CD-1.3 Promote treatments for walls and fences and utility cabinets along public rights-of-way that contribute to an attractive street and sidewalk environment. Require that new walls and fences complement the style and character of the local district and adjacent buildings. Newly constructed or reconstructed walls and fences adjacent to sidewalks and roadways should incorporate architectural treatments such as pilasters, masonry, or wrought iron, and should integrate tiered plantings to soften their appearance. [2000 GP Policy CD-1A.3 – Modified for 2015-2035 GP]

CD-1.4 Promote a consistent landscape character along City streets to reinforce the unique qualities of each corridor and district, including the development of landscaped medians. Support implementation of the recommended street tree palette for each City street, as identified in the City of Costa Mesa Streetscape and Median Development Guidelines. [2000 GP Policy CD-1A.4]

CD-1.5 Encourage electric and communication lines to be placed underground and electrical substations and telephone facilities to be screened to minimize visual impacts from sidewalks, streets, and adjacent properties. Support utility undergrounding through conditions of project approval, preparation of undergrounding plans, and the formation of assessment districts. [2000 GP Policy CD-1A.5]

Objective CD-1B: Encourage clear connections between districts within the City. [2000 GP Objective CD-1B]

CD-1.6 Promote linkages between separate districts using bike trails, pedestrian paths, common medians or parkway landscaping, and other location-appropriate physical improvements. Through conditions of approval, public improvement projects, and other measures, support development of new connections and the enhancement of existing connections between districts. [New Policy for 2015-2035 GP]

Goal CD-2:

Cohesive and Identifiable Districts

Enhance the existing character and strengthen the identity of Costa Mesa's districts. [2000 GP Goal CD-2]

Objective CD-2A: Encourage future development and redevelopment to reinforce district scale, identity, and urban form. [2000 GP Objective CD-2]

- CD-2.1 Consider urban design guidelines for each identified district in Costa Mesa that recognizes, maintains, and enhances the character and identity of each district; integrate existing specific plans' policies and design guidelines as applicable. [2000 GP Policy CD-2.1 – Modified for 2015-2035 GP]
- CD-2.2 Support and seek land uses and development that correspond or enrich our existing districts. [New Policy for 2015-2035 GP]

Goal CD-3:

High Quality and Visually Interesting Nodes

Heighten the design quality and visual interest of nodes within Costa Mesa. [2000 GP Goal CD-3]

Objective CD-3A: Create a sense of arrival to Costa Mesa, and develop prominent community focal points at key nodes within the City. [2000 GP Objective CD-3]

- CD-3.1 Introduce entry monument signs at key gateway locations, as identified in Figure CD-4. Utilize the standard design specifications for entry signs included in the City of Costa Mesa Streetscape and Median Development Guidelines. [2000 GP Policy CD-3.1]
- CD-3.2 Reinforce a sense of arrival into the City by promoting architecturally significant development and significant landscape plantings at key nodes. Undertake a visioning process to develop specific design guidelines that articulate the desired character for each node within Costa Mesa. [2000 GP Policy CD-3.2]
- CD-3.3 Design and development of entry and internal wayfinding signage to be located throughout the City in areas that correspond to the existing nodes and districts. [New Policy for 2015-2035 GP]

Goal CD-4:

Identifiable and Protected City Landmarks. [2000 GP Goal CD-4]

Objective CD-4A: Promote the maintenance, use, and improvement of landmarks to enhance the visual image and identity of Costa Mesa. [2000 GP Objective CD-4]

- CD-4.1 Support efforts to introduce new monuments and landmarks, and preserve, maintain, and improve the condition of Costa Mesa landmarks. [2000 GP Policy CD-4.1]

Goal CD-5:

Edges

Utilize Costa Mesa's edges as opportunities to enhance the City's image along its boundaries. [2000 GP Goal CD-5]

Objective CD-5A: Develop and implement programs that preserve and enhance City edges. [2000 GP Objective CD-5]

- CD-5.1 Preserve and optimize natural views and open spaces in Costa Mesa. [2000 GP Policy CD-5.1]
- CD-5.2 Control the visual impacts of new development on natural views of the coast and the wetlands. [2000 GP Policy CD-5.2]
- CD-5.3 Develop open space corridors and trails along the edges of Costa Mesa where feasible and connect these trails to existing and potential future trails throughout the City. [2000 GP Policy CD-5.3]
- CD-5.4 Continue to preserve natural open space, including restoration of the natural areas of Talbert Regional Park. [2000 GP Policy CD-5.4]
- CD-5.5 Continue protection of Fairview Park as an open space and recreation area. [2000 GP Policy CD-5.5]
- CD-5.6 Continue to work with Caltrans to improve the design quality of freeway edges. [2000 GP Policy CD-5.6]

PRIVATE PROPERTY FOCUS

Goal CD-6:

Image

Enhance opportunities for new development and redevelopment to contribute to a positive visual image for the City of Costa Mesa that is consistent with the district image. [2000 GP Goal CD-6]

Objective CD-6A: Establish development policies and design guidelines that create an aesthetically pleasing and functional environment. [2000 GP Objective CD-6]

- CD-6.1 Encourage the inclusion of public art and attractive, functional architecture into new development that will have the effect of promoting Costa Mesa as the "City of the Arts". [2000 GP Policy CD-6.1 – Modified for 2015-2035 GP]
- CD-6.2 Encourage the use of creative and well-designed signs that establish a distinctive image for the City. [2000 GP Policy CD-6.2 – Modified for 2015-2035 GP]
- CD-6.3 Continue to work with Code Enforcement to ensure continued maintenance of properties and compliance with adopted development standards. [2000 GP Policy CD-6.3]

Goal CD-7:

Quality Residential

Promote and protect the unique identity of Costa Mesa's residential neighborhoods. [2000 GP Goal CD-7]

Objective CD-7A: Encourage excellence in architectural design. [2000 GP Objective CD-7A]

- CD-7.1 Ensure that new and remodeled structures are designed in architectural styles that reflect the City's eclectic quality, yet are compatible in scale and character with existing buildings and the natural surroundings within residential neighborhoods. Continue to update and maintain the Costa Mesa Residential Guidelines. [2000 GP Policy CD-7.1]

CD-7.2 Preserve the character and scale of Costa Mesa’s established residential neighborhoods where possible; when new residential development is proposed, encourage that the new structures are consistent with the prevailing character of existing development in the immediate vicinity, and that new development does not have a substantial adverse impact on adjacent areas. [2000 GP Policy CD-7.2]

Objective CD-7B: Encourage the use of native plant palettes in the creation of landscaping plans used to establish a sense of place in neighborhood identification efforts. [New Objective for 2015-2035 GP]

CD-7.3 Ensure that California native plants are used to support the local ecology and save water. Develop landscaping guidelines that reflect the local community. [New Policy for 2015-2035 GP]

Goal CD-8:

Quality Commercial Development

Achieve a high level of design quality for commercial development. [2000 GP Goal CD-8]

Objective CD-8A: Encourage a high level of architectural and site design quality. [2000 GP Objective CD-8A]

CD-8.1 Require that new and remodeled commercial development be designed to reflect architectural diversity, yet be compatible with the scale and character of the district. [2000 GP Policy CD-8A.1 – Modified for 2015-2035 GP]

CD-8.2 Use distinctive commercial architectural styles to reinforce a positive sense of place. Commercial architectural design elements and materials must be of high quality and style as well as suitable for long-term maintenance. Consistent architectural design should be considered in choosing materials, finishes, decorative details, color, accent features and include the following elements and materials appropriate for their context (see Table CD-3: Elements and Materials): [2000 GP Policy CD-8A.2 – Modified for 2015-2035 GP]

Table CD-3: Elements and Materials

Design Elements	Design Materials
<ul style="list-style-type: none"> • Simple, multi-planed pitched roofs • Open rafters/tails with large overhangs • Appearance of “thick” walls • Courtyards, arcades, and intimate spaces • Tile details • Deep-set window and door openings • Offset wall planes • Fountains and other unique details • Building masses with the incorporation of one and two story architecture • Sequencing of enclosed space/arches 	<ul style="list-style-type: none"> • Stucco, smooth, sand or light lace finish • Wood, as an exposed structural material • Clay or concrete roof tiles • Native fieldstone • Wood window casements • Wood, as an accent material • Brick, as an accent material • Wrought iron (rust proof; anodized aluminum) • Tile, as an accent material • Slumpstone garden walls

CD-8.3 Encourage the use of entrance patios, courtyards, plazas, arcades, fountains, porches, tower elements, covered walks, and other features in commercial areas. Promote pedestrian amenities. [2000 GP Policy CD-8A.3]

