

Pre-Approved Inflatable Vendor List

ADDITIONAL INFLATABLE RESERVATION INFORMATION

1. All Park Reservation Permits with bounce houses will require the use of a generator.
 - a. Generator required for inflatable use. No electricity is available at Costa Mesa Parks to power or support an inflatable.
2. The maximum size of inflatable devices is 30Wx 25L x 16H.
3. No inflatable devices or attractions using water (i.e. water slides) are allowed.
4. Placement of the inflatable device is the responsibility of the person named on the park reservation permit. Non-compliance can result in a citation and/or removal of the inflatable.
5. Permit holder on the reservation must notify the Parks and Community Services Department with the vendor's name providing the inflatable service for the event and the set-up time of the inflatable.
