SUMMER R.O.C.K.S PROGRAM

DISCIPLINARY PROCESS

Failure to comply with the Summer R.O.C.K.S Program rules will result in disciplinary action. The level of disciplinary action is based on the discretion of the supervisory staff. Please note, disciplinary action may result in automatic suspension or expulsion, regardless if the child has had a prior warning and/or a written Disciplinary Action Form (DAF). All DAFs will result in the participant being sent home for the remainder of the day and will be kept on file for the remainder of the summer sessions. Disciplinary action received in any program may result in suspension or expulsion from other City programs.

The following is the Summer R.O.C.K.S Program's disciplinary process:

1. If a participant displays inappropriate behavior, the Community Services Leader will give the participant a verbal warning. The verbal warning will consist of reviewing the rule(s) broken and informing the participant that future inappropriate behavior will result in a consequence.
2. A second occurrence of inappropriate behavior will result in a consequence (i.e. time-out, apology letter, parent notification, removal from the activity, etc.).
3. If a behavior problem continues and steps 1 and 2 have been followed or a serious act is committed, the Community Services Leader will contact the participant's parents/guardians immediately, inform them of the problem and fill out a Disciplinary Action Form.
4. If the inappropriate behavior continues to occur and step 3 has been completed, a **SECOND** Disciplinary Action Form will be completed and the Summer R.O.C.K.S Program supervisory staff will be notified. Participant's parent/guardian will be notified to discuss the inappropriate behavior. In addition, parents/guardians will be informed that if the behavior continues, suspension and/or expulsion from the Summer R.O.C.K.S Program may result.
5. If steps 1-4 have not resolved the situation, and inappropriate behavior continues, a **THIRD** Disciplinary Action Form will be completed. Summer R.O.C.K.S Program supervisory staff will contact the parents/guardians to inform them that their child will be suspended from the Summer R.O.C.K.S Program for a specified period of time (2-3 days). A letter will be sent to the parents/guardians by supervisory staff to confirm the suspension and to inform them that if the behavior continues their child will be expelled from the Summer R.O.C.K.S Program for the remainder of the summer.
6. If steps 1-5 have been followed and the inappropriate behavior continues to occur, a **FOURTH** Disciplinary Action Form will be completed and Summer R.O.C.K.S Program supervisory staff will contact the parents/guardians to inform them that their child has been expelled from the Summer R.O.C.K.S Program for the remainder of the summer. A letter will be sent to the parents/guardians by supervisory staff to confirm the expulsion.

If you have any questions or concerns, please call Summer R.O.C.K.S staff at (714) 754-5013.

SUNSCREEN POLICY

Parent/Guardian Release of Liability

The City of Costa Mesa recognizes that overexposure to ultraviolet (UV) radiation from the sun and artificial sources such as sunlamps and tanning beds is linked to the development of skin cancer, eye damage, premature aging, and a weakened immune system and that children are particularly vulnerable to the effects of overexposure. The City desires to support the prevention of excessive UV radiation for children participating in the City's Recreational Programs.

- I acknowledge that I am required to provide UV protection, of 30 or greater, spray or lotion for my child(ren), while considering my child(ren)'s allergy history. My child(ren) will be required to apply sunscreen at intervals designated by staff.
- Per the request of my child(ren), I understand that City employees may assist in applying sunscreen IF the UV protection is in spray form, not lotion.
- I acknowledge that City employees will only spray the UV protection, provided by the parent/guardian, on my child(ren) and will not engage in any physical contact to ensure that it is evenly applied on participant's skin. Other program participants may be permitted to apply or assist in applying sunscreen on my child or ward's skin.
- I understand and acknowledge that City employees are not medically trained as to the negative effects of ultraviolet radiation.
- I hereby for myself, my child, my heirs or anyone who might claim on my behalf or my child's behalf, AGREE NOT TO BRING ANY CLAIM and waive, release and discharge the City of Costa Mesa, its officers, agents and employees from any and all liability for personal injury or death arising out of or occurring in the course of administering specialized physical health care services to my child(ren) during participation in City Recreation Programs.

This release and waiver extends to all claims of every kind of nature whatsoever, foreseen or unforeseen, known or unknown, whether or not due to negligence.

I HAVE READ THE RELEASE OF LIABILITY OF THE ADMINISTRATION OF SUNSCREEN AND CERTIFY MY AGREEMENT BY MY SIGNATURE ON THE PROGRAM'S REGISTRATION FORM.

****If you do not want this policy applied to your child, submit a signed letter to supervisory staff stating so and that you agree not to bring any claim, and further waive, release, and discharge the City of Costa Mesa, its officers, agents, employees, and volunteers from any and all liability for personal injury or death arising out of or related to his/her non-participation.****