- CD-8.4 Ensure that common areas, walkways, driveways, and parking spaces be landscaped consistent with landscaping standards contained in the Planning, Zoning, and Development Code. Utilize landscaping to provide project amenities for new and remodeled commercial uses, and to screen parking and equipment areas. Landscaped areas generally should incorporate planting utilizing a three-tiered system: 1) grasses and ground covers, 2) shrubs and vines, and 3) trees. [2000 GP Policy CD-8A.4 – Modified for 2015-2035 GP]
- CD-8.5 Ensure that site access, parking, and circulation for commercial uses are designed in a logical, safe manner. Parking should not dominate the site in areas adjacent to street, and should be well landscaped with a clear hierarchy of circulation. Wherever possible, parking lots should be divided into a series of connected smaller lots utilizing walkways and raised landscape strips. Parking lots should also include landscaping that accents the importance of driveways from the street, frames the major circulation aisles, and highlights pedestrian pathways. [2000 GP Policy CD-8A.5 – Modified for 2015-2035 GP]
- CD-8.6 Require that areas for outside equipment, trash receptacles, storage, and loading areas be located in the least conspicuous part of the site. Utility and mechanical equipment (e.g. electric and gas meters, electrical panels, and junction boxes) should be concealed from view from public streets, neighboring properties, and nearby higher buildings. Trash enclosures should be architecturally compatible with the project. Landscaping should be incorporated into the design of trash enclosures to deter graffiti. [2000 GP Policy CD-8A.6 – Modified for 2015-2035 GP]
- CD-8.7 Encourage decorative paving treatments to be incorporated throughout commercial developments, including driveway entries, pedestrian walkways, plazas, and other areas. The design, materials, and colors of decorative paving treatments (e.g., stamped concrete, stone, brick or granite pavers, exposed aggregate, or colored concrete) should complement the architectural style of the primary buildings and make a positive contribution to the aesthetic and function of the site. [2000 GP Policy CD-8A.7 – Modified for 2015-2035 GP]
- CD-8.8 Require that exterior lighting on commercial properties be consistent with the architectural style of the commercial building. On each commercial site, all lighting fixtures should be from the same family of fixtures with respect to design, materials, color, fixture, and color of light. Lighting sources should be shielded, diffused or indirect to avoid spillover on adjacent properties, nighttime sky light pollution, and glare to pedestrians and motorists. To minimize the total number of freestanding light standards, wall-mounted and pathway lights should be utilized to the greatest extent possible. [2000 GP Policy CD-8A.8]
- Objective CD-8B:** Preserve the scale and character of established neighborhoods near commercial uses. [2000 GP Objective CD-8B]
- CD-8.9 Ensure that new commercial development utilize site planning and design features that optimize compatibility with adjacent residential neighborhoods. The following guidance should be considered:
- When adjacent residential and nonresidential uses can mutually benefit from connection, appropriate linkages (e.g., walkways, common landscape areas, and building orientation) are encouraged. Successful interaction between commercial and residential uses may be achieved through adequate setbacks, landscape buffers, screening, decorative masonry walls, berms, building orientation, and limitations of commercial activities.
 - Loading areas, access and circulation driveways, trash and storage areas, and rooftop equipment should be located as far as possible from adjacent residences.
 - Building orientation and landscaping of commercial buildings should minimize direct lines of sight into adjacent residential private open space. [2000 GP Policy CD-8B.1]

Goal CD-9:

Mixed Use

Promote development of mixed-use projects that seamlessly integrate multiple uses both functionally and aesthetically. [2000 GP Goal CD-9]

Objective CD-9A: Design mixed use development projects to achieve a high quality character. [2000 GP Objective CD-9A]

CD-9.1 Require that mixed-use development projects be designed to mitigate potential conflicts between uses. Consider noise, lighting, and security. [2000 GP Policy CD-9A.1]

CD-9.2 Provide adequate parking, open space and recreational facilities to serve residents in mixed-use development projects. Design parking and other areas to acknowledge different users (residents versus shoppers) and to be compatible with the architectural character of the building(s). [2000 GP Policy CD-9A.2]

Objective CD-9B: Provide for the development of projects that integrate housing with commercial uses and other compatible uses. [2000 GP Objective CD-9B]

CD-9.3 Encourage mixed-use development along the east side of Newport Boulevard between Mesa Drive and Walnut Street. Establish incentives for the development of projects in planned development zones that integrate housing with retail and office uses. [2000 GP Policy CD-9B.1]

CD-9.4 Encourage the development of mixed-use urban villages along specified areas of West 17th Street, West 19th Street, and Superior Avenue that integrates residential with office, retail, business services, personal services, public spaces and uses, and other community amenities in a single building (vertical mixed-use development) or in proximity on the same site (horizontal mixed-use development). [New Policy for 2015-2035 GP]

CD-9.5 Promote new types of urban housing that could be target-marketed to people seeking alternative housing choices in proximity to a major commercial area. [New Policy for 2015-2035 GP]

CD-9.6 Support efforts to mix compatible uses and activities. Encourage the siting of community-oriented services, businesses, and amenities in and near mixed-use neighborhoods, including schools, libraries, open space, and parks. [2000 GP Policy CD-9B.2]

Goal CD-10:

Industrial and Business Parks

Promote quality design approaches for the redevelopment of existing industrial buildings, encourage the design to incorporate or provide flexibility for the needs of emerging types of industrial uses, and strive to match design with overall character of nodes, corridors, or districts if applicable. [2000 GP Goal CD-10 – Modified for 2015-2035 GP]

Objective CD-10A: Require that industrial and business park projects meet high-quality design standards. [2000 GP Policy CD-10A]

- CD-10.1 Require that industrial projects be designed to convey visual interest and a positive image. Architectural qualities and design elements encouraged for industrial uses are:
- Building modulation indentations and architectural details
 - Building entry accentuation
 - Screening of equipment and storage areas
 - Landscaping to soften building exteriors and to serve as a buffer between uses [2000 GP Policy CD-10A.1]
- CD-10.2 Encourage that the design of industrial buildings considers the visual and physical relationship to adjacent uses. An industrial structure which dominates its surrounding environment by its relative size shall generally be discouraged. [2000 GP Policy CD-10A.2]
- CD-10.3 Encourage adaptive reuse of existing industrial structures which results in rehabilitated buildings with distinctive and attractive architecture. [New Policy for 2015-2035 GP]
- CD-10.4 Promote the use of materials and colors that produce diversity and visual interest in industrial buildings. The use of various siding materials (i.e., masonry, concrete texturing, cement, or plaster) can produce effects of texture and relief that provide architectural interest. [2000 GP Policy CD-10A.3]
- CD-10.5 Require that landscaping be used to define areas such as entrances to industrial buildings and parking lots; define the edges of developments; provide transition between neighboring properties; and provide screening for outdoor storage, loading, and equipment areas. Landscaping should be in scale with adjacent buildings and be of an appropriate size at maturity to accomplish its intended purpose. [2000 GP Policy CD-10A.4]
- CD-10.6 Require that the design of lighting fixtures and their structural support be of a scale and architectural design compatible with on-site industrial buildings. Large areas should be illuminated to minimize the visual impact and amount of spillover light onto surrounding projects. [2000 GP Policy CD-10A.5]

Objective CD-10B: Ensure that the development of industrial projects are positive additions to the City's community setting and do not result in adverse impacts with adjacent uses. [2000 GP Objective CD-10B]

- CD-10.7 Require industrial projects to incorporate landscape setbacks, screening walls, and/or other elements that mitigate negative impacts with adjacent uses. [2000 GP Policy CD-10B.1]
- CD-10.8 Protect transitional areas between industrial and other uses. [New Policy for 2015-2035 GP]
- CD-10.9 Storage yards, parking areas, and service areas should be screened from public view. [2000 GP Policy CD-10B.2]

Goal CD-11:

Attractive Signs that Reflect Costa Mesa

Ensure that signs contribute positively to Costa Mesa's image and overall economic development. [2000 GP Goal CD-13]

Objective CD-11A: Facilitate the installation of signs that contribute to a positive image of the public realm. [2000 GP Objective CD-13]

- CD-11.1 Encourage homeowners' associations and neighborhoods to maintain housing tract entrance signs in an attractive condition, and encourage the placement of such signs at the entrance of major developments which do not have such identification. [2000 GP Policy CD-13.1]
- CD-11.2 Encourage the use of common design elements in signs for commercial and industrial centers through the development of planned sign programs to improve center identity by publicizing the benefits of such programs to developers and local business operators. [2000 GP Policy CD-13.2]
- CD-11.3 Encourage citywide sign design guidelines that promote creativity and flexibility while upholding design quality. Design guidelines could include the design and placement of business signs, public street graphics, street signs, locational and directional signs, traffic signs, etc. [New Policy for 2015-2035 GP]
- CD-11.4 Introduce distinctive entry signage within the Costa Mesa Streetscape and Median Development Guidelines which effectively announces arrival to unique districts and neighborhoods. [2000 GP Policy CD-13.3 – Modified for 2015-2035 GP]
- CD-11.5 Develop and design signage that helps with way-finding throughout the City so visitors and residents can easily access destination locations and identify landmarks. [New Policy for 2015-2035 GP]

Goal CD-12:

Public Safety through Design

Use design approaches to enhance public safety. [2000 GP Goal CD-14 – Modified for 2015-2035 GP]

Objective CD-12A: Incorporate public safety considerations into community design. [2000 GP Objective CD-14]

