BETWEEN THE
CITY OF HUNTINGTON BEACH AND THE CITY OF COSTA MESA**

This Services Agreement for Public Safety Helicopter Support (“Agreement”) is made by and between the City of Huntington Beach, a California Municipal Corporation (“Huntington Beach”), and the City of Costa Mesa, a California Municipal Corporation (“Costa Mesa”), based on the following:

- A. Huntington Beach employs, maintains, trains and equips personnel capable of responding to requests for public safety helicopter services from ground-based public safety personnel.
- B. Costa Mesa is responsible for providing public safety services within its jurisdiction, which includes public safety helicopter services.
- C. Costa Mesa requires the services of Huntington Beach to provide public safety helicopter services to its land and residents.

TERM

This Agreement shall commence on the date it is last executed by a party and end on June 30, 2021 unless terminated earlier as set forth herein.

I. PURPOSE

- 1.1 The purpose of this Agreement is to provide public safety helicopter services to Costa Mesa's land and residents and for Costa Mesa to pay an all-inclusive flat rate per hour for the cost of the services provided by Huntington Beach.
- 1.2 Nothing in this Agreement shall be interpreted as to give Costa Mesa a right to services from Huntington Beach. Huntington Beach expressly retains all rights and powers to direct, manage, maintain, train, employ, equip, operate and control all equipment, facilities, properties and personnel in providing public safety helicopter services to Costa Mesa pursuant to this Agreement. Costa Mesa acknowledges and agrees that the efficient use of public safety helicopter services requires a timely and prioritized response of a helicopter. Costa Mesa agrees that Huntington Beach will have the sole discretion to determine the priority of calls for service and when an assignment of an air crew to a call will be terminated.
- 1.3 Notwithstanding anything in the Agreement to the contrary, Costa Mesa expressly retains all rights and powers to direct, manage, maintain, train, employ, equip, operate and control all equipment, facilities, properties and personnel in providing ground-based public safety services to its land and residents.

II. SERVICES

- 2.1 Huntington Beach will furnish Costa Mesa with public safety helicopter services that will include a helicopter aircrew comprised of a pilot and tactical flight officer that are both sworn peace officers and specially trained to conduct public safety helicopter services. Huntington Beach and the helicopter aircrews retain the sole and exclusive discretion as to the specific type, nature, timing and duration of the services performed pursuant to this Agreement.
- 2.2 Huntington Beach certifies that all helicopter aircrews providing public safety helicopter services to Costa Mesa under this Agreement currently possess, and shall maintain for the life of this Agreement, all permits, licenses, certifications, and training required from any federal, state or local governmental entity to provide public safety helicopter services.
- 2.3 In no event shall Huntington Beach or the helicopter aircrew be responsible for the direction and control of ground-based public safety personnel and equipment of Costa Mesa during the course and scope of the public safety helicopter services performed pursuant to this Agreement.
- 2.4 In the event of a natural disaster or local or regional emergency, Huntington Beach shall take all reasonable steps to provide Costa Mesa with public safety helicopter service that is dedicated to the exclusive use of Costa Mesa. This shall include an obligation on the part of Huntington Beach to "hold over" any on-duty and/or "call in" any off-duty helicopter aircrew(s) or personnel necessary to provide Costa Mesa with public safety helicopter service that is dedicated to the exclusive use of Costa Mesa. Additionally, in the event of a natural disaster or local or regional emergency, Huntington Beach shall provide Costa Mesa with a first right of refusal to have public safety helicopter services prior to allowing or releasing said public safety helicopter services to other governmental agencies for use or deployment during said natural disaster or local or regional emergency.

III. COMPENSATION

- 3.1 Costa Mesa shall pay Huntington Beach for the public safety helicopter services provided on an hourly basis in accordance with the provisions of this Section. Huntington Beach's total compensation for all services performed in accordance with this Agreement shall not exceed Nine Hundred Thousand dollars and no/100 (\$900,000.00) without prior written authorization from Costa Mesa. Furthermore, Huntington Beach's total compensation in any single Fiscal Year (defined as July 1st through June 30th) shall not exceed Three Hundred Thousand dollars and no/100 (\$300,000.00) without a prior written amendment.
- 3.2 Huntington Beach shall provide public safety helicopter services to Costa Mesa at an all inclusive flat rate as set forth in this Agreement. Costa Mesa shall incur no other direct or indirect costs or fees for the services provided by Huntington Beach under this

Agreement. Huntington Beach shall bill Costa Mesa for all public safety helicopter services provided under this Agreement in tenth of an hour increments.

