DATE: FEBRUARY 23, 2011

SUBJECT: TREASURER'S REPORT FOR THE MONTH OF JANUARY, 2011

Attached is the Treasurer's Report for the month of January 2011. This performance report lists the various types of securities, institutions the securities were purchased from, maturity dates and interest rates for all securities held in the City's investment portfolio as of the end of the reporting period. All of the City's investments as of January 31, 2011, are in compliance with the Investment Policy and the California Government Code except as otherwise noted or disclosed herein. All market values provided in this report were obtained from The Bank of New York Mellon, except for the Local Agency Investment Fund (LAIF). Market values for LAIF were provided by the State Treasurer's Office. The market value shown for the City's LAIF investment represents the City's contractual rights to its LAIF account and does not represent the value of the underlying portfolio securities. As of January 31, 2011, the City has adequate cash reserves necessary to meet its obligations for the next six months.

The weighted average stated rate of return (current yield) for the City's investment portfolio as of January 31, 2011, was 1.973%. The yield to maturity of the portfolio was 1.829%. The current yield of the City's portfolio was 144 basis points (1.435%) above the current yield of the State of California's Local Agency Investment Fund (LAIF) of .538% for the month ended January 31, 2011. The weighted average number of days to maturity for the total portfolio was 207 days (.567 years). The weighted average number of days to maturity for the total portfolio less pools was 671 days (1.838 years). The average duration for the underlying securities within LAIF as of January 31 was 180 days (0.493 years).

There were no securities purchased during the month of January, 2011.

There were no securities matured during the month of January, 2011.

There were no securities called during the month of January, 2011.

There were no securities sold during the month of January, 2011.

COMPLIANCE REPORTING

The City holds two Lehman Brothers Medium-Term Corporate Notes in its investment portfolio. The total amount invested in these two securities stated at cost is \$5,049,700. Lehman Brothers filed for bankruptcy protection status on September 15, 2008 and the debt rating fell to B3- on that date. These securities had been rated A2 up until the bankruptcy filing. The market value loss of \$4,107,075 for the securities was recorded on the City's general ledger in September 2008, and is updated annually. The current estimates for recoveries through the bankruptcy proceedings are unknown.

In order to maximize recoveries through the bankruptcy proceeding and protect the City's interests, the City participated in the formation of a working group of California public agencies that hold Lehman Brothers Securities in their investment portfolio. Over 200 public agencies in California have been identified representing a total loss exposure of over \$750 million. The largest loss exposure of these agencies is CalPERS which has \$393 million invested in Lehman Brothers securities. Throughout the nation, over 1,000 agencies have loss exposures totaling over \$2.3 billion. The key role of this working group was to assess possible courses of action and potentially collaborate on recovering all invested assets or as great of a percentage of those assets as is possible. Unfortunately, this working group was disbanded in late 2010 after many unsuccessful attempts to introduce legislation to authorize use of TARP funds for cities and counties and direct the Treasury Secretary to purchase these assets. The City is considering participating in an Ad Hoc Group of Lehman Brothers creditors. The participation agreement is currently under review by the City Attorney.

The investment portfolio is in compliance with the City's adopted investment policy and applicable state laws in all other respects during, and as of, the end of the reporting period.

If you have any questions or need additional information, feel free to contact me directly.