- CD-12.1 Decrease the opportunity for criminal activity by addressing high-risk circumstances (e.g., dark alleys, enclosed stairwells, and dark entrances). Involve the Police and Fire Departments in reviewing and making design recommendations during the project review process. [2000 GP Policy CD-14.1]
- CD-12.2 Continue to implement and refine development standards and/or guidelines based on Crime Prevention Through Environmental Design (CPTED) for new development and redevelopment with emphasis on site and building design to minimize vulnerability to criminal activity. [2000 GP Policy CD-14.2]
- CD-12.3 Continue to provide CPTED training to City staff and local planning and design professionals to optimize public safety through community design. [2000 GP Policy CD-14.3]

Open Space and Recreation Element

The goals, objectives, and policies that address open space and recreation are as follows:

Goal OSR-1:

Balanced and Accessible System of Parks and Open Spaces

Provide a high-quality environment through the development of recreation resources and preservation of open space that meets community needs in Costa Mesa. [2000 GP Goal OSR-1]

Objective OSR-1A: Maintain and preserve existing parks, and strive to provide additional parks, public spaces, and recreation facilities that meet the community's evolving needs. [2000 GP Objective OSR-1A]

Adequate Neighborhood and Community Park Recreational Facilities

- OSR-1.1: Maintain a system of Neighborhood and Community Parks that provide a variety of active and passive recreational opportunities throughout the City. [New Policy for 2015-2035 GP]
- OSR-1.2: Provide parks and recreation facilities appropriate for the individual neighborhoods in which they are located and reflective of the needs and interests of the population they serve. [New Policy for 2015-2035 GP]

Acquisition of New Parkland

- OSR-1.3: Pursue the acquisition and development of pocket and neighborhood parks within park-deficient areas, as identified in Figure OSR-3: Planning Areas and Underserved Park Areas. [2000 GP Policy OSR-1A.3 – Modified for 2105-2035 GP]
- OSR-1.4: Prioritize the acquisition of land for parks in underserved neighborhoods. [2000 GP Policy OSR-1A.14 – Modified for 2015-2035 GP]
- OSR-1.5: Maximize public space by requiring plazas and public gathering spaces in private developments that can serve multiple uses, including recreation and social needs. [New Policy for 2015-2035 GP]
- OSR-1.6: Provide maximum visibility and accessibility for future public parks by locating facilities in close proximity to public streets. [2000 GP Policy OSR-1A.2]
- OSR-1.7: Adjust and update development fee programs to accumulate funds for the acquisition and improvement of parks and recreation facilities commensurate with identified need and population growth. [New Policy for 2015-2035 GP]

Balance of Passive and Active Recreation

- OSR-1.8: Require that parks and recreation facilities reflect new trends and population changes, and are developed with facilities appropriate to all ages, including athletic fields, active play areas, passive open space, tot lots, and picnic areas. [2000 GP Policy OSR-1A.15]
- OSR-1.9: Conduct a sports facility study to review current outdoor facility locations and resources and a demographic study for future facility requirements as they relate to planned growth within the City. [New Policy for 2015-2035 GP]
- OSR-1.10: Pursue additional community garden lots and spaces to meet demand and need by the community. [New Policy for 2015-2035 GP]

Park Maintenance and Retrofit

- OSR-1.11: Perform regular maintenance of facilities to ensure proper working order of all recreation facilities and equipment. [New Policy for 2015-2035 GP]
- OSR-1.12: Retrofit parks and recreation facilities to provide disability access as required by law. [New Policy for 2015-2035 GP]
- OSR-1.13: Design and reform parks to reflect the latest recreational features that respond to demographic changes and community needs. [New Policy for 2015-2035 GP]
- OSR-1.14: Consult with law enforcement agencies, surrounding cities, community policing groups, and OC Parks to create a safe and healthy environment at Talbert Regional Park, Fairview Park, and along the Santa Ana River. [New Policy for 2015-2035 GP]

Long-Term Planning of Institutional Uses

- OSR-1.15: Continue to pursue opportunities to create joint-use community space at facilities owned by private organizations such as private schools, faith-based groups, service clubs, and hospitals. [2000 GP Policy OSR-1A.10]
- OSR-1.16: Continue to coordinate with the Newport-Mesa Unified School District to supplement City park facilities through joint-use agreements. [2000 GP Policy OSR-1A.10]
- OSR-1.17: Consult with Orange County Fairgrounds in implementing OC Fair & Event Center Master Plan. [New Policy for 2015-2035 GP]

Level of Service and Access

- OSR-1.18: Provide a minimum of 4.26 acres of parkland per 1,000 residents. [2000 GP Policy OSR-1A.1]
- OSR-1.19: Update the Parks, Recreation and Open Space Master Plan every 10 years, as feasible. [2000 GP Policy OSR-1A.15]
- OSR-1.20: Enhance pedestrian, bicycle, and transit linkages to meet the needs of residents and to provide better access to parks, recreation, and public spaces. [New Policy for 2015-2035 GP]
- OSR-1.21: Provide opportunities for public access to all open space areas, except where sensitive resources may be threatened or damaged, public health and safety may be compromised, or access would interfere with the managed production of resources. [New Policy for 2015-2035 GP]

GOAL OSR-2:

Community Services Programs Meeting Community Needs

Enhancing the community through the delivery of innovative recreational programs, quality parks and facilities and services that promote social, physical, and emotional well-being. High-quality community services programs demonstrate the City's commitment to providing opportunities for recreational, physical, and educational activities for residents of all ages. [New Goal for 2015-2035 GP]

- Objective OSR-2A:** Provide activities, classes, and a variety of programs to meet the year-round recreational needs of all residents: children, adult, seniors, and persons with special needs. [New Objective for 2015-2035 GP]

High-quality Community Services

- OSR-2.1: Provide high-quality community services programs that are flexible and responsive to the community's changing needs. [New Policy for 2015-2035 GP]
- OSR-2.2: Plan and conduct citywide special events that bring residents together to create an enhanced quality of life and promote economic development. [New Policy for 2015-2035 GP]
- OSR-2.3: Continue to consult with nonprofit sports organizations and recreational groups to support their offering of diverse recreational programs that complement and supplement those offered by the City. [New Policy for 2015-2035 GP]
- OSR-2.4: Update existing facilities for senior citizens, youth, adults, and overall community use. [New Policy for 2015-2035 GP]

Community Services to Support Community Needs

- OSR-2.5: Monitor and research the ever-changing community services needs of the community, and develop action plans to address those needs through partnerships with service agencies. [New Policy for 2015-2035 GP]
- OSR-2.6: Continue to provide rental opportunities at community facilities and parks for residents, nonprofit groups, and businesses to meet their recreational and professional needs. [New Policy for 2015-2035 GP]
- OSR-2.7: Continue broad-based public outreach activities that inform residents of all available community services programs, and obtain input from the community regarding program and service needs. [New Policy for 2015-2035 GP]
- OSR-2.8: Encourage resident input and utilize demographic data, partnerships, volunteers, and existing resources to identify the needs of community. [New Policy for 2015-2035 GP]
- OSR-2.9: Identify innovative funding and development opportunities to support and sustain a responsive community services network. [New Policy for 2015-2035 GP]
- OSR-2.10: Continue and expand the development of community partnerships to offer both standard and innovative services to meet residents' needs. [New Policy for 2015-2035 GP]
- OSR-2.11: Develop and implement community services programs and activities that meet the needs of specialized populations through the development of community partnerships. [New Policy for 2015-2035 GP]
- OSR-2.12: Provide support for volunteer groups that conduct special activities open to the entire community. [New Policy for 2015-2035 GP]

GOAL OSR-3:

Conserved Open Space

Costa Mesa is committed to open space conservation to ensure that the network of parklands, trails, hillsides, and undeveloped natural areas remain viable for supporting biological communities and providing sanctuary for future generations. This commitment includes expanding public access to open space, where appropriate, and acquiring additional lands where feasible. [New Goal for 2015-2035 GP]

- Objective OSR-3A:** Preserve the City's open space lands and provide additional community and neighborhood parkland in underserved areas. [New Objective for 2015-2035 GP]

Open Space Preservation and Stewardship

- OSR-3.1: Preserve open space areas along The Santa Ana River, large open space parks, and along the mesa formations to protect natural habitat and to maintain the integrity of the natural environment. [New Policy for 2015-2035 GP]
- OSR-3.2: Encourage the preservation of coastal views from City and County parkland and public streets within Costa Mesa. [2000 GP Policy OSR-1A.13]
- OSR-3.3: Identify current open space areas for protection, management, and potential enhancement to maintain and, if possible, increase its value as wildlife habitat. [New Policy for 2015-2035 GP]

Management and Maintenance of Open Space

- OSR-3.4: Encourage the long-term maintenance and management of open space lands through open space easements, development rights transfers or acquisition, zoning regulations, and other incentives. [2000 GP Policy OSR-1A.6]
- OSR-3.5: Encourage the greening and beautifying of the Santa Ana River. [New Policy for 2015-2035 GP]
- OSR-3.6: Encourage opportunities for recreation, history, education, interpretive materials, and art associated with the Santa Ana River open spaces. [New Policy for 2015-2035 GP]
- OSR-3.7: Promote water quality strategies to improve water quality along the Santa Ana River. [New Policy for 2015-2035 GP]