- 3.3 Huntington Beach shall submit monthly invoices to Costa Mesa describing the public safety helicopter services provided in the preceding month. Huntington Beach will also provide Costa Mesa with a monthly statement detailing all calls for service and time spent on routine patrol over Costa Mesa's jurisdiction. The monthly statement shall include the names of the helicopter aircrew who performed the services, a brief description of the services performed and/or the specific task performed, the date the services were performed, and the number of hours spent on all services billed on an hourly basis in tenth of an hour increments.
- 3.4 Costa Mesa's Chief of Police, or the Chief's designee (the "Chief"), shall notify the Huntington Beach Air Support Unit Commander ("Unit Commander") within twenty (20) days of receipt of the monthly statement of any disputed calls for service or time spent on routine patrol over Costa Mesa's jurisdiction. The Unit Commander and the Chief will review the public safety helicopter service provided by Huntington Beach on an as-needed basis to ensure that it coincides with the service level desired by Costa Mesa. The Unit Commander and the Chief will be responsible for cooperatively resolving any disputes over services provided under this Agreement and adjusting the service level to coincide with that desired by Costa Mesa.
- 3.5 Should Huntington Beach provide over one thousand (1000) hours of public safety helicopter services to Costa Mesa in any single fiscal year under this Agreement, Huntington Beach acknowledges and agrees that it shall not receive any compensation for said services without a prior written amendment.
- 3.6 Huntington Beach shall provide public safety helicopter services to Costa Mesa at an all-inclusive flat rate of Seven Hundred Thirty-Five dollars (\$735) per hour of service for the first year of service. Commencing on January 1, 2019, the hourly fee for Air Support Services shall be adjusted on July 1st of each year based on the change in the Metropolitan Consumer Price Index. The change will be conducted using the "Consumer Price Index for All Urban Consumers (CPI-U), for the Los Angeles-Riverside-Orange County, California area; all items not seasonally adjusted, 1982-1984 = 100 reference base." The adjustment will be based on the current contract rate using the January index of the current year and the January index of the preceding year. The Huntington Beach Police Chief shall adjust the fees set forth in the Agreement by such percentage change and rounded to the next highest dollar amount. Should the Consumer Price Index be revised or discontinued, the Police Chief shall use the revised or a comparable index as approved by the Huntington Beach and Costa Mesa City Councils. In no event, however, shall the amount payable under this Agreement be reduced below the Hourly Rate in effect immediately preceding such adjustment. The maximum adjustment increase to the Hourly Rate, for any year where an adjustment is made pursuant to this Section, shall not exceed five percent (5%) of the Hourly Rate in effect immediately preceding such adjustment.

IV. COSTA MESA DUTIES

- 4.1 Costa Mesa shall pay Huntington Beach an all-inclusive flat rate per hour for the cost of the services provided by Huntington Beach pursuant to Paragraph 3.1-3.6 of this Agreement for services provided by Huntington Beach under this Agreement. The public safety helicopter services performed by the Huntington Beach helicopter aircrew shall be deemed to commence as of the date and time the aircraft is dispatched to, or arrives over, the airspace of Costa Mesa, whichever occurs first. These services shall continue until the aircrew notifies Costa Mesa that the assignment is complete or that the assignment must be terminated due to a higher priority assignment. The Huntington Beach helicopter aircrew shall be responsible to notify Costa Mesa's dispatch center that the assignment is complete or that the assignment must be terminated due to a higher priority assignment. Services performed by Huntington Beach aircraft for Costa Mesa shall be defined as:
- A. A direct request for public safety helicopter services by Costa Mesa where a Huntington Beach aircraft is dispatched to or arrives over the incident (operationally identified as a "D-1" call) or;
 - B. Any public safety call generated by Costa Mesa and monitored by a Huntington Beach helicopter aircrew in which the aircraft arrives over the incident (operationally identified as a "D-2" call) or;
 - C. Routine patrol over Costa Mesa's jurisdictional areas in which case Huntington Beach's aircrew shall notify Costa Mesa's dispatch center upon their arrival and departure from Costa Mesa's jurisdictional area.

Costa Mesa may authorize its ground-based public safety supervision to cancel a response by a Huntington Beach aircrew.

- 4.2 Costa Mesa agrees to install within its communications/dispatch center any radio equipment necessary to communicate directly with Huntington Beach on the designated frequency (800 MHz Talk Group) agreed upon by Huntington Beach and Costa Mesa. All costs associated with said installation shall be paid by Costa Mesa.

V. INDEMNIFICATION AND WAIVER

- 5.1 Costa Mesa agrees that Huntington Beach should be fully protected from any loss, injury, damage, claim, lawsuit, cost or expense arising out of, or in any way related to, the performance of services pursuant to this Agreement that is in excess of Huntington Beach's requirement to carry and maintain certain policies of insurance and name Costa Mesa as an additional insured as set forth below in Section VI. Subject to Huntington Beach's requirement to carry and maintain certain policies of insurance and name Costa Mesa as an additional insured as set forth below in Section VI, the provisions of this Agreement should be construed and interpreted to provide the fullest possible protection to Huntington Beach. Costa Mesa acknowledges that Huntington Beach would not

provide services in the absence of the commitments of Costa Mesa as specified in this Agreement. Huntington Beach acknowledges that Costa Mesa would not enter into this Agreement in the absence of Huntington Beach's commitment and obligation to carry and maintain certain policies of insurance and name Costa Mesa as an additional insured as set forth below in Section VI.

Notwithstanding the foregoing, nothing herein shall be construed to require Costa Mesa to indemnify the Indemnified Parties from any Claim arising from the negligence or willful misconduct of the Indemnified Parties. This indemnity shall apply to all claims and liability regardless of whether any insurance policies are applicable.
- 5.3 Huntington Beach shall defend, indemnify and hold harmless Costa Mesa and its officers, employees, contractors, agents and representatives, with respect to any claim, loss, liability, damage, lawsuit, cost or expense that arises out of, or is in any way related, to the negligence or willful misconduct by Huntington Beach, including its boards, officers, agents and employees, within the Costa Mesa's jurisdiction. The obligation of Huntington Beach pursuant to this section extends, without limitation, to any injury, death, loss or damage which occurs within Costa Mesa's jurisdiction and which is sustained by any third party, any employee or contractor of Costa Mesa and to such contractor's employees.
