**I. Description of Work**

- A. Provide a concise description of the activity to be undertaken with CDBG funds during the 12-month contract period including the services to be performed, length of services, who will benefit from the services, and how CDBG funds will be used. **The Home Delivered Meals Program (HDM) will alleviate poor nutrition among older adults living in Costa Mesa. The HDM program will provide nutritious meals 5 days per week, 3 meals per day to homebound seniors, based on the availability of funding. All meals are based on voluntary contributions and no individuals will be turned away due to their inability to contribute. The overall goal of the program is to improve the quality of life for participants and their families by creating a safety net of health, nutrition, and supportive services to enhance independence, well-being, and dignity. All Costa Mesa CDBG Funds will help offset the raw food costs of the HDM program.**
- B. Describe the general administrative services to be performed in support of activities noted above and list the amount of CDBG funds (if any) that will be utilized to support these general administrative services. Meals on Wheels OC has policies and procedures in place to comply with requirements of CDBG funding. General administrative services include tracking outcomes and services through our database and tracking systems which compiles all unduplicated participant data. Meals on Wheels OC reports all required information to the City of Costa Mesa. No CDBG funds will be used to support administrative services.

## II. Output Measurements

- A. Total number of unduplicated clients anticipated to be served by the CDBG-funded during the program 12-month contract period (regardless of community of residence) = 30 Persons
- B. Number of unduplicated Costa Mesa residents to be served with CDBG funds during the 12-month contract period = 30 Persons

- How many will have new or continued access to this service or benefit? 30 Persons
  - How many will have improved access to this services or benefit? Persons
- D. Provide a "break-down" of the Costa Mesa residents to be served by the activities listed above. Each resident obtaining services should only be counted once even if they receive multiple services. See the example below.

SAMPLE PROGRAM SERVICE GOALS