Coordination and Organization Development

- OSR-3.8: Consult with State and regional agencies and the California Native American Heritage Commission (NAHC), regarding open space planning efforts. [New Policy for 2015-2035 GP]
- OSR-3.9: Consult with the Orange Coast River Park, Inc. and surrounding cities and other government agencies in maintaining and rehabilitating open space lands along the Santa Ana River. [New Policy for 2015-2035 GP]
- OSR-3.10: Consult with OC Parks over the enhancements and management of Talbert Regional Park without adversely impacting surrounding residential neighborhoods. [New Policy for 2015-2035 GP]

GOAL OSR-4:

Extensive Arts and Culture Programs and Services

Provide comprehensive and multifaceted arts and culture programs and services that provide education and entertainment to the community and a broader audience. [New Goal for 2015-2035 GP]

- Objective OSR-4A:** Support performing and visual arts programs, facilities, and activities that stimulate the minds and intellectual thinking of community members to increase awareness of the City's motto, "The City of the Arts." [New Objective for 2015-2035 GP]

Cultural Arts Venues

- OSR-4.1: Continue to support the mission of the Segerstrom Center for the Arts and associate venues and facilities. [New Policy for 2015-2035 GP]
- OSR-4.2: Support the development and operations of an arts museum at the Segerstrom Center for the Arts. [New Policy for 2015-2035 GP]

- OSR-4.3: Encourage additional indoor and outdoor facility spaces citywide to display public art and host arts and culture special events. [New Policy for 2015-2035 GP]

Leader in the Arts

- OSR-4.4: Expand the City's role as a supporter of the arts. [New Policy for 2015-2035 GP]
- OSR-4.5: Encourage financial support of the arts by supporting non-profit groups and foundations. [New Policy for 2015-2035 GP]
- OSR-4.6: Consider preparation of an arts and culture master plan for the City. [New Policy for 2015-2035 GP]
- OSR-4.7: Consult with local agencies and surrounding cities to address the creation and implementation of arts-friendly policies. [New Policy for 2015-2035 GP]
- OSR-4.8: Enhance Costa Mesa's position as a leader in the arts in Southern California and its recognition nationally as a city devoted to arts institutions of superior quality. [New Policy for 2015-2035 GP]
- OSR-4.9: Engage community members in arts activities, and utilize the arts to provide educational and cultural awareness opportunities. [New Policy for 2015-2035 GP]
- OSR-4.10: Continue the City's commitment to its arts in cooperation with the private sector. [New Policy for 2015-2035 GP]
- OSR-4.11: Provide opportunities for local artists to create and display their work. [New Policy for 2015-2035 GP]

Arts Programs and Events

- OSR-4.12: Support arts activities, programs, events, and facilities for patrons to enjoy and share experiences, and that enhance the City's economic vitality. [New Policy for 2015-2035 GP]
- OSR-4.13: Designate Community Services Department staff with the responsibility for expanding and implementing activities related to recreational arts programming. [New Policy for 2015-2035 GP]
- OSR-4.14: Pursue cooperative educational cultural programs enlisting the aid of public and private institutions. [New Policy for 2015-2035 GP]

Arts in Public Places and in Private Development

- OSR-4.15: Continue to review adopting an Arts in Public Places Program. [New Policy for 2015-2035 GP]
- OSR-4.16: Pursue the placement of public art in prominent locations, particularly along major travel corridors to enliven and beautify the public realm. [New Policy for 2015-2035 GP]
- OSR-4.17: Develop incentives or programs that encourage art in new developments. [New Policy for 2015-2035 GP]

Historical and Cultural Resources Element

The goals, objectives, and policies that address historical and cultural resources are as follows:

Goal HCR-1:

Historical, Archeological, and Paleontological Resource Preservation

The City of Costa Mesa supports focused efforts to provide residents with a sense of community and history through the protection and preservation of historical and cultural resources. [2000 GP Goal HCR-1]

Objective HCR-1A: Encourage preservation and protection of the City's archaeological, paleontological, and historical resources. [2000 GP Objective HCR-1A]

Preserving Historical Resources

- HCR-1.1: Encourage protection and enhancement of the diverse range of historical sites and resources in the City for the benefit of current and future residents and visitors. [New Policy for 2015-2035 GP]
- HCR-1.2: Encourage the preservation of significant historical resources (as identified in Table HCR-1) by developing and implementing incentives such as building and planning application permit fee waivers, Mills Act contracts, grants and loans, and implementing other incentives identified in the Historical Preservation Ordinance. [2000 GP Policy HCR-1A.4]
- HCR-1.3: Promote context-sensitive design that respects and celebrates the history and historical character of sites and resources while meeting contemporary needs of the community. [New Policy for 2015-2035 GP]
- HCR-1.4: Require, as part of the environmental review procedure, an evaluation of the significance of paleontological, archaeological, and historical resources, and the impact of proposed development on those resources. [2000 GP Policy HCR-1A.1]
- HCR-1.5: Continue to identify local landmarks with markers and way-finding signage. Include informational signage about local history, utilizing maps to highlight locations of other historical resources at popular historical sites. [New Policy for 2015-2035 GP]
- HCR-1.6: Encourage development of an interpretive center for paleontological, archaeological, and historical resources at Fairview Park. The center may contain resources found in the park area as well as resources found throughout the City. [2000 GP Policy HCR-1A.6]

Preserving Archaeological Resources

- HCR-1.7: Require cultural resources studies (i.e., archaeological and historical investigations) for all applicable discretionary projects, in accordance with CEQA regulations. The studies should identify cultural resources (i.e., prehistorical sites, historical sites, and isolated artifacts and features) in the project area, determine their eligibility for inclusion in the California Register of Historical Resources, and provide mitigation measures for any resources in the project area that cannot be avoided. Cultural resources studies shall be completed by a professional archaeologist that meets the Secretary of the Interior's Professional Qualifications Standards in prehistorical or historical archaeology. [2000 GP Policy HCR-1A.2 and HCR-1A.3 – Modified for 2015-2035 GP]

- HCR-1.8: Comply with requirements of the California Environmental Quality Act regarding protection and recovery of archaeological resources discovered during development activities. [New Policy for 2015-2035 GP]

Preserving Paleontological Resources

- HCR-1.9: Require paleontological studies for all applicable discretionary projects. The studies should identify paleontological resources in the project area, and provide mitigation measures for any resources in the project area that cannot be avoided. [2000 GP Policy HCR-1A.2 and HCR-1A.3 – Modified for 2015-2035 GP]
- HCR-1.10: Comply with the California Environmental Quality Act regarding the protection and recovery of paleontological resources during development activities. [New Policy for 2015-2035 GP]

Appendix B.1

Housing Successor Annual Report Fiscal Year 2020-2021

**COSTA MESA HOUSING AUTHORITY ANNUAL REPORT
AS HOUSING AUTHORITY AND AS HOUSING SUCCESSOR
FOR FISCAL YEAR 2020-2021 UNDER CALIFORNIA
HEALTH & SAFETY CODE SECTIONS 34176.1 AND 34328**

This annual report (Report) of the Costa Mesa Housing Authority (Housing Authority) is prepared under the California Health and Safety Code (HSC), Division 24, Parts 1.8 and 1.85 (Dissolution Law), in particular Section 34176.1 as the housing successor, and under the California Housing Authorities Law, HSC Section 34200, *et seq.* (HAL), in particular Section 34328 as a housing authority. The Dissolution Law and HAL respectively require preparation of an annual report on the housing successor and the housing authority's activities for the prior fiscal year. This Report details the Housing Authority's activities during Fiscal Year (FY) 2020-21 and is intended to satisfy the requirements under both HSC Sections 34176.1 and 34328. More specifically, this Report includes information required about the Low and Moderate Income Housing Asset Fund (LMIHAF) and other information under Section 34176.1(f).

This Report is based on information prepared by City staff on behalf of the Housing Authority and data contained within the independent financial audit of the LMIHAF (Audit), which is prepared by Davis Farr LLP and accompanies this Report. The Audit is incorporated in the City of Costa Mesa's Annual Comprehensive Financial Report (ACFR) for FY 2020-21. A copy of the Report in this draft form, has been provided to the City Council, as governing body, and to the Housing Authority under 34176.1(f). Upon their joint review and action to file the Report in an open meeting in January 2022, this Report will be posted on the City's website www.costamesaca.gov and thereafter appended to the City's annual update report prepared under Section 65400 of the Government Code.

This Report conforms with and is organized into sections I through XIV, inclusive, under HSC Section 34176.1(f) of the Dissolution Law and Section 34328 of the HAL:

- I. Amounts Received and Deposited Under 34191.4(b)(3)(A).** *This section provides the total amount of funds paid to the City and the amount deposited into the LMIHAF representing 20% of repayments on the reinstated City/Agency loan per Section 34191.4.*

The Department of Finance (DOF) approved a total of \$1,905,703 attributable to the reinstated City/Agency loan under Section 34191.4. The Successor Agency received \$1,902,703 in FY 2020-21, and had excess cash on hand of \$3,000 from previously approved obligations. Of the \$1,905,703, \$1,524,562 (representing 80% of \$1,905,703) was due to the City. The remaining balance was deposited into the LMIHAF upon receipt in May 2021, totaling \$381,141 (representing 20% of \$1,905,703).

- II. Amount Deposited into LMIHAF.** *This section provides the total amount of funds deposited into the LMIHAF in FY 2020-21 and itemized by amounts listed on Recognized Obligation Payment Schedule (ROPS), amounts representing Section 34191.4 deposits, and other amounts deposited into the LMIHAF.*
- In FY 2020-21, the amount of \$381,141 (representing 20% of \$1,905,703) was deposited into the LMIHAF;

- \$0 was held for items listed on the ROPS; and
- other deposits into the LMIHAF in FY 2020-21 were: (1) \$396,753 rental income, and (2) \$29,349 loan repayments,
- The LMIHAF suffered a \$2,497 investment loss.

The net cumulative total of all deposits into the LMIHAF was \$804,748 during FY 2020-21.

III. Ending Balance of LMIHAF. *This section provides a statement of the balance in the LMIHAF as of the close of FY 2020-21. Any amounts deposited for items listed on the ROPS and amounts representing Section 34191.4 deposits, must be distinguished from the other amounts deposited.*

At the close of FY 2020-21 on June 30, 2021, the ending balance in the LMIHAF was \$3,715,185, of which \$0 was held for items listed on the ROPS.

IV. Description of Expenditures from LMIHAF. *This section provides a description of expenditures made from the LMIHAF during FY 2020-21. The expenditures are to be categorized among (A) administration for monitoring, preserving covenanted housing units; (B) homeless prevention and rapid rehousing services; and (C) development of housing.*

The table below lists and describes FY 2020-21 LMIHAF expenditures by category:

Monitoring and Administration Expenditures	<p>Costs for monitoring, enforcement, and preserving long-term affordable housing covenants imposed by the former Costa Mesa Redevelopment Agency (Former Agency) or the Housing Authority, as housing successor.</p> <p>The maximum expenditure for this category in FY 2020-21 is the <i>greater</i> of (a) 5% of the statutory value of (i) real property owned by the housing successor <i>and</i> (ii) loans and grants receivable, or (b) \$200,000 (plus allowed CPI adjustments).</p> <p>Based on the valuation listed in Section V, [lines 5+6 in that table=\$5,186,389] for FY 2020-21, the Housing Authority as housing successor was authorized to spend up to \$259,319 (i.e., 5% of \$5,186,389), but only expended \$134,880.</p>	\$134,880
Homeless Prevention and Rapid Rehousing Services	Costs for homeless prevention and rapid rehousing supportive services for individuals and families who are homeless or would be homeless without this assistance.	250,000

Expenditures	The housing successor was authorized to spend up to \$250,000 for this category in FY 2020-21 and had spent \$250,000.	
Housing Development Expenditures	<p>Costs for housing “development”, which term is defined to include: (a) new construction, (b) acquisition and rehabilitation, (c) substantial rehabilitation, (d) long-term affordability covenants on multifamily units, and (e) preservation of assisted affordable housing that is eligible for (i) prepayment, (ii) termination, or (iii) for which the expiration of rental restrictions is scheduled to occur within five years.</p> <p>The costs in this category represent the operating costs for a 30-apartment low and very low income housing property, which the housing successor intends to solicit proposals from housing providers to purchase and extend affordability.</p> <p>The 30 apartments within eight properties commonly referred to as James/W. 18th Properties, were acquired by the City and Housing Authority through non-judicial foreclosure proceedings in FY 2015-2016. This acquisition was made in order to preserve the long-term affordable housing covenants which were at risk of termination and potential conversion to market housing.</p> <p>The eight properties are still owned by the Housing Authority and continue to be operated as affordable housing units for low and very low income households/tenants by a professional property management company. The operating costs for the property include staff salaries and benefits, utilities, supplies, repairs and maintenance, taxes, property management fees, legal and consulting costs. The total amount spent in FY 2020-21 was \$172,558.</p>	172,558
Total FY 2020-21 LMIHAF Expenditures		\$557,438

V. Statutory Value of Assets Owned by Housing Successor. *This section provides the statutory value of real property owned by the Housing Authority, as housing successor, the value of loans and grants receivables, and the sum of these two amounts.*

Under Dissolution Law and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the Former Agency as listed on the housing asset transfer schedule approved by the DOF under Section 34176(a)(2), the value of the properties transferred to the housing successor under Section 34181(f), and the purchase price of properties purchased by the Housing

Authority. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following table provides the statutory value of assets owned by the Housing Authority as of the end of FY 2020-21:

As of June 30, 2021 End of FY 2020-21	
1. Cash and Investments	\$3,389,539
2. Cash and Investments with Fiscal Agent	23,652
3. Interest Receivable	4,940
4. Rent Receivable	17,297
5. Statutory Value of Real Property Owned by the Housing Authority	4,535,715
6. Value of Loans and Grants Receivable	650,674
Total Statutory Asset Value	\$8,621,817

VI. Description of Transfers. *This section describes transfers, if any, to another housing successor made in previous fiscal year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will be used. The sole purpose of the transfers must be for development of transit priority projects, permanent supportive housing, regional homeless shelters, housing for agricultural employees, or special needs housing.*

The Housing Authority, as housing successor, did not make any LMIHAF transfers to other housing successor(s) under Section 34176.1(c)(2) during FY 2020-21.

VII. Project Descriptions. *This section describes any project for which the Housing Authority, as housing successor, receives or holds property tax revenue under the ROPS and the status of that project.*

The Housing Authority, as housing successor, does not receive or hold property tax revenue under a ROPS.

VIII. Status of Compliance with Section 33334.16. *As and if applicable, this section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former redevelopment agency prior to February 1, 2012. For interests in real property, if any, acquired on or after February 1, 2012, provide a status update on the project.*

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Authority, as housing successor, on or after February 1, 2012.

With respect to interests in real property acquired by the Former Agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the DOF approved the property as a housing

asset in the LMIHAF; thus, as to real property acquired by the Former Agency, now held by the Housing Authority as housing successor, in the LMIHAF, the Housing Authority as housing successor, must initiate activities consistent with development (as the term is explained in Section IV and Section 34176.1(a)(3)(D)) of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset.

In this regard, the Housing Authority as housing successor, did not own any real property acquired for development (to be developed) as of dissolution on February 1, 2012 subject to this limitation so the five-year limitation of Section 33334.16 does not apply.

It is noted that the Former Agency held at dissolution, now the Housing Authority holds as landlord/ground lessor, the underlying fee interests in three Ground Leases with Costa Mesa Family Village, a California limited partnership, as tenant/ground lessee (affiliate of Shapell Properties) relating to the existing 72-unit multifamily affordable housing apartment development called Costa Mesa Family Village, located at 1924 and 1981 Wallace Avenue and 2015 Pomona Avenue. The three ground leases end/expire in 2039. Section 33334.16 does not apply to such ground leases and this existing affordable housing development as the subject property was not held for development; it is developed property.

IX. Description of Outstanding Obligations under Section 33413. *This section describes outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012, along with the Housing Authority's progress, as housing successor, in meeting those prior obligations, if any, of the former redevelopment agency and how the Housing Authority, as housing successor, plans to meet unmet obligations, if any.*

Replacement Housing: Under the Former Agency's last Implementation Plan in effect prior to dissolution (the 2010-2014 plan), the Former Agency's replacement housing obligations, if any, under Section 33413(a) were transferred to the Housing Authority as housing successor; however, the Former Agency had no outstanding replacement housing obligations as of dissolution on February 1, 2012.

Inclusionary/Production Housing. Under the Former Agency's last Implementation Plan in effect prior to dissolution (the 2010-2014 plan), its inclusionary/production housing obligations, if any, under Section 33413(b) were transferred to the Housing Authority as housing successor; however, the Former Agency had no outstanding inclusionary/production housing obligations as of dissolution on February 1, 2012.

Therefore, the Housing Authority, as housing successor, has no outstanding replacement or inclusionary/production housing obligations and thus no implementation obligation under Section 33413.

For information, the Former Agency's Implementation Plan is posted on the City's website at www.costamesaca.gov.

- X. Income Test.** *This section provides information required by Section 34176.1(a)(3)(B), or a description of expenditures by income category and restriction for the applicable five-year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met. However, the income test is not required until year 2019.*

The applicable provisions of Sections 34176.1(a)(3)(A)(B)(C) require that the Housing Authority, as housing successor, must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the Area Median Income (AMI). If the Housing Authority as housing successor, fails to comply with the extremely-low income requirement in a five-year reporting period, then the provisions of Section 34176.1(B) will apply in each fiscal year following the latest fiscal year following the Report are expended for the development of housing occupied by extremely low income households until the housing successor demonstrates compliance with such requirement in a subsequent annual report.

FY 2018-19 was the end of the initial five-year period under Section 34176.1(a)(3)(B). The Housing Authority's next five-year report on compliance with Section 34176.1(a)(3)(A) is due in FY 2023-24.

- XI. Senior Housing Test.** *This section provides the percentage of deed-restricted rental housing units restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency and its host jurisdiction within the same 10-year time period.*

The housing successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the housing successor, the Former Agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the housing successor, the Former Agency, and/or City within the same time period. If this percentage exceeds 50%, then the housing successor cannot expend future LMIHAF funds to assist additional senior housing units until the Housing Authority as housing successor, or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

As reported in the prior FY 2018-19 annual report, for the 10-year period of January 1, 2004 to January 1, 2014, 9.8% of the funds were expended on assistance to provide senior affordable housing units and 90.2% of the funds were expended on assistance to provide non-senior/family affordable housing units. In particular, 36 senior units with long-term 55-year affordability covenants were established during the previous 10-year period (specifically, the St. John's Manor Project in 2006).

For the current 10-year period of January 1, 2014 to January 1, 2024 that includes the subject FY 2020-21, the Housing Authority expended no funds (\$0) for senior housing thus far; therefore 0% of funds were expended on development or

assistance to develop senior housing units.

XII. Excess Surplus Test. *This section provides the amount of excess surplus in the LMIHAF, if any, and the length of time that the housing successor has had excess surplus, and the housing successor’s plan for eliminating the excess surplus.*

The term excess surplus is defined in Section 34176.1(d) as: “an unencumbered amount in the LMIHAF account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the housing successor’s preceding four fiscal years, whichever is greater.” The table below provides the Excess Surplus test for the preceding four years. The LMIHAF does not have an excess surplus.

	<u>LMIHAF July 1, 2020</u>	<u>LMIHAF July 1, 2021</u>
Opening Fund Balance	\$ 3,640,616	\$ 3,715,185
Less Unavailable Amounts:		
Loans Receivable Net	(862,534)	(650,674)
Encumbrances	-	-
Available Housing Successor Funds (A)	<u>2,778,082</u>	<u>3,064,511</u>
Limitation (Greater of \$1,000,000 or four years deposits):		
Aggregate Amount Deposited for last four years:		
2020-21	N/A	\$ 804,746
2019-20	770,962	770,962
2018-19	827,902	827,902
2017-18	687,292	687,292
2016-17	922,994	N/A
Total	<u>\$ 3,209,150</u>	<u>\$ 3,090,902</u>
Base Limitation	<u>\$ 1,000,000</u>	<u>\$ 1,000,000</u>
Greater Amount (B)	<u>\$ 3,209,150</u>	<u>\$ 3,090,902</u>
Excess/Surplus [(A)-(B)]	<u>\$0</u>	<u>\$0</u>

XIII. Inventory of Homeownership Units. *This section provides a summary of covenanted homeownership units assisted by the former redevelopment agency or the housing successor that include equity sharing and repayment provisions, including: (A) number of units; (B) number of units lost to the portfolio in the last fiscal year and the reason for those losses; and (C) any funds returned to the housing successor due to losses or repayments.*

This section provides an inventory of homeownership units assisted by the Former Agency and assumed by the Housing Authority as housing successor, that are

subject to covenants or restrictions or to an adopted program that protects the Former Agency's investment of moneys from the Low and Moderate Income Housing Fund per Section 33334.3(f).

Total homeownership inventory as of dissolution on February 1, 2012 (subparagraph (A) below) and inventory, losses, and repayments for the period from February 1, 2012 through June 30, 2021 (subparagraph (B) below) include:

(A) As of dissolution on February 1, 2012, the total number of homeownership units assisted by the Former Agency and had covenants and restrictions of record was 41 units, which included loans and restricted single-family homes assisted by the Former Agency through its (1) First Time Homebuyer (FTHB) Program, (2) Single-Family Rehabilitation (SF Rehab) Program, (3) affordable housing projects with Habitat for Humanity of Orange County, and (4) Neighborhood Stabilization Program.

(B) The total number of homeownership units lost to the Housing Authority's portfolio as housing successor between February 1, 2012 through June 30, 2021, along with the reasons for those losses.

Total losses between February 1, 2012 and June 30, 2021: 30 units

Reasons for the units' losses from the homeownership portfolio:

Principal Repayments:	\$744,920
Loan Impairment:	\$1,095,000
Foreclosure:	\$436,000

Funds returned to the Housing Authority as housing successor, as part of an adopted program that protects the Former Agency's investment of moneys from the Low and Moderate Income Housing Fund, including loan principal, interest, and equity sharing payments between February 1, 2012 and June 30, 2021: \$1,173,174.

(C) The number of homeownership units lost to the Housing Authority's portfolio as housing successor in FY 2020-21 and the reason for those losses.

Total losses to portfolio in FY 2020-21: 3 units

One homeownership loan was fully paid off. The total amount received from the full homeownership loan repayment was \$18,313 and these funds were deposited into LMIHAF.

Two homeownership loans reached maturity date for FY 2020-21 and therefore forgiven as per the terms of the promissory note. The total of those loans is \$172,741.

Two owners made partial payments on homeownership loans. Principal and interest payments received totaled \$11,036 and were deposited into the LMIHAF.

The funds returned to the Housing Authority as housing successor, as part of an adopted program that protects the Former Agency's investment of moneys from Low and Moderate Income Housing Fund, included repayments of FT HB program loans. Total principal, interest, and equity sharing payments during FY 2020-21 was \$29,349.

- (D) The Housing Authority as housing successor, has existing consulting agreements with: AmeriNational Community Services, Inc., a Minnesota Corporation (dba AmeriNat) and Farmers State Bank of Hartland, a Minnesota corporation. The agreements are related to certain, but not all, aspects of administration of the Former Agency's SF Rehab and FT HB programs that provided second lien mortgages for homeownership units. The consulting services include assistance with oversight and administration of amortized loan payments, if any, due; with tracking and calculation of loan balances in the event of payoff; and, other administrative activities for these outstanding SF Rehab and FT HB loans.

In addition, the Housing Authority retains the services of Keyser Marston Associates, a professional housing economic consultant, and the Housing Authority legal advisors, City Attorney and Authority General Counsel Kimberly Hall Barlow of Jones & Mayer, and Celeste Stahl Brady of Stradling Yocca Carlson & Rauth (SYCR). Counsel assist staff in reviewing legal issues related to outstanding SF Rehab and FT HB program loans, such as the refinancing of first lien mortgages consistent with SF Rehab and FT HB program refinancing criteria, repayments, impairment analyses, defaults, foreclosures, bankruptcies, renting out part of the home, short sale requests, and other issues that arise in the administration of the former Agency's loan programs for ownership housing.

XIV. Additional Information: *Housing Authority's Activities for the preceding year (FY 2020-21) under HSC Section 34328.*

Without repeating the information presented above in this Report, the Housing Authority:

- (A) continued to monitor and enforce housing assets transferred from the Former Agency to the Housing Authority as housing successor, as well as other Housing Authority (non-housing successor) assets;
- (B) continued property management and operation of the James/W.18th Properties. See Sections IV. And X. above for more detailed discussion about these properties.
- (C) As housing successor under Section 34176.1(a)(2), the Housing Authority may expend up to \$250,000 per fiscal year "for homeless prevention and rapid rehousing services for individuals and families who are homeless or would be homeless but for this assistance, including the provision of short-term or medium-term rental assistance, housing relocation, and stabilization services including housing search, mediation, or outreach to property owners, credit repair, security or utility deposits, utility payments, rental assistance for a final

month at a location, moving cost assistance, and case management, or other appropriate activities for homelessness prevention and rapid rehousing of persons who have become homeless.” In this regard in FY 2020-21 and as detailed in this Report, the Housing Authority’s LMIHAF provided partial funding for Community Outreach Workers who assertively work toward placing homeless individuals and families into temporary or permanent housing as it becomes available. Staff addresses the various needs represented by the local homeless population on a daily basis. Further, a part-time Management Analyst maintains the database that Community Outreach Workers and volunteers from varied community groups utilize to streamline their reporting and recordkeeping processes relative to placement of homeless individuals and families into housing.

Appendix B.2

Housing Successor Annual Report Fiscal Year 2021-2022

**COSTA MESA HOUSING AUTHORITY ANNUAL REPORT
AS HOUSING AUTHORITY AND AS HOUSING SUCCESSOR
FOR FISCAL YEAR 2021-2022 UNDER CALIFORNIA
HEALTH & SAFETY CODE SECTIONS 34176.1 AND 34328**

This annual report (Report) of the Costa Mesa Housing Authority (Housing Authority) is prepared under the California Health and Safety Code (HSC), Division 24, Parts 1.8 and 1.85 (Dissolution Law), in particular Section 34176.1 as the housing successor, and under the California Housing Authorities Law, HSC Section 34200, *et seq.* (HAL), in particular Section 34328 as a housing authority. The Dissolution Law and HAL respectively require preparation of an annual report on the housing successor and the housing authority's activities for the prior fiscal year. This Report details the Housing Authority's activities during Fiscal Year (FY) 2021-22 and is intended to satisfy the requirements under both HSC Sections 34176.1 and 34328. More specifically, this Report includes information required about the Low and Moderate Income Housing Asset Fund (LMIHAF) and other information under Section 34176.1(f).

This Report is based on information prepared by City staff on behalf of the Housing Authority and data contained within the independent financial audit of the LMIHAF (Audit), which is prepared by Davis Farr LLP and accompanies this Report. The Audit is incorporated in the City of Costa Mesa's Annual Comprehensive Financial Report (ACFR) for FY 2021-22. The City Council and the Housing Authority will review and file the Report in an open meeting in January 2023; upon their review and approval, this Report will be posted on the City's website www.costamesaca.gov and thereafter appended to the City's annual update report prepared under Section 65400 of the Government Code.

This Report conforms with and is organized into sections I through XIV, inclusive, under HSC Section 34176.1(f) of the Dissolution Law and Section 34328 of the HAL:

- I. Amounts Received and Deposited Under 34191.4(b)(3)(A).** *This section provides the total amount of funds paid to the City and the amount deposited into the LMIHAF representing 20% of repayments on the reinstated City/Agency loan per Section 34191.4.*

The Department of Finance (DOF) approved a total of \$1,749,586 attributable to the reinstated City/Agency loan under Section 34191.4. The Successor Agency received \$1,749,586 in FY 2021-22. Of the \$1,749,586, \$1,399,669 (representing 80% of \$1,749,586) was due to the City. The remaining balance was deposited into the LMIHAF upon receipt in May 2022, totaling \$349,917 (representing 20% of \$1,749,586).

- II. Amount Deposited into LMIHAF.** *This section provides the total amount of funds deposited into the LMIHAF in FY 2021-22 and itemized by amounts listed on Recognized Obligation Payment Schedule (ROPS), amounts representing Section 34191.4 deposits, and other amounts deposited into the LMIHAF.*

- In FY 2021-22, the amount of \$349,917 (representing 20% of \$1,749,586) was deposited into the LMIHAF;
- \$0 was held for items listed on the ROPS; and
- other deposits into the LMIHAF in FY 2021-22 were: (1) \$362,445 rental income, (2) \$11,259 loan repayments, (3) \$ 91,836 investment loss, and (4)

\$6,945 in other reimbursements.

The cumulative total of all deposits into the LMIHAF was \$638,730 during FY 2021-22.

III. Ending Balance of LMIHAF. *This section provides a statement of the balance in the LMIHAF as of the close of FY 2021-22. Any amounts deposited for items listed on the ROPS and amounts representing Section 34191.4 deposits, must be distinguished from the other amounts deposited.*

At the close of FY 2021-22 on June 30, 2022, the ending balance in the LMIHAF was \$3,780,628, of which \$0 was held for items listed on the ROPS.

IV. Description of Expenditures from LMIHAF. *This section provides a description of expenditures made from the LMIHAF during FY 2021-22. The expenditures are to be categorized among (A) administration for monitoring, preserving covenanted housing units; (B) homeless prevention and rapid rehousing services; and (C) development of housing.*

The table below lists and describes FY 2021-22 LMIHAF expenditures by category:

Monitoring and Administration Expenditures	<p>Costs for monitoring, enforcement, and preserving long-term affordable housing covenants imposed by the former Costa Mesa Redevelopment Agency (Former Agency) or the Housing Authority, as housing successor.</p> <p>The maximum expenditure for this category in FY 2021-22 is the <i>greater</i> of (a) 5% of the statutory value of (i) real property owned by the housing successor <i>and</i> (ii) loans and grants receivable, or (b) \$200,000 (plus allowed CPI adjustments).</p> <p>Based on the valuation listed in Section V, [lines 6+7 in that table=\$4,979,221] for FY 2021-22, the Housing Authority as housing successor was authorized to spend up to \$248,961 (i.e., 5% of \$4,979,221), but only expended \$138,279.</p>	\$138,279
Homeless Prevention and Rapid Rehousing Services Expenditures	<p>Costs for homeless prevention and rapid rehousing supportive services for individuals and families who are homeless or would be homeless without this assistance.</p> <p>The housing successor was authorized to spend up to \$250,000 for this category in FY 2021-22 and spent \$250,000.</p>	250,000

<p>Housing Development Expenditures</p>	<p>Costs for housing “development”, which term is defined to include: (a) new construction, (b) acquisition and rehabilitation, (c) substantial rehabilitation, (d) long-term affordability covenants on multifamily units, and (e) preservation of assisted affordable housing that is eligible for (i) prepayment, (ii) termination, or (iii) for which the expiration of rental restrictions is scheduled to occur within five years.</p> <p>The costs in this category represent the operating costs for a 30-apartment low and very low income housing property, which the housing successor intends to solicit proposals from housing providers to purchase and extend affordability.</p> <p>The 30 apartments within eight properties commonly referred to as James/W. 18th Properties, were acquired by the City and Housing Authority through non-judicial foreclosure proceedings in FY 2015-2016. This acquisition was made in order to preserve the long-term affordable housing covenants which were at risk of termination and potential conversion to market housing.</p> <p>The eight properties are owned by the Housing Authority and continue to be operated as affordable housing units for low and very low income households/tenants by a professional property management company. The operating costs for the property include staff salaries and benefits, utilities, supplies, repairs and maintenance, taxes, property management fees, legal, and consulting costs. The total amount spent in FY 2021-22 was \$185,007.</p>	<p>185,007</p>
<p>Total FY 2021-22 LMIHAF Expenditures</p>		<p>\$573,286</p>

V. Statutory Value of Assets Owned by Housing Successor. *This section provides the statutory value of real property owned by the Housing Authority, as housing successor, the value of loans and grants receivables, and the sum of these two amounts.*

Under Dissolution Law and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the Former Agency as listed on the housing asset transfer schedule approved by the DOF under Section 34176(a)(2), the value of the properties transferred to the housing successor under Section 34181(f), and the purchase price of properties purchased by the Housing Authority. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following table provides the statutory value of assets owned by the Housing

Authority as of the end of FY 2021-22:

As of June 30, 2022 End of FY 2021-22	
1. Cash and Investments	\$3,448,364
2. Cash and Investments with Fiscal Agent	22,800
3. Interest Receivable	6,095
4. Rent Receivable	16,509
5. Accounts Receivable	291,913
6. Statutory Value of Real Property Owned by the Housing Authority	4,370,925
7. Value of Loans and Grants Receivable	608,296
Total Statutory Asset Value	<u>\$8,764,902</u>

VI. Description of Transfers. *This section describes transfers, if any, to another housing successor made in previous fiscal year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will be used. The sole purpose of the transfers must be for development of transit priority projects, permanent supportive housing, regional homeless shelters, housing for agricultural employees, or special needs housing.*

The Housing Authority, as housing successor, did not make any LMIHAF transfers to other housing successor(s) under Section 34176.1(c)(2) during FY 2021-22.

VII. Project Descriptions. *This section describes any project for which the Housing Authority, as housing successor, receives or holds property tax revenue under the ROPS and the status of that project.*

The Housing Authority, as housing successor, does not receive or hold property tax revenue under a ROPS.

VIII. Status of Compliance with Section 33334.16. *As and if applicable, this section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former redevelopment agency prior to February 1, 2012. For interests in real property, if any, acquired on or after February 1, 2012, provide a status update on the project.*

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Authority, as housing successor, on or after February 1, 2012.

With respect to interests in real property acquired by the Former Agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the DOF approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the Former Agency, now held by the Housing Authority as housing successor, in the LMIHAF, the Housing Authority as housing successor, must initiate activities consistent with development (as the term is explained in Section IV and Section 34176.1(a)(3)(D)) of the real property for the purpose for which it was acquired within five years of the date the

DOF approved such property as a housing asset.

In this regard, the Housing Authority as housing successor, did not own any real property acquired for development (to be developed) as of dissolution on February 1, 2012 subject to this limitation so the five-year limitation of Section 33334.16 does not apply.

It is noted that the Former Agency held at dissolution, now the Housing Authority holds as landlord/ground lessor, the underlying fee interests in three Ground Leases with Costa Mesa Family Village, a California limited partnership, as tenant/ground lessee (affiliate of Shapell Properties) relating to the existing 72-unit multifamily affordable housing apartment development called Costa Mesa Family Village, located at 1924 and 1981 Wallace Avenue and 2015 Pomona Avenue. The three ground leases end/expire in 2039. Section 33334.16 does not apply to such ground leases and this existing affordable housing development as the subject property was not held for development; it is developed property.

- IX. Description of Outstanding Obligations under Section 33413.** *This section describes outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012, along with the Housing Authority's progress, as housing successor, in meeting those prior obligations, if any, of the former redevelopment agency and how the Housing Authority, as housing successor, plans to meet unmet obligations, if any.*

Replacement Housing: Under the Former Agency's last Implementation Plan in effect prior to dissolution (the 2010-2014 plan), the Former Agency's replacement housing obligations, if any, under Section 33413(a) were transferred to the Housing Authority as housing successor; however, the Former Agency had no outstanding replacement housing obligations as of dissolution on February 1, 2012.

Inclusionary/Production Housing. Under the Former Agency's last Implementation Plan in effect prior to dissolution (the 2010-2014 plan), its inclusionary/production housing obligations, if any, under Section 33413(b) were transferred to the Housing Authority as housing successor; however, the Former Agency had no outstanding inclusionary/production housing obligations as of dissolution on February 1, 2012.

Therefore, the Housing Authority, as housing successor, has no outstanding replacement or inclusionary/production housing obligations and thus no implementation obligation under Section 33413.

For information, the Former Agency's Implementation Plan is posted on the City's website at www.costamesaca.gov.

- X. Income Test.** *This section provides information required by Section 34176.1(a)(3)(B), or a description of expenditures by income category and restriction for the applicable five-year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met. However, the income test is not required until year 2019.*

The applicable provisions of Sections 34176.1(a)(3)(A)(B)(C) require that the Housing Authority, as housing successor, must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the Area Median Income (AMI). If the Housing Authority as housing successor, fails to comply with the extremely-low income requirement in a five-year reporting period, then the provisions of Section 34176.1(B) will apply in each fiscal year following the latest fiscal year following the Report are expended for the development of housing occupied by extremely low income households until the housing successor demonstrates compliance with such requirement in a subsequent annual report.

FY 2018-19 was the end of the initial five-year period under Section 34176.1(a)(3)(B). The Housing Authority's next five-year report on compliance with Section 34176.1(a)(3)(A) is due in FY 2023-24.

XI. Senior Housing Test. *This section provides the percentage of deed-restricted rental housing units restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency and its host jurisdiction within the same 10-year time period.*

The housing successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the housing successor, the Former Agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the housing successor, the Former Agency, and/or City within the same time period. If this percentage exceeds 50%, then the housing successor cannot expend future LMIHAF funds to assist additional senior housing units until the Housing Authority as housing successor, or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

As reported in the prior FY 2018-19 annual report, for the 10-year period of January 1, 2004 to January 1, 2014, 9.8% of the funds were expended on assistance to provide senior affordable housing units and 90.2% of the funds were expended on assistance to provide non-senior/family affordable housing units. In particular, 36 senior units with long-term 55-year affordability covenants were established during the previous 10-year period (specifically, the St. John's Manor Project in 2006).

For the current 10-year period of January 1, 2014 to January 1, 2024 that includes the subject FY 2021-22, the Housing Authority expended no funds (\$0) for senior housing thus far; therefore 0% of funds were expended on development or assistance to develop senior housing units.

XII. Excess Surplus Test. *This section provides the amount of excess surplus in the LMIHAF, if any, and the length of time that the housing successor has had excess surplus, and the housing successor's plan for eliminating the excess surplus.*

The term excess surplus is defined in Section 34176.1(d) as: "an unencumbered

amount in the LMIHAF account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the housing successor's preceding four fiscal years, whichever is greater." The table below provides the Excess Surplus test for the preceding four years. The LMIHAF does not have an excess surplus.

	LMIHAF July 1, 2021	LMIHAF July 1, 2022
Opening Fund Balance	\$ 3,715,185	\$ 3,780,628
Less Unavailable Amounts:		
Loans Receivable Net	(650,674)	(608,296)
Accounts Receivable	-	(291,913)
Encumbrances	-	-
Available Housing Successor Funds (A)	3,064,511	2,880,419
Limitation (Greater of \$1,000,000 or four years deposits):		
Aggregate Amount Deposited for last four years:		
2021-22	N/A	\$ 638,730
2020-21	804,746	804,746
2019-20	770,962	770,962
2018-19	827,902	827,902
2017-18	687,292	N/A
Total	\$ 3,090,902	\$ 3,042,340
Base Limitation	\$ 1,000,000	\$ 1,000,000
Greater Amount (B)	\$ 3,090,902	\$ 3,042,340
Excess/Surplus [(A)-(B)]	\$ -	\$ -

XIII. Inventory of Homeownership Units. *This section provides a summary of covenanted homeownership units assisted by the former redevelopment agency or the housing successor that include equity sharing and repayment provisions, including: (A) number of units; (B) number of units lost to the portfolio in the last fiscal year and the reason for those losses; and (C) any funds returned to the housing successor due to losses or repayments.*

This section provides an inventory of homeownership units assisted by the Former Agency and assumed by the Housing Authority as housing successor, that are subject to covenants or restrictions or to an adopted program that protects the Former Agency's investment of moneys from the Low and Moderate Income Housing Fund per Section 33334.3(f).

Total homeownership inventory as of dissolution on February 1, 2012 (subparagraph (A) below) and inventory, losses, and repayments for the period from February 1, 2012 through June 30, 2022 (subparagraph (B) below) include:

(A) As of dissolution on February 1, 2012, the total number of homeownership units

assisted by the Former Agency and had covenants and restrictions of record was 41 units, which included loans and restricted single-family homes assisted by the Former Agency through its (1) First Time Homebuyer (FTHB) Program, (2) Single-Family Rehabilitation (SF Rehab) Program, (3) affordable housing projects with Habitat for Humanity of Orange County, and (4) Neighborhood Stabilization Program.

- (B) The total number of homeownership units lost to the Housing Authority's portfolio as housing successor between February 1, 2012 through June 30, 2022, along with the reasons for those losses.

Total losses between February 1, 2012 and June 30, 2022: 30 units

Reasons for the units' losses from the homeownership portfolio:

Principal Repayments:	\$756,408
Loan Impairment:	\$1,095,000
Foreclosure:	\$436,000

Funds returned to the Housing Authority as housing successor, as part of an adopted program that protects the Former Agency's investment of moneys from the Low and Moderate Income Housing Fund, including loan principal, interest, and equity sharing payments between February 1, 2012 and June 30, 2022: \$1,184,433

- (C) The number of homeownership units lost to the Housing Authority's portfolio as housing successor in FY 2021-22 and the reason for those losses.

There were no homeownership units lost to the Housing Authority's portfolio as housing successor in FY 2021-22.

One owner made partial payments on homeownership loans. Principal and interest payments received totaled \$11,259 and were deposited into the LMIHAF.

The funds returned to the Housing Authority as housing successor, as part of an adopted program that protects the Former Agency's investment of moneys from Low and Moderate Income Housing Fund, included repayments of FTHB program loans. Total principal, interest, and equity sharing payments during FY 2021-22 was \$11,259

- (D) The Housing Authority as housing successor, has existing consulting agreements with: AmeriNational Community Services, Inc., a Minnesota Corporation (dba AmeriNat) and Farmers State Bank of Hartland, a Minnesota corporation. The agreements are related to certain, but not all, aspects of administration of the Former Agency's SF Rehab and FTHB programs that provided second lien mortgages for homeownership units. The consulting services include assistance with oversight and administration of amortized loan payments, if any, due; with tracking and calculation of loan balances in the event of payoff; and, other administrative activities for these outstanding SF

Rehab and FTHB loans.

In addition, the Housing Authority retains the services of Keyser Marston Associates, a professional housing economic consultant, and the Housing Authority legal counsels, City Attorney and Authority General Counsel Kimberly Hall Barlow of Jones & Mayer, and Celeste Brady of Stradling Yocca Carlson & Rauth (SYCR). Counsels assist staff in reviewing legal issues related to outstanding SF Rehab and FTHB program loans, such as the refinancing of first lien mortgages consistent with SF Rehab and FTHB program refinancing criteria, repayments, impairment analyses, defaults, foreclosures, bankruptcies, renting out part of the home, short sale requests, and other issues that arise in the administration of the former Agency's loan programs for ownership housing.

XIV. Additional Information: *Housing Authority's Activities for the preceding year (FY 2021-22) under HSC Section 34328.*

Without repeating the information presented above in this Report, the Housing Authority:

- (A) continued to monitor and enforce housing assets transferred from the Former Agency to the Housing Authority as housing successor, as well as other Housing Authority (non-housing successor) assets;
- (B) continued property management and operation of the James/W.18th Properties. See Sections IV. And X. above for more detailed discussion about these properties.
- (C) As housing successor under Section 34176.1(a)(2), the Housing Authority may expend up to \$250,000 per fiscal year "for homeless prevention and rapid rehousing services for individuals and families who are homeless or would be homeless but for this assistance, including the provision of short-term or medium-term rental assistance, housing relocation, and stabilization services including housing search, mediation, or outreach to property owners, credit repair, security or utility deposits, utility payments, rental assistance for a final month at a location, moving cost assistance, and case management, or other appropriate activities for homelessness prevention and rapid rehousing of persons who have become homeless." In this regard in FY 2021-22 and as detailed in this Report, the Housing Authority's LMIHAF provided partial funding for Community Outreach Workers who assertively work toward placing homeless individuals and families into temporary or permanent housing as it becomes available. Staff addresses the various needs represented by the local homeless population on a daily basis. Further, a part-time Management Analyst maintains the database that Community Outreach Workers and volunteers from varied community groups utilize to streamline their reporting and recordkeeping processes relative to placement of homeless individuals and families into housing.
